**Item 7.01. Regulation FD Disclosure.**

On March 5, 2015, Altria Group, Inc. issued the press release attached as Exhibit 99.2 hereto and incorporated herein by reference.

In accordance with General Instruction B.2 of Form 8-K, the information in Item 7.01 of this Current Report on Form 8-K, including Exhibit 99.2 hereto, shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. The information in Item 7.01 of this Current Report on Form 8-K shall not be incorporated by reference into any filing or other document pursuant to the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing or document.

**Item 8.01. Other Events.**

Pricing of Tender Offer

On March 4, 2015, Altria Group, Inc. ( Altria ) issued a press release announcing the reference yield and total consideration for its previously announced cash tender offer (the Tender Offer ) for any and all of its senior unsecured 9.700% Notes due 2018 (the Notes ). A copy of the press release is attached as Exhibit 99.1 hereto and is incorporated herein by reference.

Expiration of Tender Offer

On March 5, 2015, Altria issued a press release announcing the expiration of the Tender Offer. The Tender Offer expired at 5:00 p.m., New York City time, on Wednesday, March 4, 2015. A copy of the press release is attached as Exhibit 99.2 hereto and is incorporated herein by reference, except for the section 2015 First Quarter Charge and Full-Year EPS Guidance.

This Current Report on Form 8-K is neither an offer to sell nor a solicitation of offers to buy any securities. The Tender Offer was made only pursuant to the Offer to Purchase, the related Letter of Transmittal and the Notice of Guaranteed Delivery.

2015 First Quarter Charge and Full-Year EPS Guidance

Altria will record a one-time, pre-tax charge against reported earnings in the first quarter of 2015 of approximately \$230 million, or \$0.07 per share, reflecting the loss on early extinguishment of debt related to the Tender Offer.

Altria reaffirms its previously announced guidance that its 2015 full-year adjusted diluted earnings per share ( EPS ) growth rate is expected to be in the range of 7% to 9% over 2014 full-year adjusted diluted EPS. This forecasted growth rate excludes the net expenses in the table below.

The factors described in the Forward-Looking and Cautionary Statements section of the press release attached as Exhibit 99.2 hereto represent continuing risks to this forecast.

**Expense (Income), Net Excluded from Adjusted Diluted EPS**

	<b>2015</b>	<b>2014</b>
NPM Adjustment Items	\$	\$ (0.03)
Asset impairment, exit, integration and acquisition-related costs		0.01
Tobacco and health litigation items <sup>1</sup>	0.02	0.01
SABMiller special items		0.01
Loss on early extinguishment of debt	0.07	0.02
Tax items		(0.01)
	<b>\$ 0.09</b>	<b>\$ 0.01</b>

<sup>1</sup> The 2015 amount represents a provision that will be recorded by Philip Morris USA Inc. ( PM USA ) in the first quarter of 2015 related to PM USA 's previously announced tentative agreement to resolve approximately 415 pending federal *Engle* progeny cases.

Altria reports its financial results in accordance with U.S. generally accepted accounting principles ( GAAP ). Altria 's management reviews certain financial results, including diluted EPS, on an adjusted basis, which exclude certain income and expense items that management believes are not part of underlying operations. These items may include, for example, loss on early extinguishment of debt, restructuring charges, SABMiller plc ( SABMiller ) special items, certain tax items, charges associated with tobacco and health litigation items, and settlements of, and determinations made in connection with, certain non-participating manufacturer ( NPM ) adjustment disputes (such settlements and determinations are referred to collectively as NPM Adjustment Items ). Altria 's management does not view any of these special items to be part of Altria 's sustainable results as they may be highly variable, are difficult to predict and can distort underlying business trends and results. Altria 's management believes that these adjusted financial measures provide useful insight into underlying business trends and results and provide a more meaningful comparison of year-over-year results. Altria 's management uses adjusted financial measures for planning, forecasting and evaluating business and financial performance, including allocating resources and evaluating results relative to employee compensation targets. These adjusted financial measures are not consistent with GAAP, and should thus be considered as supplemental in nature and not considered in isolation or as a substitute for the related financial information prepared in accordance with GAAP.

Altria 's full-year adjusted diluted EPS guidance excludes the impact of certain income and expense items, including those items noted in the preceding paragraph. Altria 's management cannot estimate on a forward-looking basis the impact of these items on Altria 's reported diluted EPS because these items, which could be significant, are difficult to predict and may be highly variable. As a result, Altria does not provide a corresponding GAAP measure for, or reconciliation to, its adjusted diluted EPS guidance.

**Item 9.01. Financial Statements and Exhibits.**

**(d) Exhibits**

- 99.1 Altria Group, Inc. Press Release, dated March 4, 2015 (filed pursuant to Item 8.01)
