**Item 1.01. Entry into a Material Definitive Agreement.**

On January 14, 2014, Workday, Inc. (the "Workday") entered into an underwriting agreement (the "Underwriting Agreement") with Morgan Stanley & Co. LLC (the "Underwriter"), as representative of the several underwriters named in Schedule II thereto (the "Underwriters"), pursuant to which Workday agreed to offer and sell up to 6,000,000 shares of its Class A common stock, par value \$0.001 per share, at a price of \$89.00 per share (the "Offering"). Under the terms of the Underwriting Agreement, Workday granted the Underwriters a 30-day option to purchase an additional 900,000 shares of Workday's Class A common stock solely to cover over-allotments, if any. The Offering will be made pursuant to Workday's Registration Statement on Form S-3 (File No. 333-193332) that was filed with the U.S. Securities and Exchange Commission and became immediately effective on January 13, 2013.

Workday estimates that net proceeds from the Offering will be approximately \$514.9 million, or approximately \$592.3 million if the over-allotment option is exercised, after deducting underwriting discounts and commissions and estimated Offering expenses. Workday intends to use the net proceeds from the Offering for working capital and other general corporate purposes; however, Workday does not currently have any specific uses of the net proceeds planned. Workday anticipates that it will use a portion of the proceeds for acquisitions of businesses, technologies, or other assets. However, Workday does not have agreements or commitments relating to any specific material acquisitions at this time.

A copy of the Underwriting Agreement is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated by reference herein. The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to such exhibit.
