Item 1.01 Entry into a Material Definitive Agreement.

The disclosure in Item 2.01 below is incorporated into this Item 1.01 by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On November 21, 2011, Nanometrics (Switzerland) GmbH, a Swiss limited liability company (Nanometrics Switzerland) and a wholly owned subsidiary of Nanometrics Incorporated (the Company), acquired 100% of the issued and outstanding shares of Nanda Technologies GmbH, a German limited liability company, pursuant to an Equity Purchase Agreement, dated as of November 21, 2011 by and among Nanometrics Switzerland, Nanda Technologies, the holders of the Shares of Nanda Technologies and Shareholder Representative Services LLC, a Colorado limited liability company, as the Stockholders Representative (the Nanda Purchase Agreement). The purchase price consisted of approximately \$23 million in cash, subject to certain post-closing adjustments. The purchase agreement contains customary representations, warranties and covenants made by Nanda and the respective holders of all of the outstanding shares of capital stock of Nanda.

In connection with this acquisition, the Company will issue approximately 290,000 restricted stock units and/or restricted stock awards under the Company's 2005 Equity Incentive Plan to certain employees of Nanda Technologies. These awards vest subject to certain conditions including, but not limited to, time, execution of new employment agreements or continued employment.

On November 21, 2011, the Company issued a press release regarding the execution of the Nanda Purchase Agreement. A copy of the press release is filed herewith as Exhibit 99.1.

The foregoing descriptions of the Nanda Purchase Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by reference to such documents. The Nanda Purchase Agreement has been included to provide you with information regarding its terms. The Nanda Purchase Agreement contains representations and warranties made by the parties to each other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Nanda Purchase Agreement. While the Company does not believe that the disclosure schedules contain information that the Company is required to disclose pursuant to applicable securities laws, other than information that has already been publicly disclosed, the disclosure schedules do contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the attached Nanda Purchase Agreement. Accordingly, you should not rely on the representations and warranties as characterizations of the actual state of facts, since they are modified in important part by the underlying disclosure schedules. These disclosure schedules contain information that has been included in the Company's general prior public disclosures, as well as potential additional non-public information. Moreover, information concerning the subject matter of the representations and warranties may have changed since the date of the Nanda Purchase Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.
