*Equity Purchase Agreement*

On September 26, 2017, the Partnership entered into an equity purchase agreement (the Equity Purchase Agreement) with Westlake Chemical OpCo LP (OpCo) and a subsidiary of Westlake Chemical Corporation (Westlake), whereby the Partnership agreed to purchase an additional 5.0% limited partner interest in OpCo for approximately \$229.2 million (the OpCo Equity Purchase), which the Partnership expects to partially fund using the net proceeds from the Partnership's offering of common units and borrowings under the Partnership's revolving credit facility. OpCo expects to use the proceeds from the OpCo Equity Purchase to repay borrowings under its intercompany debt agreements with Westlake. The OpCo Equity Purchase is conditioned upon the successful completion of the Partnership's offering of common units and is expected to close on or about September 29, 2017.

The terms of the OpCo Equity Purchase were approved by the board of directors of the Partnership's general partner and by the conflicts committee of the board of directors of the Partnership's general partner, which consists entirely of independent directors. The conflicts committee engaged an independent financial advisor and independent legal counsel in its review of the OpCo Equity Purchase.

The foregoing description of the Equity Purchase Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Equity Purchase Agreement, which is attached hereto as Exhibit 2.1 and incorporated herein by reference.
