Item 1.01. Entry into a Material Definitive Agreement.

On July 30, 2013, TCA Block 11 Office, LLC (the Office Borrower) and TCA Block 11 Apartments, LLC (the Apartments Borrower and together with the Officer Borrower, the Borrowers), both of which are indirect, wholly owned subsidiaries of Armada Hoffler, L.P. (the Operating Partnership), the operating partnership subsidiary of Armada Hoffler Properties, Inc. (the Company), entered into a construction loan agreement with Bank of America, N.A., acting as the Administrative Agent (the Agent), for itself, Regions Bank, and PNC Bank, National Association (the Construction Loan Agreement). The Construction Loan Agreement provides for (1) a loan to the Office Borrower in the aggregate amount of up to \$37,848,000 (the Office Loan) to be used for the construction of approximately 213,000 square feet of office space on nine floors and approximately 21,400 square feet of retail space in a mixed use condominium (the Condominium) located in The Town Center Project, in Virginia Beach, Virginia and (2) a loan to the Apartments Borrower in the aggregate amount of up to \$25,197,750 (the Apartments Loan) to be used for the construction of 288 apartment units in the Condominium.

The Loans mature on January 30, 2017. The Borrowers have the ability to extend the maturity dates of the Loans for two twelve-month periods, subject to satisfaction of certain terms and conditions, including, but not limited to, the following:

with respect to the first extension period, a debt service coverage ratio of 1.20:1, loan-to-value of 75%, commencement of monthly principal payments and an extension fee of 25 basis points; and

with respect to the second extension, a debt service coverage ratio of 1.25:1, a 75% loan-to-value ratio for the Apartments Loan and a 70% loan-to-value ratio for the Office Loan, monthly principal payments, and an extension fee of 25 basis points. Interest accrues and is payable monthly on the Loans at the BBA Libor Floating Rate plus 1.95%. The Loans may be prepaid in whole or in part at any time without penalty. No amounts have been drawn on, and no amounts are outstanding under, the Loans as of the date of this report.

The Company and the Operating Partnership are the guarantors (the Guarantors) of the Borrowers obligations under the Office Loan and the Apartments Loan (together, the Loans). In connection with the Loans, the Guarantors have guaranteed the liabilities under the Office Loan and the Apartments Loan in the amounts of up to \$9,462,000.00 and \$6,299,437.50, respectively, of the principal amounts of the Loans, as well as, in each case, 100% of all interest, late charges, various project carrying costs, collection costs and certain indemnifications. In addition to the foregoing, the Guarantors have guaranteed lien-free completion of the improvements and could be liable for damages caused to the lenders (including, but not limited to, full liability for all amounts owed under the Loans) for the violation of certain non-recourse carve-outs.

The Condominium also will contain a parking unit component containing approximately 950 public parking spaces in a 6 1/2-story parking garage. Construction of the parking garage is

being financed with a \$20,000,000 construction loan (the Parking Loan), which was obtained by an entity affiliated with the Company. The Company's construction and development business is developing and building the parking garage for the affiliated entity and is receiving market fees for its services. The parking garage will be acquired by the Virginia Beach Development Authority upon completion of construction and receipt of a certificate of occupancy on all components of the Condominium project, which is expected to occur in July 2014.

The Loans and the Parking Loan are secured by a first lien deed of trust on the office, retail, apartment and parking units in the Condominium and are cross-collateralized and cross-defaulted. The Loans contain standard construction loan provisions, including lien-free completion covenants and customary default provisions. Upon an uncured default, the Agent, in addition to other remedies, may accelerate the payment of all amounts under the Loans and institute foreclosure proceedings against the collateral.

The Construction Loan Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 2.03. Creation of a Director Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information reported in Item 1.01 of this report is incorporated by reference into this Item 2.03.
