**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

Effective October 11, 2017, the Board of Directors of the Company approved and adopted the Second Amended and Restated Bylaws of the Company (the Bylaws), amending certain provisions of the Company's existing Amended and Restated Bylaws.

The Bylaws revise the advance notice deadline and related procedural and disclosure requirements by which a stockholder may propose business that is not submitted for inclusion in the Company's proxy materials in connection with an annual meeting of the stockholders and nominations in connection with an annual or special meeting of the stockholders, if the election of directors is included as business to be brought before the special meeting in the notice of meeting. The Bylaws now provide that advance notice of business and nominations for an annual meeting shall be provided not earlier than 120 days and not later than 90 days prior to the one year anniversary of the preceding year's annual meeting. As a result of the amendments, for the 2018 Annual Meeting, notice of such business or nominations must be received by the Company no earlier than December 22, 2017 and no later than January 21, 2018 as set forth more fully in the Bylaws, and must comply with the other requirements set forth in the Bylaws.

The Bylaws also require the stockholder proposing business or nominating directors to provide information about the stockholder's ownership of securities in the Company (including ownership of derivative securities) and material litigation, relationships and interests in material agreements with or involving the Company. Further, the Bylaws require the stockholder to provide additional information regarding any candidate the stockholder proposes to nominate for election as a director, including all information with respect to such nominee that would be required to be set forth in a stockholder's notice if such nominee were a stockholder delivering such notice and a description of any direct or indirect material interest in any material contract or agreement between or among the nominating stockholder and each nominee or his or her respective associates. The Bylaws also require the stockholder to provide information regarding the proposed business and any related agreements between the stockholder and any other beneficial holder. Additionally, the stockholder must update or supplement its notice, if necessary, prior to the stockholder meeting.

The Bylaws also include the following amendments:

the holders of a majority of the stock issued and outstanding and entitled to vote at any meeting of stockholders, present in person or by proxy, shall constitute a quorum;

Edgar Filing: FLOTEK INDUSTRIES INC/CN/ - Form 8-K

nominees for director must provide (i) certain background information and (ii) representations regarding disclosure of voting and compensation arrangements and compliance with the Company's policies and guidelines;

Delaware is the exclusive forum for certain stockholder actions; and

certain technical, conforming, modernizing and clarifying changes.

The foregoing description of the amendments is qualified in its entirety by reference to the full text of the Bylaws, a copy of which is attached as Exhibit 3.1 to this Current Report on Form 8-K and incorporated herein by reference.
