ITEM 1 OF THIS FORM 6-K AND THE FINANCIAL STATEMENTS ATTACHED TO THE PRESS RELEASE FILED ON THIS FORM 6-K ARE HEREBY INCORPORATED BY REFERENCE INTO THE REGISTRANT'S REGISTRATION STATEMENTS ON FORM F-3 (NO. 333-130048) AND FORM S-8 (NOS. 333-110696, 333-100971 AND 333-11650), AND TO BE A PART THEREOF FROM THE DATE ON WHICH THIS REPORT IS SUBMITTED, TO THE EXTENT NOT SUPERSEDED BY DOCUMENTS OR REPORTS SUBSEQUENTLY FILED OR FURNISHED.

1. The Registrant has received a written demand in May 2006 from IDEAL Software GmbH (IDEAL), a German corporation, in which it claims that the Registrant owes IDEAL EUR 1.13 million for license fees including interest. In 1999, the Registrant and IDEAL entered into a license agreement according to which Registrant was granted the right to distribute IDEAL's print engine embedded into the Registrant's PrintBOS product, and was to buy IDEAL's license for each installation for an agreed upon price. IDEAL claims that the number of installations performed by the Registrant in its PrintBOS product during the period of 1999 thru 2005, exceeded the licenses bought by the Registrant. The parties agreed that BOS will cooperate with an Auditor appointed by IDEAL to check the number of licenses distributed by BOS. Based upon the auditor's report recently rendered, IDEAL sent the above-mentioned demand letter.

Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

The Registrant rejects IDEAL's demand, *inter alia* due to the fact that it is based on erroneous findings contained in the auditor's report, and the fact that IDEAL has formulated its demand based upon a price per license that far exceeds the agreed upon contract price. At this early stage the registrant is not yet able to assess the final outcome of this demand. However at this time the Registrant's management is of the opinion that the prospects of IDEAL to recover a material amount for unpaid licenses seem unlikely.

B.O.S. Better Online Solutions Ltd. Reports Results for the First Quarter of 2006

TERADYON, Israel (BUSINESS WIRE) May 22, 2006 B.O.S. Better Online Solutions Ltd. (the Company or BOS) (NASDAQ: BOSC; TASE: BOSC) reported today its results for the first quarter of 2006.

Revenues for the first quarter of 2006 amounted to \$5.1 million compared to \$7.3 million in the first quarter of 2005. The decrease in revenues is due to the fact that revenues for the first quarter of 2005 included \$1.6 million revenues from product lines (Thin Client and Software Utilities) and the Communication division, that were sold during year 2005.

Gross profit for the first quarter of 2006 was \$1.2 million representing a gross margin of 23.6%, compared to \$1.9 million representing a gross margin of 26.9% in the first quarter of the year 2005. The decrease in gross margin is related mainly to the Communication division (that was sold in late 2005) whose gross margin in the first quarter of 2005 was 29%.

Operating loss was reduced to \$43 thousand in the first quarter of 2006, from a loss of \$533 thousand in the first quarter of 2005.

Other income for the first quarter of 2006 includes a gain of \$350 thousand as a result of the conversion of debt owed to BOS by IP Gear Ltd. (a subsidiary of Qualmax Inc. (Pink Sheets: QMXI) to which BOS sold its Communication division), into Qualmax Inc. shares.

Net income for the first quarter of 2006 amounted to \$137 thousand (or 0.02 \$ per share) compared to net loss of \$943 thousand (or -\$0.20 per share) in the first quarter of 2005.

As of March 31, 2006, the Company's balance sheet shows financial resources (cash, cash equivalents and marketable securities) of \$2.6 million and loans (long and short term) of \$3.9 million.

Adiv Baruch, BOS President and CEO commented: This quarter represents the operations of the Company as it is based on two divisions, enabling BOS management to focus on additional growth through mergers and acquisitions.

Edouard Cukierman, Chairman of the Board of Directors, said: We are pleased that the Company has reached a stage at which it can generate both top and bottom line guidance thus enhancing visibility and strengthening its ties with investors. Guidance for the full year 2006 is as follows: we expect revenues to exceed \$20 million and that the Company will generate a net profit in its audited financials (exclusive of M&A

transactions that may transpire)".
