Merger Agreement

On October 5, 2017, pursuant to the terms of the Merger Agreement, dated June 29, 2017, among D.R. Horton, the Issuer, and Force Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of D.R. Horton (Merger Sub), Merger Sub merged with and into the Issuer (the Merger), with the Issuer surviving the Merger. At the effective time of the Merger (the Effective Time), each share of the Issuer s common stock outstanding immediately prior to the Effective Time (the Predecessor Common Stock) was converted into the right to receive, either

(i) an amount in cash per share of Predecessor Common Stock equal to \$17.75 (the Cash Consideration); or

(ii) one share of Common Stock of the Issuer, in each case at the election of the holder of such share of Predecessor Common Stock, subject to proration procedures applicable to oversubscription and undersubscription for Cash Consideration by stockholders. The aggregate amount of Cash Consideration was equal to \$558,256,373.

At the Effective Time, each award made or otherwise denominated in shares of Predecessor Common Stock (an Equity Award) that was outstanding immediately prior to the Effective Time under the Issuer s benefit plans was cancelled and of no further force or effect as of the Effective Time. In exchange for the cancellation of such Equity Award, the holder of such Equity Award received from the Issuer the Cash Consideration for each share of Predecessor Common Stock underlying such Equity Award (plus payment of cash of all accrued dividend equivalents, if any, with respect to such Equity Awards and, in the case of Equity Awards that were stock options or stock appreciation rights, less the aggregate exercise or strike price thereunder, but not less than \$0), whether or not otherwise vested as of the Effective Time. With respect to any Issuer market-leveraged stock units, the number of shares of Predecessor Common Stock subject to such Equity Awards was determined pursuant to the terms set forth in the applicable award agreements and based on a per share value equal to \$17.75 plus reinvested dividends, if any.

Immediately following the Merger, D.R. Horton held shares of Common Stock representing 75.0% of the outstanding shares of Common Stock and the former holders of the Predecessor Stock held, collectively, shares of Common Stock collectively representing 25.0% of the outstanding shares of Common Stock.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which was filed by the Issuer with the Securities and Exchange Commission on June 29, 2017 as Exhibit 10.1 to the Issuer s 8-K, and is incorporated herein by reference.

Stockholder s Agreement

In connection with to the Merger Agreement, D.R. Horton and the Issuer entered into a Stockholder s Agreement, dated as of June 29, 2017 (the Stockholder s Agreement), the terms of which became effective as of the Effective Time. Under the terms of the Stockholder s Agreement, as of immediately following the Effective Time, and during the Lock-Up Period (as defined below), the Issuer s board of directors (the Board) will consist of five directors, comprised of four individuals designated by D.R. Horton (including the Executive Chairman of the Issuer and at least two independent directors) and one individual, M. Ashton Hudson, who was a member of the Board prior to the Effective Time and was designated by mutual agreement of D.R. Horton and the Issuer (such director or his

replacement, the Legacy Director). Following the Effective Time, at all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Issuer, the Board will have five directors unless otherwise agreed in writing between the Issuer (as approved by a majority of the independent directors on the Board) and D.R. Horton, and D.R. Horton will have the right to designate a number of directors equal to the percentage of the voting securities of the Issuer beneficially owned by D.R. Horton and its affiliates multiplied by the total number of directors that the Issuer would have if there were no vacancies, rounded up to the nearest whole number (and in any event not less than one). D.R. Horton and the Issuer have also each agreed to use their reasonable best efforts to cause at least three of the directors to be considered independent under the rules of the SEC and under applicable listing standards.

In addition, at all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Issuer, no committee of the Board shall have more than three members unless otherwise agreed in writing between the Issuer (as approved by a majority of the independent directors) and D.R. Horton, and each committee of the Board shall include in its membership (i) a number of D.R. Horton designees equal to the percentage of the voting securities of the Issuer beneficially owned by D.R. Horton and its affiliates multiplied by the total number of members that such committee would have if there were no vacancies on such committee, rounded up to the nearest whole number (and in any event not less than one) and (ii) at least one member not designated by D.R. Horton. In addition, at all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Issuer, the Board shall maintain a Nominating and Governance Committee, and the Legacy Director shall be a member of the Nominating and Governance committee for so long as the Legacy Director serves on the Board. During the Lock-Up Period, the Nominating and Governance Committee shall have three members, including the Legacy Director (as long as the Legacy Director is then on the Board) and at least one additional independent director.

The Issuer has also agreed to establish and maintain an investment committee (which will not be considered a committee of the Board) (the Investment Committee), the members of which shall be officers or employees of the Issuer who are (A) experienced professionals in the land acquisition and development business or (B) the Issuer's chief executive officer, chief financial officer, general counsel or president of community development (or any person serving in an equivalent role). The Executive Chairman of the Issuer will be a member of the Investment Committee at all times. The other members of the Investment Committee will be appointed by the Nominating and Governance Committee. The Investment Committee will be vested with sole responsibility over investment decisions of the Issuer involving capital expenditures of \$20,000,000 or less (each, an Investment Committee Approval Transaction). All decisions of the Investment Committee will require the approval of a majority of the members of the Investment Committee. Any investment decision that does not involve an Investment Committee Approval Transaction will be subject to approval by the Board.

For so long as D.R. Horton and its affiliates beneficially own 35% or more of the voting securities of the Issuer, the Issuer and its subsidiaries may not take any of the following actions without the prior written consent of D.R. Horton: (i) declare or make any extraordinary or in-kind dividend other than a dividend on a pro rata basis; (ii) issue any new class of equity or voting securities; (iii) issue equity or equity-linked securities or voting securities (A) in the case of securities issued as employee compensation, constituting 1% or more of the then outstanding shares of Common Stock in any calendar year or (B) in any case, constituting 10% or more of the then-outstanding number of shares of Common Stock; (iv) incur indebtedness above certain levels; (v) select, terminate or remove certain key officers or change their compensation arrangements; (vi) make or approve any fundamental change in the Issuer's business of developing residential and mixed-use real estate; (vii) acquire assets or enter into mergers or similar acquisitions involving capital expenditures in excess of \$20,000,000; (viii) effect or approve any voluntary liquidation, dissolution or winding-up or certain events of bankruptcy or insolvency; (ix) enter

into any strategic alliance or commercial agreement of a nature similar to the Master Supply Agreement (as defined below) with a person other than D.R. Horton; or (x) effect any election of a settlement of the Issuer's 3.75% Convertible Senior Notes due 2020 in connection with an election to convert the notes by a holder thereof.

The foregoing summary of the Stockholder's Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Stockholder's Agreement, which was filed by the Issuer with the Securities and Exchange Commission on June 29, 2017 as Exhibit 10.1 to the Issuer's 8-K, and is incorporated herein by reference.

Master Supply Agreement

In connection with the Merger Agreement, D.R. Horton and Forestar entered into a Master Supply Agreement, dated as of June 29, 2017 (the "Master Supply Agreement"). The terms of the Master Supply Agreement became effective as of the Effective Time, and unless earlier terminated, continue until the earlier of (a) the date that D.R. Horton and its affiliates beneficially own less than 15% of the voting securities of the Issuer and (b) June 29, 2037.

Under the Master Supply Agreement, the Issuer will present to D.R. Horton all lot development opportunities (subject to certain exceptions) that the Issuer desires to acquire and develop that have been approved or conditionally approved by the Investment Committee (a "Forestar Sourced Opportunity"); and D.R. Horton will have the right, but not the obligation, to present the Issuer with lot development opportunities that D.R. Horton desires to acquire for development (if presented to the Issuer, a "D.R. Horton Sourced Opportunity").

The following opportunities are excluded from Forestar Sourced Opportunities: (a) any opportunities, developments or ventures owned, under contract, the subject of a letter of intent or otherwise being pursued, by the Issuer, as of the Effective Time, or (b) any opportunities presented to the Issuer by a third-party builder.

D.R. Horton and the Issuer will collaborate regarding all Forestar Sourced Opportunities and all D.R. Horton Sourced Opportunities, after considering current and future market conditions and dynamics. If the parties agree to pursue a Forestar Sourced Opportunity or a D.R. Horton Sourced Opportunity, such agreement will be evidenced by a mutually agreed upon written development plan prepared at the direction of the Investment Committee (a "Development Plan"), addressing, among other things, the number, size, layout and projected price of lots, phasing, timing, amenities and entitlements, and are referred to as either a "Forestar Sourced Development" or a "D.R. Horton Sourced Development", as the case may be.

D.R. Horton or its affiliates will have (a) a right of first offer ("ROFO") to buy up to 50% of the lots in the first phase (and in any subsequent phase in which D.R. Horton purchased at least 25% of the lots in the previous phase) in each Forestar Sourced Development; and (b) the right to purchase up to 100% of the lots in each D.R. Horton Sourced Development, at the then current fair market price and terms per lot, as mutually agreed to by D.R. Horton and the Issuer. All lots in a Forestar Sourced Development in which a D.R. Horton affiliate participates as a buyer will be equitably allocated among D.R. Horton and any other builders in each phase taking into consideration the location, size and other attributes associated with the lots. The agreement evidencing the ROFO for the lots in the Forestar Sourced Development (the "ROFO Agreement"), and the purchase and sale agreement for the lots in the D.R. Horton Sourced Development (the "PSA"), will be negotiated, finalized and executed as a part of the Development Plan, and in all events the Development Plan will be finalized, and the ROFO Agreement will be negotiated, finalized and executed, prior to the expiration of the feasibility period in any contract

to acquire a Forestar Sourced Development. D.R. Horton will assign to the Issuer on an as-is, where-is basis the contract to acquire a D.R. Horton Sourced Development after the finalization of the Development Plan and PSA for such D.R. Horton Sourced Development.

The Issuer, at its sole cost and expense, will perform and direct, through its employees, agents and contractors, all functions relative to diligence, entitlement, financing, planning, design and construction of all on-site and off-site improvements required for any development.

In addition to termination for breach or mutual agreement of the parties, the Issuer may terminate the Master Supply Agreement at any time that D.R. Horton and its affiliates beneficially own less than 25% of the voting securities of the Issuer.

The foregoing summary of the Master Supply Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Master Supply Agreement, which was filed by the Issuer with the Securities and Exchange Commission on June 29, 2017 as Exhibit 10.2 to the Issuer's 8-K, and is incorporated herein by reference.
