### ZONE 4 PLAY, INC. AND ITS SUBSIDIARIES (A DEVELOPMENT STAGE COMPANY)

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

U.S. DOLLARS

#### NOTE 1:- GENERAL

- a. Zone 4 Play, Inc. (the "Company") was incorporated under the laws of the State of Nevada on April 23, 2002 as Old Goat Enterprises, Inc. On February 1, 2004, the Company acquired Zone 4 Play, Inc. ("Zone 4 Play (Delaware)" See note 1b), which was incorporated under the laws of the State of Delaware on April 2, 2001, and subsequently changed the Company's name to Zone 4 Play, Inc., a Nevada corporation. The Company develops and markets interactive games applications for Internet, portable devices and interactive TV platforms.

The Company conducts its operations and business with and through its wholly-owned subsidiary, Zone 4 Play (Delaware), and its wholly-owned subsidiaries Zone 4 Play, Ltd., an Israeli company incorporated in July 2001, which is engaged in research and development and marketing

## Edgar Filing: ZONE 4 PLAY INC - Form 10QSB

of the applications, Zone 4 Play (UK) Limited, a United Kingdom corporation, incorporated in November 2002, which is engaged in marketing of the applications, and through MixTV Ltd., an Israeli company incorporated in June 2004, which is engaged in mobile messaging TV technologies.

The Company's shares are currently traded on the OTC Bulletin Board under the trading symbol "ZFPI.OB."

- b. According to the agreement between the Company and Zone 4 Play (Delaware), the Company issued 10,426,190 shares of common stock to the former holders of equity interests in Zone 4 Play (Delaware). The acquisition has been accounted for as a reverse acquisition, whereby the Company was treated as the acquiree and Zone 4 Play (Delaware) as the acquirer, primarily because the shareholders of Zone 4 Play (Delaware) owned a majority, approximately 58% of the Company's common stock, upon completion of the acquisition. Immediately prior the consummation of the transaction Zone 4 Play, Inc. had no material assets and liabilities, hence the reverse acquisition was treated as a capital stock transaction in which Zone 4 Play (Delaware) is deemed to have issued the common stock held by the Company's shareholders for the net assets of the Company. The historical financial statements of Zone 4 Play (Delaware) became the historical financial statements of the Company.
- c. The Company and its subsidiaries are devoting substantially all of its efforts toward conducting research, development and marketing of its software. The Company's and its subsidiaries' activities also include raising capital and recruiting personnel. In the course of such activities, the Company and its subsidiaries have sustained operating losses and expect such losses to continue in the foreseeable future. The Company and its subsidiaries have not generated sufficient revenues and have not achieved profitable operations or positive cash flow from operations. The Company's accumulated deficit aggregated to \$3,817,540 as of March 31, 2005. There is no assurance that profitable operations, if ever achieved, could be sustained on a continuing basis.

The Company plans to continue to finance its operations with a combination of stock issuance and private placements and revenues from product sales.

- d. Concentration of risk that may have a significant impact on the Company: The Company derived 83% of its revenues from 3 major customers (see Note 4b).

stock for aggregate gross proceeds of \$3,989,999.

Pursuant to the aforementioned private placement the Company issued to its investment bank 25,000 warrants exercisable until December 31, 2007 at a price of \$.80 per share, and 53,200 warrants exercisable until December 31, 2007 at a price of \$1.50 per share.

- f. On January 3, 2005, the Company issued 50,000 shares fully vested of common stock to a service provider pursuant to a consulting contract.
- g. On February 15, 2005, the Company signed an agreement with a non-employee director. Pursuant to the terms of the agreement, the Company will pay an annual director's fee of \$ 7,000, payable in quarterly installments and an additional \$750 per each board meeting. In addition, the Company agreed to grant an option to purchase up to 192,261 shares of common stock of the Company under the terms of the Company's option plan. The exercise price for the shares subject to the option is \$1.368 per share of common stock of the Company on the date of the grant. The option vests in three equal annual installments, whereby the director has the right to purchase 1/3 of the shares subject to the option at the expiration of the first, second and third year, respectively, from the date of the agreement, provided that the director remains a member of the board of directors at such time. In the event of a termination of the agreement for cause at any time, the option, to the extent not exercised, shall terminate and be cancelled and non-exercisable. The Company recorded deferred stock compensation in the amount of \$ 29,224 in respect of this option. On April 13, 2005, the director resigned from the Board of Directors of the Company and, the agreement with him terminated
- h. On March 10, 2005, the Company signed a stock purchase agreement ("the Agreement") with NetFun Ltd. ("NetFun"), under which the Company acquired the remaining minority interests in MixTV Ltd. ("MIXTV"), for a consideration of 625,000 shares of common stock of the Company. As a result of the Agreement, the Company holds the entire ownership interest of MIXTV. The Acquisition was accounted under the purchase method accounting, and accordingly the purchase price has been allocated to MIXTV technology. The technology has a weighted-average useful life of approximately three years.
- i. On March 31, 2005 the Company granted to each of its non-employee directors an option under the terms of the Company's option plan, to purchase 192,261 shares of common stock of the Company at an exercise price per share of \$1. Such option shall vest in three equal annual installments during a period of three years commencing in May 2005, provided that the Company's agreement with such Director does not terminate earlier.

The Company recorded deferred stock compensation in the amount of \$ 307,618 in respect of those options.

### NOTE 2:- SIGNIFICANT ACCOUNTING POLICIES

- a. The significant accounting policies applied in the annual consolidated financial statements of the Company as of December 31, 2004 are applied consistently in these consolidated financial statements.
- b. These financial statements should be read in conjunction with the audited annual financial statements of the Company as of December 31, 2004 and their accompanying notes.

NOTE 2:- SIGNIFICANT ACCOUNTING POLICIES (CONT.)

c. Accounting for stock-based compensation

The Company accounts for stock-based compensation in accordance with the provisions of Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees" ("APB No. 25") and Financial Accounting Standards Board Interpretation No. 44, "Accounting for Certain Transactions Involving Stock Compensation" ("FIN No. 44"). Under APB No. 25, when the exercise price of an employee's options equals or is higher than the market price of the underlying Common Stock on the date of grant, no compensation expense is recognized. Under Statement of Financial Accounting Standard No. 123, "Accounting for Stock-Based Compensation" ("SFAS No. 123"), pro forma information regarding net income and income per share is required, and has been determined as if the Company had accounted for its employee stock options under the fair value method of SFAS No. 123.

The fair value of these options is amortized over their vesting period and estimated at the date of grant using a Black-Scholes multiple option pricing model with the following weighted average assumptions for the three months periods ended March 31, 2005 and 2004:

statements within the meaning of the Private Securities Litigation Reform Act of 1995 and Federal securities laws, and is subject to the safe-harbor created by such Act and laws. Forward-looking statements may include our statements regarding our goals, beliefs, strategies, objectives, plans including product and service developments, future financial conditions, results or projections or current expectations. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expect," "plan," "anticipate," "believe," "estimate," "predict," "potential" or "continue," the negative of such terms, or other comparable terminology. These statements are subject to known and unknown risks, uncertainties, assumptions and other factors that may cause actual results to be materially different from those contemplated by the forward-looking statements. The business and operations of Zone 4 Play, Inc. are subject to substantial risks, which increase the uncertainty inherent in the forward-looking statements contained in this report. We undertake no obligation to release publicly the result of any revision to these forward-looking statements that may be made to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events. Further information on potential factors that could affect our business is described under the heading "Risk Related to Our Business" in Part I, Item 1, "Description of Business" of our Annual Report on Form 10-KSB for the fiscal year ended December 31, 2004. Readers are also urged to carefully review and consider the various disclosures we have made, in this document.

### OVERVIEW

Our financial statements are stated in United States Dollars (\$) and are prepared in accordance with United States Generally Accepted Accounting Principles.

You should read the following discussion of our financial condition and results of operations together with the unaudited financial statements and the notes to unaudited financial statements included elsewhere in this filing.

### COMPANY HISTORY

Zone4Play, Inc. (hereinafter referred to as "Zone4Play", "the Company", "us" or "we") was incorporated under the laws of the State of Nevada on April 23, 2002, as Old Goat Enterprises, Inc. On February 1, 2004, Old Goat Enterprises, Inc. issued the shareholders of Zone 4 Play, Inc., a Delaware corporation ("Zone4Play Delaware"), 10,426,190 shares of common stock, in consideration for the entire share capital of Zone 4 Play, Inc. Immediately after the issuance, the shareholders of Zone 4 Play, Inc. held 58% of the issued and outstanding share capital of Old Goat Enterprises, Inc., and subsequently changed its name to Zone 4 Play, Inc., a Nevada corporation. The transaction was accounted for as a reverse acquisition, whereby Old Goat was treated as the acquired company and Zone 4 Play, Inc. (Delaware) as the acquirer. The historical financial statements of Zone 4 Play, Inc. (Delaware) became our historical financial statements. We conduct our operations through our wholly owned subsidiaries, Zone4Play (Israel) Ltd., an Israeli corporation incorporated in July 2001, Zone4Play (UK) Limited, a United Kingdom corporation incorporated in November 2002, and Zone4Play, Inc., a Delaware corporation. On April 27, 2005, pursuant to an agreement with NetFun Ltd, we increased our ownership percentage of the issued and outstanding share capital of MixTV Ltd. From 50.1% to 100%. MixTV Ltd. is a leading developer of mobile messaging TV technologies that are revolutionizing the television viewing experience by enabling massive multi-player participation on prerecorded and live television programs. Our shares of common stock are currently traded on the OTC Bulletin Board under the trading symbol "ZFPI."

## Edgar Filing: ZONE 4 PLAY INC - Form 10QSB

### OUR BUSINESS

We develop interactive games technology that provides an end-to-end solution for multiple platforms, interactive TV, mobile phones and the Internet, allowing service providers to deliver games to their subscribers. Our technology provides play-for-fun interactive games and play-for-real gaming.

Our customers include cable and satellite television companies, wireless operators, Internet service providers and hospitality service providers. Among our customers are AVAGO TV (Sky UK), NTL (UK), Telewest (UK), Cablevision (US), Lodgenet (US), RCN (US), The Poker Channel (UK) and Eurobet (UK).

Our technology allows service providers to generate additional revenue from their existing infrastructure and subscriber base, and allows a subscriber to switch from one platform, such as interactive TV (iTV), wireless or Internet, to another platform using a single account with the same virtual account balance and user information. To our knowledge, our technology is unique in its ability to utilize a single account to play a game on different platforms. With this capability, our technology increases the variety of services that our customers can offer.

Our customers typically enter into revenue-sharing agreements with us under which they use our technology to offer games to their subscribers and pay us a percentage of the revenues generated from those games.

We devote substantially all of our efforts toward conducting research, development and marketing of our software. In the course of these activities, we have sustained operating losses and expect such losses to continue in the foreseeable future. To date, we have not generated sufficient revenues to achieve profitable operations or positive cash flow from operations. On March 31, 2005, we had an accumulated deficit of \$3,817,540. There is no assurance that profitable operations, if ever achieved, will be sustained on a continuing basis. During the three months ended March 31, 2005, we derived 83% of our revenues from three major customers.

### RESULTS OF OPERATIONS - THREE MONTHS ENDED MARCH 31, 2005 COMPARED TO THREE MONTHS ENDED MARCH 31, 2004

#### REVENUES AND COST OF REVENUES

Revenues for the three months ended March 31, 2005 decreased by 49% to \$150,424 from \$295,280 for the three months ended March 31, 2004. The decrease in the revenues is attributable to the fact that in the three months ended March 31, 2004 there were revenues generated out of related party transactions that have not been repeated in the three months ended March 31, 2005. License Revenues from Software applications for the three months ended March 31, 2005 increased by 52% to \$150,424, from \$99,280 for the three months ended March 31, 2004. The increase in software applications was primarily due to new contracts, mainly in the United States, and revenues generated out of our subsidiary, MixTV Ltd.

Cost of revenues expenses for the three months ended March 31, 2005 decreased by 88% to \$11,065 from \$94,324 for the three months ended March 31, 2004. Gross Profit decreased by 31% for the three months ended March 31, 2005 to \$139,359 from \$200,956 for the three months ended March 31, 2004. The decrease in the cost of revenues is attributable to the fact that in the three months ended March 31, 2004 there were revenues generated from related party transactions that have not been repeated, nor have any costs been incurred in connection with such revenues, in the three months ended March 31, 2005.

## Edgar Filing: ZONE 4 PLAY INC - Form 10QSB

### RESEARCH AND DEVELOPMENT

Research and development expenses for the three months ended March 31, 2005 increased by 344% to \$568,947 from \$128,196 for the three months ended March 31, 2004. The increase is primarily attributable to the Company's new projects in the United Kingdom and the United States, which involves adapting its software to new systems and platforms (ITV and mobile), recruitment of employees, subcontractors' expenses, increased general and administrative expenses allocated to the research and development department due to its growth and the joint venture agreement with NetFun Ltd. with regard to our SMS- TV subsidiary, MixTV Ltd., and to amortization of deferred compensation related to options which were granted to the relevant employees in 2004.

3

### SALES AND MARKETING

Sales and marketing expenses for the three months ended March 31, 2005 increased by 411% to \$235,045 from \$45,995 for the three months ended March 31, 2004. The increase in sales and marketing expenses is primarily attributable to marketing efforts made mainly in the United Kingdom and the United States using our Israeli-based team. Sales and marketing expenses consist mainly of labor costs, trade shows, travel expenses to the United Kingdom and the United States, and amortization of deferred compensation related to options which were granted to the relevant employees in 2004.

### GENERAL AND ADMINISTRATIVE

General and administrative expenses for the three months ended March 31, 2005 increased by 226% to \$203,582 from \$62,489 for the three months ended March 31, 2004. The increase in general and administrative expenses is primarily attributable to recruitment of employees, additional legal and audit expenses associated with being a reporting company in the U.S., Non cash flow investor relations expenses and amortization of deferred compensation related to options which were granted to the relevant employees in 2004.

### LIQUIDITY AND CAPITAL RESOURCES

As of March 31, 2005, total current assets were \$3,274,838 and total current liabilities were \$626,536. On March 31, 2005, we had a working capital surplus of \$2,648,302 and an accumulated deficit of \$3,817,540. We finance our operations with a combination of stock issuances and revenues from product sales. We expect to finance future operations through existing cash, working capital, and from revenues from current and future agreements, and private sales of equity securities. We had working capital of \$2,648,302 on March 31, 2005 compared with a working capital deficit of \$385,993 on December 31, 2004. Cash and cash equivalents on March 31, 2005 were \$3,044,596, an increase of \$2,900,519 from the \$144,077 reported on December 31, 2004. Cash balances increased in the three months ended March 31, 2005 primarily as a result of a stock issuance, offset by the increase in our net loss for the three months ended March 31, 2005.

Operating activities used cash of \$782,046 in the three months ended March 31, 2005. Cash used by operating activities in the three months ended March 31, 2005 results primarily from a net loss of \$859,872, a \$40,586 decrease in employee payroll accruals, a \$78,156 decrease in accrued expenses and other liabilities, offset by a \$114,900 increase in amortization of deferred compensation and \$69,000 of compensation related to issuance of common stock to

## Edgar Filing: ZONE 4 PLAY INC - Form 10QSB

a service provider.

Investing activities used cash of \$178,968 in the three months ended March 31, 2005. Cash used by investing activities in the three months ended March 31, 2005 results from the purchase of computer and software equipment and office furnishings.

Financing activities generated cash of \$3,861,101 during the three months ended March 31, 2005. Cash provided by financing activities for the period ended March 31, 2005 results primarily from a stock issuance. On January 27, 2005, the Company completed a private offering to accredited investors under Section 4(2) of the Securities Act of 1933, as amended, pursuant to which it sold an aggregate of 2,659,998 shares of common stock for aggregate gross proceeds of \$3,989,999. The Company agreed to prepare and file with the SEC a registration statement covering the resale of the common stock on or before February 17, 2005 for certain investors. If such registration statement covering the shares of common stock purchased by those certain investors was not declared effective on or before May 3, 2005, then the Company would have had to pay those investors liquidated damages equal to 1.5% per month of the aggregate purchase price paid by them. The registration statement became effective on April 29, 2005.

### OUTLOOK

We believe that our future success will depend upon our ability to enhance our existing products and solutions and introduce new commercially viable products and solutions addressing the demands of the evolving markets. As part of the product development process, we work closely with current and potential customers, distribution channels and leaders in our industry to identify market needs and define appropriate product specifications. Our current anticipated levels of revenue and cash flow are subject to many uncertainties and cannot be assured. In order to have sufficient cash to meet our anticipated requirements for the next twelve months, we may be dependent upon our ability to obtain additional financing. The inability to generate sufficient cash from operations or to obtain the required additional funds could require us to curtail operations.

### ITEM 3. CONTROLS AND PROCEDURES.

EVALUATION OF DISCLOSURE CONTROLS AND PROCEDURES - We maintain a system of disclosure controls and procedures that are designed for the purposes of ensuring that information required to be disclosed in our Securities and Exchange Commission ("SEC") reports is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer (CEO) and Chief Financial Officer (CFO), as appropriate to allow timely decisions regarding required disclosures.

As of the end of the period covered by this report, we carried out an evaluation, under the supervision and with the participation of our CEO and CFO, of the effectiveness of our disclosure controls and procedures as defined in Rule 13a-15(e) of the Securities Exchange Act of 1934, as amended. Based on that evaluation, our CEO and CFO concluded that our disclosure controls and procedures are effective.

CHANGES IN INTERNAL CONTROL OVER FINANCIAL REPORTING - There has been no change in our internal control over financial reporting during the first quarter of

### PART II -- OTHER INFORMATION

#### ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS.

On February 15, 2005, the Company signed an agreement with Sean Ryan under which Mr. Ryan was to serve as a director of the Company. Pursuant to the terms of the agreement and the Company agreed to grant Mr. Ryan an option to purchase up to 192,261 shares of common stock of the Company under the terms of the Company's option plan. The exercise price for the shares subject to the option was \$1.368 per share. The option vested in three equal annual installments, provided that the director remained a member of the board of directors at such time. On April 13, 2005, Sean Ryan resigned from the Board of Directors of the Company and, as a result, the options granted to him were terminated and cancelled and the agreement with him terminated.

On March 31, 2005, the Company granted to two directors, Oded Zucker and Shlomo Rothman, options to purchase up to 192,261 shares of common stock of the Company under the terms of the Company's option plan. The exercise price for the shares subject to the option is \$1.00 per share. Each option vests in three equal annual installments, whereby each such director has the right to purchase 1/3 of the shares subject to the option at the expiration of the first, second and third year, respectively, from the date of the agreement, provided that the director remains a member of the board of directors at such time. In the event of a termination of the agreement for cause at any time, the option, to the extent not exercised, shall terminate and be cancelled and non-exercisable.
