THE COMPANY

We are a global hospitality company with widely recognized, industry-leading brands and a tradition of innovation developed over our more than fifty-year history. Our mission is to provide authentic hospitality by making a difference in the lives of the people we touch every day. We focus on this mission in pursuit of our goal of becoming the most preferred brand in each customer segment that we serve for our associates, guests and owners. We support our mission and goal by adhering to a set of core values of mutual respect, intellectual honesty and integrity, humility, fun, creativity and innovation that characterize our culture. We believe that our mission, goal and values, together with the strength of our brands, strong capital and asset base and opportunities for expansion, provide us with a platform for long-term value creation.

We are engaged in the development, management, franchising, licensing and ownership of a portfolio of properties, including hotels, resorts and residential and vacation ownership properties around the world.

Our full service hotels and resorts operate under five established brands: Park Hyatt, Andaz, Hyatt, Grand Hyatt and Hyatt Regency. Our two select service brands are Hyatt Place and Hyatt House, an extended stay brand. In 2013, we introduced the Hyatt Ziva and Hyatt Zilara all inclusive resort brands, which marked our entry into the all inclusive resort segment. We also manage, provide services to or license our trademarks with respect to residential ownership units that are often adjacent to a Hyatt-branded full service hotel. We consult with third parties in the design and development of such mixed-use projects. In addition, we license our trademarks with respect to vacation ownership units, which are part of the Hyatt Residence Club.

Our associates, who are all considered members of the Hyatt family, are more than 95,000 individuals working at our corporate and regional offices and our managed, franchised and owned properties in 48 countries around the world. Substantially all of our hotel general managers are trained professionals in the hospitality industry with extensive hospitality experience in their local markets and host countries. The general managers of our managed properties are empowered to operate their properties on an independent basis, using their market knowledge, management experience and understanding of our brands. Our associates and hotel general managers are supported by our regional management teams located in cities around the world, and by our executive management team, headquartered in Chicago.

Our principal executive offices are located at 71 South Wacker Drive, 12th Floor, Chicago, Illinois 60606. Our telephone number is (312) 750-1234. Our website address is www.hyatt.com. The information on, or that may be accessed through, our website is not a part of this prospectus or any accompanying prospectus supplement.

Hyatt®, Park Hyatt®, Andaz®, Grand Hyatt®, Hyatt Regency®, Hyatt Place®, Hyatt House®, Hyatt Ziva®, Hyatt Zilara®, Hyatt Residence Club®, Hyatt Gold Passport®, Hyatt Resorts® and related trademarks, logos, trade names and service marks appearing in this prospectus or any accompanying prospectus supplement are the property of Hyatt Corporation, a wholly owned subsidiary of Hyatt Hotels Corporation. All other trademarks, trade names or service marks appearing in this prospectus or any accompanying prospectus supplement are the property of their respective owners.

RISK FACTORS

Investment in any securities offered pursuant to this prospectus and the applicable prospectus supplement involves risks. You should carefully consider the risks and uncertainties described under the heading "Risk Factors" in any applicable prospectus supplement and under the caption "Risk Factors" in any of our filings with the SEC under the Exchange Act that are incorporated herein by reference before you decide whether to purchase our securities. These risks could materially adversely affect our business, financial condition, results of operations and cash flows. As a result, the market price of our securities could decline, and you may lose part or all of your investment. For more information, see the sections of this prospectus titled "Where You Can Find More Information; Incorporation by Reference."

Table of Contents

USE OF PROCEEDS

We intend to use the net proceeds from the sale of the securities as set forth in the applicable prospectus supplement.

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES AND PREFERRED SHARE DIVIDENDS**

The following table sets forth the historical ratio of our earnings to our fixed charges for the periods indicated:

	Nine Months Ended September 30,	Year Ended December 31,				
	2014	2013	2012	2011	2010	2009
Ratio of earnings to fixed charges (1)	4.6 x	4.5 x	2.4 x	2.1 x	2.7 x	0(2)

- (1) For purposes of calculating the ratio of earnings to fixed charges, earnings represents pre-tax earnings or (losses) before adjustments for income or loss from equity investees; fixed charges include: interest (expensed and capitalized), amortized premiums, discounts and capitalized expenses related to indebtedness, the interest portion of rent expense that is deemed to be representative of the interest factor and accrued performance guarantee liabilities.
- (2) We recorded a pre-tax loss from continuing operations of approximately \$50 million for the fiscal year ended December 31, 2009. As a result, earnings were insufficient to cover fixed charges by \$39 million for such year. For the periods indicated above, we had no outstanding shares of preferred stock with required dividend payments. Therefore, the ratios of earnings to combined fixed charges and preferred stock dividends are identical to the ratios presented in the table above.

Please refer to the financial statements and financial information incorporated by reference in this prospectus and accompanying prospectus supplement for more information relating to the foregoing. See [Where You Can Find More Information](#); [Incorporation by Reference](#).

DESCRIPTION OF CAPITAL STOCK

General

The following is a summary of the material rights of our capital stock and related provisions of our amended and restated certificate of incorporation and amended and restated bylaws. The following description of our capital stock does not purport to be complete and is subject to, and qualified in its entirety by, our amended and restated certificate of incorporation, amended and restated bylaws and registration rights agreements, copies of which have been filed with the SEC and are incorporated by reference into the registration statement of which this prospectus is a part. See the section of this prospectus titled *Where You Can Find More Information; Incorporation by Reference*.

Our amended and restated certificate of incorporation provides for two classes of common stock: Class A common stock, which has one vote per share, and Class B common stock, which has ten votes per share. Any holder of Class B common stock may convert his or her shares at any time into shares of Class A common stock on a share-for-share basis and, under certain circumstances, including upon any transfer (except for certain permitted transfers described in our amended and restated certificate of incorporation), the shares of Class B common stock will be automatically converted into shares of Class A common stock on a share-for-share basis. Otherwise, the rights of the two classes of our common stock are identical. The rights of these classes of our common stock are discussed in greater detail below.

Our authorized capital stock consists of 1,453,399,875 shares, each with a par value of \$0.01 per share, of which:

1,000,000,000 shares are designated as Class A common stock;

443,399,875 shares are designated as Class B common stock; and

10,000,000 shares are designated as preferred stock.

As of November 4, 2014, we had outstanding 38,763,686 shares of Class A common stock held by approximately 28 stockholders of record and 111,405,463 shares of Class B common stock held by 110 stockholders of record. The number of stockholders of record of our Class A common stock (approximately 28 holders) does not include a substantially greater number of street name holders or beneficial holders of our Class A common stock whose shares are held of record by banks, brokers and other financial institutions. This number also excludes 12,402,940 shares of Class A common stock reserved for issuance under our Second Amended and Restated Hyatt Hotels Corporation Long-Term Incentive Plan, as amended, 711,314 shares of our Class A common stock reserved for issuance under the Hyatt Hotels Corporation Employee Stock Purchase Plan, 1,169,287 shares of our Class A common stock available for issuance pursuant to the Amended and Restated Hyatt Corporation Deferred Compensation Plan and 300,000 shares of Class A common stock available for issuance pursuant to the Hyatt International Hotels Retirement Plan (commonly known as the Field Retirement Plan).

Common Stock

Voting Rights

The holders of our Class A common stock are entitled to one vote per share and the holders of our Class B common stock are entitled to ten votes per share on any matter to be voted upon by stockholders. Holders of Class A common

Edgar Filing: Hyatt Hotels Corp - Form S-3ASR

stock and Class B common stock vote together as a single class on all matters (including the election of directors) submitted to a vote of stockholders, unless otherwise required by law.

The holders of common stock are not entitled to cumulative voting rights with respect to the election of directors, which means that the holders of a majority of the shares voted can elect all of the directors then standing for election.

Table of Contents

Dividends

The holders of our Class A common stock and Class B common stock are entitled to share equally in any dividends that our board of directors may declare from time to time from legally available funds, subject to limitations under Delaware law and the preferential rights of holders of any outstanding shares of preferred stock. In addition, we must be in compliance with the covenants in our second amended and restated revolving credit facility in order to pay dividends. If a dividend is paid in the form of shares of common stock or rights to acquire shares of common stock, the holders of Class A common stock are entitled to receive Class A common stock, or rights to acquire Class A common stock, as the case may be, and the holders of Class B common stock are entitled to receive Class B common stock, or rights to acquire Class B common stock, as the case may be. See Part II, Item 5, Market for Registrant's Common Equity, Related Stockholder Matters and Issuer Purchasers of Equity Securities Dividends of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein.

Liquidation

Upon any voluntary or involuntary liquidation, dissolution, distribution of assets or winding up of our corporation, the holders of our Class A common stock and Class B common stock are entitled to share equally, on a per share basis, in all our assets available for distribution, after payment to creditors and subject to any prior distribution rights granted to holders of any outstanding shares of preferred stock.

Conversion

Our Class A common stock is not convertible into any other shares of our capital stock.

Each share of Class B common stock is convertible at any time, at the option of the holder, into one share of Class A common stock. In addition, each share of Class B common stock will convert automatically into one share of Class A common stock upon any transfer, whether or not for value, except for certain permitted transfers described in our amended and restated certificate of incorporation, including transfers to any permitted transferee as defined in our amended and restated certificate of incorporation, which includes, among others, transfers:

between Pritzker family business interests or to the Pritzker Foundation and related Pritzker charitable foundations;

to lineal descendants of the transferor who are Pritzker family business interests, which we refer to as related persons ;

to trusts for the current benefit of the transferor and related persons;

to guardians of stockholders who are adjudged to be unable to manage their own affairs and executors of estates of deceased stockholders;

for trusts, corporations, partnerships, limited liability companies or other entities, to their current beneficiaries, shareholders, partners, members or other equity holders who are Pritzker family business interests;

transfers to other holders of shares of Class B common stock and their permitted transferees;

that the foreclosure on those shares by the lender does not qualify as a permitted transfer and, unless the lender otherwise qualifies as a permitted transferee, will result in the automatic conversion of those shares into shares of Class A common stock;

transfers by parties to the 2007 Stockholders Agreement, dated as of August 2007, as amended, by and among Hyatt and the parties thereto (the 2007 Stockholders Agreement) to their respective affiliates, subject to, and in accordance with, the 2007 Stockholders Agreement; and

transfers approved in advance by our board of directors or a majority of the independent directors on our board of directors after making a determination that the transfer is consistent with the purposes of the other types of transfers that are permitted.

Any transfer by a holder that is a party to, by a holder controlled by a person that is party to, or by a holder controlled by trusts whose beneficiaries are party to the 2007 Stockholders Agreement, the Amended and Restated Global Hyatt Agreement or the Amended and Restated Foreign Global Hyatt Agreement will not qualify as a permitted transfer unless the transferee executes a joinder to those agreements. If a successor trustee or trustees for a holder of shares of Class B common stock that is a trust and party to such agreements do not execute a joinder to such agreements, each share of Class B common stock will convert automatically into one share of Class A common stock.

All shares of Class B common stock will convert automatically into shares of Class A common stock if, on any record date for determining the stockholders entitled to vote at an annual or special meeting of stockholders, the aggregate number of shares of our Class A common stock and Class B common stock owned, directly or indirectly, by the holders of our Class B common stock is less than 15% of the aggregate number of shares of our Class A common stock and Class B common stock then outstanding.

Once converted into Class A common stock, the Class B common stock cannot be reissued. No class of common stock may be subdivided or combined unless the other class of common stock concurrently is subdivided or combined in the same proportion and in the same manner.

Other than in connection with dividends and distributions, subdivisions or combinations, or mergers, consolidations, reorganizations or other business combinations involving stock consideration as provided for in our amended and restated certificate of incorporation, we are not authorized to issue additional shares of Class B common stock.

Mergers or Business Combinations

In any merger, consolidation, reorganization or other business combination, our amended and restated certificate of incorporation requires that the consideration to be received per share by the holders of Class A common stock and the holders of Class B common stock will be identical. If the consideration paid in the merger, consolidation, reorganization or other business combination is paid in the form of shares or other equity interests of us or another person, then the rights of the shares or other equity interests may differ to the extent that the rights of Class A common stock and the Class B common stock differ. These differences would be limited to the voting rights and conversion features of the Class A common stock and the Class B common stock.

Preemptive or Similar Rights

Pursuant to the 2007 Stockholders Agreement, if we propose to sell any new shares of common stock, or any other equity securities (subject to certain excluded securities issuances described in the agreement, including shares issued

pursuant to equity compensation plans adopted by the board of directors and the issuance of shares of our common stock in a public offering), then each stockholder party to the agreement is entitled to receive notice of the terms of the proposed sale and may elect to purchase up to such stockholder's pro rata share in the proposed sale on comparable terms. If not all stockholders party to the 2007 Stockholders Agreement elect to

Table of Contents

purchase their full preemptive allocation of new securities, then we will notify the fully-participating stockholders of such and offer them the right to purchase the unsubscribed new securities. Other than as described above, our common stock is not entitled to preemptive rights, conversion or other rights to subscribe for additional securities and there are no redemption or sinking fund provisions applicable to our common stock.

Fully Paid and Non-assessable

All of the outstanding shares of our Class A common stock and Class B common stock are fully paid and non-assessable.

Preferred Stock

Our board of directors is authorized, without any further action by our stockholders, but subject to the limitations imposed by Delaware law, to issue up to 10,000,000 shares of preferred stock in one or more series. Our board of directors may fix the designations, powers, preferences and rights of the preferred stock, along with any qualifications, limitations or restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences of each series of preferred stock. The preferred stock could have voting or conversion rights that could adversely affect the voting power or other rights of holders of our common stock. The issuance of preferred stock, or rights to acquire preferred stock, could also have the effect, under certain circumstances, of delaying, deferring or preventing a change of control of our company.

Registration Rights

We have granted registration rights with respect to shares of Class A common stock, including shares of Class A common stock issuable upon conversion of shares of Class B common stock as described below to holders of (a) 25,112,086 shares of our Class B common stock pursuant to the terms of a Registration Rights Agreement, dated as of August 28, 2007, as amended, among us and the stockholders party to the 2007 Stockholders Agreement (the 2007 Registration Rights Agreement), and (b) 86,293,377 shares of our Class B common stock and 24,429 shares of our Class A common stock pursuant to the terms of the Registration Rights Agreement, dated as of October 12, 2009 (the 2009 Registration Rights Agreement). Short-Form Demand Registration Rights

The holders of approximately 111,405,463 shares of our Class B common stock and 24,429 shares of our Class A common stock are entitled to certain Form S-3 demand registration rights.

Each stockholder party to the 2007 Registration Rights Agreement may, on not more than two occasions during each calendar year, request registration of their shares of Class A common stock issuable upon conversion of shares of Class B common stock under the Securities Act on Form S-3 if the anticipated aggregate offering amount of such shares of Class A common stock exceeds \$100,000,000 and the stockholder making the request is (or will be at the anticipated time of effectiveness of the applicable registration statement) permitted to sell shares of its common stock under the lock-up provisions contained in the 2007 Stockholders Agreement.

Stockholders party to the 2009 Registration Rights Agreement holding at least 20% of the then-issued and outstanding common stock may, on not more than one occasion during each calendar year, request registration of their shares of Class A common stock issuable upon conversion of shares of Class B common stock under the Securities Act on Form S-3 if the anticipated aggregate offering amount of such shares of Class A common stock exceeds \$100,000,000 (net of underwriting discounts and commissions) and the stockholders making the request are, at the anticipated time of effectiveness of the applicable registration statement, permitted to sell shares of their common stock under the applicable lock-up provisions contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement, and we are not otherwise prohibited from filing such registration statement under the 2007 Registration Rights Agreement.

Under each of the 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement, we will not be required to effect a demand registration or a Form S-3 demand registration within 180 days after the effective date of a

Edgar Filing: Hyatt Hotels Corp - Form S-3ASR

registration statement related to a previous demand registration or Form S-3 demand registration. In addition, once every 12 months, we may postpone for up to 120 days the filing or the effectiveness of a registration statement for a demand registration or a Form S-3 demand registration if our board of directors determines in good faith that such a filing (1) would be materially detrimental to us, (2) would

Table of Contents

require a disclosure of a material fact that might reasonably be expected to have a material adverse effect on us or any plan or proposal by us to engage in any acquisition or disposition of assets or equity securities or any merger, consolidation, tender offer, material financing or other significant transactions, or (3) is inadvisable because we are planning to prepare and file a registration statement for a primary offering of our securities.

Shelf Registration Rights

The holders of approximately 86,293,377 shares of our Class B common stock and 24,429 shares of our Class A common stock are entitled under the 2009 Registration Rights Agreement to certain shelf registration rights with respect to shares of Class A common stock issuable upon conversion of such shares of Class B common stock.

Stockholders party to the 2009 Registration Rights Agreement may, in addition to the demand registration rights described above, request that we register all or a portion of shares of Class A common stock issuable upon conversion of such stockholders' shares of Class B common stock on a shelf registration statement on Form S-3 pursuant to Rule 415 of the Securities Act, provided that the stockholders making the request are, at the anticipated time of effectiveness of the applicable registration statement, permitted to sell such shares of their common stock under the applicable lock-up provisions contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement. We have agreed to use our reasonable best efforts to keep any such shelf registration statement effective and updated for a period of three years (or, if earlier, such time as all the shares covered thereby have been sold). We have also agreed that, at the end of such three year period, we will refile a new shelf registration upon the request of stockholders party to the 2009 Registration Rights Agreement holding at least 1% of our outstanding common stock at such time.

Piggyback Registration Rights

The holders of 111,405,463 shares of Class B common stock and 24,429 shares of our Class A common stock are entitled to certain piggyback registration rights with respect to shares of Class A common stock issuable upon conversion of such shares of Class B common stock.

In the event that we propose to register shares of Class A common stock under the Securities Act, either for our own account or for the account of other security holders, we will notify each stockholder party to the 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement that is, or will be at the anticipated time of effectiveness of the applicable registration statement, permitted to sell shares of its common stock under the applicable lock-up provisions contained in the 2007 Stockholders' Agreement, the Amended and Restated Global Hyatt Agreement and the Amended and Restated Foreign Global Hyatt Agreement of our intention to effect such a registration and will use our reasonable best efforts to include in such registration all shares requested to be included in the registration by each such stockholder, subject to certain marketing and other limitations.

Expenses of Registration, Restrictions and Indemnification

We will pay all registration expenses, including the legal fees of one counsel for all holders under the 2007 Registration Rights Agreement and one counsel for all holders under the 2009 Registration Rights Agreement, other than underwriting discounts, commissions and transfer taxes, in connection with the registration of any shares of Class A common stock pursuant to any demand registration, Form S-3 demand or piggyback registration described above. Under the 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement, if a request for a demand registration or Form S-3 demand registration is withdrawn at the request of the majority of the holders of registrable securities requested to be registered, the holders of registrable securities who have withdrawn such request shall forfeit such demand registration or Form S-3 demand registration unless those holders pay or reimburse us for all

of the related registration expenses. In accordance with the 2009 Registration Rights Agreement, we have agreed to pay all registration expenses, including the legal fees of one

counsel for the selling stockholders, other than any applicable underwriting discounts, commissions and transfer taxes, in connection with registering the shares of Class A common stock held by the selling stockholders.

The demand, Form S-3 demand and piggyback registration rights are subject to customary restrictions such as blackout periods and any limitations on the number of shares to be included in the underwritten offering imposed by the managing underwriter. The 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement also contain customary indemnification and contribution provisions.

Board Rights

Pursuant to our employment letter with Mr. Thomas J. Pritzker, we have agreed that so long as he is a member of our board of directors, we will use our commercially reasonable efforts to appoint him as our executive chairman as long as he is willing and able to serve in that office. If he is not appointed as executive chairman, he will be entitled to terminate his employment with the rights and entitlements available to him under our severance policies as if his employment was terminated by us without cause.

Pursuant to our employment letter with Mr. Mark S. Hoplamazian, we have agreed that so long as he is the president and chief executive officer of Hyatt, we will use our commercially reasonable efforts to nominate him for re-election as a director prior to the end of his term. If he is not re-elected to the board of directors, he will be entitled to terminate his employment with the rights and entitlements available to him under our severance policies as if his employment was terminated by us without cause.

Anti-Takeover Effects of Delaware Law and Provisions of Our Certificate of Incorporation and Bylaws

Certain provisions of Delaware law and our amended and restated certificate of incorporation and our amended and restated bylaws could have the effect of delaying, deferring or discouraging another party from acquiring control of us. In particular, our dual class common stock structure concentrates ownership of our voting stock in the hands of the Pritzker family business interests. These provisions, which are summarized below, are expected to discourage certain types of coercive takeover practices and inadequate takeover bids. These provisions are also designed in part to allow management to continue making decisions in the long-term best interest of Hyatt and all of our stockholders and encourage anyone seeking to acquire control of us to first negotiate with our board of directors. We believe that the advantages gained by protecting our ability to negotiate with any unsolicited and potentially unfriendly acquirer outweigh the disadvantages of discouraging such proposals, including those priced above the then-current market value of our common stock, because, among other reasons, the negotiation of such proposals could improve their terms.

Dual Class Structure

As discussed above, our Class B common stock is entitled to ten votes per share, while our Class A common stock is entitled to one vote per share. Our Class A common stock is the only class of stock that is publicly traded. As of November 4, 2014, Pritzker family business interests beneficially owned, in the aggregate, approximately 77.5% of our Class B common stock, representing approximately 57.5% of the total common stock outstanding and approximately 74.9% of the total voting power of our outstanding common stock. Pursuant to the voting agreements contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement, during the term of the voting agreement, which expires on the later to occur of January 1, 2015 and the date upon which more than 75% of the company's fully diluted shares of common stock is owned by non-Pritzker family business interests, Pritzker family business interests have agreed to vote their shares of our common stock consistent with the recommendation of our board of directors with respect to all matters (assuming agreement as to

any such matter by a majority of a minimum of three independent directors (excluding for such purposes any Pritzker) or, in the case of transactions involving us and an affiliate, assuming agreement of all of such minimum of three independent directors (excluding for such purposes any Pritzker)). In addition, other existing stockholders, including Madrone GHC, LLC and affiliated

Table of Contents

entities, and investment funds affiliated with The Goldman Sachs Group, Inc., beneficially own as of November 4, 2014, in the aggregate, approximately 22.5% of our Class B common stock, representing approximately 16.7% of the outstanding shares of our common stock and approximately 21.8% of the total voting power of our outstanding common stock. Pursuant to the voting agreement contained in the 2007 Stockholders Agreement, these entities have agreed to vote their shares of Class B common stock consistent with the recommendation of our board of directors, without any separate requirement that our independent directors agree with the recommendation. These voting agreements expire on the date that Thomas J. Pritzker is no longer chairman of our board of directors. For additional information with respect to these voting agreements, see the information under the caption Stockholder Agreements in Part I, Item 1, Business of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the sections of this prospectus titled Where You Can Find More Information; Incorporation by Reference. While these voting agreements are in effect, they may provide our board of directors with effective control over matters requiring stockholder approval, including the election of directors, a merger, consolidation or sale of all or substantially all of our assets and any other significant transaction. This is because the number of our shares that are required by the voting agreements to be voted consistent with the recommendation of our board of directors will be sufficient to determine the outcome of the election of directors and other matters submitted to stockholders for approval. Because of our dual class ownership structure and the voting agreements currently in effect, our board of directors may have effective control over matters requiring stockholder approval even if Pritzker family business interests and other holders of our Class B common stock own less than 50% of the outstanding shares of our common stock. If the majority of a minimum of three independent directors (excluding for such purposes any Pritzker) do not agree with the recommendation of our board of directors on a particular matter and, as a result, the voting agreements contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement do not apply, Pritzker family business interests will be able to exert a significant degree of influence or actual control over matters requiring stockholder approval. This concentrated control will limit your ability to influence corporate matters. As a result, we may take actions that you do not believe to be in our interests or your interests that could depress our stock price.

Certificate of Incorporation and Bylaws

In addition to our dual class structure, our amended and restated certificate of incorporation and our amended and restated bylaws include the following provisions, among others:

our board of directors is divided into three classes, with each class serving for a staggered three-year term;

our directors may be removed only for cause;

holders of our Class A common stock vote together with the holders of our Class B common stock on all matters, including the election of directors, and our amended and restated certificate of incorporation prohibits cumulative voting in the election of directors;

vacancies on our board of directors, and any newly created director positions created by the expansion of the board of directors, may be filled only by a majority of remaining directors then in office;

Edgar Filing: Hyatt Hotels Corp - Form S-3ASR

actions to be taken by our stockholders may only be effected at an annual or special meeting of our stockholders and not by written consent;

special meetings of our stockholders can be called only by the chairman of the board or by our corporate secretary at the direction of our board of directors;

our bylaws establish an advance notice procedure for stockholders to submit proposed nominations of persons for election to our board of directors and other proposals for business to be brought before an annual meeting of our stockholders;

our board of directors may issue up to 10,000,000 shares of preferred stock, with designations, rights and preferences as may be determined from time to time by our board of directors; and

Table of Contents

an affirmative vote of the holders of at least 80% of the voting power of our outstanding capital stock entitled to vote is required to amend all provisions of our amended and restated certificate of incorporation and bylaws.

Delaware Anti-Takeover Statute

We have elected not to be governed by Section 203 of the Delaware General Corporation Law, which otherwise would prohibit a Delaware corporation, subject to certain exceptions, from engaging in any business combination with any interested stockholder for a period of three years after the date that such stockholder became an interested stockholder.

Lock-Up Agreements

Holders of 111,429,892 shares, or approximately 74.2%, of our outstanding common stock have agreed to certain lock-up restrictions with respect to all or a portion of their common stock. Such lock-up provisions may delay, defer or prevent a merger or other takeover or a change of control of our company. For additional information with respect to these lock-up provisions, see the information under the caption *Stockholder Agreements* in Part I, Item 1, *Business* of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the section of this prospectus titled *Where You Can Find More Information; Incorporation by Reference*.

The 2007 *Stockholders Agreement* further restricts the ability of stockholders party to the agreement to transfer their shares of common stock such that they may not transfer any shares of common stock to any known aggregators. For additional information with respect to these lock-up provisions, see the information under the caption *Stockholder Agreements 2007 Stockholders Agreement* in Part I, Item 1, *Business* of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the section of this prospectus titled *Where You Can Find More Information; Incorporation by Reference*.

Voting Agreements

Voting agreements entered into with and among our major stockholders, including Pritzker family business interests, Madrone GHC, LLC and affiliated entities, and investment funds affiliated with The Goldman Sachs Group, Inc., will result in a substantial number of our shares being voted consistent with the recommendations of our board of directors, which may limit your ability to influence the election of directors and other matters submitted to stockholders for approval. For additional information, see the information under the caption *Stockholder Agreements* in Part I, Item 1, *Business* and *Risks Related to Share Ownership and Stockholder Matters* A significant number of shares of Class A common stock issuable upon conversion of Class B common stock could be sold into the market, which could depress our stock price even if our business is doing well in Part I, Item 1A, *Risk Factors* of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the section of this prospectus titled *Where You Can Find More Information; Incorporation by Reference*.

Standstill Agreements

Each stockholder party to the 2007 *Stockholders Agreement* has agreed, subject to certain limited exceptions, not to participate in any acquisition of any of our or our subsidiaries securities, any tender or exchange offer, merger or other business combination involving us or any of our subsidiaries, any recapitalization, restructuring, liquidation, dissolution or any other extraordinary transaction with respect to us or any of our subsidiaries or affiliates, or any solicitation of proxies with respect to voting of our common stock. These standstill provisions may prevent a merger or other takeover or a change of control of us. For additional information, see *Certain Relationships and Related Party Transactions 2007 Stockholders Agreement* included in our Proxy Statement on Schedule 14A for the annual

stockholders meeting held on May 14, 2014, which is incorporated by reference herein.

any other terms of the debt securities (which terms are not prohibited by the provisions of the indenture).
(Section 2.02)

In addition, the indenture does not limit our ability to issue convertible or subordinated debt securities. Any conversion or subordination provisions of a particular series of debt securities will be set forth in the Board Resolution, the Officers Certificate or the supplemental indenture related to that series of debt securities and will be described in the relevant prospectus supplement. Such terms may include provisions for conversion, either mandatory, at the option of the holder or at our option, in which case the number of shares of common stock or other securities to be received by the holders of debt securities would be calculated as of a time and in the manner stated in the prospectus supplement.

If we denominate the purchase price of any of the debt securities in a foreign currency or currencies or a foreign currency unit or units, or if the principal of and any premium and interest on any series of debt securities is payable in a foreign currency or currencies or a foreign currency unit or units, we will provide you with information on the restrictions, elections, material U.S. federal income tax considerations, specific terms and other information with respect to that issue of debt securities and such foreign currency or currencies or foreign currency unit or units in the applicable prospectus supplement.

Transfer and Exchange

Each debt security will be represented by either one or more global securities registered in the name of The Depository Trust Company, or the Depository, as depository, or a nominee (we will refer to any debt security represented by a global debt security as a book-entry debt security), or a certificate issued in definitive registered form (we will refer to any debt security represented by a certificated security as a definitive debt security), as set forth in the applicable prospectus supplement. Except as set forth under the heading Global Debt Securities and Book-Entry System below, book-entry debt securities will not be issuable in definitive form.

Definitive Debt Securities

You may transfer or exchange definitive debt securities at any office we maintain for this purpose in accordance with the terms of the indenture. No service charge will be made for any transfer or exchange of definitive debt securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with a transfer or exchange.

You may effect the transfer of definitive debt securities only by presenting the certificate representing those definitive debt securities to us, accompanied by a duly executed written instrument of transfer. You may effect the right to receive the principal of and premium and interest on definitive debt securities only by presenting or surrendering the certificate representing those definitive debt securities to us.

Global Debt Securities and Book-Entry System

Each global debt security representing book-entry debt securities will be deposited with, or on behalf of, the Depository, and registered in the name of the Depository or a nominee thereof. See Global Securities.

No Protection in the Event of a Change of Control

Unless we state otherwise in the applicable prospectus supplement, the debt securities will not contain any provisions which may afford holders of the debt securities protection in the event we have a change in control or in the event of a highly leveraged transaction (whether or not such transaction results in a change in control) which could adversely

affect holders of debt securities.

Limitations on Liens

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, assume or permit to exist, any Lien, other than Permitted Liens, on any Principal Property, or upon Capital Stock or Indebtedness issued by any Restricted Subsidiary and owned by the Company or any Subsidiary, now or hereafter acquired, to secure Indebtedness, without effectively providing concurrently that the debt securities are secured equally and ratably with such Indebtedness, for so long as such Indebtedness shall be so secured. (Section 4.07)

Permitted Liens means:

- (i) Liens existing on the date of the indenture;
- (ii) Liens in favor of the Company or a Restricted Subsidiary;
- (iii) Liens on any property existing at the time of the acquisition thereof;
- (iv) Liens on any property of a Person or its subsidiaries existing at the time such Person is consolidated with or merged into the Company or a Restricted Subsidiary, or Liens on any property of a Person existing at the time such Person becomes a Restricted Subsidiary;
- (v) Liens to secure all or part of the cost of acquisition (including Liens created as a result of an acquisition by way of Capital Lease), construction, development or improvement of the underlying property, or to secure Indebtedness incurred to provide funds for any such purposes; provided, that the commitment of the creditor to extend the credit secured by any such Lien shall have been obtained not later than 18 months after the later of (A) the completion of the acquisition, construction, development or improvement of such property and (B) the placing in operation of such property or of such property as so constructed, developed or improved;
- (vi) Liens securing industrial revenue, pollution control or similar bonds; and
- (vii) any extension, renewal or replacement (including successive extensions, renewals and replacements), in whole or in part, of any Lien referred to in any of clauses (i), (iii), (iv) or (v) of this definition of Permitted Liens that would not otherwise be permitted pursuant to any of clauses (i) through (vi), to the extent that (A) the principal amount of Indebtedness secured thereby and not otherwise permitted to be secured pursuant to any of clauses (i) through (vi) of this definition of Permitted Liens does not exceed the principal amount of Indebtedness, plus any premium or fee payable in connection with any such extension, renewal or replacement, so secured at the time of any such extension, renewal or replacement, except that where (1) the Indebtedness so secured at the time of any such extension, renewal or replacement was incurred for the sole

purpose of financing a specific project and (2) additional Indebtedness is to be incurred in connection with such extension, renewal or replacement solely to finance the completion of the same project, the additional Indebtedness may also be secured by such Lien; and (B) the property that is subject to the Lien serving as an extension, renewal or replacement is limited to some or all of the property that was subject to the Lien so extended, renewed or replaced.

Notwithstanding the restrictions described above, the Company and its Restricted Subsidiaries may, directly or indirectly, create, assume or permit to exist any Lien that would otherwise be subject to the restrictions set forth in the first paragraph of this section without equally and ratably securing the debt securities if, at the time of such creation, assumption or permission, after giving effect thereto and to the retirement of any Indebtedness which is concurrently being retired, the aggregate principal amount of outstanding Indebtedness secured by Liens which would otherwise be subject to such restrictions (not including Permitted Liens) plus all Attributable Indebtedness of the Company and its Restricted Subsidiaries in respect of Sale and Leaseback Transactions with respect to any Principal Property (not including such transactions described under any of clauses (i) through

Table of Contents

(v) as set forth below under *Sale and Leaseback Transactions*), does not exceed 15% of Consolidated Net Tangible Assets.

Sale and Leaseback Transactions

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction with respect to any Principal Property unless:

- (i) the Sale and Leaseback Transaction is solely with the Company or another Subsidiary;
- (ii) the lease in such Sale and Leaseback Transaction is for a period not in excess of three years, including renewal rights;
- (iii) the lease in such Sale and Leaseback Transaction secures or relates to industrial revenue, pollution control or similar bonds;
- (iv) the Sale and Leaseback Transaction is entered into prior to or within 18 months after the purchase or acquisition of the Principal Property which is the subject of such Sale and Leaseback Transaction;
- (v) the proceeds of the Sale and Leaseback Transaction are at least equal to the fair market value (as determined by the Company's board of directors in good faith) of the Principal Property which is the subject of the Sale and Leaseback Transaction and prior to or within 180 days after the sale of such Principal Property, the Company applies an amount equal to the greater of (A) the net proceeds of such sale, and (B) the Attributable Indebtedness of the Company and its Restricted Subsidiaries in respect of such Sale and Leaseback Transaction to (1) the retirement of long-term Indebtedness that is not subordinated to any debt securities issued under the indenture and that is not Indebtedness owed to the Company or a Subsidiary, or (2) the purchase of other property which will constitute a Principal Property having a value at least equal to the value of the Principal Property leased; or
- (vi) the Attributable Indebtedness of the Company and its Restricted Subsidiaries in respect of such Sale and Leaseback Transaction and all other Sale and Leaseback Transactions with respect to any Principal Property (not including any Sale and Leaseback Transactions described under any of clauses (i) through (v) set forth immediately above, plus the aggregate principal amount of outstanding Indebtedness secured by Liens upon Principal Properties or Capital Stock or Indebtedness issued by any Restricted Subsidiary and owned by the Company or any Subsidiary then outstanding (not including any such Indebtedness secured by Permitted Liens) which do not secure such debt securities equally and ratably with (or on a basis that is prior to) the other Indebtedness secured thereby, would not exceed 15% of Consolidated Net Tangible Assets. (Section 4.08)

Mergers, Consolidations and Sales

Unless otherwise provided for a particular series of debt securities by a Board Resolution, a supplemental indenture or an Officers Certificate, the Company shall not consolidate with or merge into any other Person or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the Company's and its Subsidiaries' properties and assets, taken as a whole, to any Person, unless:

the Person surviving such consolidation or merger (if not the Company) or the Person that acquires by sale, assignment, transfer, lease, conveyance or other disposition all or substantially all of the Company's and its Subsidiaries' properties and assets, taken as a whole, shall be a corporation, partnership, limited liability company, trust or other entity organized and existing under the laws of the United States of America, any state thereof or the District of Columbia or Canada, Mexico, Switzerland or any other country that is a member country of the European Union on the date of the indenture and shall expressly assume, by a supplemental indenture, executed and delivered to the trustee, in form satisfactory to the trustee, the due and punctual payment of the principal of and any premium and interest on all the debt securities and the performance or observance of every covenant of the indenture on the part of the Company to be performed or observed;

Table of Contents

immediately after giving effect to such transaction and treating any Indebtedness that becomes an obligation of the Company or any Subsidiary as a result of such transaction as having been incurred by the Company or such Subsidiary at the time of such transaction, no default or Event of Default shall have occurred and be continuing; and

the Company shall have delivered to the trustee an Officers Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with the terms of the indenture and that all conditions precedent provided for therein relating to such transaction have been complied with.

These restrictions will not apply to:

any sale, assignment, transfer, conveyance, lease or other disposition of assets solely between or among the Company and its Subsidiaries; or

any conversion of the Company from a corporation to a limited liability company, from a limited liability company to a corporation, from a limited liability company to a limited partnership or a similar conversion. (Section 5.01)

This covenant includes a phrase relating to the sale or other transfer of all or substantially all of the Company's and its Subsidiaries' properties and assets, taken as a whole. Although there is a developing body of case law interpreting the phrase substantially all, there is no precise definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty in ascertaining whether a particular transaction would involve a disposition of all or substantially all of the Company's and its Subsidiaries' properties and assets, taken as a whole. As a result, it may be unclear as to whether the Company is required to comply with these provisions.

Certain Definitions

Attributable Indebtedness in respect of any Sale and Leaseback Transaction, means, as of the time of determination, the total obligation (discounted to present value at the rate per annum equal to the discount rate which would be applicable to a capital lease obligation with like term in accordance with GAAP) of the lessee for rental payments (other than amounts required to be paid on account of property taxes, maintenance, repairs, insurance, water rates and other items which do not constitute payments for property rights) during the remaining portion of the initial term of the lease included in such Sale and Leaseback Transaction.

Principal Property means any contiguous or proximate parcel of real property owned by, or leased to, the Company or any of its Subsidiaries, and any equipment located at or comprising a part of any such property, having a gross book value (without deduction of any depreciation reserves), as of the date of determination, in excess of the greater of \$150,000,000 and 5% of Consolidated Net Tangible Assets.

Events of Default

Unless otherwise indicated for a particular series of debt securities by a Board Resolution, a supplemental indenture, or an Officers' Certificate, each of the following constitutes an *Event of Default* with respect to each series of debt securities:

- (i) default in the payment of the principal of or premium, if any, when due on the debt securities of that series;
- (ii) default for 30 days in the payment of interest when due on the debt securities of that series;
- (iii) the Company fails to comply with any of its covenants or agreements in the debt securities of that series or in the indenture and such failure continues for 60 days after written notice has been given to the Company by the trustee or the holders of at least 25% in principal amount of the outstanding debt securities of that series,

as provided in the indenture;

- (iv) default by the Company or any Subsidiary under any Indebtedness (other than Non-Recourse Indebtedness) of the Company or any Subsidiary having an aggregate principal amount equal to the greater of \$100,000,000 or 2% of Consolidated Net Tangible Assets, or under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any Subsidiary having an aggregate principal amount equal to the greater of \$100,000,000 or 2% of Consolidated Net Tangible Assets, whether such Indebtedness now exists or shall hereafter be created, which default shall constitute a failure to pay any

portion of the principal of such Indebtedness when due and payable after the expiration of any applicable grace period with respect thereto or shall have resulted in such Indebtedness becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable; provided, that such acceleration shall not have been rescinded or annulled within 10 days after written notice is given to the Company by the trustee or holders of at least 25% of the outstanding principal amount of debt securities of such series as provided in the indenture; and provided, further, that prior to any declaration of the acceleration of the debt securities as provided in the indenture, an Event of Default under this clause (iv) will be remedied, cured or waived without further action on the part of either the trustee or any of the holders if the default under such other Indebtedness is remedied, cured or waived;

- (v) a final judgment or judgments outstanding against the Company or against any property or assets of the Company in an amount in excess of the greater of \$100,000,000 or 2% of Consolidated Net Tangible Assets is or are not paid, vacated, bonded, undischarged or unstayed for a period of 30 days after the date of its or their entry; provided, that prior to any declaration of acceleration of the debt securities as provided in the indenture, an Event of Default under this clause (v) will be remedied, cured or waived without further action on the part of either the trustee or any of the holders if the judgment is vacated, bonded, discharged or stayed; and

- (vi) certain events of bankruptcy, insolvency or reorganization. (Section 6.01)

The occurrence of certain Events of Default or an acceleration under the indenture may constitute an event of default under certain of our other indebtedness outstanding from time to time.

If an Event of Default with respect to the debt securities of any series at the time outstanding (other than an Event of Default referred to in clause (vi) above) occurs and is continuing, the trustee or the holders of at least 25% in principal amount of the outstanding debt securities of that series by notice to the Company, may declare the principal amount of (or other specified amount), premium, if any, and accrued and unpaid interest on all the debt securities of that series to be due and payable. Upon such a declaration, such amounts shall be due and payable immediately. If an Event of Default referred to in clause (vi) above occurs, the principal amount of (or other specified amount), premium, if any, and accrued and unpaid interest on all the debt securities of each series shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the trustee or any holder.

At any time after the principal of the debt securities of any series shall have been so declared due and payable (or have become immediately due and payable), and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as provided in the indenture, the holders of a majority in principal amount of the debt securities of that series then outstanding under the indenture, by written notice to the Company and the trustee, may rescind and annul such declaration and its consequences if: (i) the Company has paid or deposited with the trustee a sum sufficient to pay all matured installments of interest upon all the debt securities of that series and the principal of (and premium, if any, on) any and all debt securities of that series that shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any, and, to the extent that such payment is enforceable under applicable law, upon overdue installments of interest, at the rate per annum expressed in the debt securities of that series to the date of such payment or deposit) and (ii) any and all Events of Default under the indenture with respect to such series of debt securities, other than the nonpayment of principal (or other specified amount) and interest, if any, on debt securities of that series that have become due solely by such declaration of acceleration, shall have been remedied or waived as provided in the indenture. No such rescission shall affect any subsequent default or impair any right consequent thereto. (Section 6.02) For information as to waiver of defaults, see Modification and Waiver.

Subject to the provisions of the indenture relating to the duties of the trustee in case an Event of Default shall occur and be continuing, the trustee shall be under no obligation to exercise any of the rights or powers vested in it by the indenture at the request or direction of any of the holders pursuant to the indenture, unless such holders shall have offered to the trustee security or indemnity reasonably satisfactory to the trustee against the

costs, expenses and liabilities which might be incurred by the trustee in compliance with such request or direction. (Section 7.02(i))

Subject to applicable law and the provisions of the indenture relating to the rights of the trustee and indemnification of the trustee, the holders of a majority in principal amount of the outstanding debt securities of any series may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or of exercising any trust or power conferred on the trustee with respect to the debt securities of that series. (Section 6.05)

Except to enforce the right to receive payment of the principal amount of, premium, if any, and accrued and unpaid interest on the debt securities of any series held by such holder when due, no holder of a debt security of that series may pursue any remedy with respect to the indenture or the debt securities of that series unless:

the holder previously gave the trustee written notice stating that an Event of Default with respect to the debt securities of that series is continuing;

the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series make a written request to the trustee to pursue the remedy;

such holder or holders of the debt securities of that series offer to the trustee security or indemnity reasonably satisfactory to the trustee against any loss, liability or expense caused by taking such action;

the trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and

the holders of a majority in aggregate principal amount of the outstanding debt securities of that series do not give the trustee a direction inconsistent with the request during such 60-day period. (Section 6.06)

The Company shall deliver to the trustee within 120 days after the end of each fiscal year of the Company an Officers Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under the indenture, and further stating, as to each such officer signing such certificate, that, to such officer's knowledge, the Company has kept, observed, performed and fulfilled each and every covenant contained in the indenture and is not in default in the performance or observance of any of the terms, provisions and conditions under the indenture (or, if a default or Event of Default shall have occurred, describing all such defaults or Events of Default of which such officer has knowledge and what action the Company is taking or proposes to take, if any, with respect thereto). (Section 4.03)

We refer you to the prospectus supplement relating to any series of debt securities that are discount securities for the particular provisions relating to acceleration of a portion of the principal amount of such discount securities upon the occurrence of an Event of Default.

Defeasance of Debt Securities and Certain Covenants

Defeasance and Discharge

The indenture provides that, upon our exercise of our option to be discharged from all our obligations with respect to the debt securities of any series (except for certain obligations, including the obligations to exchange or register the transfer of debt securities, to replace stolen, lost, destroyed or mutilated debt securities, to maintain a paying agent, service agent and registrar and to hold moneys for payment in trust), we will be deemed to have been discharged from our obligations with respect to all debt securities of that series then outstanding on the date the conditions to such defeasance are satisfied. (Section 8.02)

In order to exercise such option, we must make an irrevocable deposit with the trustee, in trust, for the benefit of the holders of debt securities of that series, of cash in U.S. dollars or noncallable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally

recognized firm of independent public accountants, to pay the principal of and any premium and interest on such debt securities on the stated date for payment thereof or on the applicable redemption date, as the case may be. We must also, among other things, deliver to the trustee an Opinion of Counsel in the United States reasonably acceptable to the trustee to the effect that we have received from, or that there has been published by, the U.S. Internal Revenue Service a ruling, or there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, holders of such debt securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit, defeasance and discharge and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge were not to occur. (Section 8.04)

Defeasance of Certain Covenants

The indenture provides that, upon our exercise of our option to be released with respect to the debt securities of any series from our obligations under certain restrictive covenants, including those described under Covenants and the occurrence of certain Events of Default with respect to such restrictive covenants, we will be deemed to be so released with respect to such series of debt securities. (Section 8.03)

In order to exercise such option, we must make an irrevocable deposit with the trustee, in trust, for the benefit of the holders of debt securities of that series, of cash in U.S. dollars or noncallable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and any premium and interest on such debt securities on the stated date for payment thereof or on the applicable redemption date, as the case may be. We must also, among other things, deliver to the trustee an Opinion of Counsel in the United States reasonably acceptable to the trustee confirming that the holders of the outstanding debt securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred. (Section 8.04)

Satisfaction and Discharge

The indenture will be discharged and will cease to be of further effect as to all debt securities of a series issued thereunder (except for the rights, powers, trusts, duties, indemnities and immunities of the trustee under the indenture and our obligations in connection therewith), when:

either:

we have delivered to the trustee for cancellation all debt securities of such series that have been authenticated (except lost, stolen or destroyed debt securities that have been replaced or paid and debt securities for whose payment money and/or Government Securities have been deposited in trust or segregated and held in trust by us and thereupon repaid to us or discharged from such trust); or

all debt securities of such series that have not been delivered to the trustee for cancellation have become due and payable, or are by their terms to become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the trustee for giving notice of redemption, and we have irrevocably deposited or caused to be deposited with the trustee, in trust,

Edgar Filing: Hyatt Hotels Corp - Form S-3ASR

for the benefit of the holders, cash in U.S. dollars, noncallable Government Securities, or a combination thereof, in amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay at maturity or upon redemption all debt securities of that series not theretofore delivered to the trustee for cancellation, including principal of and any premium and interest due or to become due to such date of maturity or date fixed for redemption, as the case may be;

we have paid or caused to be paid all other sums payable under the indenture with respect to such series of debt securities; and

Table of Contents

we have delivered to the trustee an Opinion of Counsel and an Officers Certificate, each stating that all conditions precedent to satisfaction and discharge with respect to such series of debt securities have been complied with.

All our other obligations (except for our obligation to pay and indemnify the trustee) with respect to such series of debt securities will be discharged when all the debt securities of such series have been paid in full. (Section 8.07)

Modification and Waiver

The indenture provides that the trustee may make reasonable rules for action by or a meeting of holders.

We and the trustee may amend or supplement the indenture or the debt securities of any series without notice to any holder but with the written consent of the holders of at least a majority in principal amount of each series of debt securities then outstanding (including consents obtained in connection with a tender offer or exchange offer for such debt securities) affected by such amendment or supplement by execution of a supplemental indenture. However, without the consent of each holder affected, an amendment or supplement may not:

reduce the principal amount of any debt securities issued under the indenture whose holders must consent to an amendment, supplement or waiver;

reduce the rate of or extend the time for payment of interest, including default interest, on any debt security issued under the indenture;

reduce the principal of or change the Stated Maturity of any debt security issued under the indenture or, in respect of an optional redemption, the times at which any debt security may be redeemed (excluding, for the avoidance of doubt, the number of days before a redemption date that a notice of redemption may be mailed to the holders of any debt security) or, once notice of redemption has been given, to the holders of any debt security, the time at which it must thereupon be redeemed);

reduce the amount payable upon the redemption of any debt security issued under the indenture or change the time at which such debt security may be redeemed, if applicable;

make any debt security issued under the indenture payable in money other than that stated in such debt security;

waive a default or Event of Default in the payment of principal of or any premium or interest on the debt securities issued under the indenture (except a rescission of acceleration of the debt securities by the holders of at least a majority in aggregate principal amount of the debt securities then outstanding and a waiver of the payment default that resulted from such acceleration);

make any change in the provisions of the indenture relating to waivers of past defaults or the rights of holders of debt securities issued under the indenture to receive payments of principal of or any premium or interest on the debt securities;

waive a redemption payment with respect to any debt security issued under the indenture; or

make any change to the waiver of past defaults or the rights of holders to receive payment under the provisions in the indenture relating to the waiver of past defaults and the rights of holders to receive payment or in the amendment and waiver provisions described above. (Section 9.02)

The holders of a majority in principal amount of any series of debt securities then outstanding may, on behalf of the holders of all the debt securities of such series, by written notice to the trustee, waive an existing default and its consequences except:

a default in the payment of the principal of and any premium and accrued and unpaid interest on debt securities of such series;

Table of Contents

a default arising from the failure to redeem or purchase any debt security of such series when required pursuant to the terms of the indenture; and

a default in respect of certain covenants and provisions of the indenture that cannot be amended without the consent of the holder of each debt security of such series then outstanding.

However, the holders of a majority in principal amount of the outstanding debt securities of any series may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration, in accordance with the acceleration provisions under the indenture. (Section 6.04)

We may fix as a record date for the purpose of determining the holders of the debt securities entitled to give their consent or take any action required or permitted to be taken pursuant to the indenture. If a record date is fixed, only persons who were holders at such record date (or their duly designated proxies) are entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such holders continue to be holders after such record date. (Section 9.03)

With respect to the debt securities, notwithstanding the preceding paragraphs, without the consent of any holder of such debt securities, we and the trustee may amend or supplement the indenture or the debt securities:

to cure any ambiguity, defect, omission or inconsistency;

to provide for uncertificated debt securities in addition to or in place of definitive debt securities;

to provide for the assumption of our obligations to holders of such debt securities in the case of a merger or consolidation or sale of all or substantially all of our assets;

to make any changes that would provide additional rights or benefits to the holders of such debt securities that do not adversely affect the legal rights under the indenture of any such holder;

to comply with requirements of the SEC in order to effect or maintain the qualification of the indenture under the Trust Indenture Act of 1939, as amended;

to provide for the issuance of additional debt securities in accordance with the indenture;

to evidence and provide for the acceptance of appointment by a successor or separate trustee with respect to the debt securities and to add or change any of the provisions of the indenture as necessary to provide for or facilitate the administration of the indenture by more than one trustee;

with respect to any series of debt securities, to conform the text of the indenture applicable thereto or the debt securities of such series to any provision of the section Description of the Notes, Description of Notes or Description of Debt Securities in the offering memorandum, prospectus supplement or other like offering document relating to the initial offering of such series of debt securities that is intended to be a verbatim recitation of the terms of such series of debt securities;

to establish the form or terms of debt securities and coupons of any series of debt securities; or

to add to, change or eliminate any of the provisions of the indenture so long as any such addition not otherwise permitted under the indenture shall (i) neither apply to any debt security of any series created prior to the execution of such supplemental indenture and entitled to the benefit of such provision nor modify the rights of the holders of any such debt security with respect to the benefit of such provision or (ii) become effective only when there is no such security outstanding. (Section 9.01)

GLOBAL SECURITIES

Book-Entry, Delivery and Form

Unless we indicate differently in a prospectus supplement, the securities initially will be issued in book-entry form and represented by one or more global notes or global securities, or, collectively, global securities. The global securities will be deposited with, or on behalf of, The Depository Trust Company, New York, New York, as depository, or DTC, and registered in the name of Cede & Co., the nominee of DTC. Unless and until it is exchanged for individual certificates evidencing securities under the limited circumstances described below, a global security may not be transferred except as a whole by the depository to its nominee or by the nominee to the depository, or by the depository or its nominee to a successor depository or to a nominee of the successor depository.

DTC has advised us that it is:

- a limited-purpose trust company organized under the New York Banking Law;
- a banking organization within the meaning of the New York Banking Law;
- a member of the Federal Reserve System;
- a clearing corporation within the meaning of the New York Uniform Commercial Code; and
- a clearing agency registered pursuant to the provisions of Section 17A of the Exchange Act.

DTC holds securities that its participants deposit with DTC. DTC also facilitates the settlement among its participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct participants in DTC include securities brokers and dealers, including underwriters, banks, trust companies, clearing corporations and other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation, or DTCC. DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others, which we sometimes refer to as indirect participants, that clear through or maintain a custodial relationship with a direct participant, either directly or indirectly. The rules applicable to DTC and its participants are on file with the SEC.

Purchases of securities under the DTC system must be made by or through direct participants, which will receive a credit for the securities on DTC's records. The ownership interest of the actual purchaser of a security, which we sometimes refer to as a beneficial owner, is in turn recorded on the direct and indirect participants' records. Beneficial owners of securities will not receive written confirmation from DTC of their purchases. However, beneficial owners are expected to receive written confirmations providing details of their transactions, as well as periodic statements of their holdings, from the direct or indirect participants through which they purchased securities. Transfers of ownership interests in global securities are to be accomplished by entries made on the books of participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates representing their ownership interests in the global

securities, except under the limited circumstances described below.

To facilitate subsequent transfers, all global securities deposited by direct participants with DTC will be registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of securities with DTC and their registration in the name of Cede & Co. or such other nominee will not change the beneficial ownership of the securities. DTC has no knowledge of the actual beneficial owners of the securities. DTC's records reflect only the identity of the direct participants to whose accounts the securities are credited, which may or may not be the beneficial owners. The participants are responsible for keeping account of their holdings on behalf of their customers.

Table of Contents

So long as the securities are in book-entry form, you will receive payments and may transfer securities only through the facilities of the depository and its direct and indirect participants. We will maintain an office or agency in the location specified in the prospectus supplement for the applicable securities, where notices and demands in respect of the securities and the indenture may be delivered to us and where certificated securities may be surrendered for payment, registration of transfer or exchange.

Conveyance of notices and other communications by DTC to direct participants, by direct participants to indirect participants and by direct participants and indirect participants to beneficial owners will be governed by arrangements among them, subject to any legal requirements in effect from time to time.

Redemption notices will be sent to DTC. If less than all of the securities of a particular series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each direct participant in the securities of such series to be redeemed.

Neither DTC nor Cede & Co. (or such other DTC nominee) will consent or vote with respect to the securities. Under its usual procedures, DTC will mail an omnibus proxy to us as soon as possible after the record date. The omnibus proxy assigns the consenting or voting rights of Cede & Co. to those direct participants to whose accounts the securities of such series are credited on the record date, identified in a listing attached to the omnibus proxy.

So long as securities are in book-entry form, we will make payments on those securities to the depository or its nominee, as the registered owner of such securities, by wire transfer of immediately available funds. If securities are issued in definitive certificated form under the limited circumstances described below, we will have the option of making payments by check mailed to the addresses of the persons entitled to payment or by wire transfer to bank accounts in the United States designated in writing to the applicable trustee or other designated party at least 15 days before the applicable payment date by the persons entitled to payment, unless a shorter period is satisfactory to the applicable trustee or other designated party.

Redemption proceeds, distributions and dividend payments on the securities will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit direct participants accounts upon DTC's receipt of funds and corresponding detail information from us on the payment date in accordance with their respective holdings shown on DTC records. Payments by participants to beneficial owners will be governed by standing instructions and customary practices, as is the case with securities held for the account of customers in bearer form or registered in street name. Those payments will be the responsibility of participants and not of DTC or us, subject to any statutory or regulatory requirements in effect from time to time. Payment of redemption proceeds, distributions and dividend payments to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC, is our responsibility, disbursement of payments to direct participants is the responsibility of DTC, and disbursement of payments to the beneficial owners is the responsibility of direct and indirect participants.

Except under the limited circumstances described below, purchasers of securities will not be entitled to have securities registered in their names and will not receive physical delivery of securities. Accordingly, each beneficial owner must rely on the procedures of DTC and its participants to exercise any rights under the securities and the indenture.

The laws of some jurisdictions may require that some purchasers of securities take physical delivery of securities in definitive form. Those laws may impair the ability to transfer or pledge beneficial interests in securities.

DTC may discontinue providing its services as securities depository with respect to the securities at any time by giving reasonable notice to us. Under such circumstances, in the event that a successor depository is not obtained, securities certificates are required to be printed and delivered.

Table of Contents

As noted above, beneficial owners of a particular series of securities generally will not receive certificates representing their ownership interests in those securities. However, if:

DTC notifies us that it is unwilling or unable to continue as a depository for the global security or securities representing such series of securities or if DTC ceases to be a clearing agency registered under the Exchange Act at a time when it is required to be registered and a successor depository is not appointed within 90 days of the notification to us or of our becoming aware of DTC's ceasing to be so registered, as the case may be;

we determine, in our sole discretion, not to have such securities represented by one or more global securities; or

an Event of Default has occurred and is continuing with respect to such series of securities, we will prepare and deliver certificates for such securities in exchange for beneficial interests in the global securities. Any beneficial interest in a global security that is exchangeable under the circumstances described in the preceding sentence will be exchangeable for securities in definitive certificated form registered in the names that the depository directs. It is expected that these directions will be based upon directions received by the depository from its participants with respect to ownership of beneficial interests in the global securities.

We have obtained the information in this section and elsewhere in this prospectus concerning DTC and DTC's book-entry system from sources that are believed to be reliable, but we take no responsibility for the accuracy of this information.

ITEM 15. *Indemnification of Directors and Officers*

Subsection (a) of Section 145 of the General Corporation Law of the State of Delaware, or the DGCL, empowers a corporation to indemnify any person who was or is a party or who is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Subsection (b) of Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made

Edgar Filing: Hyatt Hotels Corp - Form S-3ASR

in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145 further provides that to the extent a director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such person shall be indemnified

against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and the indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person's heirs, executors and administrators. Section 145 also empowers the corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify such person against such liabilities under Section 145.

Section 102(b)(7) of the DGCL provides that a corporation's certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. Our amended and restated certificate of incorporation and amended and restated bylaws provide that we will indemnify and advance expenses to our directors, officers and employees to the fullest extent permitted by Delaware law in connection with any threatened, pending or completed action, suit or proceeding to which such person was or is a party or is threatened to be made a party by reason of the fact that he or she is or was our director, officer or employee, or is or was serving at our request as a director, officer, employee or agent of another corporation or enterprise. In addition, members of our board of directors and compensation committee are also indemnified for actions under our Second Amended and Restated Hyatt Hotels Corporation Long-Term Incentive Plan, as amended.

We currently have directors' and officers' liability insurance policy to insure our directors and officers against liability for actions or omissions occurring in their capacity as a director or officer, subject to certain exclusions and limitations.

ITEM 16. Exhibits

(a) *Exhibits*

A list of exhibits filed with this registration statement on Form S-3 is set forth on the Exhibit Index and is incorporated herein by reference.

ITEM 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Table of Contents

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii), and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is a part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

- (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of securities:

(i) The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

Edgar Filing: Hyatt Hotels Corp - Form S-3ASR

- (A) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (B) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (C) The portion of any other free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(6) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
