Edgar Filing: HARVARD BIOSCIENCE INC - Form 8-K

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

5.02 (e) On November 18, 2013, Harvard Bioscience, Inc. ("Harvard Bioscience") granted the inducement stock option grants it was obligated to grant to its recently hired executive officers as follows:

- Jeffrey A. Duchemin Chief Executive Officer 500,000 options
- Robert E. Gagnon Chief Financial Officer 150,000 options
- Yong Sun Vice President Strategic Marketing and Business Development 100,000 options
- Yoav Sibony Vice President of Global Sales 50,000 options

As previously agreed upon between Harvard Bioscience and each executive in connection with the respective hiring, the options were granted on the eleventh trading day after the distribution date with respect to Harvard Bioscience's spin-off of Harvard Apparatus Regenerative Technology, Inc. The options each have an exercise price of \$4.31 per share, which is based on the volume weighted average price of Harvard Bioscience's common stock over the ten (10) trading day period preceding the date of grant. The options granted to Mr. Duchemin, our new CEO, fully vest three years from the date of grant, while the options granted to the other executives each vest in four equal annual installments over four years after the date of grant.
