ALTIRIS, INC.

PROXY STATEMENT

GENERAL INFORMATION

The Board of Directors of Altiris, Inc., a Delaware corporation, is soliciting the enclosed proxy from you. The proxy will be used at our 2004 Annual Meeting of Stockholders to be held on Wednesday, July 21, 2004, beginning at 2:00 p.m., at our executive offices located at 588 West 400 South, Lindon, Utah, and at any postponements or adjournments thereof. This proxy statement contains important information regarding the meeting. Specifically, it identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

We use several abbreviations in this proxy statement. We may refer to our company as *Altiris* or the *Company*. The term *proxy materials* includes this proxy statement, as well as the enclosed proxy card and our Annual Report on Form 10-K for the year ended December 31, 2003, filed with the U.S. Securities and Exchange Commission on March 15, 2004, and its subsequent amendment. The term *meeting* means our 2004 Annual Meeting of Stockholders.

We are sending these proxy materials on or about July 2, 2004, to all stockholders of record at the close of business on Friday, June 4, 2004 (the *Record Date*).

QUESTIONS AND ANSWERS CONCERNING THIS SOLICITATION

AND VOTING AT THE ANNUAL MEETING

When and where is the meeting?

The meeting will be held on Wednesday, July 21, 2004, beginning at 2:00 p.m., at our executive offices located at 588 West 400 South, Lindon, Utah.

Why I am receiving these proxy materials?

You are receiving these proxy materials from us because you were a stockholder of record at the close of business on the Record Date, June 4, 2004. As a stockholder of record, you are invited to attend the meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

What is the purpose of the annual meeting?

At our meeting, stockholders of record will act upon the items of business outlined in the notice of meeting (on the cover page of this proxy statement), each of which are described more fully in this proxy statement. In addition, management will report on the performance of the

Edgar Filing: ALTIRIS INC - Form DEF 14A

Company and respond to questions from stockholders.

Who is entitled to attend the meeting?

You are entitled to attend the meeting *only* if you were an Altiris stockholder (or joint holder) of record as of the close of business on Friday, June 4, 2004, or if you hold a valid proxy for the meeting. You should be prepared to present photo identification for admittance.

Please also note that if you are not a stockholder of record but hold shares in *street name* (that is, through a broker or nominee), you will

Table of Contents

need to provide proof of beneficial ownership as of the Record Date, such as your most recent brokerage account statement prior to Friday, June 4, 2004, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the annual meeting.

The meeting will begin promptly at 2:00 p.m., local time. Check-in will begin at 1:30 p.m., local time.

Who is entitled to vote at the meeting? Only stockholders who owned Altiris common stock at the close of business on the Record Date are entitled to notice of and to vote at the meeting, and at any postponements or adjournments thereof.

As of the Record Date, 26,443,302 shares of Altiris common stock were outstanding. Each outstanding share of Altiris common stock entitles the holder to one vote on each matter considered at the meeting. Accordingly, there are a maximum of 26,443,302 votes that may be cast at the meeting.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)? The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of Altiris common stock entitled to vote at the meeting will constitute a quorum. A quorum is required to conduct business at the meeting. The presence of the holders of Altiris common stock representing at least 13,221,652 votes will be required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

What items of business will be voted on at the meeting? The items of business scheduled to be voted on at the meeting are as follows:

1. To elect of two nominees to serve as Class II directors on our Board of Directors;
2. To approve of the Altiris, Inc. 2004 Stock Plan; and
3. To ratify of the appointment of our independent accountants for the fiscal year ending December 31, 2004.

These proposals are described more fully below in these proxy materials. As of the date of this proxy statement, the only business that our Board of Directors intends to present or knows of that others will present at the meeting is as set forth in this proxy statement. If any other matter or matters are properly brought before the meeting, it is the intention of the persons who hold proxies to vote the shares they represent in accordance with their best judgment.

How does the Board of Directors recommend that I vote? Our Board of Directors recommends that you vote your shares **FOR** each of the director nominees, **FOR** the approval of the Altiris, Inc. 2004 Stock Plan and **FOR** the ratification of independent auditors for the 2004 fiscal year.

Table of Contents

What shares can I vote at the meeting? You may vote all shares owned by you as of the Record Date, including (1) shares held directly in your name as the *stockholder of record*, and (2) shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank.

What is the difference between holding shares as a stockholder of record and as a beneficial owner? Most Altiris stockholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, EquiServe Trust Company, N.A., you are considered, with respect to those shares, the *stockholder of record*, and these proxy materials are being sent directly to you by us. As the *stockholder of record*, you have the right to grant your voting proxy directly to Altiris or to vote in person at the meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner. If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held *in street name*, and these proxy materials are being forwarded to you by your broker, trustee or nominee, together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting. Please note that since a beneficial owner is not the *stockholder of record*, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

How can I vote my shares without attending the meeting? Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a stockholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card or, for shares held beneficially in street name, the voting instruction card provided by your broker, trustee or nominee.

By Internet Stockholders of record of Altiris common stock with Internet access may submit proxies from any location in the world by following the *Vote by Internet* instructions on their proxy cards. Most Altiris stockholders who hold shares beneficially in street name may vote by accessing the website specified on the voting instruction cards provided by their brokers, trustees or nominees. Please check the voting instruction card for Internet voting availability.

Table of Contents

By Telephone Stockholders of record of Altiris common stock who live in the United States or Canada may submit proxies by following the **Vote by Phone** instructions on their proxy cards. Most Altiris stockholders who hold shares beneficially in street name and live in the United States or Canada may vote by phone by calling the number specified on the voting instruction cards provided by their brokers, trustees or nominees. Please check the voting instruction card for telephone voting availability.

By Mail Stockholders of record of Altiris common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelope. Altiris stockholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction cards provided and mailing them in the accompanying pre-addressed envelope.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.**

Can I change my vote?

You may change your vote at any time prior to the vote at the meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Table of Contents

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Altiris or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy card, which are then forwarded to Altiris management.

What vote is required to approve each item and how are votes counted?

The vote required to approve each item of business and the method for counting votes is set forth below:

Election of Directors. The two director nominees receiving the highest number of affirmative FOR votes at the meeting (a plurality of votes cast) will be elected to serve as Class II directors. You may vote either FOR or WITHHOLD your vote for the director nominees. A properly executed proxy marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

All Other Items. For each of the other items of business, the affirmative FOR vote of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. You may vote FOR, AGAINST or ABSTAIN for these items of business. If you ABSTAIN, your abstention has the same effect as a vote AGAINST.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of our Board of Directors (FOR all of the Company s director nominees, FOR approval of the Altiris, Inc. 2004 Stock Plan, FOR ratification of the independent auditors and in the discretion of the proxy holders on any other matters that properly come before the meeting).

What is a broker non-vote ?

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, who are the beneficial owners of the shares, brokers have the discretion to vote such shares on *routine matters* (such as election of directors and ratification of the appointment of independent accountants), but not on *non-routine matters* (such as stockholder proposals and the approval of the Company s 2004 Stock Plan). Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares FOR or AGAINST routine matters but will *not* vote on non-routine matters. A *broker non-vote* occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine.

Table of Contents

How are broker non-votes counted?	Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will not be counted in tabulating the voting result for any particular proposal.
How are abstentions counted?	If you return a proxy card that indicates an abstention from voting in all matters, the shares represented will be counted for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than the election of directors), but they will not be voted on any matter at the 2004 Annual Meeting. In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote <i>AGAINST</i> a proposal.
What happens if additional matters are presented at the meeting?	Other than the three items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxy holders, Stephen C. Erickson (our Chief Financial Officer) and Craig H. Christensen (our Corporate Secretary), will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board of Directors.
Who will serve as inspector of election?	We expect a representative of EquiServe Trust Company, N.A., our Transfer Agent, to tabulate the votes and act as inspector of election at the annual meeting.
What should I do in the event that I receive more than one set of proxy/voting materials?	You may receive more than one set of these proxy materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each Altiris proxy card and voting instruction card that you receive to ensure that all your shares are voted.
Who is soliciting my vote and who will bear the costs of this solicitation?	Altiris is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access these proxy materials or vote over the Internet, you are responsible for Internet charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to this solicitation by mail, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by members of our Board of Directors, our officers and other employees, who will not receive any additional compensation for assisting in the solicitation. We have also engaged Innisfree to assist us in the distribution of proxy materials and the solicitation of votes described

above. We will pay Innisfree a fee of approximately \$30,000 to \$35,000, plus customary costs and expenses for these services. Upon request, we will also reimburse brokerage houses and other custodians, nominees, and fiduciaries for forwarding proxy solicitation materials to the beneficial owners of Altiris common stock.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the annual meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal 2004.

What is the deadline to propose actions for consideration at next year's annual meeting of

As a stockholder, you may be entitled to present proposals for action at a future meeting of stockholders, including director nominations.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table provides information relating to the beneficial ownership of Altiris Common Stock as of the Record Date, by:

each person (or group of affiliated persons) known by us to own beneficially more than 5% of Altiris Common Stock;

each of our Named Executive Officers;

each of our directors and director nominees; and

all of our directors and executive officers as a group.

The number of shares beneficially owned by each entity, person, director or executive officer is determined in accordance with the rules of the U.S. Securities and Exchange Commission (the *SEC*), and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has the sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days of the Record Date (June 4, 2004) through the exercise of any stock option or other right. Unless otherwise indicated, each person has sole voting and investment power (or shares such powers with his or her spouse) with respect to the shares set forth in the following table.

The number and percentage of shares beneficially owned is computed on the basis of 26,443,302 shares of Altiris common stock outstanding as of the Record Date. Shares of Altiris common stock that a person has the right to acquire within 60 days of the Record Date are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group. The address for those persons for which an address is not otherwise provided is c/o Altiris, Inc., 588 West 400 South, Lindon, Utah 84042.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than 10% of our common stock, to file reports of ownership and changes in ownership with the SEC and the National Association of Securities Dealers, Inc. Executive officers, directors and greater than 10% stockholders are required by the SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms that we have received, or written representations from reporting persons, we believe that during the fiscal year ending December 31, 2003, all executive officers, directors and greater than 10% stockholders complied with all applicable filing requirements, with the exception of: one late Form 4 report was filed by each of Gregory S. Butterfield, Stephen C. Erickson, Dwain A. Kinghorn, Jan E. Newman and Michael R. Samuelian on February 7, 2003, to report stock options granted on January 28, 2003; Mr. Levinthal timely filed a Form 5 for our 2003 fiscal year reporting a late Form 4 transaction that occurred on December 12, 2003; and Gary B. Filler filed a late Form 5 for our 2003 fiscal year on February 20, 2004, reporting a late Form 4 transaction that occurred on June 12, 2003.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Canopy Group, Inc. We lease office space, furniture and equipment from Canopy at our headquarters location in Lindon, Utah. We have a five-year lease that started January 1, 2002 and expires December 31, 2006 with total payments in 2003 of \$1,328,000. We believe the terms of these arrangements are at least as favorable as the terms we could obtain from unaffiliated third parties in similar arrangements based on our knowledge of market terms for leases of comparable facilities in our geographic area. Canopy beneficially holds greater than five percent of our common stock and Ralph J. Yarro III and Darcy G. Mott, two members of the Board of Directors of Altiris in 2003, serve as officers of Canopy.

CEW Utah. In the first quarter of the current fiscal year we paid approximately \$107,000 to CEW, a Utah corporation and software reseller owned solely by Dwain Kinghorn, our Chief Technology Officer and a Named Executive Officer, for sales of our software products to third party customers. The pricing and other terms offered to CEW to resell our products are no more favorable than the terms we offer to unaffiliated resellers under similar circumstances.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Altiris is committed to adopting and adhering to sound corporate governance principles. Having such principles is essential to operating our business efficiently and to maintaining our integrity and reputation in the marketplace. Our Board has been active in corporate governance initiatives. The Board revised the charters of the Audit Committee and the Compensation Committee, formed the Governance and Nominating Committee, adopted the Corporate Governance Guidelines and revised our Code of Conduct. Each of the Board committees operates under a written charter adopted by the Board, and all of the committee charters are available on the Investor Relations section of our website at <http://www.altiris.com>, as well as our Corporate Governance Guidelines and Code of Conduct. Our Code of Conduct applies to all employees.

In April 2004, we announced changes to our Board of Directors made to enhance the overall effectiveness of our Board and maintain sound corporate governance practices. We named Gregory S. Butterfield, our President and Chief Executive Officer, to the additional title of Chairman, replacing the resigning chairman, Ralph J. Yarro III (a Board member since 1998). Darcy G. Mott (a Board member since 2000) also resigned at that time. In addition, Mark E. Sunday, senior vice president and CIO of Siebel Systems, was appointed to the Board and Michael J. Levinthal, a Board member since 2002 and general partner of Thomas Weisel Venture Partners, was appointed to serve as lead independent director, serving as, among other things, a liaison between the Chairman of the Board and the independent directors and, if reasonably requested by stockholders, to be available for direct communication. These changes left the Board with one vacancy, which the Board is actively seeking to fill with another independent director and would result in a board composed of seven directors, six of whom would be independent.

Board Independence

Our Board of Directors has determined each of the following directors (and each of the members of the Audit Committee, the Compensation Committee and the Governance and Nominating Committee) to be an independent director as such term is defined in Marketplace Rule 4200(a)(15) of the National Association of Securities Dealers, or the NASD:

Michael J. Levinthal

Gary B. Filler

Jay C. Hoag

V. Eric Roach

Mark E. Sunday

This Committee assists the Board in fulfilling its responsibilities for general oversight of the integrity of the financial statements, Altiris compliance with legal and regulatory requirements, the independent auditors' qualifications, independence and performance, and Altiris internal accounting and financial controls and reporting practices. Among other things, this Committee prepares the Audit Committee report for inclusion in the annual proxy statement of Altiris; annually reviews the Committee's charter and the Committee's performance; appoints, evaluates and determines the compensation of our independent auditors; reviews and approves the scope of the annual audit and audit fees; reviews our disclosure controls and procedures, internal controls, information security policies, internal audit function, and corporate policies with respect to financial information and earnings guidance; oversees investigations into complaints concerning accounting or financial matters; and reviews other risks that may have a significant impact on the financial statements of Altiris. This Committee works closely with management as well as our independent auditors. This Committee also has the authority to obtain advice and assistance from, and receive appropriate funding from Altiris for, outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties.

Our Board of Directors has determined that each member of the Audit Committee meets the independence criteria prescribed by applicable law and the rules of the SEC for audit committee membership and meets the criteria for audit committee membership required by the Nasdaq Stock Market independence rule. Further, each Audit Committee member meets the NASD's financial knowledge requirements. Also, our Board has

The Committee produces an annual report on executive compensation for inclusion in our proxy statement; provides general oversight of Altiris' compensation structure; and has authority to retain any compensation consultants and other compensation experts. Governance and Nominating Committee

The Governance and Nominating Committee assists our Board of Directors in fulfilling its responsibilities with respect to corporate governance of Altiris. This Committee is responsible for developing and recommending to the Board the governance principles applicable to Altiris; overseeing the evaluation of the Board and management of Altiris; recommending to the Board director nominees for each committee; and assisting the Board in identifying prospective director nominees and determining the director nominees for election at annual meetings of stockholders of Altiris. Among other things, the Committee determines the criteria for qualification and selection of directors for election to the Board as appropriate; oversees the organization of the Board with a view to facilitating the Board's proper and efficient discharge of its duties and responsibilities; and identifies best practices in the area of corporate governance principles, including giving proper attention and providing effective responses to stockholder concerns regarding corporate governance. Other specific duties and responsibilities of this Committee include: annually assessing the size and composition of the Board; developing qualifications for Board committees as appropriate; defining criteria for director independence; monitoring compliance with Board and Board committee membership criteria; annually reviewing and recommending directors for continued service; coordinating and assisting management and the Board in recruiting new members to the Board; reviewing and recommending proposed changes to our Certificate of Incorporation or Bylaws and Board committee charters; recommending Board committee assignments; reviewing, approving and monitoring all service by executive officers on outside boards of directors; overseeing the evaluation of the Board and management; reviewing and approving in advance any proposed related party transactions; reviewing, approving and monitoring compliance with the Code of Conduct of Altiris.

We grant each non-employee director a nonstatutory stock option to purchase 25,000 shares of common stock, which vests at a rate of 50% per year. We grant an additional option to each non-employee director to purchase 25,000 shares of common stock every two years after the initial grant, which vests at a rate of 50% per year. Each of these options will have an exercise price equal to the fair market value of our common stock on the date of grant. Our non-employee directors are paid a quarterly retainer of \$4,000 and an additional \$1,000 for attending all board meetings each quarter. In addition, committee chairpersons are paid a quarterly retainer of \$2,000. Consideration of Director Nominees

Stockholder nominees

The policy of the Board of Directors is that the Governance and Nominating Committee is to consider properly submitted stockholder recommendations and nominations for candidates for membership on the Board as described under *Identifying and Evaluating Nominees for Directors* below. In evaluating the proposed candidates, the Governance and Nominating Committee seeks to bring to the Board a balance of relevant knowledge, experience and capability while addressing the considerations identified under *Director Qualifications* below. Any stockholder recommendations proposed for consideration by the Governance and Nominating Committee should include the nominee's name, home and business addresses and other contact information, detailed biographical data, qualifications for Board membership, and information regarding any relationships between the recommended candidate and Altiris within the last three years, and should be addressed to:

Corporate Secretary

Altiris, Inc.

588 West 400 South

Lindon, Utah 84042

In addition, our Bylaws permit stockholders to nominate persons directly for election to the Board at an annual stockholders meeting of Altiris. For a description of the process for nominating directors, please refer to our Bylaws, a copy of which is available on the Investor Relations section of our website at <http://www.altiris.com> or may be obtained by contacting our Corporate Secretary at our principal executive offices.

Director Qualifications

Our Board of Directors does not currently believe that there are any specific minimum qualifications for director candidates at Altiris other than what is required under applicable SEC and exchange rules and regulations. However, our Corporate Governance Guidelines identify some of the many factors that the Governance and Nominating Committee will consider when evaluating candidates for a position on our Board of Directors, including matters of character, judgment, independence, diversity, age, expertise, diversity of experience, length of service and other time commitments. Our board also believes that eligible candidates must complement a Board that is comprised of directors who are predominately independent and of high integrity, and who offer the relevant experience, leadership skills and other qualifications that will increase overall Board effectiveness.

Edgar Filing: ALTIRIS INC - Form DEF 14A

A copy of the Corporate Governance Guidelines is available on the Investor Relations section of our website at <http://www.altiris.com>.

Identifying and Evaluating Nominees for Directors

The Governance and Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Governance and Nominating Committee regularly assesses the appropriate size and composition of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Governance and Nominating Committee considers various potential candidates for director. Candidates may come to the attention of the Governance and Nominating Committee through current Board members, professional search firms, stockholders, employees or

Table of Contents

other persons. These candidates may be evaluated at regular or special meetings of the Governance and Nominating Committee. As described above, the Governance and Nominating Committee will consider properly submitted stockholder recommendations and nominations for candidates for the Board. Following verification of the status of stockholders proposing candidates, all properly submitted recommendations will usually be aggregated and evaluated by the Governance and Nominating Committee at a regularly scheduled meeting, which is generally the first or second meeting prior to the issuance of the proxy statement for the annual meeting. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to the Governance and Nominating Committee. The Governance and Nominating Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. In evaluating director candidates, the Governance and Nominating Committee will seek to achieve those objectives described under **Director Qualifications** above and more particularly set forth in our Corporate Governance Guidelines.

There is one nominee for election to our Board this year who, prior to his appointment to the Board in April 2004, did not previously serve as an Altiris director, Mark E. Sunday.

Executive Sessions

Executive sessions of independent directors are held regularly. The sessions are scheduled and chaired by the lead independent director or, in his or her absence, the chairperson of the Governance and Nominating Committee. Any non-employee director can request that an additional executive session be scheduled.

Compensation Committee Interlocks and Insider Participation

During the Last Fiscal Year, Messrs. Roach, Hoag and Mott served as members of the Compensation Committee of our Board, which is responsible for determining salaries, incentives and other forms of compensation for directors, officers and other employees. No interlocking relationship exists between any member of the Compensation Committee and any member of any other company's board of directors or compensation committee.

Communications with the Board

To contact the Board of Directors, please send a letter or email using the contact information provided below. Communications may be addressed to the entire Board, to the non-management directors as a group, or to any individual director. All such communications will be initially received and processed by the office of our General Counsel, and our Lead Independent Director (currently Michael J. Levinthal) will be automatically copied on all communications. Accounting, audit, internal accounting controls and other financial matters will be referred to our Audit Committee chairperson. Other matters will be referred to the Board of Directors, the non-management directors, or individual directors as appropriate.

2003 REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Notwithstanding any statement to the contrary in any of our previous or future filings with the SEC, this report of the Audit Committee of the Board of Directors shall not be deemed filed with the SEC or soliciting material under the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference into any such filings.

The Audit Committee, which currently consists of Gary B. Filler (Chairman), Michael J. Levinthal and V. Eric Roach, assists the Board of Directors in the oversight and monitoring of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independent auditor's qualifications, independence and performance, and the Company's internal accounting and financial controls and reporting practices. The written charter for the Audit Committee, as revised in January 2004, details the responsibilities of the Audit Committee and is attached hereto as *Appendix A*.

The Audit Committee oversees our accounting and financial reporting processes on behalf of the Board of Directors. The members of the Audit Committee are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent accountants. Our management has the primary responsibility for the financial statements and reporting process, including our systems of internal controls. The Company's independent accountants, KPMG LLP, are responsible for expressing an opinion on the conformity of the Company's audited financial statements with accounting principles generally accepted in the United States.

In this context, the Audit Committee hereby reports as follows:

1. The Audit Committee reviewed and discussed with management the audited financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003.
2. The Audit Committee discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU § 380).
3. The Audit Committee received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee) and has discussed with the independent auditors the independent auditor's independence.
4. Based on the review and discussions referred to in paragraphs (1) through (3) above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

**2003 REPORT OF THE COMPENSATION COMMITTEE OF
THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

Notwithstanding any statement to the contrary in any of our previous or future filings with the SEC, this Report of the Compensation Committee of the Board of Directors on Compensation shall not be deemed filed with the SEC or soliciting material under the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference into any such filings.

The purpose of the Compensation Committee, which, during our 2003 fiscal year consisted of V. Eric Roach (Chairman), Jay C. Hoag and Darcy G. Mott, is to assist the Board in discharging its responsibilities relating to oversight of the compensation of Altiris Chief Executive Officer and other executive officers, to administer Altiris stock plans and make grants thereunder, to consult with management regarding compensation and benefits for non-executive officers and other employees of Altiris, and to oversee Altiris compensation policies, plans and benefits programs generally. The written charter for the Compensation Committee, as revised in January 2004, details the responsibilities of the Compensation Committee and is attached hereto as *Appendix B*. The following is the report of the Compensation Committee of the Board of Directors with respect to executive compensation during fiscal year 2003.

Compensation Philosophy

As set forth in the charter for the Compensation Committee, the philosophy of the Committee is to provide compensation to Altiris officers and other key employees in such a manner as to attract and retain the best available personnel for positions of substantial responsibility with Altiris, to provide incentives for such persons to perform to the best of their abilities for Altiris, and to promote the success of Altiris business. The Committee's philosophy also seeks to align the interests of stockholders and management by tying compensation to Altiris financial performance, either directly in the form of salary and cash bonuses or indirectly in the form of stock options and in certain instances stock purchase rights.

We note that competition for qualified management and technical personnel in Altiris industry is intense and we expect such competition to remain intense for the foreseeable future. As a result, in order to gain access to and retain qualified personnel, the Compensation Committee believes that it will be necessary to provide compensation packages that are competitive with that which is offered by other similarly situated software companies.

Cash Compensation

Base Salary. The base salaries for our executive officers in 2003 were established based on subjective evaluation of such factors as the level of responsibility, individual performance, level of pay and company peer group pay levels, and compensation for comparative positions in other companies. Base salaries are reviewed on an annual basis and annual increases determined on an individual basis based on the foregoing considerations and a more specific review of the individual's performance and contribution to various individual, departmental and corporate objectives.

Executive Bonus Plan. For 2003, all non-commissioned executive officers earned quarterly cash bonuses on the basis of Altiris overall financial and operational performance, certain marketing and other strategic considerations, and performance of individual objectives established between the executive officer and the chief executive officer (CEO) or, in the case of the CEO, between the CEO and the Compensation

Edgar Filing: ALTIRIS INC - Form DEF 14A

Committee. The salaries and cash bonuses received by such executives, other than the CEO, were determined by the Compensation Committee upon the recommendation of the CEO. The CEO's base salary is determined by the Compensation Committee. These cash bonuses for 2003 ranged from 7% to 15% of an executive's base salary.

Equity-based Compensation

Altiris provides long-term incentives through stock option awards under the terms of its 2002 Stock Plan. Stock options are granted periodically under the Stock Plan to provide incentive to executives and other managers and employees to maximize long-term total return to our stockholders. The Stock Plan authorizes the use of both non-statutory and incentive stock options, as well as restricted stock awards; however, to date only non-statutory stock options have been granted under the Stock Plan. We believe that stock option awards provide a particularly strong incentive because they are valuable to employees only if the fair market value of our common stock increases above the exercise price, which historically has been set at the fair market value of our common stock on the date the option is granted. In addition, employees must remain employed with us for a fixed period of time in order for the options to vest fully. Options generally vest over a four-year period to encourage option holders to remain with Altiris.

All stock option awards granted to our executive officers in fiscal 2003 were approved by the Compensation Committee. In determining the size of the options granted to the executive officers, the Committee considered such factors as the executive's position with Altiris, the executive's individual performance, the number of options then held, if any, and the extent to which such options were vested, and any other factors that the Committee deemed relevant.

In addition, Altiris offers to all of its employees the opportunity to participate in its 2002 Employee Stock Purchase Plan.

Compensation for the Chief Executive Officer

Gregory S. Butterfield has served as Altiris' chief executive officer since February 2000. In fiscal year 2003, Mr. Butterfield received an annual salary of \$217,094 and cash bonuses of \$32,641. Mr. Butterfield may continue to earn cash bonuses pursuant to the 2004 Executive Bonus Plan.

It is the opinion of the Compensation Committee that these executive compensation policies and plans provide for a reasonable and balanced remuneration program that focuses on the relationship of corporate performance to executive compensation and enables Altiris to find, motivate and retain the quality executives necessary for Altiris' future success.

Grants of Stock Options

The following table summarizes the stock options granted to each Named Executive Officer during the Last Fiscal Year, including the potential realizable value over the 10-year term of the options, which is based on assumed rates of stock appreciation of 5% and 10%, compounded annually and subtracting from that result the

aggregate option exercise price. These assumed rates of appreciation comply with the rules of the Securities and Exchange Commission and do not represent our estimate or projection of future stock price of our Common Stock. Actual gains, if any, on stock option exercises are dependent on the future performance of our Common Stock, overall market conditions and the option holder's continued employment through the vesting period.

During the Last Fiscal Year, we granted options to purchase up to an aggregate of 984,000 shares to employees. All options were granted under our 2002 Stock Plan at exercise prices equal to the fair market value of our Common Stock on the date of grant. Such options vest as to 25% of the shares underlying the option at the end of each one-year period over four years.

Benefit Plans

1998 Stock Option Plan

Our 1998 Stock Option Plan was adopted by our Board of Directors in August 1998. Our 1998 Stock Option Plan provides for the grant of nonstatutory stock options to our employees, directors and consultants. We have reserved an aggregate of 4,197,058 shares of our common stock for issuance under this plan. As of June 28, 2004, 2,892,545 shares had been issued pursuant to the exercise of options and options to purchase 1,154,539 shares of common stock were outstanding. In February 2002, our Board of Directors determined to discontinue granting stock options under our 1998 Stock Option Plan and to retire any shares of our common stock reserved for issuance under such plan and not subject to outstanding stock options. Since the discontinuation of stock option grants under our 1998 Stock Option Plan, we have granted options only under our 2002 Stock Plan (described below). The 1998 Stock Option Plan provides that in the event of the sale, transfer or other disposition of all or substantially all of our assets, our complete liquidation or dissolution, or a merger or consolidation in

Table of Contents

which more than 50% of our total combined voting power is transferred to persons different from the persons holding those securities immediately prior to such merger or consolidation, the outstanding options under the plan and all outstanding repurchase rights will terminate except to the extent the options and repurchase rights are assumed by the successor entity. Notwithstanding the foregoing, outstanding options may accelerate as to a portion of unvested shares subject to an option prior to such termination as provided in an optionee's stock option agreement or any amendment to such stock option agreement.

2002 Stock Plan

Our Board of Directors adopted and our stockholders approved the 2002 Stock Plan in January 2002. In connection with our initial public offering of common stock in May 2002, our Board and stockholders approved certain amendments to this plan, including an amendment to increase the maximum number of shares reserved for issuance under the plan. The plan is administered by our Board of Directors and the Compensation Committee of the Board and terminates automatically in 2012, unless we terminate it sooner. The administrator has the authority to amend, suspend or terminate the plan provided such amendment does not impair the rights of any optionee. We have reserved a total of 2,574,080 shares of our common stock for issuance under this plan. In addition, this plan provides for annual increases in the number of shares available for issuance under the plan on the first day of each fiscal year equal to the lesser of (i) 3% of the outstanding shares of common stock on the first day of the applicable year, or (ii) 1,000,000 shares, or (iii) a lesser amount as our Board may determine. However, our Board has determined that in the event our 2004 Stock Plan is approved by stockholders at the annual meeting, the Board will use its discretion under the annual increase provision to add no more than 300,000 shares fewer than the maximum allowed by the Plan in each of the last three years of the plan's 10-year life (that is, 2010, 2011 and 2012). As of June 28, 2004, 327,575 shares had been issued pursuant to the exercise of options and options to purchase 1,916,016 shares of common stock were outstanding.

This plan provides for the grant of incentive stock options, within the meaning of Section 422 of the U.S. Internal Revenue Code of 1986, as amended, or the Code to our employees, and for the grant of nonstatutory stock options and stock purchase rights to our employees, directors and consultants. The administrator has the power to determine the terms of the options and stock purchase rights granted pursuant to the plan, including the exercise price, the number of shares subject to each option or stock purchase right, the exercisability of the options and stock purchase rights and the form of consideration payable upon exercise. The administrator determines the exercise price of options granted under the plan, but with respect to nonstatutory stock options intended to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code and incentive stock options, the exercise price must be at least equal to the fair market value of our common stock on the date of grant. The term of an incentive stock option may not exceed 10 years, except that with respect to any participant who owns 10% of the voting power of all classes of our outstanding capital stock, the term must not exceed 5 years and the exercise price must equal at least 110% of the fair market value on the grant date. The administrator determines the term of all other options. No optionee may be granted an option to purchase more than 1,000,000 shares in any year, except in connection with his or her initial service as an employee, an optionee may be granted an additional option to purchase up to 500,000 shares. In connection with the termination of an employee, director or consultant, he or she may exercise his or her option for the period of time stated in the option agreement. Generally, if termination is due to death or disability, the option will remain exercisable for 12 months. In all other cases, the option will generally remain exercisable for 3 months. However, an option may never be exercised later than the expiration of its term.

Stock purchase rights, which represent the right to purchase our common stock, may be issued under this plan. The administrator determines the purchase price of stock purchase rights granted under our plan. Unless the administrator determines otherwise, a restricted stock purchase agreement, which is an agreement between us and an optionee which governs the terms of stock purchase rights, will grant us a repurchase option that we may exercise upon the voluntary or involuntary termination of the purchaser's service with us for any reason, including death or disability. The purchase price for shares we repurchase will generally be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to us. The administrator determines the rate at which our repurchase option will lapse.

Table of Contents

This plan generally does not allow for the transfer of options or stock purchase rights and only the optionee may exercise an option or stock purchase right during his or her lifetime. The plan also provides that in the event of our merger with or into another corporation, or a change of control, the successor corporation will assume or substitute each option or stock purchase right. If the successor corporation refuses to assume or substitute for outstanding options and stock purchase rights, the administrator will notify each optionee that, for a period of 15 days from the date of such notice, his or her option will become exercisable as to all vested shares subject to such option, plus all shares that would have otherwise vested within one year after the date of such notice. The option will terminate upon the expiration of the 15-day period.

2002 Employee Stock Purchase Plan

In February 2002, our Board of Directors adopted our 2002 Employee Stock Purchase Plan, and, in connection with our initial public offering of common stock in May 2002, our stockholders approved the plan. A total of 1,429,269 shares of our common stock are reserved for issuance under this plan. As of June 28, 2004, 218,547 shares had been issued pursuant to the exercise of options. In addition, this plan provides for annual increases in the number of shares available for issuance under the plan on the first day of each year, beginning in 2003, equal to the lesser of (i) 2% of the outstanding shares of our common stock on the first day of the applicable year, (ii) 750,000 shares, or (iii) another amount as our Board may determine. The plan is administered by our Board of Directors and the Compensation Committee of the Board. The administrator has full power and the exclusive authority to interpret the terms of the plan and to determine eligibility under the plan and the authority to amend or terminate our the plan, except that, subject to certain exceptions set forth in the plan, no such action may adversely affect any outstanding rights to purchase stock under our the plan.

Our employees and employees of designated subsidiaries are eligible to participate in this plan if they are customarily employed for at least 20 hours per week and more than 5 months in any calendar year. However, the administrator may not grant to an employee an option to purchase stock under this plan if:

the employee immediately after grant owns stock possessing 5% or more of the total combined voting power or value of all classes of our capital stock, or

if the employee's rights to purchase stock under all of our employee stock purchase plans accrues at a rate that exceeds \$25,000 worth of stock for each calendar year.

This plan is intended to qualify under Section 423 of the Code and contains consecutive, six-month offering periods. The offering periods generally start on the first trading day on or after February 1 and August 1 of each year and will end on the last trading day on or before February 1, 2003, and the second offering period which will commence on August 1, 2003.

This plan permits participants to purchase common stock through payroll deductions of up to 10% of their eligible compensation, which includes a participant's base salary, overtime and shift premiums and commissions, but excludes all other compensation. A participant may purchase a maximum of 1,125 shares during the first offering period under the plan and a maximum of 750 shares during each subsequent 6-month offering period, subject to adjustment for stock splits, dividends or other applicable changes in our capital structure. Amounts deducted and accumulated by the participant are used to purchase shares of our common stock at the end of each six-month offering period. The purchase price is equal to 85% of the lower of the fair market value of our common stock at the beginning of an offering period or at the end of an offering period. Participants may end their participation at any time during an offering period, and will be paid their payroll deductions to date. Participation ends three months following termination of employment with us (unless specified otherwise by a participant).

Edgar Filing: ALTIRIS INC - Form DEF 14A

A participant may not transfer rights granted under the plan other than by will, the laws of descent and distribution or as otherwise provided under the plan. The plan also provides that in the event of a change of control, a successor corporation may assume or substitute each outstanding option. If the successor corporation refuses to assume or substitute for the outstanding options, the offering periods then in progress will be shortened, and a new exercise date will be set. In such event, the administrator will provide notice of the new exercise date to each optionee at least 10 business days before the new exercise date.

Employment Contracts and Change-in-Control Arrangements

In August 2000, we entered into a stock option agreement with Stephen C. Erickson, our Chief Financial Officer, under our 1998 Stock Option Plan, pursuant to which we granted to him an option to acquire up to 100,000 shares of our Common Stock at a per share exercise price of \$3.00, which vests over a four-year period. In addition, the stock option agreement provides that in the event of a change in control of Altiris, the remaining unvested portion of his option will become fully vested and exercisable upon the effective time of the change in control. Other than the stock option agreement with Mr. Erickson or as provided generally to all optionees under our 1998 Stock Option Plan and 2002 Stock Plan and participants under our 2002 Employee Stock Purchase Plan, we have no employment agreements or change-in-control arrangements with any Named Executive Officer.

PROPOSALS TO BE VOTED ON

PROPOSAL ONE

ELECTION OF DIRECTORS

Our Certificate of Incorporation and Bylaws provide that our Board of Directors shall be divided into three classes designated as Class I, Class II and Class III, respectively, with the classes of directors serving for staggered three-year terms. We have (2) two Class I directors, Gregory S. Butterfield and Gary B. Filler, whose terms expire at our annual meeting of stockholders to be held in 2006; (2) two Class II directors, Michael J. Levinthal and Mark E. Sunday, whose terms expire at the upcoming annual meeting; and (2) two Class III directors, Jay C. Hoag and V. Eric Roach, whose terms expire at our annual meeting of stockholders to be held in 2005. In accordance with our Certificate of Incorporation and Bylaws, any additional directorships resulting from an increase in the number of directors will be apportioned among the three classes so as to maintain the number of directors in each class as nearly equal as possible. Currently there is a vacancy on our Board of Directors for a Class III director. Our Board of Directors will endeavor to fill such vacancy with an independent director to serve until such director's successor is duly elected and qualified.

Class II Director Nominees

There are two nominees for election as Class II directors this year. Our Governance and Nominating Committee / Board of Directors has nominated Michael J. Levinthal for re-election and Mark E. Sunday for election as Class II directors. Mr. Levinthal has served as a director since February 2002. If elected, Messrs. Levinthal and Sunday will hold office as Class II directors until our annual meeting of stockholders held in 2007, and until their respective successors are elected and qualified or until their earlier death, resignation or removal.

If you sign your proxy or voting instruction card but do not give instructions with respect to the voting of directors, your shares will be voted for the two nominees recommended by our Board of Directors. If you wish to give specific instructions with respect to the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card. The Board expects that each nominee will be available to serve as a director. In the event Messrs. Levinthal or Sunday become unavailable, however, the proxy holders will be voted for any nominee designated by the Board, unless the Board chooses to reduce the number of directors serving on the Board. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as to assure the election of Messrs. Levinthal and Sunday.

Vote Required and Recommendation of the Board of Directors

The two nominees receiving the highest number of affirmative **FOR** votes at the meeting (a plurality of votes cast) will be elected to serve as Class II directors. Votes withheld from any director nominee will be counted for purposes of determining the presence or absence of a quorum but have no other legal effect under Delaware law.

Our Board recommends a vote for the election of Michael J. Levinthal and Mark E. Sunday as Class II directors.

The following table sets forth the name and age of each nominee and each current director of Altiris whose term of office continues after the upcoming meeting, the principal occupation of each during the past five years and the period during which each has served as a director of Altiris. PROPOSAL TWO

APPROVAL OF THE ALTIRIS, INC. 2004 STOCK PLAN

On July 2, 2004, the Board approved the Altiris, Inc. 2004 Stock Plan (the *Plan*) under which 750,000 shares of Altiris common stock will be reserved for issuance (approximately 3% of the outstanding shares as of December 31, 2003). The Plan will not become effective until it is approved by stockholders of Altiris. In accordance with applicable stock exchange listing standards, the Board is asking Altiris stockholders to approve the Plan so that Altiris may use the shares reserved under the Plan to assist Altiris in achieving its goals of improving its overall financial and operational performance and increasing profitability and stockholder value.

We believe strongly that the approval of the Plan is essential to our continued success. Our qualified and motivated employees are our most valuable asset and stock options and other equity based awards such as those provided under the Plan are vital to our ability to attract, retain and motivate outstanding and highly skilled individuals in the extremely competitive labor markets in which we compete. We also believe that equity based compensation available through the Plan uniquely aligns the interests of management and stockholders by tying compensation to Altiris' financial performance. Such awards significantly enhance our ability to motivate employees to achieve the Company's goals.

The Plan has a number of special terms and limitations, including:

the exercise price of an option may not be reduced without stockholder approval (other than in connection with a change in the capitalization of Altiris)

all options must be granted at the fair market value of the Altiris common stock on the date of grant

no option may have a term of more than seven years

only 500,000 shares of the 750,000 shares subject to the Plan may be granted pursuant to restricted stock awards with purchase prices less than 100% of the fair market value

Altiris will be entitled to a repurchase option on any restricted stock award which is exercisable on the termination of recipient's service with Altiris for any reason at the original price per share of the award, and the option will lapse at a rate no less than three years from the date of grant

stockholder approval is required for certain types of amendments to the Plan

Vote Required and Recommendation of the Board of Directors

Edgar Filing: ALTIRIS INC - Form DEF 14A

Approval of the Plan requires the affirmative vote of a majority of the shares of Altiris common stock present in person or represented by proxy and entitled to be voted on the proposal at the meeting. Abstentions have the same effect as a vote against the proposal.

Our Board recommends a vote FOR the approval of the Altiris, Inc. 2004 Stock Plan.

Summary of the Plan

The following paragraphs provide a summary of the principal features of the Plan and its operation. The following summary is qualified in its entirety by reference to the Plan as set forth in *Appendix D*.

Background and Purpose of the Plan

The Plan permits the grant of stock options and stock purchase rights (individually, an *Award*). The Plan is intended to provide incentives and to encourage share ownership on the part of eligible employees, non-employee directors and consultants who provide significant services to us. The Plan also is intended to further our growth and profitability.

Table of Contents

Administration of the Plan

Our Board, or a committee appointed by the Board, or with respect to different groups of optionees, different committees appointed by our Board, will administer the Plan. In the case of options intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code, the committee will consist of two or more outside directors within the meaning of Section 162(m) of the Code. The administrator has the power to determine the terms of the options and stock purchase rights granted, including the exercise price, the number of shares subject to each option or stock purchase right, the exercisability of the options and stock purchase rights and the form of consideration payable upon exercise.

Shares Subject to the Plan

The maximum aggregate number of shares of Altiris common stock (*Shares*) that may be issued under the Plan is 750,000 Shares. However, only 500,000 shares of the 750,000 shares subject to the Plan may be granted pursuant to restricted stock awards with purchase prices less than 100% of fair market value.

Stock Options

A stock option is the right to acquire Shares at a fixed exercise price for a fixed period of time. The administrator may grant nonstatutory stock options and incentive stock options (which entitle employees, but not Altiris, to more favorable tax treatment) under the Plan. The administrator will determine the number of Shares covered by each option, but during any fiscal year of the Company, no optionee may be granted an option to purchase more than 500,000 shares in any year, except an additional 350,000 Shares may be granted to an optionee in connection with his or her initial service as an employee.

An option granted under the Plan generally cannot be exercised until it becomes vested. The administrator establishes the vesting schedule of each option at the time of grant. Options become exercisable at the times and on the terms established by the administrator. The term of each stock option may not exceed seven years. However, in the case of an incentive stock option granted to a participant who owns stock representing more than 10% of the total combined voting power of all classes of our outstanding capital stock, the term of such option must not exceed five years. In connection with the termination of an employee, director or consultant, he or she may exercise his or her option for the period of time stated in the option agreement. Generally, if termination is due to death or disability, the option will remain exercisable for 12 months. In all other cases, the option will generally remain exercisable for three months. However, an option may never be exercised later than the expiration of its term.

The exercise price of options granted under the Plan must be at least equal to the fair market value of Altiris common stock on the date of grant. However, the exercise price of an incentive stock option must be at least 110% of fair market value if (on the grant date) the participant owns stock possessing more than 10% of the total combined voting power of all classes of stock of Altiris or any of its subsidiaries. The aggregate fair market value of the Shares (determined on the grant date) covered by incentive stock options which first become exercisable by any participant during any calendar year also may not exceed \$100,000.

The exercise price of each option granted under the Plan must be paid in full at the time of exercise. The administrator also may permit payment through the tender of Shares that are already owned by the optionee, or by any other means that the administrator determines to be consistent

Edgar Filing: ALTIRIS INC - Form DEF 14A

with the purpose of the Plan. The optionee must pay any taxes the Company is required to withhold at the time of exercise.

Restricted Stock

Awards of restricted stock are Shares that vest in accordance with the terms and conditions established by the administrator. The administrator will determine the number of Shares of restricted stock granted to any employee or consultant.

Table of Contents

In determining whether an Award of restricted stock should be made, and the vesting schedule for any such Award, the administrator may impose whatever conditions to vesting as it determines to be appropriate. For example, the administrator may determine to grant an Award of restricted stock only if the participant satisfies performance goals established by the administrator. Unless the administrator determines otherwise, a restricted stock purchase agreement, which is an agreement between us and the participant which governs the terms of stock purchase rights, will grant us a repurchase option that we may exercise upon the voluntary or involuntary termination of the purchaser's service with us for any reason, including death or disability. The purchase price for shares we repurchase will generally be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to us. The administrator determines the rate at which our repurchase option will lapse, but it shall lapse at a rate of not less than one-third per year from the date of grant.

Limited Transferability of Options and Stock Purchase Rights

The Plan generally does not allow for the transfer of options or stock purchase rights and only the optionee may exercise an option or stock purchase right during his or her lifetime.

Adjustments upon Change in Control

The Plan provides that in the event of our merger with or into another corporation, or a change in control, the successor corporation may assume or substitute each option or stock purchase right. If the successor corporation refuses to assume or substitute for outstanding options and stock purchase rights, the administrator shall notify each optionee that, for a period of 15 days from the date of such notice, his or her option will become exercisable as to all vested shares subject to such option, plus all shares that would have otherwise vested within one year after the date of such notice. The option or right will terminate upon the expiration of such 15-day period.

Amendment and Termination of our 2004 Stock Plan

The Plan will automatically terminate in 2014, unless our Board terminates it sooner. In addition, the administrator has the authority to amend, suspend or terminate the Plan, provided such amendment does not impair the rights of any optionee and that material amendments require stockholder approval.

Awards to be Granted to Certain Individuals and Groups

The number of Awards that an employee or consultant may receive under the Plan is in the discretion of the Committee and therefore cannot be determined in advance. The following table sets forth (1) the aggregate number of Shares subject to options granted under the Altiris, Inc. 2002 Stock Plan or the 2002 Plan, during the last fiscal year and (2) the average per Share exercise price of such options. No stock purchase rights (restricted stock) were granted pursuant to the 2002 Plan during the last fiscal year.

Table of Contents

Federal Tax Aspects

The following paragraphs are a summary of the general federal income tax consequences to U.S. taxpayers and the Company of Awards granted under the Plan. Tax consequences for any particular individual may be different. The following is only a summary of the effect of U.S. federal income taxation upon Award recipients and Altiris with respect to the grant and exercise of Awards under the Plan. It does not purport to be complete and does not discuss the tax consequences arising in the context of an employee's death or the income tax laws of any municipality, state or foreign country in which an employee's income or gain may be taxable.

Nonqualified Stock Options

No taxable income is reportable when a nonqualified stock option is granted to an optionee. Upon exercise, the optionee will recognize ordinary income in an amount equal to the excess of the fair market value (on the exercise date) of the Shares purchased over the exercise price of the option. Any additional gain or loss recognized upon any later disposition of the Shares would be capital gain or loss.

Incentive Stock Options

No taxable income is reportable when an incentive stock option is granted or exercised (except for purposes of the alternative minimum tax, in which case taxation is the same as for nonqualified stock options). If the optionee exercises the option and then later sells or otherwise disposes of the Shares more than two years after the grant date and more than one year after the exercise date, the difference between the sale price and the exercise price will be taxed as capital gain or loss. If the optionee exercises the option and then later sells or otherwise disposes of the Shares before the end of the two- or one-year holding periods described above, he or she generally will have ordinary income at the time of the sale equal to the fair market value of the Shares on the exercise date (or the sale price, if less) minus the exercise price of the option.

Restricted Stock

A recipient of a stock purchase right will not have taxable income upon grant unless he or she elects to be taxed at that time. Instead, he or she will recognize ordinary income at the time of vesting equal to the fair market value (on the vesting date) of the Shares or cash received minus any amount paid for the Shares.

Tax Effect for the Company

Altiris generally will be entitled to a tax deduction in connection with an Award under the Plan in an amount equal to the ordinary income realized by an Award recipient and at the time the recipient recognizes such income (for example, the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to our chief executive officer and to each of our other four most highly compensated executive officers. Under Section 162(m) of the Internal Revenue Code, the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, Altiris can preserve the deductibility of certain compensation in excess of \$1,000,000 if the conditions of Section 162(m) are met. These conditions include stockholder approval of the Plan, setting limits on the

Edgar Filing: ALTIRIS INC - Form DEF 14A

number of Awards that any individual may receive and for Awards other than certain stock options, establishing performance criteria that must be met before the Award actually will vest or be paid. The Plan has been designed to permit the administrator to grant options that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with such options.

Accounting Treatment

Awards with purchase prices at or above fair market value on the grant date typically do not result in any direct charge to our reported earnings. However, the fair market value of these Awards is required to be disclosed

Table of Contents

in the notes to our financial statements. We must also disclose, in the notes to our financial statements, the pro forma impact these awards would have on our reported earnings and earnings per share if the fair value of the awards at the time of grant was treated as a compensation expense.

Awards with purchase prices below fair market value on the grant date result in a direct compensation expense that is typically equal to the spread (that is, the difference between the purchase price and the fair market value on the grant date). Typically, this expense is amortized over our earnings over the award's vesting period.

The Financial Accounting Standards Board intends to require mandatory expensing for equity awards for fiscal years commencing after December 15, 2004. In such event, we expect that all Awards will result in direct charges to our reported earnings.

PROPOSAL THREE

RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

Our Audit Committee has appointed KPMG LLP, independent accountants, to audit our financial statements for the fiscal year ending December 31, 2004. Services provided to Altiris and its subsidiaries by KPMG during the fiscal year ended December 31, 2003 are described under *Audit and Related Fees for Fiscal 2003 and 2002* below. Representatives of KPMG will be present at the meeting, where they are expected to be available to respond to appropriate questions and, if they desire, to make a statement.

Changes in Registrant's Certifying Accountant

On April 5, 2002, our Board of Directors, in consultation with the Audit Committee, decided to terminate our relationship with Arthur Andersen LLP, or Andersen, as our independent public accountants, and authorized management, in consultation with our audit committee, to select another public accounting firm to replace Andersen. On April 6, 2002, we engaged KPMG LLP to serve as our independent public accountants for 2002, which engagement was ratified by our Board of Directors on April 23, 2002.

Andersen's reports on our consolidated financial statements for the two years prior to their termination did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the two preceding years and interim period through the date of Andersen's termination, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved, would have caused Andersen to make reference to the subject matter in connection with their report on our consolidated financial statements for such years.

We provided Andersen with a copy of the foregoing disclosures. Attached as Exhibit 16.1 to the Registration Statement on Form S-1 (File No. 333-83352), which the Securities and Exchange Commission declared effective on May 22, 2002, is a copy of Andersen's letter, dated May 2, 2002, stating its agreement with such statements.

During the two preceding years and interim period through the date of Andersen's termination, we did not consult with KPMG LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Audit and Related Fees for Fiscal 2003 and 2002

The following table sets forth a summary of the fees billed to us by KPMG LLP for professional services for the fiscal years ended December 31, 2003 and 2002, respectively:

	2003	2002
	<u> </u>	<u> </u>
Audit Fees(1)	\$ 216,000	\$ 291,000
Audit-Related Fees(2)	242,000	390,000
Tax Fees(3)	243,000	135,000
All Other Fees		
	<u> </u>	<u> </u>
Total	\$ 701,000	\$ 816,000
	—————	—————

-
- (1) Audit fees represent fees for professional services provided in connection with the audit of our financial statements and review of our quarterly financial statements and audit services provided in connection with other statutory or regulatory filings.
- (2) Audit-related fees consisted primarily of accounting consultations, employee benefit plan audits, services related to business acquisitions and divestitures and other attestation services. In addition, we paid audit-related fees for professional services performed in connection with our initial public offering of our common stock in 2002 and our follow-on public offering of our common stock in 2003.

Table of Contents

- (3) For our fiscal years ended December 31, 2003 and 2002, respectively, tax fees principally included tax compliance fees and fees for tax advice.

The Audit Committee of the Board has adopted a policy regarding the pre-approval of audit-related and non-audit services to be performed by the independent auditors of Altiris and not otherwise prohibited by law. This policy requires that services must either be specifically pre-approved on a case-by-case basis or generally pre-approved if the services fall within the guidelines set by the Audit Committee. Under this policy, the annual audit services engagement terms and fees require the specific pre-approval of the Audit Committee and certain audit-related services, tax services, and other services require general pre-approval. Only those services that the Audit Committee feels will not impair the independence of the auditor and are consistent with the SEC rules regarding auditor independence have been generally pre-approved. Additionally, where fees for certain services that have been generally pre-approved exceed certain fee thresholds set by the Audit Committee, specific pre-approval is required for services that would exceed those fee thresholds. The Audit Committee also may delegate both specific and general pre-approval authority to one or more of its members. All audit-related, tax and other services and fees were pre-approved by the Audit Committee in accordance with applicable law.

Vote Required and Recommendation of the Board of Directors

Ratification of the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2004, requires the affirmative vote of a majority of the shares of Altiris common stock present in person or represented by proxy and entitled to be voted at the meeting. Abstentions have the same effect as a vote against the proposal.

Our Board recommends a vote FOR the ratification of the appointment of KPMG LLP as our independent accountants for the fiscal year ending December 31, 2004.

Ratification of the appointment of KPMG LLP as our independent auditors is not required by our Bylaws or other applicable legal requirement. However, our Board is submitting the selection of KPMG to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our best interests and in the best interests of our stockholders.

OTHER MATTERS

We are not aware of any other business to be presented at the meeting. As of the date of this proxy statement, no stockholder had advised us of the intent to present any business at the meeting. Accordingly, the only business that our Board intends to present at the meeting is as set forth in this Proxy Statement.

If any other matter or matters are properly brought before the meeting, the proxies will use their discretion to vote on such matters in accordance with their best judgment.

(iv) If an Option is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 13), the cancelled Option will be counted against the limits set forth in subsections (i) and (ii) above. For this purpose, if the exercise price of an Option is reduced, the transaction will be treated as a cancellation of the Option and the grant of a new Option.

7. *Term of Plan.* Subject to Section 19 of the Plan, the Plan shall become effective upon its adoption by the Board. It shall continue in effect for a term of ten (10) years unless terminated earlier under Section 15 of the Plan.

Moreover, in the case of an Incentive Stock Option granted to an Optionee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Option Agreement.

9. *Option Exercise Price and Consideration.*

(a) *Exercise Price.* The per Share exercise price for the Shares to be issued pursuant to exercise of an Option shall be determined by the Administrator and shall be no less than 100% of the Fair Market Value per Share on the date of grant; provided, however, that in the case of an Incentive Stock Option granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

Edgar Filing: ALTIRIS INC - Form DEF 14A

(b) *Waiting Period and Exercise Dates.* At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions that must be satisfied before the Option may be exercised.

(c) *Form of Consideration.* The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator shall determine the acceptable form of consideration at the time of grant. Such consideration may consist entirely of:

(i) cash;

(ii) check;

(iii) promissory note;

(iv) other Shares which, in the case of Shares acquired directly or indirectly from the Company, (A) have been owned by the Optionee for more than six (6) months on the date of surrender, and (B) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised;

(v) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan;

(vi) a reduction in the amount of any Company liability to the Optionee, including any liability attributable to the Optionee's participation in any Company-sponsored deferred compensation program or arrangement;

(vii) any combination of the foregoing methods of payment; or

(viii) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

10. *Exercise of Option.*

(a) *Procedure for Exercise; Rights as a Stockholder.* Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Option Agreement. Unless the Administrator provides otherwise, vesting of Options granted hereunder shall be suspended during any unpaid leave of absence. An Option may not be exercised for a fraction of a Share.

An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 13 of the Plan.

Exercising an Option in any manner shall decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) *Termination of Relationship as a Service Provider.* If an Optionee ceases to be a Service Provider, other than upon the Optionee's death or Disability, the Optionee may exercise his or her Option within such period of time as is specified in the Option Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for three (3) months following the

Edgar Filing: ALTIRIS INC - Form DEF 14A

Optionee's termination. If, on the date of termination, the Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(c) *Disability of Optionee.* If an Optionee ceases to be a Service Provider as a result of the Optionee's Disability, the Optionee may exercise his or her Option within such period of time as is specified in the Option Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a

specified time in the Option Agreement, the Option shall remain exercisable for twelve (12) months following the Optionee's termination. If, on the date of termination, the Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(d) *Death of Optionee.* If an Optionee dies while a Service Provider, the Option may be exercised following the Optionee's death within such period of time as is specified in the Option Agreement to the extent that the Option is vested on the date of death (but in no event may the option be exercised later than the expiration of the term of such Option as set forth in the Option Agreement), by the Optionee's designated beneficiary, provided such beneficiary has been designated prior to Optionee's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Optionee, then such Option may be exercised by the personal representative of the Optionee's estate or by the person(s) to whom the Option is transferred pursuant to the Optionee's will or in accordance with the laws of descent and distribution. In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for twelve (12) months following Optionee's death. If, at the time of death, Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

11. *Stock Purchase Rights.*

(a) *Rights to Purchase.* Stock Purchase Rights may be issued either alone, in addition to, or in tandem with other awards granted under the Plan and/or cash awards made outside of the Plan. After the Administrator determines that it will offer Stock Purchase Rights under the Plan, it shall advise the offeree in writing or electronically, by means of a Notice of Grant, of the terms, conditions and restrictions related to the offer, including the number of Shares that the offeree shall be entitled to purchase, the price to be paid, and the time within which the offeree must accept such offer. The offer shall be accepted by execution of a Restricted Stock Purchase Agreement in the form determined by the Administrator.

(b) *Repurchase Option.* Unless the Administrator determines otherwise, the Restricted Stock Purchase Agreement shall grant the Company a repurchase option exercisable upon the voluntary or involuntary termination of the purchaser's service with the Company for any reason (including death or Disability). The purchase price for Shares repurchased pursuant to the Restricted Stock Purchase Agreement shall be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to the Company. The repurchase option shall lapse at a rate determined by the Administrator; provided, however, that such option shall lapse at a rate no less than 1/3rd of the Shares subject to the Stock Purchase Right from the date of grant of the Stock Purchase Right.

(c) *Other Provisions.* The Restricted Stock Purchase Agreement shall contain such other terms, provisions and conditions not inconsistent with the Plan as may be determined by the Administrator in its sole discretion.

(d) *Rights as a Stockholder.* Once the Stock Purchase Right is exercised, the purchaser shall have the rights equivalent to those of a stockholder, and shall be a stockholder when his or her purchase is entered upon the records of the duly authorized transfer agent of the Company. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Stock Purchase Right is exercised, except as provided in Section 13 of the Plan.

12. *Transferability of Options and Stock Purchase Rights.* Unless determined otherwise by the Administrator, an Option or Stock Purchase Right may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or

Edgar Filing: ALTIRIS INC - Form DEF 14A

distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. If the Administrator makes an Option or Stock Purchase Right transferable, such Option or Stock Purchase Right shall contain such additional terms and conditions as the Administrator deems appropriate.

13. *Adjustments Upon Changes in Capitalization, Dissolution, Liquidation, Merger or Change in Control.*

(a) *Changes in Capitalization.* In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other change in the corporate structure of the Company affecting the Shares such that an adjustment is determined by the Administrator (in its sole discretion) to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Administrator shall, in such manner as it may deem equitable, adjust the number and class of Shares which may be delivered under the Plan, the number, class, and price of Shares covered by each outstanding Option and Stock Purchase Right, and the numerical Share limits of Sections 3, 6, and 13.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Optionee as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Option or Stock Purchase Right will terminate immediately prior to the consummation of such proposed action.

(c) *Merger or Change in Control.* In the event of a merger of the Company with or into another corporation, or a Change in Control, a successor corporation or a Parent or Subsidiary of the successor corporation, without the Optionees' consent, may: (i) assume each outstanding Option; or (ii) substitute an equivalent option, right or agreement. In the event an Option is not assumed or substituted for, the Administrator shall notify the Optionee in writing or electronically that the Option shall be exercisable as to all of the vested Optioned Stock as of the date of such notice plus all Shares that would have otherwise vested within one (1) year after the date of the notice as if the Optionee had continued to be a Service Provider during such time. The vesting and exercise of Shares that are not vested as of the date of notice is contingent upon the closing of the merger or Change in Control. If an Option becomes exercisable in lieu of assumption or substitution in the event of a merger or Change in Control, the exercisable portion of the Option (as described above) shall be exercisable for a period of fifteen (15) days from the date of such notice, and the Option shall terminate upon the expiration of such period. For the purposes of this paragraph, the Option shall be considered assumed if, following the merger or Change in Control, the Option confers the right to purchase or receive, for each Share of Optioned Stock subject to the Option immediately prior to the merger or Change in Control, the consideration (whether stock, cash, or other securities or property) received in the merger or Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); *provided, however*, that if such consideration received in the merger or Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option, for each Share of Optioned Stock to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the merger or Change in Control.

14. *Date of Grant.* The date of grant of an Option or Stock Purchase Right shall be, for all purposes, the date on which the Administrator makes the determination granting such Option or Stock Purchase Right, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Optionee within a reasonable time after the date of such grant.

15. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend or terminate the Plan.

(b) *Stockholder Approval.* The Company shall obtain stockholder approval of any Plan amendment (i) to the extent necessary and desirable to comply with Applicable Laws or, (ii) that the Board, in its sole discretion, determines to be a material amendment. In addition, the Company

Edgar Filing: ALTIRIS INC - Form DEF 14A

shall not effect an option repricing or Option Exchange Program with respect to Options granted under the Plan without first obtaining stockholder approval thereof.

D-8

Table of Contents

(c) *Effect of Amendment or Termination.* No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Optionee, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and signed by the Optionee and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Options granted under the Plan prior to the date of such termination.

16. *Conditions Upon Issuance of Shares.*

(a) *Legal Compliance.* Shares shall not be issued pursuant to the exercise of an Option or Stock Purchase Right unless the exercise of such Option or Stock Purchase Right and the issuance and delivery of such Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) *Investment Representations.* As a condition to the exercise of an Option or Stock Purchase Right, the Company may require the person exercising such Option or Stock Purchase Right to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

17. *Inability to Obtain Authority.* The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

18. *Reservation of Shares.* The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

19. *Stockholder Approval.* The Plan shall be subject to approval by the stockholders of the Company within twelve (12) months after the date the Plan is adopted. Such stockholder approval shall be obtained in the manner and to the degree required under Applicable Laws.
