This Proxy Statement (the "Proxy Statement") and the accompanying materials are furnished in connection with the solicitation of proxies by the Board of Directors of Sharps Compliance Corp., a Delaware corporation (the "Company"), on behalf of the Company, to be used at the Annual Meeting of Stockholders of the Company to be held on November 19, 2009 (the "Annual Meeting") at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders and adjournment(s) or postponement(s) thereof.

The accompanying proxy is designed to permit each holder of the Company's common stock, par value \$0.01 per share (the "Common Stock"), to vote for or withhold voting for, (i) the nominees for election as directors of the Company set forth under the proposals, and (ii) to authorize the proxies to vote in their discretion with respect to any other proposal brought before the Annual Meeting. If no such specifications are made, the proxies for the Common Stock will be voted by those persons named in the Proxies at the Annual Meeting FOR the election of the nominees specified under the caption "Election of Directors". If any other matters properly come before the Annual Meeting, the proxies will vote upon such matters according to their judgment.

The Company encourages the personal attendance of its stockholders at the Annual Meeting, and execution of the accompanying proxy will not affect a stockholder's right to attend the Annual Meeting and to vote his or her shares in person. Any stockholder with a valid proxy has the right to revoke it by giving written notice of revocation to: David P. Tusa, Corporate Secretary, Sharps Compliance Corp., 9220 Kirby Drive, Suite 500, Houston, Texas 77054, at any time before the proxy is voted, by executing and delivering a later-dated proxy, or by attending the Annual Meeting and voting his or her shares in person. No such notice of revocation or later-dated proxy will be effective, however, until received by the Company at or prior to the Annual Meeting. Such revocation will not affect a vote on any matters taken prior to the receipt of such revocation. Mere attendance at the Annual Meeting will not of itself revoke the proxy.

All expenses of the Company in connection with the solicitation will be borne by the Company. The Company will request brokerage houses and other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of shares held of record by such persons and will reimburse such persons and their transfer agents for their reasonable out-of-pocket expense in forwarding such material.

CORPORATE GOVERNANCE

Director Independence

The Board has determined that each of Messrs. Parker, Dalton, Holmes, and Zerrillo is an “independent director” within the meaning of the applicable rules of the SEC and the NASDAQ Capital Market. The Audit Committee, Compensation Committee, Acquisition Committee and Corporate Governance Committee of the Board are composed entirely of independent directors.

Lead Independent Director

In November 2008, director F. Gardner Parker was named Lead Independent Director of the Company’s Board of Directors. The Board of Directors considers it to be useful and appropriate to designate a non-employee director to serve in a lead capacity to coordinate the activities of the other non-employee directors and to perform such other duties and responsibilities as the Board of Directors may determine. The responsibilities of the Lead Independent Director include, but are not limited to, the following, (i) advising the Chairman as to an appropriate schedule of Board meetings, seeking to ensure that the non-employee directors can perform their duties responsibly while not interfering with on-going Company operations, (ii) approving with the Chairman the information, agenda and the meeting schedules for the Board of Directors and Board Committee meetings, (iii) advising the Chairman as to the quality, quantity and timeliness of the information submitted by the Company’s management that is necessary or appropriate for the non-employee directors to effectively and responsibly perform their duties, (iv) calling meetings of the non-employee directors and (v) serving as principal liaison between the non-employee Directors and the Chairman on sensitive issues.

COMMITTEES, MEETINGS AND BOARD COMPENSATION

Board and Committee Meetings

The Board of Directors meets on a quarterly basis and holds special meetings whenever circumstances require. The Board held four regularly scheduled quarterly meetings and two special meetings during the fiscal year 2009. The independent Board members meet in executive session at each quarterly and special Board of Directors meeting. The Board has an Audit Committee, a Compensation Committee, an Acquisition Committee and a Corporate Governance Committee. During 2009, each of the directors attended at least 75% of the aggregate number of meetings of the Board and the committees on which he served that were held during the period in which he served as a director or committee member.

Committees of the Board

The Board currently has four standing committees: Audit, Compensation, Acquisition and Corporate Governance.

Audit Committee Report. The information contained in this report shall not be deemed to be “soliciting material” or “filed” or incorporated by reference in future filings with the SEC, or subject to liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), except to the extent that we specifically request that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.

The Audit Committee’s purpose is to assist the Board of Directors in its oversight of the Company’s internal controls and financial statements and the audit process. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are “independent,” as required by applicable standards of the SEC. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors. Messrs. Zerrillo, Holmes and Parker are the current members of the Audit Committee. The Company’s Board has determined that Mr. Parker is an independent director who, in light of his experience detailed above, qualifies as an audit committee financial expert, as that term is defined by the applicable listing standards of the NASDAQ Stock Market and SEC rules. The Audit Committee is responsible for pre-approving all services provided by the Company’s independent registered public accounting firm, UHY LLP (“UHY”).

Management is responsible for the preparation, presentation and integrity of the Company’s financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company’s independent registered public accounting firm, UHY, is responsible for performing an audit of the consolidated financial statements in accordance with generally accepted auditing standards and assessing the effectiveness of the Company’s internal controls over financial reporting. In performing its oversight role, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent registered public accounting firm. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards (“SAS”) No. 61, Communication with Audit Committees, SAS No. 89, Audit Adjustments, and SAS No. 90, Audit Committee Communications, SAS 112, Communicating Internal Control Related Matters Identified in an Audit, as amended and currently in effect SAS No. 112. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of non-audit services by the independent registered public accounting firm is compatible with maintaining its independence and has discussed with the independent registered public accounting firm its independence.

In overseeing the preparation of the Company’s financial statements, the Audit Committee met with both management and UHY to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended June 30, 2009. The Audit Committee met four times in fiscal year 2009.

The Audit Committee: F. Gardner Parker (chairman), Philip C. Zerrillo, and Parrish H. Holmes Jr.

The Compensation Committee has furnished the following report on the Company's executive compensation policies. This report describes the Compensation Committee's policies applicable to the compensation of the Company's executive officers and provides specific information regarding the compensation of the Company's Chief Executive Officer. The information contained in this "Compensation Committee Report on Executive Compensation" shall not be deemed to be "soliciting material" or to be "filed" with the Commission, nor shall such information be incorporated by reference into any future filings under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates it by reference into such filing.

The Compensation Committee currently is comprised of three outside directors, Messrs. Gillman, Dalton, and Parker, and administers and oversees all aspects of the Company's Executive Compensation Policy and reports its determinations to the Board of Directors. The Compensation Committee's overall goal is to develop executive compensation policies that are consistent with, and linked to, strategic business objectives and Company values. The Compensation Committee approves the design of, assesses the effectiveness of and administers executive compensation programs in support of the Company's compensation policies. The Compensation Committee also reviews and approves all salary arrangements and other remuneration for executives, evaluates executive performance and considers related matters.

Compensation Philosophy The Company's executive compensation policies have four primary objectives: to attract and retain highly competent executives to manage the Company's business, to offer executives appropriate incentives for accomplishment of the Company's business objectives and strategy, to encourage stock ownership by executives to enhance mutuality of interest with stockholders and to maximize long-term stockholder value.

Elements of Compensation The key elements of the Company's executive compensation are base salary, annual incentive and long-term incentive. These key elements are addressed separately below. In determining compensation, the Compensation Committee considers all elements of an executive's total compensation package.

Base Salary Base salaries for executives are determined initially by evaluating the executive's level of responsibility, prior experience, breadth of knowledge, internal equity issues and external pay practices. Increases to base salaries are driven primarily by individual performance. Individual performance is evaluated based on sustained levels of individual contribution to the Company. When evaluating individual performance, the Compensation Committee considers the executive's efforts in promoting Company values, continuing educational and management training, improving product quality, developing relationships with customers and vendors and demonstrating leadership abilities among co-workers.

Annual Incentive Each year, the Compensation Committee evaluates the performance of the Company as a whole, as well as the performance of each individual executive. Factors considered include Company performance versus expectations, as well as individual accomplishments. The Compensation Committee does not utilize formalized mathematical formulae, nor does it assign weightings to these factors. The Compensation Committee, in its sole discretion, determines the amount, if any, of incentive payments to each executive. The Compensation Committee believes that the Company's performance versus expectations and individual accomplishments require subjectivity on the part of the Committee when determining incentive payments.

Long-Term Incentive The Company's long-term compensation philosophy provides that long-term incentives should relate to improvement in stockholder value, thereby creating a mutuality of interests between executives and stockholders. Additionally, the Compensation Committee believes that the long-term security of executives is critical for the perpetuation of the Company. Long-term incentives are provided to executives through the Company's 1993 Stock Plan, in the form of stock options and restricted stock awards.

Stock Options Stock options, when awarded, have been granted at an option price not less than the fair market value of the Common Stock on the date of grant. Accordingly, stock options have value only if the price of the Common Stock appreciates after the date the options are granted. The design focuses executives on the creation of stockholder value over the long-term and encourages equity ownership in the Company.

The Compensation Committee met three times during the fiscal year ended June 30, 2009.

The Compensation Committee: John W. Dalton (co-chairman), Ramsay Gillman (co-chairman) and F. Gardner Parker

The Acquisition Committee reviews the Company's acquisition strategy and candidates as presented by the Company's senior management. As part of the process, the Acquisition Committee also reviews and provides guidance with respect to negotiations, letters of intent and final transaction terms and conditions. The Acquisition Committee also approves acquisition transactions and makes formal recommendations to the Board of Directors. The Acquisition Committee did not meet during the fiscal year ended June 30, 2009.

The Acquisition Committee: Parris H. Holmes (chairman), John W. Dalton and F. Gardner Parker.

Sharps Compliance Corp. 1993 Stock Plan

General. Effective November 16, 1993, the stockholders of the Company approved the Sharps Compliance Corp. 1993 Stock Plan (the "Stock Plan"). Under the Stock Plan, (a) employees of the Company and any subsidiary of the Company may be awarded incentive stock options ("ISOs"), as defined in Section 422A(b) of the Internal Revenue Code of 1986, as amended (the "Code"), and (b) employees, consultants and affiliates or any other person or entity, as determined by the Administrator to be in the best interests of the Company, may be granted (i) stock options which do not qualify as ISOs ("Non-qualified Options"), (ii) awards of stock in the Company ("Awards"), (iii) stock appreciation rights ("SARs") in conjunction with, or independently of, options granted thereunder, (iv) performance

awards in the form of units ("Units") representing phantom shares of stock, (v) non-employee director options and (vi) opportunities to make direct purchases of stock in the Company ("Purchases"). ISOs and Non-qualified Options are collectively referred to as "Options," and together with Awards, SARs, Units, Purchases and non-employee director options are collectively referred to as "Stock Rights."

Shares Subject to the Stock Plan. The Stock Plan currently authorizes the issuance of up to 4,000,000 shares. At September 28, 2009, 316,006 shares are available for issuance under the Stock Plan. If any Stock Right granted under the Stock Plan terminates, expires or is surrendered, new Stock Rights may thereafter be granted covering such shares.

Administration. The Stock Plan is administered by the Board of Directors (the "Administrator"). Subject to the terms of the Stock Plan, the Administrator has the authority to determine the persons to whom Stock Rights (except non-employee director options) shall be granted, the number of shares covered by each such grant, the exercise or purchase price per share, the time or times at which Stock Rights shall be granted, whether each option granted shall be an ISO or a Non-qualified Option, whether restrictions such as repurchase options are to be imposed on shares subject to Stock Rights and the nature of such restrictions, if any. The interpretation or construction by the Administrator of the Stock Plan or with respect to any Stock Rights granted thereunder shall, unless otherwise determined by the Board of Directors, be final. The option price for ISOs may not be less than 100% of the fair market value of the Common Stock on the date of grant, or 110% of the fair market value with respect to any ISO issued to a holder of 10% or more of the Company's shares. There is no price requirement for Non-qualified Stock Options. In no event may the aggregate fair market value (determined on the date of the grant of an ISO) of Common Stock for which ISOs granted to any employee under the Stock Plan are exercisable for the first time by such employee during any calendar year exceed \$100,000. The Stock Plan further directs the Administrator to set forth provisions in Option agreements regarding the exercise and expiration of Options according to stated criteria. The Administrator oversees the methods of exercise of Options, with attention being given to compliance with appropriate securities laws and regulations. The Stock Plan permits the use of already owned Common Stock as payment for the exercise price of Stock Rights.

Eligibility for Granting of Stock Rights. ISOs may be granted under the Stock Plan only to employees of the Company. Non-qualified Options, SARs and Units may be granted to any officer, employee, consultant or affiliate of the Company, or any other person or entity, as determined by the Administrator to be in the best interests of the Company.

Awards. Restricted stock awards may be granted under the Stock Plan at the discretion of the Administrator. The grantee purchases the number of shares subject to the Award, usually for a nominal price such as the par value. The shares, however, are held in escrow and may not be sold until they are vested in accordance with the terms of the grant, such as continued employment for a specific period of time, accomplishment by the Company of certain goals, or a combination of criteria. Upon termination of the Award, all unvested shares are repurchased by the Company for the same nominal purchase price originally paid for the stock. On June 9, 2008, the Company issued 51,500 Awards to non-employee Directors as partial compensation for service to be provided in fiscal year 2008 (see Revised Non-Employee Board of Director Compensation Policy above).

Stock Appreciation Rights. Options (except non-employee director options) granted under the Stock Plan may be granted in tandem with SARs ("tandem SARs") or independently of and not in tandem with an Option ("naked SARs"). SARs will become exercisable at such time or times, and on such conditions, as specified in the grant. Any tandem SAR granted with an ISO may be granted only at the date of grant of such ISO. Any tandem SAR granted with a Non-qualified Option may be granted either at or after the time such Option is granted. As of September 30, 2009, the Company had not granted any SARs under the Stock Plan.

A tandem SAR is the right of an optionee, without payment to the Company (except for applicable withholding taxes), to receive the excess of the fair market value per share on the date which such SAR is exercised over the option price per share as provided in the related underlying Option. A tandem SAR granted with an Option shall pertain to, and be exercised only in conjunction with, the related underlying Option granted under the Stock Plan and shall be exercisable and exercised only to the extent

that the underlying Option is exercisable. The tandem SAR shall become either fully or partially non-exercisable and shall then be fully or partially unexercisable and fully or partially forfeited if the exercisable portion, or any part thereof, of the underlying Option is exercised, and vice versa.

A naked SAR may be granted irrespective of whether the recipient holds, is being granted or has been granted any Options under any stock plan of the Company. A naked SAR may be granted irrespective of whether the recipient holds, is being granted or has been granted any tandem SARs. A naked SAR may be made exercisable without regard to the exercisability of any Option.

Units. The Stock Plan provides that performance awards in the form of Units may be granted either independently of or in tandem with a Stock Right, except that such Units shall not be granted in tandem with ISOs. Units granted shall be based on various performance factors and have such other terms and conditions at the discretion of the Administrator. As of September 30, 2009, the Company had not granted any Units under the Stock Plan.

Termination and Amendment of the Stock Plan. The Board of Directors may terminate or amend the Stock Plan in any respect or at any time, except that no amendment requiring stockholder approval under the provisions of the Code and related regulations relating to ISOs or under Rule 16b-3 will be effective without approval of stockholders as required and within the times set by such rules.

EXECUTIVE INCENTIVE COMPENSATION PLAN

The Compensation Committee of the Board of Directors (“Committee”) of the Company has adopted its Executive Incentive Compensation Plan effective for the fiscal year ended June 30, 2010 and 2011. The Executive Incentive Compensation Plan (the “Plan”) is designed to allow eligible executive full-time employees to share in achievements based on attainment of pre-established Company financial performance as well as achievement of individual goals. The Plan is designed to motivate and reward eligible participants whose performance is considered by the Committee to be critical and integral to the overall success of the Company.

Eligibility and Plan Year

Plan eligibility is determined by the Committee. For the fiscal years ending June 30, 2010 and 2011 participation in the Plan is limited to the Company’s Chief Executive Officer, Chief Financial Officer and Sr. Vice President of Sales and Marketing. The Committee may, at its sole discretion, add other Company executives as participants to the Plan.

Elements of the Plan

Each eligible participant has a target bonus, calculated as a specified percentage of that executive’s then current annual salary. For the fiscal year ending June 30, 2010 and 2011 the specified percentage of participant’s annual salary is 60% for each of the Chief Executive Officer, Chief Financial Officer and Sr. Vice President of Sales and Marketing. The bonus amount will be computed based upon achievement of goals in three categories: (1) positioning the Company for future growth, (2) the achievement of fiscal year budgeted earnings and (3) achievement of fiscal year budgeted revenues.

Individual Performance Element (determines 25% of target bonus)

The computation of this portion of the target bonus will be based upon accomplishments of the Company and the executive participants designed to position the Company for future growth. The Committee will review

accomplishments prepared by executive participants and determine achievement of the goal in

their sole discretion.

Earnings Performance Element (determines 25% of target bonus)

Achievement of this element will be based upon the Company meeting the budgeted net earnings goal for the respective fiscal year.

Revenue Performance Element (determines 50% of target bonus)

Achievement of this element will be based upon the Company meeting the budgeted consolidated revenue goal for the respective fiscal year.

With respect to the Sr. Vice President of Sales and Marketing one-half of this element will be based upon achievement by the Company of its budgeted revenue goal for its Core Business (excludes MWMS-related revenues) and one-half based upon achievement by the Company of its budgeted revenue goal for the consolidated revenues of the Company.

In addition to the above, executive participants will recommend to the Committee a fiscal year bonus pool for non-executive employees.

Eligibility and Payments to Participants

The participant must be an active, full-time employee of the Company on the last day of the fiscal year for which the incentive award is earned to be entitled to the bonus.

Awards shall be paid in cash less applicable taxes, no later than five (5) days of the public release of the Company's annual fiscal yearend financial results or such earlier date as deemed appropriate by the Committee.

The Plan, as set forth in this document, represents the general guidelines the Committee presently intends to utilize to determine executive incentive compensation. If, however, at the sole discretion of the Committee, the Company's best interest is served by applying different guidelines in special or for unusual circumstances, it reserves the right to do so. The Committee reserves the right to amend or discontinue this Plan at any time in the best interests of the Company and its shareholders. Without in anyway limiting the foregoing rights of the Company, should a material business event, significant customer contract, acquisition, disposition or change in control occur during the Plan period, the Committee reserves the right to amend or supplement the Plan following such event in such manner as the Committee, in its sole discretion, deems appropriate.

The Committee shall have full power and authority to interpret and administer the Plan and shall be the sole arbiter of all manners of interpretation and application of the Plan and the Committee's determination shall be final. Any inconsistencies that may occur between the Plan provisions and the calculation of the incentive results will be interpreted and resolved on an individual basis by the Committee.

This agreement provides for a three-year term, unless terminated as provided therein, an annual salary of \$200,000 and an incentive bonus at the discretion of the Compensation Committee. The agreement automatically renewed on December 1, 2007 for a two (2) year period (i.e., December 1, 2009) and will also automatically renew for a two (2) year period on December 31, 2009 (i.e., through December 31, 2011). On November 15, 2007, the Compensation Committee of the Board of Directors approved an increase in Dr. Kunik's annual salary to \$260,000 effective December 31, 2007.

The employment agreement with Dr. Kunik provides that if he is terminated without "cause" (as defined in the employment agreement) he shall continue to be paid by the Company at his then effective base salary for a full twelve (12) month period. Additionally, any outstanding stock options held by Dr. Kunik would become fully vested and exercisable.

The employment agreement with Dr. Kunik also provides that if, at any time within twenty-four (24) months of a change of control (as defined in the employment agreement), the employee ceases to be an employee by reason of, (i) termination by the employer without "cause" (as defined in the employment agreement) or (ii) voluntary termination by the employee for "good reason" (as defined in the employment agreement), Dr. Kunik would be entitled to, at his sole option, to either (i) his then effective base salary through the remaining term of the employment agreement or (ii) a lump-sum payment equal to his then effective base salary for a twenty-four (24) month period. Additionally, any outstanding stock options held by Dr. Kunik would become fully vested and exercisable.

The Company entered into an employment agreement with its Executive Vice President and Chief Financial Officer and Business Development, David P. Tusa, on July 14, 2003. The agreement expires one year from its effective date, subject to automatic annual extensions. The employment agreement further provides that if the Company terminates the employment without cause any time during the term, Mr. Tusa would be entitled to severance equal to twelve (12) month's salary, plus a pro-rata portion of any earned bonus. Additionally, Mr. Tusa would be entitled to continuation of all employee benefits until the earlier of the end of the severance period or employment with another organization.

The Company entered into an employment agreement to promote Claude Dance to Senior Vice President of Sales and Marketing, on December 26, 2007. The employment agreement provides for a base salary of \$200,000. The options are scheduled to vest at a rate of 33.3% per year at each of the first three anniversary dates, expiring in 7 years. Mr. Dance was awarded a non-qualified stock option to purchase 75,000 shares of the Company's common stock (issued under Company's 1993 Stock Plan) on March 26, 2008. The options are scheduled to vest at a rate of 33.3% per year at each of the first three (3) anniversary dates, expiring in seven (7) years. The employment agreement further provides for severance of six (6) months should Mr. Dance be terminated without cause. In connection with his employment, the Company and Mr. Dance entered into a Non-Competition and Confidentiality Agreement.

On May 1, 2009, the Company announced the resignation of John R. Grow as the Company's President and Chief Operating Officer. Mr. Grow has been a member of the Company's Board of Directors since October of 2005 and was named its President and Chief Operating Officer on October 27, 2008. Mr. Grow was not nominated to stand for re-election by the Corporate Governance Committee of the Board of Directors.

Mr. Grow and the Company entered into an agreement dated April 27, 2009 which outlined the terms of Mr. Grow's separation and corresponding termination of employment (the "Separation

Agreement”). In conjunction with the separation of employment, the Company’s Board of Directors determined that Mr. Grow was entitled to, (i) a cash payment of \$67,743.21, (ii) a severance amount equal to four (4) months’ salary at Mr. Grow’s current pay-rate of \$260,000 per year payable on a bi-weekly basis over the four (4) month severance period and (iii) reimbursement of the excess of the monthly health insurance premium over the amount currently payable by Mr. Grow under the Company’s group health insurance plan (of \$425 per month) for a period of 43 months. With respect to the Restricted Stock Agreement entered into between the Company and Mr. Grow on October 27, 2008 whereby Mr. Grow received a grant of 300,000 unregistered restricted shares of the Company’s common stock, Mr. Grow agreed to forfeit 93,750 of such unregistered restricted share grant. The remaining 206,250 unregistered shares are deemed to have vested on April 1, 2009. Under the Separation Agreement, Mr. Grow agreed that 75,000 of the 206,250 unregistered shares cannot be sold or offered for sale under the Securities Act Rule 144 of the Securities and Exchange Commission prior to April 1, 2010. Mr. Grow further agreed that the remaining 131,250 of the 206,250 unregistered shares cannot be sold or offered for sale under the Securities Act Rule 144 and Exchange Commission prior to October 31, 2010.
