**TV AZTECA DISTRIBUTES**

**US\$130 MILLION IN CASH TO SHAREHOLDERS**

**Accumulated Distributions of US\$325 Million Since June 2003**

**FOR IMMEDIATE RELEASE**

**Mexico City, December 14, 2004** TV Azteca, S.A. de C.V. (NYSE: TZA; BMV: TVAZTCA; Latibex: XTZA), one of the two largest producers of Spanish language television programming in the world announced that it made today a US\$130 million cash distribution to shareholders, equivalent to US\$0.04 per CPO, or US\$0.70 per ADR. The distribution was approved by TV Azteca shareholders on November 24, as previously announced.

The company noted today's cash distribution is part of its ongoing plan to allocate a substantial portion of TV Azteca's cash generation to make distributions to shareholders of over US\$500 million, and to reduce the company's debt by approximately US\$250 million within a six-year period that started in June 2003.

The distributions under the cash usage-plan made to date, represent an aggregate amount of US\$325 million, equivalent to an 18% yield on the December 13, 2004 ADR closing price. Prior distributions include: US\$125 million on June 30, 2003, US\$15 million on December 5, 2003, US\$33 million on May 13, 2004, and US\$22 million on November 11, 2004.

As previously detailed, the company's board of directors has unanimously approved additional cash distributions of US\$80 million to be made during 2005, confirming the board's support of the company's strategic cash plan. The resolution will be submitted to TV Azteca shareholders for approval early next year.

Within the cash plan, TV Azteca has also reduced its total debt by US\$82 million, on a nominal U.S. dollar basis, since June 2003. The advances on the cash plan further strengthen our overall capital structure, reduce financial expense and contribute to increased free cash generation, while distributing to shareholders the benefits of our solid profitability," said Carlos Hesles, Chief Financial Officer of TV Azteca.

**Company Profile**

TV Azteca is one of the two largest producers of Spanish language television programming in the world, operating two national television networks in Mexico, Azteca 13 and Azteca 7, through more than 300 owned and
