Compensation of Directors

We reimburse our directors for travel and lodging expenses in connection with attendance at Board and committee meetings. All of our directors are eligible to receive options under our Stock Incentive Plan.

In November 2004, our Board determined that no compensation would be paid to members of the Board who are not independent, as defined in the Nasdaq Marketplace Rules, for their Board service for the fiscal year ending September 30, 2005 (Fiscal 2005). Each of the independent directors (Messrs. Hollis, Rea and Sullivan), however, would be compensated for their service on the Audit Committee and the Compensation and Stock Option Committee during Fiscal 2005. The Board determined that each independent director would be entitled to receive, at their election, either (i) cash in the aggregate amount of \$25,000 to be paid quarterly during Fiscal 2005 in four equal installments; or (ii) 5,000 nonqualified options to purchase shares of the Company's common stock. Furthermore, in order to compensate Mr. Hollis for his duties as Chair of the Audit Committee during Fiscal 2005, he would be paid an additional \$12,500 in cash (also to be paid quarterly during Fiscal 2005). Messrs. Hollis and Rea elected to receive their compensation in cash, while Mr. Sullivan elected to receive options. Accordingly, we granted options to purchase 5,000 shares of common stock to Mr. Sullivan on November 8, 2004. The exercise price of such options is \$8.26, which is the fair market value on the date of grant. These options vest over a four-year period and expire 10 years from the date of grant.

Audit committee pre-approval of audit and permissible non-audit services of independent auditors

Our audit committee is responsible for appointing our independent accountants and approving the terms of the independent accountants' services. Our audit committee charter provides that the audit committee must review and pre-approve all audit and permissible non-audit services to be provided by the independent accountants. These services may include audit services, audit-related services, tax services and other services. Normally, pre-approval would be provided at regularly scheduled meetings of our audit committee or pursuant to a unanimous written consent. However, the authority to grant specific pre-approval between meetings, as necessary, may be delegated to the chairman of our audit committee whose decisions will be presented to the full audit committee at its next regularly scheduled meeting. In connection with making any pre-approval decision, the audit committee or the chairman, as the case may be, must consider whether the provision of such permitted non-audit services by Grant Thornton LLP is consistent with maintaining Grant Thornton LLP's status as the Company's independent accountants. Our Audit Committee pre-approved all services that our independent accountants provided to us in the past two fiscal years.
