Item 4. Description of Securities

Edgar Filing: AVERY DENNISON CORPORATION - Form S-8

The 2004 Executive Variable Deferred Retirement Plan (the Plan) provides designated management employees (the Participants) with an opportunity to defer a portion of their pre-tax compensation (including salary and bonuses) and accumulate tax-deferred earnings (or losses) thereon. Each Participant is an unsecured general creditor of the Company with respect to his or her own Plan benefits. Benefits are payable solely from the Company s general assets, and are subject to the risk of corporate insolvency. Each Participant s deferred compensation will be commingled with the general funds of the Company and may therefore be subject to a lien or security interest of other creditors.

The amount of compensation to be deferred by each Participant is based on elections by the Participant in accordance with the terms of the Plan, and the obligations of the Company to pay such deferred compensation (the Obligations) will become due on retirement, death or other termination of employment in the form and on the date or dates determined in accordance with the Plan. The Obligations

will be indexed to one or more investment alternatives chosen by each Participant from a range of such alternatives, and the amount of the Obligations payable to each Participant will increase or decrease based on the investment returns of the chosen investment alternatives. However, no Participant deferrals actually will be invested in any investment alternative, and as a result the Participants will have no ownership interest in any of such investment alternatives.

The Obligations cannot be assigned, transferred, pledged or otherwise encumbered by the Participants, except that each Participant may designate one or more beneficiaries to receive benefits upon the Participant's death.

The total amount of Obligations being registered pursuant to this Registration Statement is \$40,000,000.

The Company may not terminate the Plan. However, the Company reserves the right to amend the Plan, provided that such amendment does not result in any reduction of a Participant's account balance, including previous earnings or losses, as of the date of such amendment. Furthermore, the Company may, in its discretion, but is not obligated to, allow additional deferrals into the Plan.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Section 145 of the General Corporation Law of Delaware (the "DGCL") empowers Avery Dennison Corporation ("Avery Dennison") to indemnify, subject to the standards set forth therein, any person who is a party to any action in connection with any action, suit or proceeding brought or threatened by reason of the fact that the person was a director, officer, employee or agent of Avery Dennison, or is or was serving as such with respect to another entity at the request of Avery Dennison. The DGCL also provides that Avery Dennison may purchase insurance on behalf of any such director, officer, employee or agent. Article VI of our Bylaws provides that Avery Dennison will indemnify any person to whom, and to the fullest extent, indemnification may be required or permitted under Section 145 of the DGCL. We maintain insurance covering certain liabilities of our directors and officers. We have also entered into contractual arrangements with our directors and officers pursuant to which such persons may be entitled to indemnity from us against certain liabilities arising from the discharge of their duties in such capacities.

Item 9. Undertakings

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) shall not apply to information contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses

Edgar Filing: AVERY DENNISON CORPORATION - Form S-8

incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
