The Agreement provides that, upon the terms and subject to the conditions set forth in the Agreement, Buyer will purchase (the Acquisition) all of the outstanding shares of the Company, for total consideration of approximately \$90,000,000. The Company is a leading provider of systems integration and collaborative solutions for the federal government.

The Acquisition consideration will be subject to adjustment following the closing of the Acquisition (the Closing) to reflect the Company's Closing working capital.

Consummation of the Acquisition is subject to certain conditions, including, among others, (i) the accuracy of the representations and warranties made by the Company, Sellers and Buyer, respectively, in each case, subject to certain material adverse effect qualifications; (ii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (HSR Act); (iii) absence of certain legal impediments to the consummation of the Acquisition, including litigation; (iv) the Company has not experienced a material adverse effect; (v) execution of certain non-compete and non-disclosure agreements; (vi) termination of certain related party agreements; and (vii) compliance by the Company, Sellers and Buyer with their respective obligations under the Agreement, in each case, subject to certain materiality qualifications.

Pursuant to the terms of the Agreement, each party has agreed to use its commercially reasonable efforts to obtain an early termination of the applicable waiting period under the HSR Act.

Buyer, the Company and Sellers have made customary representations and warranties in the Agreement.

In addition to the parties' commitment regarding governmental approval, the Agreement also contains additional covenants and agreements of the Company, Sellers and Buyer. The Company has agreed to, among other things; conduct the Company's business in the ordinary course consistent with past practice. Buyer has also agreed to various covenants and agreements, including, among other things, granting of restricted shares of common stock of SRA within sixty days of the Closing to certain key individuals employed by the Company on the date of grant.

Buyer and Sellers have agreed that \$9 million will remain in escrow following the Closing to satisfy potential indemnification claims, with the escrow fund to be released in accordance with the terms of the Agreement.

The Agreement contains specified termination rights for the parties. The Agreement may be terminated at any time prior to the Closing by (a) either party, if: (i) the other party has breached any representation, warranty, or covenant, such that the conditions relating to the accuracy of the other party's representations and warranties or performance of covenants would fail to be satisfied and such breach is not cured within 30 days notice of such breach or if cure is not possible within 30 days, if cure has not commenced and not diligently pursued within 30 days notice of such breach, (ii) the Acquisition fails to close by January 1, 2011, subject to an extension until March 31, 2011, if the Department of Justice or Federal Trade Commission requests additional information and documentary materials relevant to the Acquisition; or (iii) any law or order issued by any court or governmental entity prohibiting the Acquisition becomes final and nonappealable; (b) Buyer if there has been a material adverse effect, which is not cured within 30 days after notice; or (c) mutual agreement of the Sellers and Buyer.
