Item 1.01. Entry into a Material Definitive Agreement.

In connection with the merger contemplated by the previously-disclosed Agreement and Plan of Merger, dated as of May 15, 2016, by and among Range Resources Corporation (Range), Memorial Resource Development Corp. (MRD), and Medina Merger Sub, Inc. (the Merger), on August 3, 2016, Range commenced offers to certain eligible holders (collectively, the Eligible Holder Offers) of the 5.875% Senior Notes due 2022 issued by MRD (the Existing Notes) to either (a) exchange any and all outstanding Existing Notes for up to \$600 million aggregate principal amount of new senior notes issued by Range or (b) purchase for cash any and all outstanding Existing Notes. Range also commenced a concurrent cash offer (the Concurrent Cash Tender Offer and, together with the Eligible Holder Offers, the Offers) to those holders of the Existing Notes who are not Eligible Holders. Also, in connection with the Offers, Range solicited consents from noteholders to amend the indenture governing the Existing Notes (the Existing Indenture) to eliminate substantially all of the restrictive covenants and certain events of default applicable to the Existing Notes (collectively, the Proposed Amendments).

Based on the receipt of the requisite number of consents in the consent solicitations, on August 23, 2016, MRD and the respective guarantors under the Existing Notes executed a supplement to the Existing Indenture (the Supplemental Indenture) with respect to the Proposed Amendments. The Supplemental Indenture became effective upon execution, but will become operative only upon, among other things, consummation of the proposed Merger described above.

In addition, the Existing Indenture requires MRD to make an offer to repurchase the Existing Notes at 101% of their face amount, plus accrued and unpaid interest, upon the occurrence of a MRD change of control transaction, which would include the Merger. The Proposed Amendments amend the definition of change of control to exclude the Merger, as a result of which the repurchase requirement would not apply to the Merger.

The foregoing summary of the Supplemental Indenture does not purport to be complete and is qualified by reference to the full text of the Supplemental Indenture, which is filed herewith as Exhibit 4.1 hereto and incorporated by reference herein.
