Dear Shareholder:

On behalf of the Board of Directors, it is my pleasure to extend to you an invitation to attend the 2006 Annual Meeting of Shareholders of Seaspan Corporation. The annual meeting will be held at:

Date: Monday, April 17, 2006

Time: 10:00 a.m. (New York time)

The Notice of Annual Meeting and Proxy Statement is enclosed and describes the business to be transacted at the annual meeting and provides other information concerning Seaspan. The principal business to be transacted at the annual meeting will be (1) the election of directors and (2) the ratification of the selection of KPMG LLP, Chartered Accountants, as Seaspan's independent auditors for the fiscal year ending December 31, 2006.

The Board of Directors unanimously recommends that shareholders vote for the election of the nominated directors and for the ratification of KPMG LLP, Chartered Accountants, as Seaspan's independent auditors.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: The Board of Directors (or *Board*) of Seaspan Corporation, a corporation organized in the Republic of the Marshall Islands (or *Seaspan*), is providing these proxy materials for you in connection with Seaspan's Annual Meeting of Shareholders, which will take place on April 17, 2006. As a shareholder, you are invited to attend the annual meeting and are entitled and requested to vote on the items of business described in this proxy statement.

Q: What information is contained in this proxy statement?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and certain officers, and certain other information about Seaspan.

Q: How may I obtain Seaspan's Annual Report on Form 20-F filed with the SEC?

A: A copy of our 2005 Annual Report on Form 20-F is enclosed. Seaspan will also furnish any exhibit to the Form 20-F if specifically requested. Copies of the 2005 Annual Report on Form 20-F are also available under "SEC Filings" in the Investor Relations section of our Web site at www.Seaspancorp.com and at the SEC's EDGAR database on the SEC's Web site at www.sec.gov.

Q: What items of business will be voted on at the annual meeting?

A: The items of business scheduled to be voted on at the annual meeting are:
The election of two Class I directors to Seaspan's Board for a term of three years, and

The ratification of our independent auditors for the 2006 fiscal year.

We will also consider any other business that properly comes before the annual meeting.

Q: How does the Board recommend that I vote?

A: Our Board recommends that you vote your shares **FOR** each of the nominees to the Board and **FOR** the ratification of the independent auditors for the 2006 fiscal year.

Q: What shares can I vote?

Edgar Filing: Seaspan CORP - Form 6-K

A: Each share of Seaspan Class A and Class B common stock issued and outstanding as of the close of business on March 10, 2006, the *record date* for the annual meeting, is entitled to be voted on all items being voted upon at the annual meeting. The *record date* for the annual meeting is the date used to determine both the number of shares of Seaspan's common stock that are entitled to be voted at the annual meeting and the identity of the *shareholders of record* and *beneficial owners* of those shares of common stock who are entitled to vote those shares at the annual meeting. On the *record date* for the annual meeting we had approximately an aggregate of 36,006,500 shares of Class A and Class B common stock issued and outstanding.

You may vote all shares owned by you as of the *record date* for the annual meeting, including (1) shares held directly in your name as the *shareholder of record*, and (2) shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank.

Table of Contents

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most Seaspan shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with Seaspan's transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the *shareholder of record*, and these proxy materials are being sent directly to you by Seaspan. As the *shareholder of record*, you have the right to grant your voting proxy directly to Seaspan or to vote in person at the meeting. Seaspan has enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held *in street name*, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the *shareholder of record*, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: How can I attend the annual meeting?

A: You are entitled to attend the annual meeting only if you were a Seaspan shareholder as of the close of business on March 10, 2006 or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker or nominee (*i.e.*, in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 10:00 a.m., New York time.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.*

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. Shareholders of record of Seaspan common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the enclosed envelopes. Seaspan shareholders who hold shares

Table of Contents

beneficially in street name may vote by completing, signing and dating the voting instruction cards provided and mailing them in the enclosed envelopes, or otherwise as directed in the voting instruction card provided by your broker, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to the Seaspan Corporate Secretary by mail received prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Seaspan or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally shareholders provide written comments on their proxy card, which are then forwarded to Seaspan's management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: The general quorum requirement for holding the annual meeting and transacting business is that holders of a majority of shares of Seaspan common stock entitled to vote must be present in person or represented by proxy, but if less than a quorum is present, a majority of those shares present either in person or by proxy shall have power to adjourn any meeting until a quorum shall be present.

Q: How are votes counted?

A: In the election of directors, you may vote FOR all of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. For the other item of business, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, the abstention has the same effect as a vote AGAINST.

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (*i.e.*, FOR all of Seaspan's nominees to the Board, FOR ratification of the independent auditors and in the discretion of the proxy holders on any other matters that properly come before the meeting).

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Table of Contents

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the two persons receiving the highest number of FOR votes at the annual meeting will be elected. The other proposal requires the affirmative FOR vote of a majority of those shares present in person or represented by proxy and entitled to vote on that proposal at the annual meeting.

Q: Is cumulative voting permitted for the election of directors?

A: No. Seaspan does not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, each share of common stock outstanding as of the close of business on the record date is entitled to one vote.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the two items of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Gerry Wang and Kevin M. Kennedy, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxyholders will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder, you may receive only one set of proxy materials (including our 2005 Annual Report on Form 20-F and this proxy statement) unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

Fax: 604-648-9782

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: Seaspan is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic

communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our report on Form 6-K for the second quarter of fiscal 2006.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.

You may propose director candidates for consideration by the Board of Directors. Any such recommendation should include the nominee's name and qualifications for Board membership and should be directed to Seaspan's Corporate Secretary at the address set forth above. In addition, Seaspan's bylaws permit shareholders to nominate directors for election at an annual shareholder meeting. CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Seaspan is committed to sound corporate governance principles. These principles contribute to Seaspan's business success and are essential to maintaining Seaspan's integrity in the marketplace. Seaspan's Corporate Governance Guidelines and Standards of Business Conduct are available under "Corporate Governance" in the Investor Relations section of its Web site at www.seaspancorp.com.

Board Practices

The Board of Directors consists of six members. The Board of Directors is divided into three classes, with members of each class elected to hold office for a term of three years in accordance with the classification indicated below or until his or her successor is elected and qualifies. Directors Kyle Washington, and David Korbin have terms expiring in 2006 and have been nominated by the Board of Directors for re-election at the 2006 Annual Meeting of Shareholders. Directors Gerry Wang and Peter Lorange have terms expiring in 2007. Directors Peter S. Shaerf and Milton K. Wong have terms expiring in 2008.

There are no service contracts between Seaspan and any of its directors providing for benefits upon termination of their employment or service.

The Board has determined that each of the current members of the Board, other than Kyle Washington and Gerry Wang, has no material relationship with Seaspan, either directly or as a partner, shareholder or officer of an organization that has a relationship with Seaspan, and is independent within the meaning of Seaspan's director independence standards, which reflect the New York Stock Exchange (or NYSE) director independence standards as currently in effect and as they may be changed from time to time. The Board has the following two committees: Audit Committee and Compensation Committee. The membership of these committees during 2005 and the function of each of the committees are described below. Each of the committees is currently comprised of independent members and operates under a written charter adopted by the Board. All of the committee charters are available under "Corporate Governance" in the Investor Relations section of Seaspan's Web site at www.seaspancorp.com. During 2005, the Board held four meetings. Each director attended all Board meetings, except for two Board meetings where one director was absent from one meeting and where two directors were absent from the other. Each director attended all applicable committee meetings.

Seaspan's Audit Committee is composed entirely of directors who satisfy applicable NYSE and SEC audit committee independence standards. Seaspan's Audit Committee includes David Korbin, Peter Lorange, and Milton K. Wong. The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of: the integrity of Seaspan's financial statements; Seaspan's compliance with legal and regulatory requirements; the independent auditors' qualifications and independence; and the performance of Seaspan's internal audit function and independent auditors.

The report of the Audit Committee is included on page 18 of this proxy statement. The Committee's charter is available under "Corporate Governance" in the Investor Relations section of Seaspan's Web site at www.seaspancorp.com.

During 2005, Seaspan's Compensation Committee included Peter Lorange, Peter S. Shaerf and Milton K. Wong. The Compensation Committee: reviews, evaluates, and approves the agreements, plans, policies and programs of Seaspan to compensate the officers and directors of Seaspan, produces a report on executive compensation each year and publishes the report in the Seaspan's annual report on Form 20-F, otherwise discharges the Board's responsibilities relating to compensation of Seaspan's officers and directors, and performs such other functions as the Board may assign to the Committee from time to time.

PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Seaspan's Board of Directors consists of six members. The Board of Directors is divided into three classes: Class I, Class II and Class III. The number of directors in each class is required to be as nearly equal as possible. At the 2006 annual meeting, two Class I directors will be elected to serve for three-year terms until the 2009 annual meeting and until their successors are elected. The remaining four directors are divided into two classes of two Class II directors and two Class III directors, whose terms expire in 2007 and 2008, respectively. Votes may not be cast for a greater number of director nominees than two.

Information regarding the business experience of each nominee is provided below. There are no family relationships among Seaspan's executive officers and directors.

If you sign your proxy or voting instruction card but do not give instructions for the voting of directors, your shares will be voted FOR the two persons recommended by the Board. If you wish to give specific instructions for the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card.

The two persons receiving the highest number of FOR votes represented by shares of Seaspan common stock, present in person or represented by proxy and entitled to be voted at the annual meeting, will be elected.

The Board expects that all of the nominees will be available to serve as directors. **REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

Seaspan's executive compensation program is administered by the Compensation Committee of the Board of Directors (or *Committee*). The Committee is composed entirely of non-employee directors who are independent, as determined by the Board, within the meaning of applicable NYSE standards.

The Committee reviews, evaluates, and approves the agreements, plans, policies and programs of Seaspan to compensate the officers and directors of Seaspan, produces a report on executive compensation each year and publishes the report in the Seaspan's annual report on Form 20-F, otherwise discharges the Board's responsibilities relating to compensation of Seaspan's officers and directors, and performs such other functions as the Board may assign to the Committee from time to time. The Committee's charter is available under "Corporate Governance" in the Investor Relations section of Seaspan's website at www.seaspancorp.com.

The Committee met two times during fiscal 2005 and has held a further four meetings either in person or telephonically with outside consultants during the process. The Committee has direct access to independent compensation consultants and other experts for information as it deems appropriate, and used independent consultants from time to time during the year.

The Committee has furnished the following report on executive compensation for fiscal 2005.

Executive Compensation Philosophy

Seaspan currently has only one employee, its Chief Financial Officer. Generally, the goals of Seaspan's compensation program are to:

attract, retain and motivate a high-caliber executive leadership team;

pay competitively and consistently within an appropriately defined market;

align executive compensation with shareholder interests;

link pay to Seaspan and individual performance; and

review the management fees paid by Seaspan to Seaspan Management Services Limited for the management of its vessels.

Executive Compensation Practices

Each year, we survey the executive compensation practices of our industry peer groups. The level of executive compensation will be commensurate with the performance of the Company both within and outside the peer group.

Components of Executive Compensation

Base Pay

Base pay is baseline cash compensation and is determined by the competitive market and individual performance. In general, base pay for our Chief Financial Officer is established annually based on (1) a compensation range which corresponds to the executive's job responsibilities and (2) the executive officer's overall individual job performance. The base pay for our Chief Executive Officer, payable by our Manager, Seaspan Management Services Limited, is established by the employment agreement between Gerry Wang and our Manager.

Annual Bonus

Our annual bonus programs focus on matching reward with the individual s performance and Seaspan s financial performance in the fiscal year through comparison to established targets and the financial performance

of peer companies. The bonus will include long term stock grants as well as cash compensation as will be evaluated and determined by the Committee in conjunction with the Chief Executive Officer.

Stock Incentive Program

Seaspan's Stock Incentive Plan (or *Plan*) is intended to promote Seaspan's interests by encouraging employees, consultants and directors to acquire or increase their equity interest in Seaspan and to provide a means whereby they may develop a sense of proprietorship and personal involvement in the development and financial success of Seaspan, and to encourage them to remain with and devote their best efforts to the business of Seaspan, thereby advancing the interests of Seaspan and its stockholders. The Plan is also contemplated to enhance the ability of Seaspan and its affiliates to attract and retain the services of individuals who are essential for Seaspan's growth and profitability.

On February 15, 2006, each independent director was awarded an equity incentive award of 3,750 shares of restricted stock under the Plan.

The undersigned members of the Compensation Committee have submitted this Report to the Board of Directors.
