Item 1.01 Entry into a Material Definitive Agreement.

On December 5, 2012, Clean Coal Technologies, Inc. (the **Company**) entered into a stock purchase agreement (the **Purchase Agreement**) with Ventrillion Management Company Ltd (**Ventrillion**) relating to the issuance and sale of up to 300 million common shares of the Company (**Common Shares**) for up to \$15,000,000. The Company had no material relationship with Ventrillion prior to this transaction.

On December 6, 2012, the Company closed the first tranche of the investment and issued 100 million Common Shares to Ventrillion in exchange for \$4.0 million. The closing of the second and third tranches of the investment, 100 million Common Shares in exchange for \$5.0 million and 100 million Common Shares for \$6.0 million, respectively, are set to be within 6 months and 12 months of the agreement, respectively, and are subject to certain conditions, including, with respect to the second tranche of the investment, the receipt of stockholders' approval of a reverse split of the Common Shares (**Stockholder Approval**) and completion of the Company's pilot plant and, with respect to the third tranche of the investment, the commercialization of the Company's technology. Pursuant to the Purchase Agreement, Ventrillion was issued an option to purchase 40 million Common Shares of the Company at an exercise price of \$0.00001 per share (the **Option**), which will become exercisable if Stockholder Approval is not obtained by the Second Closing Date (as defined in the Purchase Agreement). Upon exercise of the Option, Ventrillion may elect to require the Company to seek Stockholder Approval again to allow Ventrillion to acquire the remaining 160 million Common Shares under the Purchase Agreement. If Ventrillion makes such election, the Company will be prohibited, with certain exceptions, from issuing Equity Securities (as defined in the Purchase Agreement) for a period of 12 months from the date of such notice, and after which, the Company may terminate its obligation to issue and sell the remaining 160 million Common Shares with no further liability.

The Purchase Agreement provides that Ventrillion shall have certain rights, and contains certain restrictive covenants in effect, so long as Ventrillion (or any Transferee (as defined in the Purchase Agreement)) beneficially owns at least 10.0% of the outstanding Common Shares, including the right to board of director composition of no less than five and no more than six members, to nominate two directors to the board of directors of the Company (the **Board**) and to require supermajority (at least 80.0%) voting approval for acts of the Board. The Purchase Agreement also contains other customary representations, warranties and agreements by the Company and Ventrillion, customary conditions to closing and other obligations of the parties. The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to the Purchase Agreement, and may be subject to limitations agreed upon by the contracting parties.

The net proceeds to the Company of the closing of the first tranche was approximately \$3.5 million, after deducting commissions and estimated offering expenses payable by the Company. The Company intends to use the net proceeds of the investment for general corporate purposes and working capital, including the funding of the construction of its pilot plant and the commercialization of its technology.

The offering is being made pursuant to an exemption from registration under section 4(2) of the Securities Act of 1933, as amended (the **Securities Act**). The Company has provided Ventrillion, pursuant to a registration rights agreement (the **Registration Rights Agreement**), between the Company and Ventrillion, dated December 5, 2012, standard piggyback and demand registration rights with respect to the Common Shares acquired and to be acquired by Ventrillion.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement are not complete and are qualified in their entirety by reference to the full text of the Purchase Agreement and the Registration Rights Agreement, copies of which are filed as Exhibit 10.1 and Exhibit 10.2, respectively, to this Current Report on Form 8-K (this **Report**) and incorporated by reference herein.

The Company issued a press release on December 6, 2012, announcing the closing of the first tranche of the offering, which press release is attached as Exhibit 99.1 to this Report.

Item 3.02 Unregistered Sales of Equity Securities

On December 6, 2012, the Company issued the Common Shares described in Item 1.01 of this Report in exchange for aggregate gross proceeds of \$4.0 million. The details of this transaction are described in Item 1.01, which is incorporated in its entirety by reference into this Item 3.02.

The Common Shares have not been registered under the Securities Act or the securities laws of any state, and were offered and issued in reliance on the exemption from registration under the Securities Act, provided by Section 4(2) under the Securities Act.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

The Board appointed two new members to the Board, Roland Taufiq Perdamai and Ivy Santoso (the **New Directors**), effective as of December 6, 2012. The New Directors were nominated for appointment by Ventrillion pursuant to its right to nominate two directors to the Board under the Purchase Agreement for so long as Ventrillion (or any Transferee) beneficially owns at least 10.0% of the outstanding Common Shares. Other than being Board nominees of Ventrillion, the New Directors have no material relationship with Ventrillion. The New Directors will be entitled to compensation as non-employee directors pursuant to the Company's current non-employee director compensation policy, previously disclosed in the Company's Definitive Proxy Statement relating to its 2012 Annual Meeting of Stockholders filed with the Securities and Exchange Commission (the **SEC**) on May 4, 2012.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On December 6, 2012, the Board adopted the Company's amended and restated bylaws (the **Bylaws**), which amend and restate the Company's prior bylaws to (i) opt out of provisions 78.378 to 78.3793, inclusive, of the Nevada Revised Statutes, (ii) amend the size of the Board to no less than five and no more than six and (iii) adopt a supermajority (at least 80.0%) voting approval for acts of the Board.
