-

**Item 1.01 Entry into a Material Definitive Agreement**

The disclosures in Item 3.03 of this Form 8-K are incorporated herein by reference.

**Item 3.03 Material Modification to Rights of Security Holders**

On July 7, 2006, Spectrum Pharmaceuticals, Inc. (the Company ) and U.S. Stock Transfer Corporation (the Rights Agent ) entered into a fourth amendment (the Fourth Amendment ) to the rights agreement between the Company and the Rights Agent, dated December 13, 2000, as amended by the first amendment to the rights agreement dated July 23, 2003, the second amendment to the rights agreement dated May 10, 2004 and the third amendment to the rights agreement dated May 10, 2004 (collectively, the Rights Agreement ). The purpose of the Fourth Amendment was to account for the Company s 25-1 reverse stock split effected on September 6, 2002, which, by the terms of the Rights Agreement, increased the number of shares associated with each share of the Company s common stock (the Common Stock ) from one right per share to twenty-five rights per share. As a result of adopting the Fourth Amendment, the number of rights associated with each share of Common Stock was reduced from twenty-five rights per share back to one right per share. However, the number of rights associated with each share of Common Stock is still subject to adjustment pursuant to the terms of the Rights Agreement. The foregoing description of the Fourth Amendment is qualified in its entirety by reference to the Fourth Amendment, which is attached to this report as exhibit 4.1 and is incorporated herein by reference.

**Item 5.03 Amendments to Articles of Incorporation**

On July 7, 2006, the Company filed with the Delaware Secretary of State, an amendment to the Certificate of Designation of Rights, Preferences and Privileges of Series B Junior Participating Preferred Stock (the Preferred Stock ) filed with the Delaware Secretary of State on December 18, 2000 to increase the authorized number of Preferred Stock from 200,000 shares to 1,000,000 shares (the Designation Amendment ). This increase was made to reflect the possible issuance of Preferred Stock pursuant to the terms of the Rights Agreement due to the recent increase in the authorized number of shares of common stock to 100 million shares. The foregoing description of the Designation Amendment is qualified in its entirety by reference to the Designation Amendment, which is attached to this report as exhibit 3.1 and is incorporated herein by reference.

**Item 9.01 Financial Statements and Exhibits.**
