Item 1.02. Termination of a Material Definitive Agreement.

In connection with the Mergers (as defined below), Forest Laboratories, LLC, formerly known as Forest Laboratories, Inc. (Forest or the Company) terminated its Credit Agreement (the Existing Credit Agreement), dated as of December 4, 2012, as amended, among the Company, the foreign subsidiary borrowers party thereto, the lenders from time to time party thereto, and JPMorgan Chase Bank, N.A., as administrative agent. There was no indebtedness outstanding under the Existing Credit Agreement immediately prior to its termination. Certain letters of credit outstanding under the Existing Credit Agreement were transferred to that certain Second Amended and Restated Actavis Revolving Credit and Guaranty Agreement, dated as of July 1, 2014, by and among Actavis plc, Warner Chilcott Limited, Actavis Capital S.à r.l., Actavis, Inc., Actavis Funding SCS, the lenders from time to time party thereto and Bank of America, N.A., as administrative agent thereunder.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On July 1, 2014, pursuant to the Agreement and Plan of Merger, dated February 17, 2014 among Forest, Actavis, Tango Merger Sub 1 LLC (Merger Sub 1), Tango Merger Sub 2 LLC (Merger Sub 2) and Tango US Holdings Inc. (the Merger Agreement), (a) Merger Sub 1 merged with and into the Company, with the Company being the surviving entity (the First Merger), and (b) immediately following the First Merger, the Company, as the surviving entity of the First Merger, merged with and into Merger Sub 2, with Merger Sub 2 being the surviving entity (the Second Merger and, together with the First Merger, the Mergers). As a result of the Mergers, the Company became a wholly owned subsidiary of Actavis.

As previously disclosed, pursuant to the Merger Agreement, each holder of a share of Company common stock issued and outstanding immediately prior to the First Merger (other than dissenting shares) had the right to elect to receive as a result of the First Merger, subject to the proration procedures set forth in the Merger Agreement either: (1) a combination of \$26.04 in cash plus 0.3306 of an Actavis ordinary share (the Standard Election Consideration); (2) \$86.81 in cash (the Cash Election Consideration); or (3) 0.4723 Actavis ordinary shares (the Stock Election Consideration and, together with the Standard Election Consideration and the Stock Election Consideration, the Merger Consideration). Shares of Company common stock with respect to which no election was made were deemed to elect the Standard Election Consideration. Forest stockholders who elected to receive the Stock Election Consideration were subject to proration to ensure that the total amount of cash paid and the total number of Actavis shares issued to Forest stockholders as a whole were equal to the total amount of cash and number of Actavis shares that would have been paid and issued if all Forest stockholders received the Standard Election Consideration.

The election deadline for the Merger Consideration was 5:00 pm New York time, June 27, 2014. Based on the final results of the Merger Consideration elections and the terms of the Merger Agreement:

holders of approximately 72.78% of the outstanding Forest common stock, or approximately 197,607,707 shares, elected to receive the Stock Election Consideration, which, after giving effect to the prorations, entitles each holder to \$25.67 in cash plus 0.3326 of an Actavis ordinary share per share of Forest common stock, with fractions of an Actavis ordinary share being cashed out at \$219.00 per ordinary share;

holders of approximately 0.44% of the outstanding Forest common stock, or approximately 1,202,340 shares, elected to receive the Cash Election Consideration, which entitles each holder to \$86.81 in cash per share of Forest common stock;

holders of approximately 13.81% of the outstanding Forest common stock, or approximately 37,487,783 shares, elected to receive the Standard Election Consideration per share of Forest common stock, with fractions of an Actavis ordinary share being cashed out at \$219.00 per ordinary share;

holders of approximately 12.97% of the outstanding Forest common stock, or approximately 35,228,456 shares, did not make a valid election or did not deliver a valid election form prior to the election deadline and will receive the Standard Election Consideration per share of Forest common stock with fractions of an Actavis ordinary share being cashed out at \$219.00 per ordinary share.

The issuance of Actavis shares in connection with the Mergers was registered under the Securities Act of 1933, as amended, pursuant to Actavis' registration statement on Form S-4 (File No. 333-194781) (the Registration Statement) filed with the SEC and declared effective May 5, 2014. The definitive joint proxy statement/prospectus of the Company and Actavis that forms a part of the Registration Statement (the Joint Proxy Statement/Prospectus) contains additional information about the Mergers and the other transactions contemplated by the Merger Agreement, including information concerning the interests of directors, executive officers and affiliates of the Company and Actavis in the Mergers.

The foregoing description of the Merger Agreement and the Mergers is not complete and is qualified in its entirety by reference to the Merger Agreement, which was included as Exhibit 2.1 to the Company's Current Report on Form 8-K, filed with the SEC on February 19, 2014, which is incorporated by reference herein.

Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Prior to the Mergers, the shares of Forest common stock were registered pursuant to Section 12(b) of the Exchange Act and listed on the New York Stock Exchange under the symbol FRX. As a result of the Mergers, each of the shares of Forest common stock was cancelled and automatically converted into the right to receive the Merger Consideration. Accordingly, the NYSE has filed a Form 25 to withdraw the shares of Forest common stock from listing and terminate the registration of the shares of Forest common stock under Section 12(b) of the Exchange Act. Prior to the open of trading on the New York Stock Exchange on July 1, 2014, trading in shares of Forest common stock was suspended by the NYSE. On or about July 11, 2014, the Company expects to file a Form 15 with the SEC to terminate the registration of the shares of Forest common stock under Section 12(g) of the Exchange Act and suspend its reporting obligations under Section 15(d) of the Exchange Act. The information set forth in Item 2.01 is incorporated by reference into this Item 3.01.

Item 3.03. Material Modification to Rights of Security Holders.

In connection with the Mergers, on July 1, 2014 each Forest Common Share was cancelled and automatically converted into the right to receive the Merger Consideration. The information set forth in Item 2.01 is incorporated by reference into this Item 3.03.

At the effective time of the First Merger (the First Effective Time), each option to acquire Forest common stock (each, a Company Option) under Forest's company equity plans, whether vested or unvested, that was outstanding immediately prior to the effective time of the First Merger was converted into a stock option to acquire Actavis ordinary shares with the same terms and conditions as were applicable to it prior to such conversion (but taking into account any changes thereto provided for in the applicable company equity plan, in any award agreement or in such Company Option, by reason of the Merger Agreement or the transactions contemplated thereby). As of the First Effective Time, each such Actavis stock option as so assumed and converted was for that number of whole shares of Actavis ordinary shares (rounded down to the nearest whole share) equal to the product of (i) the number of Forest common stock subject to such Forest stock option multiplied by (ii) the Stock Election Consideration, at an exercise price per share of Actavis ordinary stock (rounded up to the nearest whole cent) equal to the quotient obtained by dividing (x) the exercise price per share of Forest common stock of such Forest stock option by (y) the Stock Election Consideration.

In addition, at the First Effective Time, each outstanding share of restricted stock (each, a Company Restricted Share) granted under Forest's company equity plans that was not then vested was assumed by Actavis and converted into a restricted stock unit award for Actavis ordinary shares (an Actavis RSU). Each Actavis RSU as so assumed and converted will continue to have, and will be subject to, the same terms and conditions as applied to the applicable Company Restricted Shares immediately prior to the First Effective Time (but taking into account any changes thereto provided for in the applicable company equity plan, in any award agreement or in such Company Restricted Shares, by reason of the Merger Agreement or the transactions contemplated thereby). As of the First Effective Time, the number of Actavis ordinary shares underlying each such Actavis RSU as so assumed and converted was equal to the product of (i) the applicable number of Company Restricted Shares multiplied by (ii) the Stock Election Consideration.

In addition, at the First Effective Time, each outstanding restricted stock unit and any associated rights to the issuance of additional Forest Common Share upon the achievement of Company performance goals (the Company RSUs) under any company equity plan that was not then vested was assumed by Actavis and converted into an Actavis RSU with associated rights to the issuance of additional shares of Actavis ordinary shares. Each Actavis RSU as so assumed and converted will continue to have, and will be subject to, the same terms and conditions as applied to the applicable Company RSUs immediately prior to the First Effective Time (but taking into account any changes thereto, including any necessary changes to any issuance provisions, provided for or permitted in the applicable company equity plan, in any award agreement or in such Company RSUs, by reason of the Merger Agreement or the transactions contemplated thereby). To the extent any such Company RSUs were subject to performance vesting, the applicable Actavis RSUs corresponding to such Company RSUs were deemed to be earned based on target performance at the First Effective Time, and will otherwise remain subject to any applicable payment conditions prescribed by the terms in effect for such Company RSUs immediately prior to the First Effective Time. As of the First Effective Time, the number of Actavis ordinary shares underlying each such Actavis RSU as so assumed and converted was equal to the product of (i) the number of Forest Common Shares underlying the applicable Company RSUs multiplied by (ii) the Stock Election Consideration.

The vesting of any unvested Forest equity awards held by a Forest director whose service did not continue following the First Effective Time was accelerated as of the First Effective Time. The Forest equity awards held by any Forest director who continues as an Actavis director were converted and will continue to vest as described above; the vesting of such awards will be accelerated upon the director ceasing to provide service to Actavis.

Item 5.01. Changes in Control of Registrant.

The information set forth in Item 2.01 is incorporated by reference into this Item 5.01.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers.

Second Amendment to Change of Control Employment Agreement; RSU Awards

On June 30, 2014, the Compensation Committee of the Forest board of directors (the Compensation Committee) approved, and the Company entered into, a second amendment (a Second Amendment) to the Change of Control employment agreement (the Employment Agreement) with each of Brenton L. Saunders, the Company's President and Chief Executive Officer, and Karen Ling, the Company's Senior Vice President - Chief Human Resources Officer (each, a Executive). The Second Amendment replaces the Employment Agreement provision providing for a gross-up of any excise taxes imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the Code), with a provision that would limit change of control payments to each of the Executives to the largest amount that could be paid without triggering the excise tax imposed under Section 4999 of the Code, unless the Executive would be better off on an after-tax basis receiving all such payments.

In consideration for each of the Executives agreeing to the Second Amendment, the Compensation Committee approved a grant to each Executive of a restricted stock unit award (each, a RSU Award) under the Company's 2007 Equity Incentive Plan, as amended (the Plan), covering 66,420 RSUs in the case of Mr. Saunders and 14,022 RSUs in the case of Ms. Ling. The RSU Awards generally will vest on the second anniversary of the grant date, subject to the Executive's continued employment with the Company or its affiliates through such anniversary, and will have such other terms and conditions as specified in the Plan and the Company's form of award agreement. At the First Effective Time, each RSU Award was assumed by Actavis and converted into an Actavis RSU award in accordance with the terms of the Merger Agreement and as described in Item 3.03 above.

Edgar Filing: Forest Laboratories, LLC - Form 8-K

The foregoing summary of the Second Amendments with Mr. Saunders and Ms. Ling and the RSU Awards granted to Mr. Saunders and Ms. Ling does not purport to be complete and is subject to and qualified in its entirety by reference to the terms and conditions of the Second Amendment with each of Mr. Saunders and Ms. Ling, the Plan, and the Company's form of award agreement, which are filed as Exhibits 10.1, 10.2, 10.3, and 10.4 hereto, respectively, and are incorporated by reference herein.
