PROXY STATEMENT

VOTING AND OTHER MATTERS

General

The enclosed proxy is solicited on behalf of Comstock Holding Companies, Inc., a Delaware corporation, by our Board of Directors for use at our Annual Meeting of Stockholders to be held on June 21, 2013 at 10:00 a.m., local time, or at any adjournment thereof, for the purposes set forth in this proxy statement and in the accompanying meeting notice. The meeting will be held at our principal executive offices at 1886 Metro Center Drive, Reston, VA 20190. If you need directions to the meeting, please contact Judy Whitaker at 703-883-1700.

This proxy statement and form of proxy are first being mailed on or about May 15, 2013 to all stockholders entitled to vote at the meeting.

Voting Securities and Voting Rights

Stockholders of record at the close of business on April 29, 2013, which we have set as the record date, are entitled to notice of and to vote at the meeting. On the record date, there were issued and outstanding 17,941,621 shares of our Class A common stock and 2,733,000 shares of our Class B common stock. Each holder of Class A common stock voting at the meeting, either in person or by proxy, may cast one vote per share of Class A common stock held on all matters to be voted on at the meeting. Each holder of Class B common stock voting at the meeting, either in person or by proxy, may cast 15 votes per share of Class B common stock held on all matters to be voted on at the meeting.

The meeting will be held only if there is a quorum present. A quorum exists only if the holders of a majority of the voting power of the stock issued and outstanding and entitled to vote at the meeting are present in person or represented by proxy at the meeting. Votes cast by proxy or in person at the meeting will be tabulated by the inspector of elections appointed for the meeting and will determine whether a quorum is present. The inspector of elections will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Under the rules of the New York Stock Exchange, on certain routine matters, brokers may, at their discretion, vote shares they hold in street name on behalf of beneficial owners who have not returned voting instructions to the brokers, so-called broker non-votes. Routine matters include the ratification of the appointment of our independent registered public accounting firm. In instances where brokers are prohibited from exercising discretionary authority, the shares they hold are not included in the vote totals. At this 2013 annual meeting, brokers will be prohibited from exercising discretionary authority with respect to Proposal 1, the election of directors, and each of Proposals 3 and 4, the non-binding, advisory votes related to executive compensation. Therefore, if you hold your shares in the name of a bank, broker or other holder of record, for your vote to be counted in the election of directors or in the advisory votes related to executive compensation, you will need to communicate your voting decisions to your bank, broker or other holder of record before the

date of this annual meeting. Because broker non-votes are not permitted for the election of directors or for each of the advisory votes related to executive compensation, they will have no effect on the vote for these matters. Broker non-votes will be counted toward the ratification of the appointment of our independent registered public accounting firm.

Assuming that a quorum is present, a plurality of the votes of the shares present in person or represented by proxy and entitled to vote in the election of directors will be required to elect each of the two director nominees to serve for a three-year term expiring at the 2016 annual meeting or until their successors are duly elected and qualified or until their earlier resignation or removal. Stockholders may vote for all of the director nominees, withhold authority to vote for all of the nominees or withhold authority to vote for any individual nominee but vote for another nominee.

For the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013, the affirmative vote of a majority of our issued and outstanding shares entitled to vote on the matter, present and voting, represented at the meeting in person or by proxy, will be required.

For Proposal 3, the non-binding, advisory vote on the compensation of our executive officers, the affirmative vote of a majority of our issued and outstanding shares entitled to vote on the matter, present and voting, represented at the meeting in person or by proxy, will be required. Voting for Proposal 3 is being conducted on a nonbinding, advisory basis and, therefore, the voting results will not be binding on our company, our board or our Compensation Committee although our Compensation Committee and board will consider the results of the voting on this proposal for future executive compensation decisions.

For Proposal 4, the non-binding, advisory vote on the frequency of future advisory votes on executive compensation, we are asking stockholders whether the non-binding, advisory vote on executive compensation should occur every year, every two years or every three years. The frequency option that receives the most votes in favor of such option on Proposal 4 at the annual meeting is the one that will be deemed approved by the stockholders. Voting on Proposal 4 is being conducted on a non-binding, advisory basis, and, therefore, the voting results will not be binding on our company, our board or our Compensation Committee, although our compensation committee and board will consider the results of the voting on this proposal for future advisory votes on executive compensation.

Stockholders may vote for, against or abstain from voting on proposals 2 and 3, stockholders may vote 1 year, 2 years, 3 years, or a proposal 4. An abstention will not be considered voting on a particular proposal and a proxy marked abstain with respect to any proposal will not have any effect on the outcome of the vote on that proposal.

Whether or not a person plans to attend the annual meeting, he or she may vote by completing, signing and dating the accompanying proxy card and returning it in the postage-prepaid envelope enclosed for that purpose. If a person attends the meeting, he or she may vote in person even if such individual had previously returned a proxy card.

Voting of Proxies

When a proxy is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specification is indicated, the shares will be voted (1) for the election of the nominees set forth in this proxy statement, (2) for the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013, (3) for the non-binding, advisory vote on our 2012 executive compensation, and (4) for annual voting, or a vote for every year, on the frequency of the non-binding, advisory vote on executive compensation.

Revocability of Proxies

Any person giving a proxy may revoke the proxy at any time before its use by delivering to us either a written notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Solicitation

We will pay for this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by certain of our directors and officers, personally or by telephone or e-mail, without additional compensation.

Deadline for Receipt of Stockholder Proposals

Proposals of stockholders intended for inclusion in the proxy statement to be furnished to all stockholders entitled to vote at our 2014 annual meeting of stockholders, pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, or Exchange Act, by the Securities and Exchange Commission (SEC) must be received at our principal executive offices not later than January 15, 2014, which is 120 days prior to the first anniversary of the mailing date of this proxy statement. Any proposal must comply with the requirements as to form and substance established by the SEC for such proposal to be included in our proxy statement.

Under our bylaws, stockholders who wish to submit a proposal at the 2014 annual meeting, other than one that will be included in our proxy statement, must notify us between February 21, 2014 and March 23, 2014, unless the date of the 2014 annual meeting of the stockholders is more than 30 days before or more than 60 days after the one-year anniversary of the 2013 annual meeting. If a stockholder who wishes to present a proposal fails to notify us by January 15, 2014 and such proposal is brought before the 2014 annual meeting, then under the SEC s proxy rules, the proxies solicited by management with respect to the 2014 annual meeting will confer discretionary voting authority with respect to the stockholder s proposal on the persons selected by management to vote the proxies. If a stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC s proxy rules. Stockholders should submit their proposals to Comstock Holding Companies, 1886 Metro Center Drive, 4th Floor, Reston, Virginia 20190, Attention: Corporate Secretary.

We will provide, without charge, additional copies of our annual report on Form 10-K for the year ended December 31, 2012 as filed with the SEC to each stockholder of record as of the record date that requests a copy in writing. Any exhibits listed in the Form 10-K report also will be furnished upon request at the actual expense we incur in furnishing such exhibit. Any such requests should be directed to our Company s secretary at our executive offices set forth in this proxy statement.

PROPOSAL 1

ELECTION OF DIRECTORS

Nominees

Our certificate of incorporation and bylaws provide that the number of our directors shall be fixed from time to time by resolution of our Board. Presently, the number of directors is fixed at eight and that number of directors is divided into three classes, with one class standing for election each year for a three-year term. At each annual meeting of stockholders, directors of a particular class will be elected for three-year terms to succeed the directors of that class whose terms are expiring. Christopher Clemente and A. Clayton Perfall are in the class of directors whose term expires at the 2013 annual meeting, and Messrs. Clemente and Perfall have been nominated by our Board for re-election for three-year terms expiring in 2016. David M. Guernsey, James A. McCutcheon, and Robert P. Pincus are in the class of directors whose terms expire in 2014. Gregory V. Benson, Norman D. Chirite and Socrates Verses are in the class of directors whose terms expire in 2015.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for each of the nominees named above. Messrs. Clemente and Perfall currently are directors of our Company. In the event that either nominee is unable or declines to serve as a director at the time of the meeting, the proxies will be voted for any nominee designated by the current Board to fill the vacancy. The Company believes Mr. Verses' extensive executive-level experience in technology and business development qualifies him as a member of our Board.

Information Relating to Corporation Governance and the Board

Our Board has determined, after considering all relevant facts and circumstances, that Messrs. Chirite, Guernsey, MacCutcheon, Perfall, Pincus and Verses are independent directors, as independence is defined in the Nasdaq Marketplace Rules, because they have no relationship with us that would interfere with their exercise of independent judgment.

Our bylaws authorize our Board to appoint among its members one or more committees, each consisting of one or more directors. Our Board has established two standing committees: an Audit Committee and a Compensation Committee. The Board does not have a standing nominating committee. It is the Board's view, given its relatively small size and majority of independent directors that it is sufficient to select or recommend director nominees itself. Each director has the opportunity to suggest any nominee and such suggestions are comprehensively reviewed by the independent directors. Director nominees are recommended for selection by the Board by a majority of the independent directors. The qualities and skills sought in prospective members of the Board generally require that director candidates be qualified individuals who, if added to the Board, would provide the mix of sound business judgment, business experience, corporate perspectives and skills appropriate for us. Criteria for selection of candidates include, but are not limited to: (i) business and financial acumen, as determined by the independent directors in their discretion, (ii) qualities reflecting a proven record of accomplishment and ability to work with others, (iii) knowledge of our industry, (iv) relevant experience with and knowledge of corporate governance practices, and (v) expertise in an area relevant to us. Although we do not have a formal diversity policy, the Board considers, among other attributes, diversity of gender, professional experience and skills of the director candidates. Such persons should not have commitments that would conflict with the time commitments of being one of our directors.

The Board does not have a specific policy for consideration of nominees recommended by security holders due to the fact that a significant degree of voting control relative to the Company's outstanding equity securities is maintained by two individuals who are executive officers and directors. However, security holders can recommend a prospective nominee for the Board by writing to our corporate secretary at our corporate headquarters and providing the information required by our bylaws, along with any additional supporting materials the security holder considers appropriate. There have been no recommended nominees from security holders.

In addition to the above procedures, our bylaws provide that a stockholder may propose a director candidate to be considered and voted on at an annual meeting of stockholders by providing notice thereof to our corporate secretary not less than 90 calendar days nor more than 120 calendar days before the first anniversary of the date of our notice of annual meeting sent to stockholders in connection with the previous year's annual meeting. This notice provided by a stockholder to our corporate secretary must set forth certain information relating to the proposed nominee as required by our bylaws. The chairman of the meeting will determine that a nomination set forth by such stockholder is in accordance with the procedures set forth in the bylaws and may determine that such nomination is defective and therefore disregarded.

We pay no fees to third parties for evaluating or identifying potential nominees.

Our Board has adopted charters for the Audit and Compensation Committees describing the authority and responsibilities delegated to each committee by the Board. Our Board has also adopted Corporate Governance Guidelines, a Code of Conduct, a Code of Ethics for the CEO and Senior Financial Officers, and a Whistleblower Policy. We post on our website, at www.comstockhomebuilding.com, the charters of our Audit and Compensation Committees; our Corporate Governance Guidelines, Code of Conduct, Code of Ethics for the CEO and Senior Financial Officers, and Whistleblower Policy, and any amendments or waivers thereto; and any other corporate governance materials contemplated by SEC regulations or the Nasdaq Market Rules. These documents are also available in print to any stockholder requesting a copy in writing from our corporate secretary at our executive offices set forth in this proxy statement.

Interested parties may communicate with our Board or specific members of our Board, including our independent directors and the members of our various Board committees, by submitting a letter addressed to the Board of Comstock Holding Companies, Inc. c/o any specified individual director or directors at the address listed herein. Any such letters are then forwarded to the indicated directors.

The Audit Committee

The purpose of the Audit Committee is to oversee our accounting and financial reporting processes and the audits of our financial statements. The Audit Committee also provides assistance to our Board with respect to its oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, the qualifications and independence of our independent registered public accounting firm, and the performance of our audit function, internally, if any, and by our independent registered public accounting firm. The primary responsibilities of the Audit Committee are set forth in its charter and include various matters with respect to the oversight of our accounting and financial reporting processes and audits of our financial statements on behalf of our Board. The Audit Committee also selects the independent registered public accounting firm to conduct the annual audit of our financial statements; reviews the proposed scope of such audit; reviews our accounting and financial controls with the independent registered public accounting firm and our financial accounting staff.

The Audit Committee currently consists of Messrs. MacCutcheon, Perfall and Pincus, each of whom is an independent director of our Company under the Nasdaq Marketplace Rules as well as under rules adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002. The Board has determined that Mr. Perfall (whose background is detailed above) qualifies as an Audit Committee financial expert in accordance with applicable rules and regulations of the SEC. Mr. Perfall serves as the Chairman of the Audit Committee.

The Compensation Committee

The purpose of the Compensation Committee includes determining, or recommending to our Board for determination, the compensation of our Chief Executive Officer and other executive officers, and discharging the responsibilities of our Board relating to our compensation programs and compensation of our executives. The Compensation Committee also decides equity grants to executives under our equity incentive plans. The Chief Executive Officer determines the compensation and equity grants in consultation with the Compensation Committee for all non-executive employees. The Compensation Committee currently consists of Messrs. Chirite, Guernsey, and Verses. Mr. Verses serves as Chairman of the Compensation Committee.

Board and Committee Meetings

Our Board held a total of four (4) meetings in-person meetings during the fiscal year ended December 31, 2012. During the fiscal year ended December 31, 2012, the Audit Committee held four (4) meetings and Compensation Committee held one (1) meeting. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of our Board, and (ii) the total number of meetings held by all Committees of our Board on which he was a member. We encourage each of our directors to attend the annual meeting of stockholders, and all members of the Board attended the 2012 annual meeting.

Board Leadership Structure and Role in Risk Oversight.

Our Board has the responsibility for selecting the appropriate leadership structure for the Company. In making leadership structure determinations, the Board considers many factors, including the specific needs of the business and what is in the best interests of the Company's stockholders. Our current leadership structure is comprised of a combined Chairman of the Board and Chief Executive Officer and Board committees led by independent directors. The Board believes that this leadership structure is the most effective for the Company at this time. Combining the Chairman of the Board and CEO roles promotes decisive leadership, fosters clear accountability and enhances the Company's ability to communicate its message and strategy clearly and

consistently to our stockholders, employees and customers, particularly during periods of turbulent economic and industry conditions. The Board also believes there is a very well-functioning and effective balance between strong Company leadership and appropriate safeguards and oversight by independent directors, although the Company does not have a lead independent director.

The Board believes that its current leadership structure allows the directors to provide effective oversight of the Company's risk management strategies by receiving and approving recommendations prepared by our executive officers. The Audit Committee, comprised solely of independent directors, assists the Board in fulfilling its oversight responsibilities by periodically reviewing and making recommendations to the Board regarding the adequacy and effectiveness of the Company's risk management and related programs and activities. Mr. Clemente, the Chairman of the Board, attends Audit Committee meetings and is appropriately positioned to include risk management issues on the agenda for Board meetings as circumstances warrant. As appropriate, the Board receives recommendations from the Chairman of the Audit Committee regarding significant risks or exposures and the steps management has taken to minimize such risk to the Company. In addition, the Audit Committee also regularly communicates with the independent Chairmen of the Compensation Committee regarding the risks within that committee's areas of responsibility. The Company believes that this leadership structure promotes effective Board oversight of risk management because, while the Chief Executive Officer is ultimately accountable for the management of the Company's risks, Board committees, each chaired by an independent director, actively monitor the Company's risk management program, and are provided with the information necessary to evaluate the specific risks relevant to each committee's areas of responsibility.

Compensation Risks

Management and the Compensation Committee have considered and discussed risks inherent in our business and compensation arrangements and have concluded that the risks associated with our compensation practices and policies are not likely to have a material adverse effect on the Company.

Director Compensation

In 2012, we compensated our non-employee directors with an annual retainer fee of \$42,500. Our non-employee directors earned an additional \$7,500 to serve on the Audit Committee and \$5,000 to serve on the Compensation Committee. In addition, the chairman of the Compensation Committee, the chairman of the Audit Committee and the Audit Committee designated financial expert each earned \$5,000. We offered our non-employee directors the option to receive all or a portion of their 2012 director compensation in the form of shares of Class A common stock, vesting on December 31, 2012. Other than pursuant to such election, we did not grant any equity awards to our directors during 2012. Employees who also serve as directors receive no additional compensation for their services as a director.

The following table details the compensation earned by our non-employee directors in 2012:

| Name | Total Fees Earned (1)(\$) |
|---------------------------|---------------------------|
| Norman D. Chirite(4) | 47,500 |

The firm of PricewaterhouseCoopers LLP, an independent registered public accounting firm, has audited our consolidated financial statements for the fiscal years ended December 31, 2012 and 2011. Our Audit Committee has appointed PricewaterhouseCoopers LLP to audit our consolidated financial statements for the fiscal year ending December 31, 2013. Our organizational documents do not require that our stockholders ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm. We are submitting the appointment of PricewaterhouseCoopers LLP to our stockholders for ratification because we believe it is a matter of good corporate practice. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection, but may still retain PricewaterhouseCoopers LLP. We anticipate that representatives of PricewaterhouseCoopers LLP will be present at the meeting, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

The Board recommends a vote FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2013.

The charter of our Audit Committee provides that the duties and responsibilities of our Audit Committee include the pre-approval of all audit, audit-related, tax, and other services permitted by law or applicable SEC regulations (including fee and cost ranges) to be performed by our independent registered public accounting firm. Any pre-approved services that will involve fees or costs exceeding pre-approved levels will also require specific pre-approval by the Audit Committee. Unless otherwise specified by the Audit Committee in pre-approving a service, the pre-approval will be effective for the 12-month period following pre-approval. The Audit Committee will not approve any non-audit services prohibited by applicable SEC regulations or any services in connection with a transaction initially recommended by the independent registered public accounting firm, the purpose of which may be tax avoidance and the tax treatment of which may not be supported by the Internal Revenue Code and related regulations. To the extent deemed appropriate, the Audit Committee may delegate pre-approval authority to the Chairman of the Audit Committee or any one or more other members of the Audit Committee provided that any member of the Audit Committee who has exercised any such delegation must report any such pre-approval decision to the Audit Committee at its next scheduled meeting. The Audit Committee will not delegate to management the pre-approval of services to be performed by the independent registered public accounting firm.

Our Audit Committee requires that our independent registered public accounting firm, in conjunction with our Chief Financial Officer, be responsible for seeking pre-approval for providing services to us and that any request for pre-approval must inform the Audit Committee about each service to be provided and must provide detail as to the particular service to be provided.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's accounting and financial reporting processes and the audits of its financial statements, including the performance and compensation of the Company's independent auditor. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls and the certification of the integrity and reliability of the Company's internal controls procedures.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal years December 31, 2012 and 2011 with management. The Audit Committee also reviewed with PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, the results of their audit. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. This discussion included, among other things, a review with the independent registered public accounting firm of the quality of the Company's accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosure in the Company's financial statements, including the disclosures related to critical accounting policies and practices used by the Company. The Audit Committee has reviewed permitted services under rules of the Securities and Exchange Commission as currently in effect and discussed with PricewaterhouseCoopers LLP their independence from management and the Company. The Audit Committee received from the independent registered public accounting firm the written disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. The Audit Committee also has discussed with the independent registered public accounting firm its independence from the Company and has considered whether the provision of non-audit services to the Company is compatible with the independence of the registered public accounting firm. In addition, the Audit Committee discussed the rules of the Securities and Exchange Commission that pertain to the Audit Committee and the roles and responsibilities of Audit Committee members.

Based on its review of the financial statements and the aforementioned discussions, the Audit Committee concluded that it would be reasonable to recommend, and on that basis did recommend, to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012. The Audit Committee also approved the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the year ending December 31, 2013.

Respectfully submitted by the Audit Committee,

A. Clayton Perfall, Chair

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010, requires that we provide our stockholders a non-binding, advisory vote to approve the compensation of our executive officers.

The Compensation Committee will review the results of the vote carefully. Depending upon the results of that review, the Compensation Committee will take such action, if any, as it deems appropriate. Because this vote is advisory, it is not binding on the Company, the Compensation Committee or the Board of Directors.

Before you vote on the resolution below, please read the Summary Compensation Table together with the related narrative disclosure and footnotes, in this Proxy Statement. The Board of Directors is asking stockholders to cast a non-binding, advisory vote FOR the following resolution:

RESOLVED, that the compensation paid to the Company's executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables, is hereby APPROVED.

Our executive compensation program is comprised principally of salary, equity and performance-based cash compensation, designed to align compensation of our executives with stockholder value and financial performance and to achieve a balanced package that would attract and retain highly qualified senior officers and appropriately reflect each such officer's individual performance and contributions. The Company regularly reviews its compensation programs and the overall compensation package paid to each of its executive officers to assess risk and to ensure that the program is structured appropriately in order to attain the Company's strategic goals.

For the above reasons, the Board of Directors is asking stockholders to support this proposal. Although the vote we are asking you to cast is non-binding, the Compensation Committee and the Board value the views of our stockholders and will consider the outcome of the vote, among other factors, when determining future compensation arrangements for our executive officers.

The Board of Directors unanimously recommends that the Company's stockholders vote FOR this proposal.

PROPOSAL 4: ADVISORY VOTE ON FREQUENCY OF EXECUTIVE

COMPENSATION ADVISORY VOTES

In Proposal 3 (referred to as a say-on-pay vote), the Board is asking stockholders to cast an advisory vote for the compensation that we paid in 2012 to our executive officers, as disclosed in this Proxy Statement. The Dodd-Frank Wall Street Reform and Consumer Protection Act also provides that stockholders must be given the opportunity to indicate their preference, on a non-binding, advisory basis, at least once every six years, as to how frequently we should seek an advisory vote to approve the compensation of our executive officers.

In this Proposal 4, the Board of Directors is asking stockholders to cast a non-binding, advisory vote on how frequently we should have say-on-pay votes in the future. Stockholders will be able to mark the enclosed proxy card or voting instruction form on whether to hold say-on-pay votes every one, two or three years. Alternatively, you may indicate that you are abstaining from voting. The Board is asking stockholders to cast a non-binding, advisory vote for the ONE-YEAR option on the following resolution:

RESOLVED, that the stockholders of the Company recommend, in a non-binding vote, whether an advisory vote to approve the compensation of the Company's executive officers should occur every one, two or three years.

The Board of Directors believes that say-on-pay votes should be conducted every year so that stockholders may express their views on our executive compensation program. This vote, like the say-on-pay vote itself, is non-binding, but the Compensation Committee and the Board will consider the outcome of the vote, among other factors, when determining the frequency of future say-on-pay votes.

The Board of Directors unanimously recommends that the Company's stockholders vote for the ONE-YEAR option as the frequency of the advisory vote on executive compensation.

CERTAIN RELATIONSHIPS

Other than the transactions described below, from January 1, 2011 through December 31, 2012, there have not been, and there is not currently proposed, any transaction or series of similar transactions to which we were or will be a participant in which the amount involved exceeded or will exceed \$120,000 or 1% of the average of the Company's total assets as of December 31, 2011 and December 31, 2012, and in which any director, executive officer, holder of 5% or more of any class of our capital stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

We believe that all of these transactions are on terms that are comparable to or not less favorable than terms that would or could have been obtainable from unaffiliated third parties. All proposed future related party transactions will be submitted to our Board for review and will require a majority vote of the independent directors for approval. Ongoing transactions are reviewed annually to ensure that they are still comparable to or not less favorable than terms that would have or could have been obtainable from unaffiliated third parties. Our Chief Financial Officer and/or our General Counsel, assuming they are not party to the proposed transaction, coordinates with the independent directors in evaluating the fairness to us of the proposed transaction.

The purchase of the JP Morgan Debt resulted in the transfer to Stonehenge of a warrant previously issued to JPMV for the purchase of 1.5 million shares of the Company's Class A Common Stock with a strike price of \$0.07 per share (the JP Morgan Warrant). Gregory V. Benson, the Company's Chief Operating Officer and President, subsequently purchased a participation interest in the JP Morgan Debt and the JP Morgan Warrant from Stonehenge. Stonehenge also agreed to forgive an additional amount due from the Company of approximately \$875,000, representing all past due interest, late fees and penalties accruing through December 31, 2009 under the JP Morgan Debt. Stonehenge further agreed to reduce the interest rate, effective January 1, 2010, by 50% to 300 basis points above the one year LIBOR on a floating basis. In addition, to ensure the Company's ability to comply with certain restrictions placed upon the Company by KeyBank and Guggenheim in connection with previously announced loan modifications enhancing cash flow to the Company, Stonehenge agreed to allow all future interest payments due from the Company under the JP Morgan Debt to accrue until at least 90 days after KeyBank and Guggenheim have been fully repaid. In connection therewith, Stonehenge may, on a quarterly basis, elect to accept stock of the Company (or warrants for the purchase thereof) with a cumulative value equal to the value of the scheduled interest payment in lieu of accruing a future quarterly interest payment. For the years ended December 31, 2012 and December 31, 2011, no elections were made and no warrants were issued under the agreement. The KeyBank debt was fully repaid on February 2, 2011. The Company was owed \$1.3 million and \$1.0 million at December 31, 2012 and 2011, respectively, under this contract, which is included in Trade receivables in the consolidated balance sheet. For the years ended December 31, 2012 and 2011, total payments made under the Subcontract Agreement were \$525,000 and \$92,000, respectively.

Pursuant to a Credit Enhancement Agreement by and between Comstock Holding Companies, Inc. and Gregory Benson, the Chief Operating Officer and President of the Company, and Christopher Clemente, the Chairman and Chief Executive Officer of the Company (each, a Guarantor), the Guarantors have agreed to provide credit enhancement and the personal guarantee of loans with Cardinal Bank and Eagle Bank in exchange for payment by the Company of a credit enhancement fee. As a result of this credit enhancement the Guarantors on an aggregate basis are entitled to a credit enhancement fee calculated at a rate of four percent (4%) per annum based on an agreed upon formula. One-half of the credit enhancement fee is payable monthly, in arrears, and the remaining half is deferred and payable on an annual basis. During the year ended December 31, 2012 and 2011, the Company made guarantee payments under this agreement of approximately \$130,000 and \$254,000. The financing with SunBridge eliminated the need for personal guarantees on the applicable projects and accordingly this agreement was terminated on July 12, 2011 with respect to the fees paid on the Eagle Bank loan. On March 7, 2012, the Cardinal Bank loan was repaid and, accordingly, the agreement was terminated with respect to the fees paid on the Cardinal Bank loan. Messrs. Clemente and Benson periodically provide personal guaranties for the Company for which a credit enhancement fee could be charged. However, no fees were charged for the year ending December 31, 2012.

On February 23, 2009, Comstock Homes of Washington, L.C., a wholly-owned subsidiary of the Company, entered into a Services Agreement with Comstock Asset Management, L.C., an entity wholly-owned by the Chief Executive Officer, to provide services related to real estate development and improvements, legal, accounting, marketing, information technology and additional support services. Pursuant to the Services Agreement, the Company shall not be responsible for any out-of-pocket or third party costs associated with the services provided. For the years ended December 31, 2012 and 2011, the Company billed Comstock Asset Management, L.C. \$525,000 and \$92,000, respectively, for services and out-of-pocket expenses incurred. Revenues from this arrangement are included within Revenue other within the statement of operations.

On January 31, 2011, Comstock Cascades II, L.C., a subsidiary of the Company (Cascades II) entered into a private placement for the sale of membership interests in Cascades II whereby Cascades II raised working capital in the amount of \$2.35 million (the Private Placement) related to the planned construction of the Cascades Apartments. Proceeds of the Private Placement were utilized (i) to provide sufficient capital needed to secure project financing for the Cascades Apartments, (ii) to retire a portion of the existing indebtedness, and (iii) to reimburse the Company for prior expenditures incurred on behalf of the project. In March 2012, upon

completion of the sale of the Cascades Apartments, the Company repaid the participants in the Private Placement \$2.94 million, including the preferred returns, in full. Participants in the Private Placement included unrelated third party investors along with certain related parties as follows:

| Related Party: | Amount Contributed: |
|--------------------------------|---------------------|
| Investor Management, L.C. | \$ 500,000 |
| Norman D. Chirite | \$ 200,000 |
| James A. MacCutcheon | \$ 250,000 |
| Joseph M. Squeri | \$ 200,000 |
| Jubal Thompson | \$ 50,000 |
| James H. and Margaret Thompson | \$ 100,000 |
