Item 8.01 Other Events.

On February 12, 2018, CSX Corporation (CSX or the Company) announced that its Board of Directors authorized a ten percent increase in its quarterly dividend from \$0.20 per share of common stock to \$0.22 per share of common stock. The new \$0.22 quarterly dividend will be payable on March 15, 2018 to shareholders of record at the close of business on March 1, 2018.

Additionally, on February 12, 2018, the CSX Board of Directors increased its current share repurchase program to \$5 billion. This authorization expands the Company's \$1.5 billion share repurchase program, which was previously announced on October 25, 2017. Management expects to complete the expanded \$5 billion share repurchase program by the end of the first quarter of 2019, and plans to fund the repurchases using a combination of free cash flow and debt financing.

The repurchases may be made through a variety of methods including, but not limited to, open market purchases, purchases pursuant to Rule 10b5-1 plans, accelerated share repurchases and negotiated block purchases. The timing of share repurchases depends upon marketplace conditions and other factors, and the program remains subject to the discretion of the Board of Directors.

If the Company updates any forward-looking statement, no inference should be drawn that the Company will make additional updates with respect to that statement or any other forward-looking statements.

Forward-looking statements are subject to a number of risks and uncertainties, and actual performance or results could differ materially from that anticipated by any forward-looking statements.
