- (1) It is anticipated that at the Effective Date, all Expected Subsidiary Guarantors which are corporations will be converted into limited liability companies.

2. Securities Act Exemption Applicable.

Prior to the Effective Date, the Applicants intend to offer, under the terms and subject to the conditions set forth in the Disclosure Statement and the Plan of Reorganization, an aggregate principal amount of up to \$306.0 million of Notes to holders of claims under CEOC's 11.25% Senior Secured Notes due 2017, 8.50% Senior Secured Notes due 2020 and 9.00% Senior Secured Notes due 2020 (collectively, the *Claims*). The Notes will be issued pursuant to the indenture to be qualified under this Form T-3 (the *Indenture*), a copy of which will be filed by amendment as Exhibit T3C to this application.

Generally, Section 1145(a)(1) of the Bankruptcy Code exempts an offer and sale of securities under a plan of reorganization from registration under the Securities Act of 1933, as amended (the *Securities Act*), and state securities laws if three principal requirements are satisfied: (i) the securities must be offered and sold under a plan of reorganization and must be securities of the debtor, an affiliate participating in a joint plan of reorganization with the debtor or a successor to the debtor under the plan of reorganization; (ii) the recipients of the securities must hold a prepetition or administrative expense claim against the debtor or an interest in the debtor; and (iii) the securities must be issued entirely in exchange for the recipient's claim against or interest in the debtor, or principally in such exchange and partly for cash or property. The Applicants believe that the offer of the Notes under the solicitation of acceptances for the Plan of Reorganization and the exchange of the Claims for Notes, together with certain other consideration, under the Plan of Reorganization will satisfy the requirements of Section 1145(a)(1) of the Bankruptcy Code and, therefore, such offer and exchange is exempt from the registration requirements referred to above. To the extent that the solicitation of acceptances of the Plan of Reorganization constitutes an offer of new securities not exempt from registration under Section 1145(a)(1) of the Bankruptcy Code, the Applicants will also rely on Section 4(a)(2) of the Securities Act and, to the extent applicable, Regulation D promulgated thereunder.

(i) there is a default in any payment of interest on any Note when the same becomes due and payable, and such default continues for a period of 30 days;

(ii) there is a default in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(iii) the failure by the Issuer or any Restricted Subsidiary to comply for 60 days after notice with its other agreements contained in the Notes or the Indenture (other than a default referred to in clause (i) or (ii) above); *provided* that in the case of a failure to comply with Section 4.02 Reports and Other Information, such period of continuation of such default or breach shall be 150 days after written notice described in this clause (iii) has been given;

(iv) the failure by the Issuer or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay any Indebtedness (other than Indebtedness owing to the Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds \$50.0 million or its foreign currency equivalent;

(v) either the Issuer or a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(1) commences a voluntary case;

(2) consents to the entry of an order for relief against it in an involuntary case;

(3) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(4) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency;

(vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(1) is for relief against either the Issuer or a Significant Subsidiary in an involuntary case;

(2) appoints a Custodian of either the Issuer or a Significant Subsidiary or for any substantial part of their property; or

(3) orders the winding up or liquidation of either the Issuer or a Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days;

(vii) failure by the Issuer or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$50.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days;

(viii) the Note Guarantee of a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) ceases to be in full force and effect (except as contemplated by the terms thereof);

(ix) unless all of the Collateral has been released from the First Priority Liens in accordance with the provisions of Article XI, the First Priority Liens on any material Collateral cease to be valid or enforceable and such Default continues for 30 days, or the Issuer shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable and, in the case of any such Person that is a Subsidiary of the Issuer, the Issuer fails to cause such Subsidiary to rescind such assertions within 30 days after the Issuer has actual knowledge of such assertions (in each case, other than any releases contemplated by the terms thereof);

(x) the failure by the Issuer or any Subsidiary Guarantor to comply for 60 days after notice with its other agreements contained in the Security Documents except for a failure that would not be material to the holders of the Notes and would not materially affect the value of the Collateral taken as a whole; or

(xi) the occurrence of a Holdco Covenant Breach or a Holdco Filing.

However, a default under clauses (iii) or (x) above shall not constitute an Event of Default until the Trustee or the holders of 30% in principal amount of outstanding Notes notify the Issuer of the default and the Issuer does not cure such default within the time specified in clauses (iii) or (x) listed above after receipt of such notice.

If an Event of Default (other than an Event of Default specified in clauses (v) or (vi) listed above with respect to the Issuer) occurs and is continuing, the Trustee or the holders of at least 30% in principal amount of outstanding Notes by notice to the Issuer may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (1) five Business Days after the giving of written notice to the Issuer and the Representative under the Credit Agreement and (2) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately.

If an Event of Default specified in clauses (v) or (vi) listed above with respect to the Issuer occurs, the principal of, premium, if any, and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the Trustee or any holders.

Under certain circumstances, the holders of a majority in principal amount of outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

In the event of any Event of Default specified in clause (iv) listed above, such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the holders of the Notes, if within 20 days after such Event of Default arose the Issuer delivers an Officer's Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Notes as described above be annulled, waived or rescinded upon the happening of any such events.

Provided the Notes are not then due and payable by reason of a declaration of acceleration, the holders of a majority in principal amount of the Notes by written notice to the Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Note, (b) a Default arising from the failure to redeem or purchase any Note when required pursuant to the terms of the Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each holder affected. When a Default is waived, it is deemed cured and the Issuer, the Trustee and the holders will be restored to their former positions and rights under the Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

If a Default occurs and is continuing and if it is actually known to the Trustee, the Trustee shall mail to each holder notice of the Default within the earlier of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice if it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the holders.

(b) Authentication and Delivery of the Notes; Application of Proceeds.

The Notes to be issued under the Indenture may from time to time be executed on behalf of the Issuer by manual or facsimile signature by one of its proper officers and delivered to the Trustee for authentication and delivery in accordance with the Issuer's order and the Indenture. Each Note shall be dated the date of its authentication, and no Note shall be valid unless authenticated by manual signature of the Trustee, and such signature shall be conclusive evidence that such Note has been duly authenticated under the Indenture. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000. The Trustee may appoint one or more authenticating agents to authenticate the Notes. An authenticating agent may authenticate the Notes whenever the Trustee may do so unless limited by the appointment of such agent.

The Notes will be issued to Holders of Claims. As a result, the Issuer will not realize any proceeds from such issuance.

(c) Release of Collateral.

Pursuant to Article XI of the Indenture, subject to certain subsections of Section 11.04(a) of the Indenture, Collateral may be released from the Lien and security interest created by the Security Documents and the Indenture at any time or from time to time in accordance with the provisions of the Indenture, the Security Documents, the First Lien Intercreditor Agreement and the MLSA Consent Agreement. In addition, upon the request of the Issuer pursuant to an Officer's Certificate certifying that all conditions precedent under the Indenture have been met, the Collateral Agent shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to the Indenture or the Security Documents or the First Lien Intercreditor Agreement or the MLSA Consent Agreement: (1) to enable the Issuer or any Subsidiary Guarantor to consummate the disposition of such property or assets to a Person that is not the Issuer or a Subsidiary Guarantor to the extent not prohibited under the Indenture; (2) to release Excess Proceeds, Collateral Excess Proceeds, Excess Cash Flow and Net Debt Proceeds that remain unexpended after the conclusion of an Asset Sale Offer, Collateral Asset Sale Offer, Excess Cash Flow Offer or Net Debt Proceeds Offer conducted in accordance with the Indenture; (3) in respect of the property and assets of a Subsidiary Guarantor, upon the designation of such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the Indenture and the definition of Unrestricted Subsidiary, and such Subsidiary Guarantor shall be automatically released from its obligations hereunder and under the Security Documents; (4) in respect of the property or assets of the Issuer, upon the release or discharge of the Issuer's Notes Obligations in

accordance with the Indenture; (5) in respect of the property and assets of a Subsidiary Guarantor, upon the release or discharge of the Note Guarantee of such Subsidiary Guarantor in accordance with the Indenture; (6) in respect of any property or assets of the Issuer or a Subsidiary Guarantor that would constitute Collateral but is at such time not subject to a Lien securing First Priority Lien Obligations (other than the Notes Obligations), other than any property or assets that cease to be subject to a Lien securing First Priority Lien Obligations in connection with a Discharge of Senior Lender Claims; *provided* that if such property and assets are subsequently subject to a Lien securing First Priority Lien Obligations (other than Excluded Property), such property and assets shall subsequently constitute Collateral under the Indenture; and (7) as described under Article IX.

(d) Satisfaction and Discharge.

The Issuer may terminate its obligations under the Indenture when (i) either (a) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (b) all of the Notes (x) have become due and payable, (y) will become due and payable at their stated maturity within the remaining term of the then-current Interest Period or (z) if redeemable at the option of the Issuer, are to be called for redemption within the remaining term of the then-current Interest Period under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer and the Issuer has irrevocably deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; *provided*, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of the Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption; (ii) the Issuer and/or the Subsidiary Guarantors have paid all other sums payable under the Indenture and (iii) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent under the Indenture relating to satisfaction and discharge of the Indenture have been complied with.

(e) Evidence of Compliance with Conditions and Covenants.

The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending on December 31, 2017, an Officer's Certificate stating that in the course of the performance by the signer of his or her duties as an Officer of the Issuer he or she would normally have knowledge of any Default and whether or not the signer knows of any Default that occurred during such previous fiscal year. If he or she does, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto. In addition, the Issuer is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any event which would constitute a Default, its status and what action the Issuer is taking or proposes to take with respect thereof.
