NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON TUESDAY, MAY 4, 2010

The Annual Meeting of Stockholders of QUICKLOGIC CORPORATION, a Delaware corporation (QuickLogic), will be held at QuickLogic s principal executive offices located at 1277 Orleans Drive, Sunnyvale, California 94089, on Tuesday, May 4, 2010, at 10:00 a.m., local time, for the following purposes:

1. To elect two Class II directors to serve for a term of three years expiring on the date on which our Annual Meeting of Stockholders is held in 2013;
2. To ratify the appointment of PricewaterhouseCoopers LLP as QuickLogic s independent registered public accounting firm for the fiscal year ending January 2, 2011; and
3. To transact such other business as may properly come before the Annual Meeting or at any and all adjournments or postponements thereof.

The foregoing items of business are more fully described in the Proxy Statement accompanying this Notice. Only stockholders of record at the close of business on March 8, 2010 are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof.

This is our first year to use the U.S. Securities and Exchange Commission rule that allows companies to furnish their proxy materials over the Internet. This allows us to mail our stockholders a notice instead of a paper copy of this proxy statement and our 2009 Annual Report on Form 10-K. The notice contains instructions on how our stockholders may access our proxy statement and annual report over the Internet and how our stockholders can receive a paper copy of our proxy materials, including this proxy statement, our 2009 Annual Report and a form of proxy card. Stockholders who do not receive a notice, including stockholders who have previously requested to receive paper copies of proxy materials, will receive a paper copy of the proxy materials by mail unless they have previously requested delivery of proxy materials electronically. Employing this distribution process will help us to conserve natural resources and reduce the costs of printing and distributing our proxy materials. This proxy statement and form of proxy are being distributed and made available on or about March 25, 2010.

All stockholders are cordially invited to attend the Annual Meeting in person.

For the Board of Directors,

E. Thomas Hart

Chairman of the Board and

Chief Executive Officer

Sunnyvale, California

March 25, 2010

YOUR VOTE IS IMPORTANT

WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING, WE HOPE YOU WILL VOTE AS SOON AS POSSIBLE. YOU MAY VOTE BY PROXY OVER THE INTERNET OR BY TELEPHONE, OR, IF YOU RECEIVED PAPER COPIES OF THE PROXY MATERIALS BY MAIL, BY FOLLOWING THE INSTRUCTIONS ON THE PROXY CARD OR VOTING INSTRUCTION CARD. VOTING OVER THE INTERNET, BY TELEPHONE OR BY WRITTEN PROXY OR VOTING INSTRUCTION CARD WILL ENSURE YOUR REPRESENTATION AT THE ANNUAL MEETING REGARDLESS OF WHETHER YOU ATTEND IN PERSON.

QUICKLOGIC CORPORATION

PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

General

The accompanying proxy is solicited by the Board of Directors of QuickLogic Corporation, a Delaware corporation, for use at the Annual Meeting of Stockholders to be held on Tuesday, May 4, 2010, at 10:00 a.m., local time, or at any and all adjournments or postponements thereof, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting of Stockholders. The meeting will be held at QuickLogic's principal executive offices located at 1277 Orleans Drive, Sunnyvale, California 94089. QuickLogic's telephone number at that address is (408) 990-4000. At the meeting, only stockholders of record at the close of business on March 8, 2010, the record date, will be entitled to vote. On March 8, 2010, QuickLogic's outstanding capital stock consisted of 35,141,862 shares of common stock.

At the meeting, the stockholders will be asked:

1. To elect two Class II directors to serve for a term of three years expiring on the date on which our Annual Meeting of Stockholders is held in 2013;
2. To ratify the appointment of PricewaterhouseCoopers LLP as QuickLogic's independent registered public accounting firm for the fiscal year ending January 2, 2011; and
3. To transact such other business as may properly come before the Annual Meeting or at any and all adjournments or postponements thereof.

This Proxy Statement and form of proxy were first provided to stockholders entitled to vote at the Annual Meeting on or about March 25, 2010, together with our 2009 Annual Report to Stockholders.

Voting and Discretionary Voting

Each stockholder is entitled to one vote for each share of common stock held on all matters presented at the Annual Meeting. Stockholders do not have the right to cumulate votes in the election of directors. Voting instructions are included on the proxy or voting instruction card.

Properly executed proxies received prior to the meeting, and subsequently not revoked, will be voted in accordance with the instructions on the proxy. Where no instructions are given, proxies will be voted FOR the director nominees described herein and FOR the ratification of the independent registered public accounting firm and, with respect to any other matter that may properly be brought before the Annual Meeting, in accordance with the judgment of the proxy holders.

Election of Directors

Holders of all outstanding shares of QuickLogic's common stock have the right to elect two Class II directors for a three-year term to the Board of Directors. The directors will be elected by a plurality of the votes of the shares of our common stock present in person or represented by proxy at the Annual Meeting. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum, but have no other legal effect under Delaware law.

Ratification of Appointment of Independent Registered Public Accounting Firm

Ratification of the appointment of PricewaterhouseCoopers LLP (PricewaterhouseCoopers) as QuickLogic's independent registered public accounting firm for the fiscal year ended January 2, 2011 will require the affirmative vote of a majority of the total voting power of the shares of our common stock represented in person or by proxy at the meeting and entitled to vote on the proposal.

Voting Electronically via the Internet, by Telephone or by Mail

Whether you hold shares directly as the stockholder of record or through a broker, trustee or other nominee as the beneficial owner, you may direct how your shares are voted without attending the Annual Meeting. If you hold your shares as a beneficial owner, it is critical that you cast your vote if you want it to count in the election of directors (Proposal No. 1). In the past, if you held your shares as a beneficial owner and you did not indicate how you wanted your shares voted in the election of directors, your bank or broker was allowed to vote your shares on your behalf in the election of directors as they felt appropriate. Starting this year, your stockbroker, bank or other nominee will not be able to vote in the election of directors unless they have your voting instructions so it is very important that you indicate your voting instructions to the institution holding your shares. If you hold your shares in street name and do not instruct your bank or broker how to vote in the election of directors, no votes will be cast on your behalf. Your bank or broker will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of PricewaterhouseCoopers LLP as QuickLogic's independent auditors (Proposal No. 2). Please ensure that you complete the voting instruction card sent by your bank or broker. There are three ways to vote by proxy:

By Internet Stockholders who have received a notice of the availability of the proxy materials by mail may submit proxies over the Internet by following the instructions on the notice. Stockholders who have received notice of the availability of the proxy materials by e-mail may submit proxies over the Internet by following the instructions included in the e-mail. Stockholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies over the Internet by following the instructions on the proxy card or voting instruction card.

By Telephone Stockholders of record who live in the United States or Canada may submit proxies by telephone by calling 1-800-690-6903 and following the instructions. Stockholders of record who have received a notice of availability of the proxy materials by mail must have the control number that appears on their notice available when voting. Stockholders of record who received notice of the availability of the proxy materials by e-mail must have the control number included in the e-mail available when voting. Stockholders of record who have received a proxy card by mail must have the control number that appears on their proxy card available when voting. Most stockholders who are beneficial owners of their shares living in the United States or Canada and who have received a voting instruction card by mail may vote by phone by calling the number specified on the voting instruction card provided by their broker, trustee or nominee. Those stockholders should check the voting instruction card for telephone voting availability.

By Mail Stockholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies by completing, signing and dating their proxy card or voting instruction card and mailing it in the accompanying pre-addressed envelope.

Notice of Availability of Proxy Materials for the Annual Meeting of Stockholders to be Held on May 4, 2010

Our proxy materials including our Proxy Statement, Annual Report on Form 10-K and proxy card are available on the Internet and may be viewed free of charge and printed at <http://materials.proxyvote.com/74837P>.

Solicitation of Proxies

This solicitation of proxies is made by the Board of Directors of QuickLogic and all costs associated with soliciting proxies will be borne by QuickLogic. In addition to the delivery of the notices and these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We also have hired Broadridge Financial Solutions, Inc. (Broadridge) to assist us in the distribution of proxy materials and the solicitation of votes described above. We will pay Broadridge a base fee of \$28,000 plus customary costs and expenses for these services. QuickLogic has agreed to indemnify Broadridge against certain liabilities arising out of or in connection with its agreement. We also will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to stockholders.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to our Secretary a written notice of revocation or a duly executed proxy bearing a later date, or by attending the meeting and voting in person. Your presence at the Annual Meeting in and of itself is not sufficient to revoke your proxy. For shares you hold in street name, you may revoke your prior proxy by submitting new voting instructions to your broker or nominee.

Quorum; Abstentions; Broker Non-Votes

The presence at the Annual Meeting, in person or by proxy, of the holders of one-third of the voting power of our stock outstanding on the record date will constitute a quorum. As of the close of business on the record date, there were 35,141,862 shares of our common stock outstanding. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum. For the purpose of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Directors are elected based on a plurality of the votes cast. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are counted for determining the presence or absence of a quorum for conducting business but are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter.

Stockholder Nominations and Proposals

The Nominating and Corporate Governance Committee of our Board of Directors has established policies and procedures, available on the investor relations portion of our website, <http://ir.quicklogic.com>, to consider recommendations for candidates to the Board of Directors from stockholders holding no less than 2,000 shares of the outstanding voting securities of the Company continuously for at least one-year prior to the date of the submission of the recommendation. Recommendations received after the date that is 120 days prior to the one year anniversary of the mailing of the previous year's proxy statement will likely not be considered timely for consideration at that year's annual meeting.

A stockholder that desires to recommend a candidate for election to the Board of Directors shall direct the recommendation in writing to the Nominating and Corporate Governance Committee, care of the Chief Financial Officer, 1277 Orleans Drive, Sunnyvale, California 94089, and must include the candidate's name, home and business contact information, detailed biographical data and qualifications and an explanation of the reasons why the stockholder believes this candidate is qualified for service on the Company's Board of Directors. The stockholder must also provide such other information about the candidate that would be required by the Securities and Exchange Commission (SEC) rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. The stockholder must submit proof of Company stockholdings.

A stockholder that instead desires to nominate a person directly for election to the Board of Directors must meet the deadlines and other requirements set forth in Section 2.4 of the Company's Bylaws and the rules and regulations of the SEC.

Deadlines for Submission of Stockholder Proposals

Stockholders are entitled to present proposals for consideration at the next annual meeting of stockholders provided that they comply with the proxy rules promulgated by the SEC and our Bylaws.

Stockholders wishing to present a proposal for inclusion in the proxy statement relating to our 2011 Annual Meeting of Stockholders must submit such proposal to us by the date that is 120 days prior to the one year anniversary of the date on which this proxy is first mailed, in order to be considered timely for stockholder proposals or nominations to be included in such proxy statement, which date is November 25, 2010.

Householding

Householding is a cost-cutting procedure used by us and approved by the SEC. Under the householding procedure, we send only one Annual Report and Proxy Statement to stockholders of record who share the same address and last name, unless one of those stockholders notifies us that the stockholder would like a separate Annual Report and Proxy Statement. A stockholder may notify us that the stockholder would like a separate Annual Report and Proxy Statement by telephone at (408) 990-4000 or at the following mailing address: 1277 Orleans Drive, Sunnyvale, California 94089, Attention: Investor Relations. If we receive such notification that the stockholder wishes to receive a separate Annual Report and Proxy Statement, we will promptly deliver such Annual Report and Proxy Statement. A separate proxy card is included in the materials for each stockholder of record. If you wish to update your participation in householding, you may contact your broker or the mailing agent, Broadridge Financial Solutions, Inc., at (800) 542-1061.

PROPOSAL ONE

ELECTION OF DIRECTORS

QuickLogic's Board of Directors is currently comprised of six members, divided into three classes with overlapping three-year terms. As a result, a portion of our Board of Directors will be elected each year. Arturo Krueger and Gary H. Tauss have been designated as Class II directors whose terms expire at the 2010 Annual Meeting of Stockholders. E. Thomas Hart and Christine Russell have been designated as Class III directors whose terms expire at the 2011 Annual Meeting of Stockholders and Michael J. Callahan and Michael R. Farese have been designated as Class I directors whose terms expire at the 2012 Annual Meeting of Stockholders. There are no family relationships between any of our directors or executive officers.

Nominees for Class II Directors

Two Class II directors are to be elected at the 2010 Annual Meeting of Stockholders for a three-year term ending in 2013. Pursuant to action by the Nominating and Corporate Governance Committee, the Board of Directors has nominated Arturo Krueger and Gary H. Tauss as Class II directors. Unless otherwise instructed, the persons named in the enclosed proxy intend to vote proxies received by them for the election of Messrs. Krueger and Tauss. QuickLogic expects that Messrs. Krueger and Tauss will accept such nominations. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, proxies will be voted for a substitute nominee or nominees designated by the Nominating and Corporate Governance Committee of the Board of Directors. The term of office of each person elected as director will continue until such director's term expires in 2013 or until such director's successor has been elected and qualified or until such director's earlier death, resignation or removal.

Required Vote

The nominees receiving a plurality, or the highest number of affirmative votes of the shares present or represented and entitled to be voted for them, shall be elected directors. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but have no other legal effect in the election of directors under Delaware law.

The Company's Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees management of financial, accounting and internal control risks. The Nominating and Corporate Governance Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks. The Board and its committees are committed to ensuring effective risk management oversight and work with management to ensure that effective risk management strategies are incorporated into the Company's culture and day-to-day business operations.

Board Meetings, Committees and Corporate Governance

The Board of Directors has determined that the Company's current directors, with the exception of Mr. Hart, meet the independence requirements of the Nasdaq Global Market.

It is the policy of the Board of Directors to have a separate meeting time for independent directors. During the last fiscal year, five sessions of the independent directors were held.

The standing committees of the Board of Directors include an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

The Board of Directors has determined that Ms. Russell is an Audit Committee Financial Expert as defined by Item 407(d)(5) of Regulation S-K.

The Audit Committee has sole and direct authority to select, evaluate and compensate our independent registered public accounting firm, and it reviews and approves in advance all audit, audit related and non-audit services, and the related fees, provided by the independent registered public accounting firm (to the extent those services are permitted by the Securities Exchange Act of 1934, as amended). The Audit Committee meets with our management and appropriate financial personnel regularly to consider the adequacy of our internal controls and financial reporting process and the reliability of our financial reports to the public. The Audit Committee also meets with the independent registered public accounting firm regarding these matters. The Audit Committee has established a Financial Information Integrity Policy, pursuant to which QuickLogic can receive, retain and treat employee complaints concerning questionable accounting, internal control or auditing matters, or the reporting of fraudulent financial information. The Audit Committee examines the independence and performance of our independent registered public accounting firm. In addition, among its other responsibilities, the Audit Committee reviews our critical accounting policies, our annual and quarterly reports on Forms 10-K and 10-Q, and our earnings releases before they are published. The Audit Committee has a written charter, a copy of which is available on our website, free of charge, at <http://ir.quicklogic.com>.

Compensation Committee

The Compensation Committee held seven meetings in 2009 and acted by unanimous written consent four times during the year. Mr. Tauss has served as Chairman of the Compensation Committee since September 2004. Throughout fiscal year 2009 until February 2010, the members of the Compensation Committee included Messrs. Tauss and Krueger and Hide L. Tanigami who resigned from our Board on February 24, 2010. Mr. Callahan and Ms. Russell replaced Mr. Krueger on the Compensation Committee in February 2010. Each of current member of the Compensation Committee meets the independence requirements of the SEC and the Nasdaq Global Market and is an outside director in accordance with Section 162(m) of the Internal Revenue Code. The purpose of the Compensation Committee is to: (i) discharge the responsibilities of the Board of Directors relating to compensation of the Company's directors, Chief Executive Officer and executive officers, (ii) review and recommend to the Board of Directors compensation plans, policies and benefit programs, as well as approve individual executive officer compensation packages and (iii) review and discuss the Compensation Discussion and Analysis with management and prepare the Compensation Committee Report to be included in the Company's Annual Report on Form 10-K and Proxy Statement. The Compensation Committee's duties also include administering QuickLogic's stock option plans and employee stock purchase plans. During 2008, the Committee recommended and approved changes to the Company's equity award practices.

The Compensation Committee has the authority to retain and meet privately with independent advisors and compensation and benefits specialists as needed, and may request the assistance of any director, officer or employee of the Company whose advice and counsel are sought by the Committee. The Compensation Committee or the Board of Directors, after reviewing management's recommendations, determines the equity and non-equity compensation of the Company's executive officers and directors. Management generally provides internal compensation information, compensation survey information for similarly sized high technology companies, and other information to the Committee, and the Chief Executive Officer recommends compensation amounts for the executive officers other than the Chief Executive Officer. Under the guidance of the Compensation Committee, the Chief Executive Officer or an executive officer of the Company makes recommendations to the Compensation Committee regarding the executive incentive compensation plan, including plan objectives and payments earned based on performance to those objectives. The Compensation Committee may delegate its responsibilities to subcommittees when appropriate. The Compensation Committee has a written charter, which is available on our website, free of charge, at <http://ir.quicklogic.com>.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee held one meeting in 2009. Each of the directors on the Nominating and Corporate Governance Committee meets the independence requirements of the SEC and the Nasdaq Global Market. The purpose of the Nominating and Corporate Governance Committee is to: (i) assist the Board of Directors by identifying, evaluating and recommending to the Board of Directors, or approving as appropriate, individuals qualified to be directors of QuickLogic for either appointment to the Board of Directors or to stand for election at a meeting of the stockholders; (ii) review the composition and evaluate the performance of the Board of Directors; (iii) review the composition and evaluate the performance of the committees of the Board of Directors; (iv) recommend persons to be members of the committees of the Board of Directors; (v) review conflicts of interest of members of the Board of Directors and executive officers; and (vi) review and recommend to the Board of Directors corporate governance principles. Other duties of the Nominating and Corporate Governance Committee include overseeing the evaluation of management, succession planning and reviewing and monitoring the Company's Code of Conduct and Ethics. The Nominating and Corporate Governance Committee adopted our Corporate Governance Guidelines in December 2004. A copy of the Guidelines and a copy of the written charter of the Nominating and Corporate Governance Committee are available on our website, free of charge, at <http://ir.quicklogic.com>.

The Nominating and Corporate Governance Committee regularly reviews the size and composition of the full Board of Directors and considers the recommendations properly presented by qualified stockholders as well as recommendations from management, other directors and search firms to attract top candidates to serve on the Board of Directors. Except as may be required by rules promulgated by the SEC and the Nasdaq Global Market,

there are no specific, minimum qualifications that must be met by each candidate for the Board of Directors, nor are there specific qualities or skills that are necessary for one or more of the members of the Board of Directors to possess. In evaluating the qualifications of the candidates, the Committee considers many factors, including character, judgment, independence, expertise, length of service and other commitments, among others. Although the Committee does not have a formal policy with respect to diversity, the Committee does consider diversity when identifying director candidates and nominees with respect to differences of viewpoints, professional experiences, race, gender and other individual qualities and attributes that contribute to heterogeneity on the Board. The Committee evaluates such factors and does not assign any particular weight or priority to any of these factors. While the Committee has not established specific minimum qualifications for director candidates, the Committee believes that candidates and nominees must reflect a Board of Directors that is predominantly independent and is comprised of directors who (i) are of high integrity, (ii) have qualifications that will increase the overall effectiveness of the Board of Directors and (iii) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members.

It is the policy of the Nominating and Corporate Governance Committee to consider recommendations for candidates to the Board of Directors from stockholders holding, continuously for at least one year prior to the date of the submission of the recommendation, either (i) shares of the outstanding voting securities of the Company in an amount equal to at least \$2,000 in market value or (ii) 1% of the Company's outstanding voting securities. Recommendations received after the date that is 120 days prior to the one year anniversary of the mailing of the previous year's proxy statement, will likely not be considered timely for consideration at that year's annual meeting. Stockholders may suggest qualified candidates for director by writing to the Nominating and Corporate Governance Committee, care of the Chief Financial Officer, 1277 Orleans Drive, Sunnyvale, California 94089 and must include the candidate's name, home and business contact information, detailed biographical data and qualifications and an explanation of the reasons why the stockholder believes this candidate is qualified for service on QuickLogic's Board of Directors. The stockholder must also provide such other information about the candidate that would be required by the SEC rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. The Nominating and Corporate Governance Committee will evaluate all director nominations that are timely and properly submitted by stockholders on the same basis as any other candidate. Our Nominating and Corporate Governance Committee Policies and Procedures for Director Candidates is posted on our website at <http://ir.quicklogic.com>.

During 2009, activities of the Committee included reviewing and approving any actual or potential conflicts of interest, assessing the structure and performance of the Board and the committees of the Board, and reviewing our Code of Conduct and Ethics and our Policy for Stockholder Communications with Directors. The Committee also assessed the independence and qualifications of our directors, reviewed the performance of the CEO and his assessment of our executive officers, and ensured our directors adhered to our Corporate Governance Guidelines, including reviewing, monitoring and, where appropriate, approving fundamental financial and business strategies and major corporate actions. A copy of the Code of Conduct and Ethics and a copy of the Policy for Stockholder Communications with Directors are posted on our website at <http://ir.quicklogic.com>.

Other Committees and Participation

The Board of Directors has delegated to the Stock Option Committee, which currently consists of Ralph S. Marimon, our Vice President of Finance and Chief Financial Officer, and Catriona Meney, our Vice President of Human Resources and Development, the authority to: (i) approve the grant of restricted stock units and options to purchase Company stock to employees other than executive officers and certain other individuals, up to a limit of 40,000 shares per grant; (ii) grant refresh options to employees other than executive officers and certain other individuals, subject to the approval of the total number of such refresh options by the Board of Directors or the Compensation Committee; and (iii) amend options as authorized by the Board of Directors.

The Board of Directors held a total of six meetings during 2009 and acted by unanimous written consent once during the year. During 2009, no incumbent director attended fewer than 75% of the aggregate of (i) the

total number of meetings of the Board of Directors held during his or her term as a director and (ii) the total number of meetings held by all committees of the Board of Directors on which such director served during his or her term on such committee.

QuickLogic expects its directors to attend its annual meetings absent a valid reason, such as a schedule conflict. The April 22, 2009 Annual Meeting of Stockholders was attended by all then-current directors.

Stockholder Communications with the Board of Directors

The Nominating and Corporate Governance Committee has established a policy for stockholder communication with our Board of Directors. This policy, which is available on the investor relations portion of our website, provides a process for stockholders to send communications to the Board of Directors. Stockholders may contact QuickLogic's Board of Directors or any individual thereof, by writing, whether by mail or express mail, to: QuickLogic Corporation Board of Directors, 1277 Orleans Drive, Sunnyvale, California 94089. Communications received in writing are reviewed internally by management and then distributed to the Chairman, Lead Independent Director or other members of the Board, as appropriate. Stockholders who wish to contact the Board of Directors or any member of the Audit Committee to report questionable accounting or auditing matters may do so by using this address and designating the communication as Compliance Confidential.

Code of Conduct and Ethics

QuickLogic adopted a Code of Conduct and Ethics applicable to all directors, officers and employees on February 12, 2004. The Code covers topics including, but not limited to, financial reporting, conflicts of interest, confidentiality of information, compliance with laws and regulations and the code of ethics for our Chief Executive Officer, Chief Financial Officer and controllers. A copy of the Code of Conduct and Ethics, as amended, is posted on our website at <http://ir.quicklogic.com>. To date, there have been no waivers under our Code of Conduct and Ethics. We will post any waivers, if and when granted, on our website at <http://ir.quicklogic.com>.

Compensation Committee Interlocks and Insider Participation

During fiscal 2009, the following directors were members of QuickLogic's Compensation Committee: Gary H. Tauss (Chairman), Arturo Krueger and Hide L. Tanigami. None of the Compensation Committee's members has at any time been an officer or employee of QuickLogic.

None of QuickLogic's Named Executive Officers serves, or in the past fiscal year has served, as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving on QuickLogic's Board or Compensation Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and beneficial owners of more than 10% of our common stock to file with the SEC initial reports of ownership on Form 3 and reports of changes in ownership of our common stock and other equity securities on Form 4 or 5. Based solely on our review of the copies of such reports received by us or written representations from reporting persons, we believe that during the fiscal year ended January 3, 2010, all of our directors, with the exception of Mr. Callahan, executive officers, and holders of more than 10% of our common stock complied with all Section 16(a) filing requirements. Mr. Callahan's Form 4 filings for options granted to him on April 9, 2009 and for RSUs granted to him on November 5, 2009, were not timely filed. The Form 4s representing the transactions were both filed on November 18, 2009, after the Company was able to obtain Mr. Callahan's Central Index Key number which had been changed without the Company's knowledge.

PROPOSAL TWO**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC****ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has appointed PricewaterhouseCoopers LLP (PricewaterhouseCoopers), an independent registered public accounting firm, to audit QuickLogic's consolidated financial statements for the fiscal year ending January 2, 2011 and, as a matter of good corporate governance, seeks ratification of such appointment. In the event of a negative vote on such ratification, the Audit Committee will reconsider its appointment.

Representatives of PricewaterhouseCoopers are expected to be present at the 2010 Annual Meeting of Stockholders, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

PricewaterhouseCoopers, the Company's independent registered public accounting firm, billed QuickLogic for the following professional services:

	Fiscal Years

The Audit Committee pre-approved all services and fees provided by PricewaterhouseCoopers during fiscal years 2009 and 2008.

Descriptions of fees billed are as follows:

Pursuant to the Audit Committee Charter, the Audit Committee must pre-approve all audit and non-audit services, and the related fees, provided to QuickLogic by our independent registered public accounting firm, or subsequently approve non-audit services in those circumstances where a subsequent approval is necessary and permissible under the Securities Exchange Act of 1934, as amended, or the rules of the SEC. The Audit Committee pre-approved these services and fees regularly throughout the year.

The Audit Committee must approve all audit-related and permitted non-audit services to be performed by the independent auditors prior to the commencement of such services. PricewaterhouseCoopers presents a fee proposal to the Audit Committee at mid-year for review. The approved fees determine the scope of their fiscal year services. Any audit or non-audit services outside that scope (whether service or amount) must be approved by the Audit Committee.

As required by the Sarbanes-Oxley Act of 2002, our Board of Directors has determined that Ms. Russell has the qualifications to be our Audit Committee Financial Expert, as defined in the SEC rules and regulations and also meets the standards of independence adopted by the SEC and the Nasdaq Global Market for membership on an audit committee.

Role of the Audit Committee

Management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles (GAAP). Our independent registered public accounting firm is responsible for auditing those financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States. The purpose of the Audit Committee is to fulfill the Board of Director's oversight responsibilities relating to our corporate accounting and reporting practices, the quality and integrity of our financial reports, compliance with laws, the maintenance of ethical standards and effective internal controls. The Audit Committee reviewed and discussed the 2009 audited financial statements and the Company's internal control over financial reporting with management and the independent registered public accounting firm. Specifically, the Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AV Section 380). In March 2010, the Audit Committee reviewed QuickLogic's audited financial statements and footnotes for inclusion in QuickLogic's Annual Report on Form 10-K for the fiscal year ended January 3, 2010 and the Company's internal control over financial reporting. Based on this review and prior discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that QuickLogic's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended January 3, 2010 for filing with the SEC.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Overview

QuickLogic's compensation program is overseen and administered by the Compensation Committee (the "Committee"), which is comprised entirely of independent directors as determined in accordance with various SEC, Nasdaq and Internal Revenue Code rules. The Committee ensures that the total compensation paid to the Company's named executive officers ("NEOs") is fair, reasonable and competitive. The Committee operates under a written charter adopted by our Board. A copy of the charter is available free of charge at <http://ir.quicklogic.com>.

Compensation Philosophy and Objectives

The executive compensation programs and practices of the Company are designed to, among other things:

attract and retain highly qualified executive officers by offering overall compensation that is competitive with that offered for comparable positions in comparable companies in the high technology industry;

motivate executive officers to achieve the Company's business objectives through the use of an incentive compensation plan based on those objectives that ties incentive compensation to threshold performance levels and that rewards the achievement of performance exceeding objectives;
