Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) *2014 Annual Incentive Compensation Plan*. On January 14, 2014, the Compensation Committee (the Committee) of the Board of Directors of Targa Resources Corp. (the Company), which is the indirect parent of the general partner of Targa Resources Partners LP (the Partnership), approved the Company's 2014 Annual Incentive Compensation Plan (the Bonus Plan). The Bonus Plan is a discretionary annual cash bonus plan available to all of the Company's employees, including its executive officers, who also serve as executive officers of the Partnership's general partner. The purpose of the Bonus Plan is to reward employees for contributions toward the Company's business priorities (including business priorities with respect to the Partnership) approved by the Committee and to aid the Company in retaining and motivating employees. Under the Bonus Plan, the level of funding of the discretionary cash bonus pool is based on the Company's achievement of certain business priorities, including strategic, financial and operational objectives.

The Committee has established the following ten key business priorities for 2014:

execute on all business dimensions, including 2014 guidance for EBITDA and distribution/dividend growth as furnished from time to time,

continue the expansion of system capabilities and the commercialization of Targa Badlands including volume targets for 2014,

continue priority emphasis and strong performance relative to a safe workplace,

reinforce business philosophy and mindset that promotes compliance in all aspects of the Company's business including environmental and regulatory compliance,

continue to attract and retain the operational and professional talent needed in the Company's businesses,

continue to control all costs operating, capital and general and administrative,

continue to manage tightly credit, inventory, interest rate and commodity price exposures,

execute on major capital and development projects finalizing negotiations, completing projects on time and on budget, and optimizing economics and capital funding

pursue selected growth opportunities including gathering and processing build outs, fee-based capex projects, and potential purchases of strategic assets, and

Edgar Filing: Targa Resources Corp. - Form 8-K

pursue commercial and financial approaches to achieve maximum value and manage risks.

The Committee has targeted a total cash bonus pool for achievement of the business priorities based on the sum of individual employee market-based target bonus opportunities, which range from approximately 6% to 100% of each employee's eligible earnings. Generally, eligible earnings are an employee's base salary and overtime pay. Near or following the end of the year, the Chief Executive Officer (CEO) recommends to the Committee the total amount of cash to be allocated to the bonus pool based upon overall performance of the Company relative to the established objectives, generally ranging from 0 to 2x the aggregate target bonus opportunities for all employees in the pool. Upon receipt of the CEO's recommendation, the Committee, in its sole discretion, determines the total amount of cash to be allocated to the bonus pool. The Committee has discretion to adjust the cash bonus pool attributable to the achievement of business priorities based on accomplishment of the applicable objectives as determined by the Committee and the CEO. Additionally, the Committee, in its sole discretion, determines the amount of the cash bonus award to each of the Company's executive officers, including the CEO. The executive officers determine the amount of the cash bonus pool to be allocated to the Company's departments, groups and employees (other than the executive officers of the Company) based on performance and upon the recommendation of their supervisors, managers and line officers.

A copy of the Bonus Plan is filed as Exhibit 10.1 to the Partnership's Current Report on Form 8-K (File No. 001-33303), filed with the Securities and Exchange Commission (SEC) on January 17, 2014, and incorporated herein by reference.
