The Board of Directors has determined that all shareholders of record as of the close of business on July 7, 2009 (the "Record Date" ) will be entitled to receive notice of and to vote at the Meeting. Those shareholders so desiring may be represented by proxy at the Meeting. The Proxy, and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, must be deposited either at the office of the Registrar and Transfer Agent of the Company, Computershare Investor Services Inc., 100 University Avenue, 9<sup>th</sup> Floor, Toronto, Ontario M5J 2Y1, or at the Corporate Headquarters of the Company at Building C, 2454 McMullen Booth Road, Clearwater, Florida 33759-1343 not less than 48 hours, Saturdays and holidays excepted, prior to the time of the holding of the Meeting or any adjournment thereof.

Votes cast by proxy or in person at the Meeting will be tabulated by the inspector of elections appointed for the Meeting, who will also determine whether a quorum is present for the transaction of business. The Company's Articles provide that a quorum is present if two or more shareholders of the Company are present in person (or represented by proxy) holding an aggregate of at least 33- 1/3% of the total issued and outstanding shares of the Company as of the Record Date for the Meeting. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum is present. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented, even though the nominee may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a "broker non-vote" ). Neither abstentions nor broker non-votes are counted in determining whether a proposal has been approved. The vote required for each proposal set forth herein, including the election of directors, is set forth under the discussion herein of such proposal.

Shareholders are urged to indicate their votes in the spaces provided on the Proxy. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, signed Proxies will be voted FOR each proposal listed in the Notice of the Meeting and set forth more completely herein. Returning your completed Proxy will not prevent you from voting in person at the Meeting should you be present and wish to do so.

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are nominee, or non-registered, shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of the person (the Non-Registered Holder) but which are registered either: (a) in the name of an intermediary (an Intermediary) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) (CDS) of which the Intermediary is a participant. In accordance with the requirements as set out in National Instrument 54-101 (formerly National Policy Statement No. 41) of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the Meeting Materials) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Material will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a faxed, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Company's Registrar and Transfer Agent as provided above; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a proxy authorization form) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page preprinted form. Sometimes instead of the one page preprinted form,

the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares, which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the Management Proxyholders named in the form and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

### PROPOSAL 1: ELECTION OF DIRECTORS

**The Board of Directors recommends each of the nominees set forth below for election as a Director and urges each shareholder to vote FOR each of the nominees. Proxies in the accompanying form will be voted at the Meeting, unless authority to do so is withheld, in favor of the election as a Director of each of the nominees named below.**

The Company's Board of Directors currently consists of five members divided into three classes, with the members of each class serving three-year terms expiring at the third Annual General Meeting of Shareholders after their election. The Company's Board of Directors, upon the recommendation of the Nominating/Corporate Governance Committee, has nominated each of Alton R. Neal and Scott Fink to stand for re-election as a Director at the Meeting, to hold office for a term of three years expiring at the 2012 Annual General Meeting of Shareholders, and until his successor has been duly elected and qualified. No other person has been nominated by the Board to stand for election as a director at the Meeting. Assuming a quorum is present, the election of each of Mr. Neal and Mr. Fink as a Director requires that a plurality of the total votes cast with respect to Common shares present, or represented, and entitled to vote at the Meeting vote in favor of his election. In the event Mr. Neal or Mr. Fink is unable to serve, the persons designated as proxies will cast votes for such other person in their discretion as a substitute nominee. The Board of Directors has no reason to believe that the nominees will be unavailable, or if elected, will decline to serve. Mr. Neal and Mr. Fink are residents of the United States. Certain information is set forth below for each of the nominees for Director, as well as for each Director whose term of office will continue after the Meeting.

## **BOARD OF DIRECTORS**

### **Committees of the Board of Directors and Meeting Attendance**

The Company has not adopted a formal policy that each Director must attend each annual general meeting of shareholders, although Directors are encouraged to do so. The Company expects all members of the Board to attend the Meeting barring other significant commitments or special circumstances. All of the Company's Board members attended the Company's 2008 Annual General Meeting of Shareholders. During the Company's fiscal year ended March 31, 2009, there were four meetings of the Board, and each incumbent Director attended at least 75% of the aggregate number of Board meetings and meetings of all committees of the Board on which he served.

The Board of Directors of the Company has the standing committees listed below.

**Audit Committee.** The Board of Directors has established an Audit Committee. From April 1, 2004 until June 30, 2005, the Audit Committee was comprised of two members, namely Messrs. Neal (Chair) and Bragin. Effective June 30, 2005, the size of the Audit Committee was expanded from two to three members, and Mr. Fink was added to the Audit Committee. The Audit Committee held four meetings during the fiscal year ended March 31, 2009. The Board has determined that Messrs. Neal, Bragin and Fink satisfy the independence requirements of current Securities and Exchange Commission rules and NASDAQ Global Market listing standards. The Board also has determined that Mr. Fink qualifies as an audit committee financial expert as defined under these rules and listing standards.

The Audit Committee assists the Board of Directors with its responsibilities by (A) overseeing the Company's accounting and financial reporting processes and the audits of the Company's consolidated financial statements and (B) monitoring (i) the Company's compliance with legal, risk management and regulatory requirements, (ii) the Company's independent auditors' qualifications and independence, (iii) the performance of the Company's audit function and independent auditors, and (iv) the Company's systems of internal control with respect to the integrity of financial records, adherence to its policies and compliance with legal requirements. The Audit Committee: has sole responsibility to retain and terminate the Company's independent auditors, subject to shareholder ratification; has sole authority to pre-approve all audit and non-audit services performed by the Company's independent auditors and the fees and terms of each engagement; reviews the scope and results of each annual internal audit; and reviews the Company's audited consolidated financial statements and related public disclosures, earnings press releases and other financial information and earnings guidance provided to analysts or rating agencies. The Audit Committee is governed by a written charter, which sets forth the

specific functions and responsibilities of the Audit Committee. A copy of the current Audit Committee charter is included as [Appendix A](#) to this Proxy Statement and Information Circular. The Audit Committee charter is not currently available on the Company's web site.

**Compensation Committee.** On June 30, 2005, the Board of Directors established a Compensation Committee, which is comprised of three directors, namely Messrs. Bragin, Fink and Neal (Chair). The Compensation Committee held one meeting during the fiscal year ended March 31, 2009. The Board has determined that Messrs. Bragin, Fink and Neal satisfy the independence requirements of current NASDAQ Global Market listing standards.

The principal responsibilities of the Compensation Committee are to evaluate the performance and approve the compensation of the Company's Chief Executive Officer and other executive officers; prepare an annual report on executive compensation for inclusion in proxy statements of the Company; and oversee the Company's compensation and benefit plans for key employees and non-employee directors.

The Compensation Committee reviews and approves corporate goals and objectives relevant to the Company's Chief Executive Officer's compensation, evaluates the Chief Executive Officer's performance in light of these goals and objectives and establishes his compensation levels based on its evaluation. This Committee is also responsible for administration of the Nicholas Financial, Inc. Equity Incentive Plan, the Nicholas Financial, Inc. Employee Stock Option Plan and the Nicholas Financial, Inc. Non-Employee Director Stock Option Plan. The specific functions and responsibilities of the Compensation Committee are set forth in its written charter. A copy of the current Compensation Committee charter is included as [Appendix B](#) to this Proxy Statement and Information Circular. The Compensation Committee charter is not currently available on the Company's web site.

**Nominating/Corporate Governance Committee.** On June 30, 2005, the Board of Directors established a Nominating/Corporate Governance Committee, which is comprised of two directors, namely Messrs. Bragin and Neal. The Nominating/Corporate Governance Committee held one meeting during the fiscal year ended March 31, 2009. The Board has determined that Messrs. Bragin and Neal satisfy the independence requirements of current NASDAQ Global Market listing standards. The Nominating/Corporate Governance Committee is governed by a written charter, which will be reviewed on an annual basis. A copy of the current Nominating/Corporate Governance Committee charter is included as [Appendix C](#) to this Proxy Statement and Information Circular. The Nominating/Corporate Governance Committee charter is not currently available on the Company's web site.

The principal functions of the Nominating/Corporate Governance Committee are to: identify, consider and recommend to the Board qualified director nominees for election at the Company's annual meeting; review and make recommendations on matters involving the general operation of the Board and its committees and recommend to the Board nominees for each committee of the Board; and develop and recommend to the Board the adoption and appropriate revision of the Company's corporate governance practices.

### **Nominations of Directors**

The entire Board by majority vote selects the Director nominees to stand for election at the Company's annual general meetings of shareholders and to fill vacancies occurring on the Board, based on the recommendations of the Nominating/Corporate Governance Committee. In selecting nominees to recommend to the Board to stand for election as Directors, the Nominating/Corporate Governance Committee will examine each Director nominee on a case-by-case basis regardless of who recommended the nominee and take into account all factors it considers appropriate. Directors shall be selected so that the Board is a diverse body. The Nominating/Corporate Governance Committee believes, however, that the following minimum qualifications must be met by a Director nominee to be recommended to stand for election as Director:

Each Director must display high personal and professional ethics, integrity and values.

Each Director must have the ability to exercise sound business judgment.

Each Director must be highly accomplished in his or her respective field, with broad experience at the executive or policy-making level in business, government, education, technology or public interest.

Each Director must have relevant expertise and experience, and be able to offer advice and guidance based on that expertise and experience.

Each Director must be able to represent all shareholders of the Company and be committed to enhancing long-term shareholder value.

Each Director must have sufficient time available to devote to activities of the Board and to enhance his or her knowledge of the Company's business.

The Nominating/Corporate Governance Committee may use various sources for identifying and evaluating nominees for Directors, including referrals from the Company's current Directors, management and shareholders. The Nominating/Corporate Governance Committee will review the resume and qualifications of each candidate identified through any of the sources referenced above, and determine whether the candidate would add value to the Board. With respect to candidates that are determined by the Nominating/Corporate Governance Committee to be potential nominees, one or more members of the Committee will contact such candidates to determine the candidate's general availability and interest in serving. Once it is determined that a candidate is a good prospect, the candidate will be invited to meet with the full Committee, which will conduct a personal interview with the candidate. During the interview, the Committee will evaluate whether the candidate meets the guidelines and criteria adopted by the Board as well as exploring any special or unique qualifications, expertise and experience offered by the candidate and how such qualifications, expertise and/or experience may complement that of existing Board members. If the candidate is approved by the Committee as a result of the Committee's determination that the candidate will be able to add value to the Board and the candidate expresses his or her interest in serving on the Board, the Committee will then review its conclusions with the Board and recommend that the candidate be selected by the Board to stand for election by the shareholders or fill a vacancy or newly created position on the Board.

Recommendations for Director nominees to be considered by the Nominating/Corporate Governance Committee, including recommendations from shareholders of the Company, should be sent in writing, together with appropriate biographical information concerning each proposed nominee, to the Nominating/Corporate Governance Committee of the Board of Directors, care of the Secretary of the Company, at the Company's headquarters.

#### **Communications with Board of Directors**

Shareholders may communicate with the full Board or individual Directors by submitting such communications in writing to Nicholas Financial, Inc., Attention: Board of Directors (or the individual Director(s)), Building C, 2454 McMullen Booth Road, Clearwater, Florida 33759. Such communications will be delivered directly to the appropriate Director(s).

#### **Report of the Audit Committee**

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the consolidated financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited consolidated financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

The Committee reviewed with the Company's Independent Auditors, who are responsible for expressing an opinion on the conformity of those audited consolidated financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under standards of the Public Company Accounting Oversight Board. The Audit Committee also discussed with the Company's Independent Auditors matters related to the financial reporting process required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. In addition, the Audit Committee has received the written disclosures and the letter from the Independent Auditors required by Rule 3526 of the Public Company Accounting Standards Board, as currently in effect, and the Audit Committee discussed with the Independent Auditors that firm's independence and considered the compatibility of nonaudit services with the Independent Auditors' independence.

The Committee discussed with the Company's Independent Auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held four meetings during the fiscal year ended March 31, 2009.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited

consolidated financial statements be included in the Annual Report for filing with the Commission. The Committee and the Board have also recommended, subject to shareholder approval, the appointment of Dixon Hughes PLLC as the Company's Independent Auditors for the fiscal year ending March 31, 2010.

The foregoing report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates such report by reference therein.

## **EXECUTIVE OFFICERS AND COMPENSATION**

The Company has two (2) executive officers, Peter L. Vosotas, Chairman of the Board, Chief Executive Officer and President, and Ralph T. Finkenbrink, Senior Vice President, Chief Financial Officer and Secretary. Mr. Vosotas has a son and a son-in-law who are employees of the Company. For additional information regarding Messrs. Vosotas and Finkenbrink, see Proposal 1: Election of Directors above.

### **Executive Compensation Discussion and Analysis**

#### ***Overview of Executive Compensation Philosophy***

The primary objectives of the Compensation Committee of the Company's Board of Directors with respect to executive compensation are to attract, motivate and retain the best executive talent available and to align the Company's executive compensation structure with shareholder value creation. More specifically, the Compensation Committee believes that executive compensation should:

help attract and retain the most qualified individuals by being competitive with compensation paid to persons having similar responsibilities and duties in other companies in the same and closely related businesses;

relate to the value created for shareholders by being directly tied to the financial performance of the Company and the particular executive officer's contribution to such performance;

motivate and reward individuals who help the Company achieve its short-term and long-term objectives and thereby contribute significantly to the success of the Company; and

reflect the qualifications, skills, experience, and responsibilities of the particular executive officer.

***Role of the Compensation Committee***

The Compensation Committee is responsible for:

evaluating the performance and determining and approving the compensation of the Company's executive officers, including the Chief Executive Officer (the "CEO"); and

overseeing the Company's compensation and benefit plans for key employees and non-employee directors, including the Company's equity plans.

Through this process, the Committee reviews and determines all aspects of compensation for the Named Executive Officers (as defined below) of the Company. The Named Executive Officers of the Company are: Mr. Peter L. Vosotas, Chairman of the Board, CEO and President; and Mr. Ralph T. Finkenbrink, Senior Vice President, Chief Financial Officer and Secretary.

***Process for Determining Executive Compensation***

The Compensation Committee is responsible for establishing and monitoring adherence to the Company's compensation programs. When setting executive compensation, the Compensation Committee applies a consistent approach for all Named Executive Officers. It intends that the combination of elements of executive compensation closely aligns the executives' interest with those of the Company's shareholders. Target total compensation is comprised of base salary, annual cash bonus and long-term incentive compensation in the form of equity grants. The Compensation Committee generally reviews and adjusts executive target total compensation levels annually in February and March of each year.

In fiscal 2006, the Board of Directors and Compensation Committee retained an independent compensation consulting firm to perform analyses of competitive performance and compensation levels for the Company's Named Executive Officers. This consulting firm developed recommendations that were reviewed by the Compensation Committee and the Board of Directors in connection with approving executive compensation for fiscal 2007. Neither the Board of Directors nor the Compensation Committee retained any independent compensation consultants in fiscal 2008 or 2009.

The CEO currently initiates the compensation discussions with the Compensation Committee, providing requests and seeking approval from the Compensation Committee and the Board of Directors before finalizing any salary increases, employment contracts, bonus plans or long-term incentive equity awards for Named Executive Officers. In considering the CEO's requests, the Compensation Committee takes into consideration the executive pay for executive officers in comparable positions for companies in the Company's peer group, as well as the level of inherent risk associated with the position, and the specific circumstances of the executive. The Compensation Committee approves the base salary, annual cash bonus and long-term incentive equity awards for the CEO and for each Named Executive Officer below the CEO level, based on the CEO's recommendations.

The Compensation Committee has reviewed the aggregate amounts and mix of all components of the CEO's and the other Named Executive Officer's compensation, including

base salary, annual cash bonus, long-term incentive compensation, accumulated (realized and unrealized) stock option and restricted stock gains, the value to the executive and cost to the Company of all perquisites and other personal benefits and the actual projected payout obligations for severance and change-in-control scenarios. A tally sheet setting forth all the above components was prepared affixing dollar amounts under the various payout scenarios for the CEO and the other Named Executive Officer and was reviewed by the Compensation Committee.

#### ***Compensation Components***

The Company's executive compensation program currently consists of three key elements: base salary, annual incentive bonus and long-term equity compensation.

**Base Salary.** The Compensation Committee establishes base salaries for the Company's Named Executive Officers based on the scope of their responsibilities, taking into account competitive market compensation paid by other companies in the Company's peer group for similar positions. Generally, the Compensation Committee believes that executive base salaries should be targeted near the median of the range of salaries for executives in similar positions and with similar responsibilities at comparable companies in line with our compensation philosophy.

Base salaries are reviewed annually, and may be adjusted to realign salaries with market levels after taking into account individual responsibilities, performance and experience.

The base salaries in fiscal 2009 for Mr. Vosotas, the Company's CEO, and Mr. Finkenbrink, the Company's Chief Financial Officer, were \$300,000 and \$210,000, respectively. No base salary increase was made during fiscal 2009 for Mr. Vosotas; however, Mr. Finkenbrink's annual base salary was increased from \$200,000 to \$210,000 effective April 1, 2008. The Compensation Committee believes that the current base salaries of the Company's Named Executive Officers are generally competitive at the median salary ranges observed at comparable companies.

**Annual Incentive Bonus.** Annual cash incentive bonuses are intended to compensate the Named Executive Officers for achieving the Company's annual financial goals.

For fiscal 2009, the Company had in effect an annual incentive bonus program pursuant to which only its Chief Financial Officer, Mr. Finkenbrink, was entitled to receive an annual cash bonus based upon the Company's operating income and revenue growth for such fiscal year. The Company's CEO, Mr. Vosotas, was not eligible to receive an annual cash bonus for fiscal 2009. The maximum cash bonus payable to Mr. Finkenbrink based upon the Company's operating income growth exceeding certain target percentages was \$20,000. The maximum cash bonus payable to Mr. Finkenbrink based upon the Company's revenue growth exceeding certain target percentages was \$20,000. For fiscal 2009, Mr. Finkenbrink was paid an annual cash bonus of \$20,000 pursuant to such program, based upon the Company exceeding the target revenue growth percentages.

**Long-Term Equity Compensation.** The Compensation Committee believes that stock-based awards promote the long-term growth and profitability of the Company by providing executive officers of the Company with incentives to improve shareholder value and contribute

to the success of the Company and by enabling the Company to attract, retain and reward the best available persons for executive officer positions. The Company currently maintains two long-term equity incentive plans for executive officers the Nicholas Financial, Inc. Equity Incentive Plan (the Equity Plan ) and the Nicholas Financial, Inc. Employee Stock Option Plan (the Employee Plan ). The Employee Plan was terminated on August 9, 2006, and no new awards will be granted under such plan, although stock options granted under such plan and still outstanding will continue to be subject to all terms and conditions of such plan.

The Compensation Committee may grant awards under the Equity Plan to any officer (including the Named Executive Officers) or other salaried key employee of the Company or its affiliates. As of the Record Date, there were approximately five officers and 100 other salaried key employees (not including officers) eligible to participate in the Equity Plan.

Since March 31, 2008, the Named Executive Officers have received the following awards pursuant to the Equity Plan: (i) on March 31, 2009, Mr. Vosotas was awarded 25,000 shares of restricted stock, which shares will vest on the third anniversary following the date of grant; (ii) on March 31, 2009, Mr. Vosotas was granted options to purchase 50,000 shares at an exercise price of \$2.62 per share, which options will vest in equal annual installments over two years following the date of grant; (iii) on April 1, 2009, Mr. Vosotas was awarded 25,000 shares of restricted stock, which shares will vest on the third anniversary following the date of grant; (iv) on April 1, 2009, Mr. Vosotas was granted options to purchase 25,000 shares at an exercise price of \$2.58 per share, which options will vest in equal annual installments over two years following the date of grant; (v) on April 1, 2008, Ralph T. Finkenbrink, the Company's Senior Vice President, Chief Financial Officer and Secretary, was granted options to purchase 35,000 shares, at an exercise price of \$6.05 per share, which options will vest in equal annual installments over three years following the date of grant; (vi) on March 31, 2009, Mr. Finkenbrink was awarded 25,000 shares of restricted stock, which shares will vest on the third anniversary following the date of grant; and (vii) on April 1, 2009, Mr. Finkenbrink was awarded 20,000 shares of restricted stock, which shares will vest on the third anniversary following the date of grant.

The Company cannot currently determine the number or type of additional awards that may be granted to eligible participants under the Equity Plan in the future. Such determinations will be made from time to time by the Compensation Committee (or Board).

#### ***Change in Control***

The Company has change in control provisions in its employment agreements with the Named Executive Officers, the Equity Plan and the Employee Plan. The Company has no additional change in control contracts or arrangements with either of the Named Executive Officers.

The change in control provisions in the plans and employment agreements were designed to make a change in control transaction neutral to the economic interests of employees that might be involved in considering such a transaction. The employees subject to these provisions would likely not be in a position to influence the Company's performance after a change in control or may not be in a position to earn their incentive awards or vest in their equity awards after a

change in control. Thus, the provisions are meant to encourage employees that may be involved in considering a change in control transaction to act in the interests of the Company's shareholders rather than their own interests.

The change in control provisions in the employment agreements with Named Executive Officers are described starting on page 25 under Potential Payments Upon Termination or a Change-In-Control. Generally, the Company's equity compensation plans provide that restricted stock will vest in full, and options to purchase Common shares will become immediately exercisable, either upon a change in control or upon termination of employment within one year after a change in control. The Compensation Committee believes that the provisions provided for under both our employment agreements and equity compensation plans are appropriate since an employee's position could be adversely affected by a change in control even if he is not terminated. These plans provide, however, that the Compensation Committee may determine in advance of the change in control event that the provisions would not apply and therefore no accelerated vesting would occur.

#### ***Other Compensation***

Consistent with the Compensation Committee's pay-for-performance compensation philosophy, the Company intends to continue to maintain modest executive benefits and perquisites for executive officers; however, the Compensation Committee, in its discretion, may revise, amend or add to the officer's executive benefits and perquisites if it deems it advisable. The Compensation Committee believes these benefits and perquisites are currently at or below median competitive levels for companies in the Company's peer group. The Compensation Committee has no current plans to make changes to either the employment agreements (except as required by law or as required to clarify the benefits to which the executive officers are entitled as set forth herein) or levels of benefits and perquisites provided under the employment agreements. In this regard it should be noted that the Company does not provide pension arrangements, post-retirement health coverage, or similar benefits for its executives or employees.

The following table generally illustrates the benefit plans and perquisites that the Company does and does not provide and identifies those employees who may be eligible to receive them. Perquisites for the Named Executive Officers are detailed within the footnotes of the summary compensation table.

All employees of the Company and its subsidiaries who are at least age 21 are eligible to participate in the 401(k) Plan on the first day of the month following the completion of one year of service. Participants can contribute up to 60% of their pretax compensation to the 401(k) Plan annually, subject to certain legal limitations. The 401(k) Plan also provides that the Company and its subsidiaries will make a matching contribution on behalf of each eligible participant equal to a maximum of \$1,000 for 2009; neither the Company nor any of its subsidiaries will make any matching contributions in 2010.

The Company pays 80% of the applicable premium and the employee pays the remaining 20% of the premium. Employees electing dependent coverage are responsible for 100% of the premium, less a \$100 Company contribution, or a \$250 Company contribution if the employee holds the position of Branch Manager or above. Dental coverage is offered to all full-time employees. The Company pays 50% of the applicable premium and the employee pays the remaining 50% of the premium.
- (3) The Company provides all full-time employees, including the Named Executive Officers, with a \$10,000 term life insurance policy. The premium for this coverage is paid entirely by the Company.

- (6) The Company maintains an annual sales contest that rewards certain employees with a trip at Company expense. The CEO participates in this program.
- (7) The Company provides a Company vehicle to the Named Executive Officers. The Company also provides Company vehicles to its branch managers, regional managers and other key personnel.
- (8) The Company covers certain country club membership costs for the Named Executive Officers.
- (9) The Company's employment agreements with the Named Executive Officers provide for certain change in control and severance benefits as described elsewhere in this Proxy Statement and Information Circular.

### ***Tax, Accounting and Other Considerations***

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), limits the Company's deduction of annual compensation paid to the Named Executive Officers to \$1 million per employee, unless the compensation meets certain specific requirements to qualify as performance-based compensation. The Compensation Committee has considered the Company's ability to deduct from taxable income certain performance based compensation under Section 162(m) of the Code. At the current compensation levels in effect for the Named Executive Officers, tax deductibility under Section 162(m) was not a determinative factor in the design of the Company's compensation program.

Section 280G of the Code limits the Company's ability to take a tax deduction for certain "excess parachute payments" (as defined in Code Section 280G) paid in connection with a change in control transaction, and Section 4999 of the Code imposes excise taxes on certain executives who receive "excess parachute payments." The Compensation Committee considers the adverse tax liabilities imposed by Code Sections 280G and 4999, as well as other competitive factors, when it designs and implements arrangements that may be triggered upon a change in control for all potentially affected employees, including the Company's Named Executive Officers.

Various rules under generally accepted accounting practices determine the extent to which and the manner in which the Company accounts for grants under its long term equity incentive plans in its financial statements. The Compensation Committee takes into consideration the accounting treatment under Statement of Financial Accounting Standards No. 123 (revised 2004), "Share-Based Payment" ("FAS 123(R)"), when determining the types of and value of grants under its long term equity incentive plans for all employees, including the Company's Named Executive Officers. The accounting treatment of such grants, however, is not determinative of the type, timing, or amount of any particular grant of equity-based compensation to the Company's employees.

**Pension Benefits**

The Company does not provide pension arrangements or post-retirement health coverage for its executives or employees.

**Nonqualified Deferred Compensation**

The Company does not provide any nonqualified defined contribution or other nonqualified deferred compensation plans.

**Potential Payments Upon Termination or a Change-in-Control****Employment Agreements**

The Company has entered into an employment agreement with each of the Named Executive Officers, namely Peter L. Vosotas and Ralph T. Finkenbrink. The payments to be made to the Named Executive Officers pursuant to the employment agreements in the event of disability or death, involuntary termination without cause and termination following a change in control are described below. These employment agreements are described in greater detail beginning on page 30.

*Payments Made Upon Death or Disability*

In the event of the termination of employment due to his death or disability, a Named Executive Officer will receive only such compensation and other benefits to which he was entitled under his employment agreement or otherwise as an employee of the Company through the termination date, including payments of base salary through the calendar month in which such termination occurs.

*Payments Made Upon Termination Without Cause or Constructive Termination*

In the event of the termination of a Named Executive Officer's employment (i) by the Company other than for cause (as defined in his employment agreement) or (ii) by the Named Executive Officer upon (a) a change of control of the Company, (b) a good faith determination by the Named Executive Officer that there has been a material breach of his employment agreement by the Company, (c) a material adverse change in the Named Executive Officer's working conditions or status or (d) a significant relocation of the Named Executive Officer's principal office, then the Named Executive Officer will be paid (subject to the Section 280G cap described below), a one-time, lump-sum severance payment equal to two times the sum of (A) the Named Executive Officer's annual base salary in effect at the time of such termination and (B) the Named Executive Officer's average annual bonus and other compensation for the two full calendar years immediately preceding such termination.

A change of control is defined in the employment agreements with the Named Executive Officers generally as the occurrence of any of the following:

(i) any person, entity, or group acting in concert (other than (A) the Company or any of its subsidiaries, (B) a trustee or other fiduciary holding securities under any employee benefit plan of the Company or any of its subsidiaries, (C) an underwriter temporarily holding securities pursuant to an offering of such securities or (D) a corporation owned, directly or indirectly, by the shareholders of the Company in substantially the same proportions as their ownership of stock in the Company), becomes the beneficial owner of securities of the Company which, together with securities previously owned, confer upon such person, entity or group the combined voting power, on any matters brought to a vote of shareholders, of twenty percent (20%) or more of the then outstanding shares of voting securities of the Company; or

(ii) the sale, assignment or transfer of assets of the Company or any of its subsidiaries, in a transaction or series of transactions, in which the aggregate consideration received or to be received by the Company or any such subsidiary in connection with such sale, assignment or transfer is greater than fifty percent (50%) of the book value, as determined by the Company in accordance with generally accepted accounting principles, of the Company's assets determined on a consolidated basis immediately before such transaction or the first of such transactions; or

(iii) the merger, consolidation, share exchange or reorganization of the Company (or one or more direct or indirect subsidiaries of the Company) as a result of which the holders of all of the shares of capital stock of the Company as a group would

receive less than fifty percent (50%) of the combined voting power of the voting securities of the Company or the voting securities of the surviving or resulting entity or any parent thereof immediately after such merger, consolidation, share exchange or reorganization; or

(iv) the adoption of a plan of complete liquidation or the approval of the dissolution of the Company; or

(v) the commencement of a tender or exchange offer which, if successful, would result in a change of control of the Company; or

(vi) a determination by the Board of Directors of the Company, in view of the then current circumstances or impending events, that a change of control of the Company has occurred or is imminent, which determination shall be made for the specific purpose of triggering the operative provisions of the employment agreements.

If the severance payment, either alone or when added to any other payment or benefit to which the Named Executive Officer is entitled from the Company, exceeds the amount that may be paid by the Company without a loss of deduction under Section 280G of the Code, then the severance payment will be reduced to an amount that would not result in a loss of deduction.

### ***Long Term Equity Compensation***

#### ***Equity Plan***

Unless the Compensation Committee provides otherwise in any particular award agreement, in the event of a change of control of the Company, awards may be assumed or substitute awards may be made by the Company or its successor that contain similar terms and conditions as the awards issued under the Equity Plan, without participant consent. If awards are assumed or if substitute awards are made, and if the Company or its successor in the change of control transaction terminates a participant within one year following the change of control, then the award will immediately vest on the date of such termination of employment or service, as applicable.

If the Company or its successor does not assume the awards or grant substitute awards, then:

At least 15 days prior to the change of control transaction, all options held by employees of the Company or its affiliates will become fully vested, and the Company will provide a notice to all holders of options of their right to exercise their options up to the date of the change of control. On the change of control date, all options will be cancelled. If it is not feasible to give 15 days notice of cancellation of the options, then the Compensation Committee may determine prior to the change of control date that all options held by employees of the Company or its affiliates will become vested on the date of the change of control, and all holders of options will receive a cash payment, in exchange for cancellation of the options, equal to the value of the option as determined by the Compensation Committee.

All shares of restricted stock will vest in full immediately prior to the date of a change of control.

Performance share awards will be deemed earned immediately prior to the date of the change of control in an amount equal to the amount that would be earned had the target performance goal for the performance period been met, and then prorated based on the number of days in the performance period that have elapsed to the date of the change of control.

For purposes of the Equity Plan, a change of control generally includes any of the following events:

A person or group of persons becomes the beneficial owner of 25% or more of the outstanding Common shares of the Company or the voting power of any of the Company's securities, not counting acquisitions approved in advance by the Board of Directors;

The members of the Board of Directors on April 1, 2007 (and any new member appointed or elected to the Board whose appointment, nomination or election was approved by two-thirds of the Board, unless the election is in connection with an election contest) cease to constitute a majority of the Board;

The consummation or the sale or other disposition of all, or substantially all, of the Company's assets;

The consummation of a complete liquidation or dissolution of the Company; or

The consummation of a merger or consolidation of the Company with or into any other company in which the Company's shareholders immediately prior to the merger or consolidation will own less than 50% of the outstanding common shares or voting control of the surviving company.

In the event of termination of a participant's employment due to death or disability or termination without cause by the Company, all restricted shares granted to such participant shall become fully vested and the restrictions on transferability under the terms of the award shall lapse.

In the event of termination of a participant's employment due to death, disability or retirement, all options granted to such participant under the Equity Plan shall become fully vested on the date of such termination and shall be exercisable thereafter for a period of thirty days.

In the event of termination of a participant's employment due to death or disability prior to the end of a performance period, performance share awards will be deemed earned immediately upon such termination in an amount equal to the amount that would have been

earned had the target performance goal for the performance period been met, and then prorated based on the number of days in the performance period that have elapsed to the date of termination of employment.

In all other cases of termination, non-vested equity awards under the Equity Plan will be forfeited.

A more detailed description of the Equity Plan can be found below under the heading Summary of Equity Plan.

#### *Employee Plan*

In the event of a change in control of the Company, options granted under the Employee Plan will become immediately exercisable in full, unless the Company or its successor in the change in control transaction assumes the options or substitutes substantially equivalent options. In that case, the options will not be immediately exercisable, but will remain exercisable in accordance with their terms.

For purposes of the Employee Plan, a change in control generally includes any of the following events:

The Company adopts a plan of reorganization, merger, share exchange or consolidation with one or more other corporations or other entities as a result of which the holders of the Company's Common shares as a group would receive less than fifty percent (50%) of the voting power of the capital stock or other interests of the surviving or resulting corporation or entity;

The Company adopts a plan of liquidation or obtains the approval of its dissolution;

The Board of Directors approves an agreement providing for the sale or transfer (other than as a security for the Company's or any subsidiary's obligations) of substantially all of the assets of the Company; or

Any person acquires more than twenty percent (20%) of the Company's outstanding Common shares, if such acquisition is not preceded by a prior expression of approval by the Board.

In the event of termination of a participant's employment due to death, disability or retirement with the consent of the Company, all options granted to such participant under the Employee Plan shall be exercisable for a period of three months (extendable to one year, at the discretion of the Special Committee), but only to the extent such options were exercisable as of the date of such termination.

In all other cases, options terminate immediately upon termination of employment.

**Quantification of Termination/Change in Control Payments**

The table below reflects the amount of compensation to be paid to each of the Named Executive Officers of the Company in the event of his disability or death, involuntary termination without cause or constructive termination, or termination upon a change in control. The amounts assume that such termination was effective as of March 31, 2009, and thus includes amounts earned through such time and are estimates of the amounts that would be paid out upon termination. The actual amounts to be paid out can only be determined at the time of separation from the Company.

**Summary of Employment Agreements With Named Executive Officers**

The following section provides information on employment agreements with our Named Executive Officers noted in the Compensation Discussion and Analysis or in the tables. For the convenience of the reader, we are putting the descriptions of these employment agreements in one location.

Effective March 16, 1999, the Company entered into an employment agreement with Peter L. Vosotas, Chairman of the Board, President and Chief Executive Officer. The agreement currently provides for a minimum base salary of \$300,000 and annual performance bonuses as determined by the Compensation Committee. The initial term of this agreement was for a period of one year, however, the agreement automatically renews for successive two-year terms unless the Company provides to Mr. Vosotas, at least sixty days prior to the expiration of any term, written notification that it intends not to renew this agreement. The current term of Mr. Vosotas' employment agreement will expire on March 16, 2010, unless automatically renewed as described above. Mr. Vosotas' employment agreement provides that, if he is terminated by the Company without cause, or if he terminates his employment upon (a) a change in control of the Company, (b) a good faith determination by him that the Company has materially breached his employment agreement, (c) a material adverse change in his working conditions or status or (d) a significant relocation of his principal office, then he shall be entitled to a severance payment equal to the sum of two times his annual base salary in effect at the time of such termination and

his average annual bonus and other compensation for the two full calendar years immediately preceding such termination. Mr. Vosotas's agreement further provides that, during the term of the agreement and for a period of two years thereafter, Mr. Vosotas will not, directly or indirectly, compete with the Company by engaging in certain proscribed activities.

Effective November 22, 1999, the Company entered into an employment agreement with Ralph T. Finkenbrink, Senior Vice-President of Finance. The agreement currently provides for a minimum base salary of \$210,000 and annual performance bonuses as determined by the Compensation Committee. The initial term of this agreement was for a period of one year, however, the agreement automatically renews for successive two-year terms unless the Company provides to Mr. Finkenbrink, at least sixty days prior to the expiration of any term, written notification that it intends not to renew this agreement. The current term of Mr. Finkenbrink's employment agreement will expire on November 22, 2010, unless automatically renewed as described herein. Mr. Finkenbrink's employment agreement provides that, if he is terminated by the Company without cause, or if he terminates his employment upon (a) a change in control of the Company, (b) a good faith determination by him that the Company has materially breached his employment agreement, (c) a material adverse change in his working conditions or status or (d) a significant relocation of his principal office, then he shall be entitled to a severance payment equal to the sum of two times his annual base salary in effect at the time of such termination and his average annual bonus and other compensation for the two full calendar years immediately preceding such termination. Mr. Finkenbrink's agreement further provides that, during the term of the agreement and for a period of two years thereafter, Mr. Finkenbrink will not, directly or indirectly, compete with the Company by engaging in certain proscribed activities.

### **Summary of Equity Plan**

The Equity Plan was adopted by the Board of Directors of the Company on June 15, 2006, and approved by the shareholders of the Company on August 9, 2006. The purposes of the Equity Plan are:

to attract, retain and reward individuals who serve as key employees and non-employee directors of the Board; and

to increase shareholder value by offering participants the opportunity to acquire Common shares or receive monetary payments based on the value of such Common shares. By providing stock-based awards to the Company's key employees and non-employee directors, the Board of Directors believes those individuals will be provided an incentive to increase shareholder value.

The Equity Plan:

is administered by the Compensation Committee with respect to key employee participants and the Board of Directors with respect to Non-Employee Director participants;

permits the grant of stock options (non-qualified or incentive), restricted stock and performance shares;

limits the number of awards that the Compensation Committee may grant to any one key employee participant;

limits the number of shares that may be granted as restricted stock to 300,000 Common shares;

prohibits discounted stock options from being granted, and prohibits repricing of stock options;

requires shareholder approval for certain changes to the Equity Plan's terms; and

reserves 975,000 Common shares for awards.

### Director Fees

Each Director who is not an executive officer of the Company ( Non-Employee Director ) receives an annual retainer of \$16,000 (\$21,000 for the Chair of the Audit Committee), plus \$750 per Board of Directors meeting or committee meeting attended. Directors who are executive officers of the Company receive no additional compensation for service as a member of either the Board of Directors or any committee of the Board.

Prior to August 9, 2006, the Company maintained the Nicholas Financial, Inc. Non-Employee Director Stock Option Plan (the Director Plan ). The Director Plan was terminated on August 9, 2006, and no new awards will be granted under such plan to Non-Employee Directors, although stock options granted under such plan and still outstanding will continue to be subject to all terms and conditions of such plan.

Effective August 9, 2006, the Company adopted the Equity Plan, under which the Board of Directors may grant awards to any Non-Employee Director. In addition, under the Equity Plan, each Non-Employee Director is entitled to receive 1,000 performance shares annually during his term as a Director. The number of Common shares that a Non-Employee Director shall be entitled to receive pursuant to such 1,000 performance share award will depend upon the Company's ability to meet fiscal year-to-fiscal year operating income growth targets, but will not exceed 1,000 Common shares.

Upon a change in control of the Company, the awards granted to Non-Employee Directors are treated in the same manner as awards made to employees as described above.

#### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors and more than 10% shareholders (collectively for purposes of this paragraph only, "Reporting Persons") to file reports of their beneficial ownership and changes in beneficial ownership of the Company's Common shares with the Commission and furnish copies of such reports to the Company. Based upon a review of copies of the reports filed with the Commission, we believe that no Reporting Person failed to file with the Commission on a timely basis during the fiscal year ended March 31, 2009, any required report relating to transactions involving equity securities of the Company beneficially owned by them, except that a Form 4 was filed late by Ralph T. Finkenbrink reporting a grant of options to purchase 35,000 shares awarded on April 1, 2008.

#### **INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS**

No Director or executive officer of the Company, no proposed nominee for election as a Director of the Company, and no associate or affiliate of any of them, is or has been indebted to the Company or its subsidiaries at any time since the beginning of the Company's last completed fiscal year.

#### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

##### **Transactions with Related Persons**

There were no transactions with related persons during the Company's fiscal year ended March 31, 2009 required by applicable SEC rules and regulations to be disclosed hereunder.

##### **Review, Approval, and/or Ratification of Transactions with Related Persons**

The Company recognizes that transactions involving related persons can present potential or actual conflicts of interest and create the appearance that the Company's business decisions are based on considerations other than the best interests of its shareholders. Therefore, in accordance with the terms of its charter, the Audit Committee of the Board will review and approve transactions involving related persons. The policy covers any transaction involving the Company and a related person, and is not limited solely to those transactions involving related

persons that meet the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (i.e., transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest).

***General Policy***

Transactions involving related persons must be approved, or ratified if pre-approval is not feasible, by the Audit Committee of the Board consisting solely of independent directors, who will approve or ratify the transaction only if they determine that it is in the best interests of the Company's shareholders. In considering the transaction, the Audit Committee will consider all relevant factors, including, as applicable: (i) the business rationale for entering into the transaction; (ii) available alternatives to the transaction; (iii) whether the transaction is on terms no less favorable than terms generally available to an unrelated third-party under the same or similar circumstances; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction. The Audit Committee will also periodically monitor ongoing transactions involving related persons to ensure that there are no changed circumstances that would render it advisable for the Company to amend or terminate the transaction.

***Procedures***

It is the responsibility of management or the affected director or executive officer to bring the matter to the attention of the Audit Committee.

Any transaction involving a related person should be presented to the Audit Committee at the next regularly scheduled meeting.

All transactions should be pre-approved by the Audit Committee, or if not feasible, ratified by the Audit Committee as promptly as practicable.

If a member of the Audit Committee is involved in the transaction, except for purposes of providing material information about the transaction to the Audit Committee, he must be recused from all discussions and decisions about the transaction.

Ongoing transactions involving related persons shall be reviewed by the Audit Committee on an annual basis at the first regularly scheduled meeting of the fiscal year.

Since the beginning of the Company's last fiscal year, there have been no transactions required to be reported under the applicable SEC rules where such policies and procedures did not require review, approval or ratification or where such policies and procedures were not followed.

**INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON**

No director or executive officer of the Company, no nominee for election as a director of the Company, no person who has been a director or executive officer of the Company since the

commencement of the Company's last completed fiscal year and no associate or affiliate of any of the foregoing has any material interest, direct or indirect, by way of beneficial ownership or securities or otherwise, in any matter to be acted upon at the Meeting.

- g. **Evaluate Auditors.** After reviewing the foregoing report, the Committee shall evaluate the independent auditors' qualifications, performance and independence, which shall include the review and evaluation of the lead partner of the independent auditors. - k. **Review Effect of Changes on Financials.** The Committee, as a whole or through its Chair, shall review the impact on the financial statements of significant events, transactions or changes in accounting principles or estimates that potentially affect the quality of the financial reporting with management and the independent auditors prior to filing of the Company's Annual Reports on Form 10-K or Quarterly Reports on Form 10-Q, or as soon as practicable if the communications cannot be made prior to its filing.
- l. **Review Management Disclosures.** The Committee shall review disclosures made to the Committee by the Company's chief executive officer ( CEO ) and chief financial officer during their certification process for Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q regarding any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.
