**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

**Agreement and Plan of Reorganization**

On October 12, 2017, First Financial Bankshares, Inc. ( FFIN ), the parent company of First Financial Bank, N.A., Abilene, Texas ( FFB ), Kingwood Merger Sub, Inc., a Texas corporation and wholly-owned subsidiary of FFIN ( Merger Sub ), and Commercial Bancshares, Inc. ( CBI ), the parent company of Commercial State Bank, El Campo, Texas ( CSB ), entered into an Agreement and Plan of Reorganization (the Reorganization Agreement ), providing for FFIN 's acquisition of CBI through a statutory merger (the Merger ). Pursuant to the Reorganization Agreement, FFIN will acquire CBI through the merger of Merger Sub with and into CBI, with CBI surviving the merger as a wholly-owned subsidiary of FFIN. Thereafter, FFIN will cause CBI to merge with and into FFIN, with FFIN surviving the merger and CSB will merge with and into FFB, with FFB as the surviving bank.

The boards of directors of each of FFIN and CBI have approved the Merger and the Reorganization Agreement. Subject to the approval of the Merger by CBI 's shareholders, regulatory approvals, and other closing conditions, the parties anticipate completing the Merger during the first quarter of 2018.

Subject to the terms and conditions set forth in the Reorganization Agreement, at the effective time of the Merger, the outstanding share of CBI common stock will be converted into the right to receive, a number of shares of FFIN common stock at an exchange ratio calculated pursuant to the Reorganization Agreement with an aggregate value of approximately \$59.4 million. The number of shares of FFIN common stock deliverable for each share of CBI common stock will be determined based on a volume-weighted average price of FFIN common stock over a measuring period for the twenty (20) consecutive trading days ending on the fifth business day immediately preceding the closing date. Based on FFIN 's closing stock price of \$45.20 on September 29, 2017, CBI stockholders would have received approximately 0.3875 shares of FFIN common stock for each share of CBI common stock, which would have provided CBI stockholders with aggregate ownership, on a pro forma basis, of approximately 1.95% of the common stock of FFIN following the Merger.

In addition, in connection with the closing, CBI will pay a special dividend to its shareholders of \$15.6 million, which may be increased or decreased for the amount by which CBI 's consolidated shareholders ' equity as of the closing date exceeds or is less than \$42.4 million, after certain adjustments prescribed by the Reorganization Agreement.

The Reorganization Agreement contains representations, warranties, and covenants of CBI and FFIN including, among others, covenants requiring (i) CBI to conduct its business in the ordinary course during the period between the execution of the Reorganization Agreement and the effective time of the Merger or the earlier termination of the Reorganization Agreement, and (ii) CBI not to engage in certain kinds of transactions during such period.

The Reorganization Agreement also provides for customary termination rights for both FFIN and CBI, and further provides that either FFIN or CBI may terminate the Reorganization Agreement under the specified circumstances.

As stated above, the consummation of the Merger is subject to various conditions, including (i) CBI receipt of the requisite approvals of the Reorganization Agreement and Merger by the shareholders of CBI, (ii) receipt of all required regulatory approvals, (iii) the effectiveness of the registration statement to be filed by FFIN with the Securities and Exchange Commission ( SEC ) with respect to the FFIN common stock to be issued in the Merger and (iv) certain officers of CSB entering into employment agreements with FFB. In addition, each party 's obligation to consummate the Merger is subject to certain other conditions, including the accuracy of the representations and warranties of the other party and compliance of the other party with its covenants in all material respects.

All of the members of the board of directors of CBI have entered into a Voting Agreement pursuant to which they have agreed to vote their shares of CBI common stock in favor of the approval and adoption of the Reorganization Agreement and the Merger. The Voting Agreements cover approximately 40% of the outstanding CBI shares. A copy

of the form of the voting agreement is included as Exhibit B to the Reorganization Agreement and is incorporated by reference herein. In addition, all of the non-employee members of the board of directors of CBI have entered into a Director Support Agreement pursuant to which they agree to refrain from harming the goodwill of CBI and to certain post-closing restrictive covenants. A copy of the form of the Director Support Agreement is included as Exhibit C to the Reorganization Agreement and is incorporated by reference herein.

The foregoing descriptions of the Reorganization Agreement, the Voting Agreements and the Director Support Agreements do not purport to be complete and are qualified in their entirety by reference to the full text of the respective agreements, attached hereto as Exhibit 2.1, which are incorporated herein by reference.

### **Cautionary Statement Regarding Representations and Warranties**

The representations, warranties and covenants of each party set forth in the Reorganization Agreement have been made only for purposes of, and were and are solely for the benefit of, the parties to the Reorganization Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Reorganization Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time, and investors should not rely on them as statements of fact. In addition, such representations and warranties (1) will not survive consummation of the Merger, and (2) were made only as of the date of the Reorganization Agreement or such other date as is specified in the Reorganization Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Reorganization Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. Accordingly, the Reorganization Agreement is included with this filing only to provide investors with information regarding the terms of the Reorganization Agreement, and not to provide investors with any other factual information regarding the parties to the Reorganization Agreement, their affiliates or their businesses. The Reorganization Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the parties to the Reorganization Agreement, their affiliates or their businesses, and the Merger that will be contained in, or incorporated by reference into, a registration statement on Form S-4 that will be filed with the SEC and will include a proxy statement of CBI and a prospectus of FFIN, and the Forms 10-K, Forms 10-Q and other filings that FFIN makes with the SEC.
