If you give instructions, your votes will be cast in accordance with your instructions. If you return your signed Proxy Card without instructions, your votes will be cast (i) **FOR** the election of the four Directors named in Proposal 1 and (ii) **FOR** the ratification of the selection of an independent registered public accounting firm for the Corporation (Proposal 2). Your votes will be cast in the discretion of the Proxy holders on any other matter that may properly have come before the Meeting and any postponement or adjournment thereof, including, but not limited to, proposing and/or voting on the adjournment or postponement of the Meeting with respect to one or more Board proposals in the event that sufficient votes in favor of any Board proposal are not received. If you authorize your proxy by telephone or through the Internet, you may revoke it by authorizing a subsequent proxy by telephone or Internet, by completing, signing and returning a proxy card dated as of a date that is later than your last telephone or Internet proxy authorization or by attending the Meeting and casting your vote in person. Attending the Meeting will not automatically revoke your prior proxy.

The close of business on February 27, 2018 has been fixed as the record date for the determination of Stockholders entitled to notice of, and to vote at, the Meeting and any adjournment or postponement thereof. On that date, the Corporation had outstanding 752,740 shares of \$2.50 cumulative preferred stock (the Preferred Stock ), each share being entitled to two votes, and 54,768,183.898 shares of common stock, par value \$0.50 (the Common Stock ), each share being entitled to one vote. The presence in person or by proxy of Stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall constitute a quorum. In the event that a quorum is not present at the Meeting or, even if a quorum is so present, in the event that sufficient votes in favor of any Board proposal (including the election of each of the Board s nominees for Director) are not received and tabulated prior to the time the Meeting is called to order, the chairman of the Meeting may adjourn the Meeting with no notice other than an announcement at the Meeting and further solicitation may be made with respect to such Board proposal. If a vote to adjourn the

Meeting with respect to one or more of the Board's proposals is called, the votes of Stockholders indicating a vote for, or not providing instructions with respect to, a Board proposal in their Proxies will be cast for adjournment with respect to that proposal and votes of Stockholders indicating a vote against such a Board proposal will be cast against adjournment with respect to that proposal.

## **Proposal 1**

### **Election of Directors**

The Corporation's Stockholders elect members of the Corporation's Board of Directors (the Board) that oversee the Corporation's operations. The Board is presently comprised of nine Directors. Under the current Board policy, Directors not affiliated with the Manager generally serve through the end of the calendar year in which they reach either the mandatory retirement age established by the Board or the fifteenth anniversary of the first Columbia Funds Board meeting they attended as a member of the Board. The Board is divided into three classes, each of which currently consists of three Directors. Members of each class hold office for a term of three years and until their successors are elected and qualify. The term of one class expires each year.

At the Meeting, four Directors are to be elected. Mr. Edward J. Boudreau, Jr., whose term will expire in 2020, and Mr. George S. Batejan and Ms. Kathleen Blatz and Pamela G. Carlton, each of whose current term will expire at this Meeting, have been unanimously recommended by the Board Governance Committee of the Board and by the Board for election to their respective classes until the expiration of their terms, and when their successors are elected and qualify. The holders of the Corporation's Common Stock and Preferred Stock vote together as a single class on the election of directors.

If you return your signed Proxy Card without instructions, it is the intention of the persons named in the accompanying form of Proxy to nominate and to cast your votes for the election of each of Ms. Blatz and Carlton and Messrs. Batejan and Boudreau. Ms. Blatz and Carlton were last elected by Stockholders at the 2015 Annual Meeting. Messrs. Batejan and Boudreau were unanimously appointed by the Board to serve as members of the Board effective January 1, 2018, filling the seats vacated by the Board's prior Chairman, Mr. William A. Hawkins, and Ms. Alison Taunton-Rigby, respectively, upon their retirement from the Board on December 31, 2017. Mr. Boudreau currently serves as the Board's Chairman. Each nominee has agreed to

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

continue to serve if elected. There is no reason to believe that any of the nominees will become unavailable for election as a Director of the Corporation, but if that should occur before the Meeting, votes will be cast for the persons the Board Governance Committee and the Board recommend.

Background information regarding Ms. Blatz and Carlton and Messrs. Batejan and Boudreau, as well as the other Directors of the Corporation, follows. Each member, except Mr. Truscott, currently oversees 125 portfolios in the Columbia Funds Complex managed by Columbia Management, including the Corporation; Mr. Truscott oversees 191 portfolios.

**Responsibilities of Board with respect to Management of the Corporation**

The Board is chaired by an independent Director who has significant additional responsibilities compared to the other Board members, including, among other things: setting the agenda for Board meetings, communicating and meeting regularly with Board members between Board and committee meetings on Corporation-related matters, with the Corporation's Chief Compliance Officer ( CCO ), counsel to the Independent Directors, and representatives of the Corporation's service providers.

The Board initially approves an investment management services agreement and other contracts with the Manager and its affiliates, and other service providers. Once the contracts are approved, the Board monitors the level and quality of services including commitments of service providers to achieve expected levels of investment performance and stockholder services. Annually, the Board evaluates the services received under the contracts by reviewing, among other things, reports covering investment performance, stockholder services, marketing, and the Manager's profitability in order to determine whether to continue existing contracts or negotiate new contracts. The Manager is responsible for day-to-day management and administration of the Corporation and management of the risks that arise from the Corporation's investments and operations. The Board's oversight of the Manager and other service providers in the operation of the Corporation includes oversight with respect to various risk management functions. The Corporation is subject to a number of risks,

including investment, compliance, operational, and valuation risks, among others. Day-to-day risk management functions are subsumed within the responsibilities of the Manager and other service providers (depending on the nature of the risk) who carry out the Corporation's investment management and business affairs. Each of the Manager and other service providers has its own, independent interest in risk management, and its policies and methods of carrying out risk management functions will depend, in part, on its analysis of the risks, functions and business models.

Risk oversight forms part of the Board's general oversight of the Corporation and is addressed as part of various Board and Committee activities. As part of its regular oversight of the Corporation, the Board, directly or through a committee, interacts with and reviews reports from, among others, the Manager, the independent registered public accounting firm for the Corporation, and internal auditors for the Manager or its affiliates, as appropriate, regarding risks faced by the Corporation and relevant risk functions. The Board also meets periodically with the Corporation's CCO, to receive reports regarding the compliance of the Corporation and its principal service providers with the federal securities laws and their internal compliance policies and procedures. The Board, with the assistance of the Investment Review Committee, reviews investment policies in connection with its review of the Corporation's performance, and meets periodically with the portfolio managers of the Corporation to receive reports regarding the management of the Corporation, including various investment risks. As part of the Board's periodic review of the Corporation's advisory and other service provider agreements, as applicable, the Board may consider risk management aspects of their operations and the functions for which they are responsible. In addition, the Board oversees processes that are in place addressing compliance with applicable rules, regulations and investment policies and addresses possible conflicts of interest. The Board met six times during the fiscal year ended December 31, 2017.

The Board recognizes that not all risks that may affect the Corporation can be identified in advance; that it may not be practical or cost-effective to eliminate or mitigate certain risks; that it may be necessary to bear certain risks (such as various investment-related risks) in seeking to achieve the Corporation's investment objectives; and that the processes and controls employed to address certain risks may be limited in their effectiveness. As a result of the foregoing and other factors, the Board's risk management oversight is subject to substantial limitations.

#### **Director Biographical Information and Qualifications**

The following provides an overview of the considerations that led the Board to conclude that each individual serving as a Director should so serve. Generally, no one factor was decisive in the selection of an individual to join the Board. Among the factors the Board considered when concluding that an individual should serve on the Board were the following: (i) the individual's business and professional experience and accomplishments; (ii) the individual's ability to work effectively with the other Directors; (iii) the individual's prior experience, if any, serving on the boards of public companies (including, where relevant, other investment companies) and other enterprises and organizations; and (iv) how the individual's skills, experience and attributes would contribute to an appropriate mix of relevant skills and experience on the Board.

In respect of each current Director, the individual's substantial professional accomplishments and experience were a significant factor in the determination that, in light of the business and structure of the Corporation, the individual should serve as a Director. #### **Committees of the Board**

The Board has organized the following standing committees to facilitate its work: Board Governance Committee, Compliance Committee, Contracts Committee, Executive Committee, Investment Review Committee and Audit Committee. These Committees are comprised solely of independent Directors. The table above providing background on each Director also includes their respective committee assignments. The duties of these committees are described below.

Mr. Boudreau, as Chair of the Board, acts as a point of contact between the independent Directors and the Manager between Board meetings in respect of general matters.

*Board Governance Committee.* Recommends to the Board the size, structure and composition of the Board and its committees; the compensation to be paid to members of the Board; and a process for evaluating the Board's performance. The committee also reviews candidates for Board membership, including candidates recommended by Stockholders. The committee also makes recommendations to the Board regarding responsibilities and duties of the Board, oversees proxy voting and supports the work of the Board Chair in relation to furthering the interests of the Corporation and other funds in the Columbia Funds Complex overseen by the Board and their shareholders.

To be considered as a candidate for Director, recommendations must include a curriculum vitae and be mailed to Edward J. Boudreau, Jr., Chair of the Board, Columbia Funds Complex, 225 Franklin Street, Mail Drop BX 32-05228, Boston, MA 02110. To be timely for consideration by the committee, the submission, including all required information, must be submitted in writing not less than 120 days before the date of the proxy statement for the previous year's annual meeting of Stockholders. The committee will consider only one candidate submitted by such a Stockholder or group for nomination for election at a meeting of Stockholders. The committee will not consider self-nominated candidates or candidates nominated by members of a candidate's family, including such candidate's spouse, children, parents, uncles, aunts, grandparents, nieces and nephews. Stockholders who wish to submit a candidate for nomination directly to the Corporation's Stockholders must follow the procedures described in the Corporation's Bylaws, as posted to the website [www.columbiathreadneedle.com/us](http://www.columbiathreadneedle.com/us).

The committee will consider and evaluate candidates submitted by the nominating Stockholder or group on the basis of the same criteria as those used to consider and evaluate candidates submitted from other sources. The committee may take into account a wide variety of factors in considering director candidates, including (but not limited to): (i) the candidate's knowledge in matters relating to the investment company industry; (ii) any experience possessed by the candidate as a director or senior officer of other public or private companies; (iii) the candidate's educational background; (iv) the candidate's reputation for high ethical standards and personal and professional integrity; (v) any specific financial, technical or other expertise possessed by the candidate, and the extent to which such expertise would complement the Board's existing mix of skills and qualifications; (vi) the candidate's perceived ability to contribute to the ongoing functions of the Board, including the candidate's ability and commitment to attend meetings regularly, work collaboratively with other members of the Board and carry out his or her duties in the best interests of the Corporation; (vii) the candidate's ability to qualify as an independent director; and (viii) such other criteria as the committee determines to be relevant in light of the existing composition of the Board and any anticipated vacancies or other factors.

Members of the committee (and/or the Board) also meet personally with each nominee to evaluate the candidate's ability to work effectively with other members of the Board, while also exercising independent judgment. Although the Board does not have a formal diversity policy, the Board endeavors to comprise itself of members with a broad mix of professional and personal backgrounds. Thus, the committee and the Board accorded particular weight to the individual professional background of each independent Director. The committee held twelve meetings during the fiscal year ended December 31, 2017.

*Compliance Committee.* Supports the Corporation's maintenance of a strong compliance program by providing a forum for independent Directors to consider compliance matters impacting the Corporation or its key service providers; developing and implementing, in coordination with the CCO, a process for the review and consideration of compliance reports that are provided to the Board; and providing a designated forum for the Corporation's CCO to meet with independent Directors on a regular basis to discuss compliance matters. The committee held five meetings during the fiscal year ended December 31, 2017.

*Contracts Committee.* Reviews and oversees the contractual relationships with service providers. Receives and analyzes reports covering the level and quality of services provided under contracts with the Corporation and advises the Board regarding actions taken on these contracts during the annual review process. Reviews and considers, on behalf of all Directors, the Corporation's management contract to assist the Directors in fulfilling their responsibilities relating to the Board's evaluation and consideration of these arrangements. The committee held six meetings during the fiscal year ended December 31, 2017.

*Executive Committee.* Acts, as needed, for the Board between meetings of the Board, and can meet in advance of, and/or for planning, regularly scheduled meetings or other Board matters. The committee did not hold any meetings during the fiscal year ended December 31, 2017.

*Investment Review Committee.* Reviews and oversees the management of the Corporation's assets. Considers investment management policies and strategies; investment performance; risk management techniques;

and securities trading practices and reports any concerns to the Board. The committee held five meetings during the fiscal year ended December 31, 2017.

**Audit Committee.** Oversees the accounting and financial reporting processes of the Corporation and its internal controls over financial reporting. Oversees the quality and integrity of the Corporation's financial statements and independent audits as well as the Corporation's compliance with legal and regulatory requirements relating to the Corporation's accounting and financial reporting, internal controls over financial reporting and independent audits. The committee also makes recommendations regarding the selection of the Corporation's independent registered public accounting firm (*i.e.*, independent auditors) and reviews and evaluates the qualifications, independence and performance of the auditor. The committee oversees the Corporation's risks by, among other things, meeting with the Corporation's internal auditors, establishing procedures for the confidential, anonymous submission by employees of concerns about accounting or audit matters, and overseeing the Corporation's Disclosure Controls and Procedures. This committee acts as a liaison between the independent auditors and the full Board and must prepare an audit committee report. This committee operates pursuant to a written charter, a copy of which is available at [www.columbiathreadneedle.com/us](http://www.columbiathreadneedle.com/us). The members of this committee are independent as required by applicable listing standards of the New York Stock Exchange. The report of the Audit Committee, as approved by the Board on February 20, 2018, is attached to this Proxy Statement as Appendix I. The committee held seven meetings during the fiscal year ended December 31, 2017.

#### Procedures for Communications to the Board of Directors

Minor M. Shaw <sup>(c)</sup>	6,626	0	297,500
Alison Taunton-Rigby <sup>(d)</sup>	6,626	0	312,500

<sup>(a)</sup> For the year ended December 31, 2017, there were 123 portfolios in the Columbia Funds Complex, including the Corporation, overseen by the Directors, except for Mr. Batejan and Mr. Boudreau, who oversaw 121 portfolios, and Mr. Truscott, who oversaw 189 portfolios.

<sup>(b)</sup> Mr. Batejan and Mr. Boudreau each became a Director effective January 1, 2018, and, as such received no compensation from the Corporation prior to such date. Prior to January 1, 2018 (and during 2017), each of Mr. Batejan and Mr. Boudreau served as trustees to certain open-end funds in the Columbia Funds Complex.

<sup>(c)</sup> Ms. Carlton, Ms. Flynn, Mr. Hawkins, Ms. Paglia, and Ms. Shaw elected to defer a portion of the total compensation from the Corporation payable during the period in the amount of \$663, \$6,626, \$1,665, \$2,491 and \$3,313, respectively.

<sup>(d)</sup> Mr. Hawkins and Ms. Taunton-Rigby each served as a Director until December 31, 2017, and stopped receiving compensation from the Corporation and the Columbia Funds Complex as of such date.

No compensation is paid by the Corporation or other funds in the Columbia Funds Complex to Directors or officers of the Corporation or other funds in the Columbia Funds Complex, as applicable, who are employees or officers of the Manager or its affiliates.

The independent Board members determine the amount of compensation that they receive, including the amount paid to the Chairman of the Board. In determining compensation for the independent Board members, the independent Board members take into account a variety of factors including, among other things, their collective significant work experience (e.g., in business and finance, government or academia). The independent Board members also recognize that these individuals' advice and counsel are in demand by other organizations, that these individuals may reject other opportunities because of the demands of their duties as independent Board

members, and that they undertake significant legal responsibilities. The independent Board members also consider the compensation paid to independent board members of other fund complexes of comparable size and, in doing so, they seek to set their compensation from the Columbia Funds Complex at a level that approximates or is lower than the median level of compensation paid by such other comparable complexes. In determining the compensation paid to the Chairman, the independent Board members take into account, among other things, the Chairman's significant additional responsibilities (e.g., setting the agenda for Board meetings, communicating or meeting regularly with the Corporation's CCO, counsel to the independent Board members, and the Corporation's service providers), which result in a significantly greater time commitment required of the Chairman. The Chairman's compensation, therefore, has generally been set at a higher level than the other independent Board members.

The independent Board members, other than the Board Chairman, are paid an annual retainer of \$215,000 with respect to all funds in the Columbia Funds Complex overseen by them, \$10,000 of which is allocated from the Corporation and one other closed-end fund (collectively, the Closed-End Funds) based, in part, on the relative assets of the Closed-End Funds. The independent Directors also receive the following compensation from funds in the Columbia Funds Complex other than the Closed-End Funds: committee Chairs each receive an additional annual retainer of \$20,000 and sub-committee chairs each receive an additional annual retainer of \$5,000. In addition, independent Board members are paid the following fees for attending Board and committee meetings: \$5,000 per day for in-person Board meetings and \$2,500 per day for in-person committee or sub-committee meetings (if such meetings are not held on the same day as a Board meeting). Independent Board members are not paid for special meetings conducted by telephone. The Board's Chairman will receive total annual cash compensation of \$425,000, of which \$10,000 is allocated from the Closed-End Funds.

The independent Board members may elect to defer payment of up to 100% of the compensation they receive in accordance with a Deferred Compensation Plan (the Deferred Plan). Under the Deferred Plan, a Board member may elect to have his or her deferred compensation treated as if it had been invested in shares of one or more of the funds in the Columbia Funds Complex, and the amount paid to the Board member under the Deferred Plan will be determined based on the performance of such investments. Distributions may be taken in a lump sum or over a period of years. The Deferred Plan will remain unfunded for federal income tax purposes under the Internal Revenue Code of 1986, as amended. It is anticipated that deferral of Board member compensation in accordance with the Deferred Plan will have, at most, a negligible impact on the Corporation's assets and liabilities.

The Corporation's Bylaws require each Director to be elected by the affirmative vote of the holders of a majority of the votes entitled to be cast in the election of a Director.

**Ratification of Selection of Independent Registered Public Accounting Firm**

On February 20, 2018, the Audit Committee of the Board of Directors recommended and the Board of Directors, including a majority of those members who are not interested persons of the Corporation (as defined in the 1940 Act), approved PricewaterhouseCoopers LLP (PwC) as the independent registered public accounting firm to serve as auditors of the Corporation for 2018. PwC began service as the Corporation's independent registered public accounting firm effective in the third quarter of 2012.

Neither the Corporation's Charter nor its Bylaws require that Stockholders ratify the selection of PwC as the Corporation's independent registered public accounting firm. The Board of Directors is submitting this matter to

the Stockholders as a matter of good corporate practice. If the Stockholders do not ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain PwC, but may determine to nonetheless continue to retain PwC. Even if the selection is ratified, the Audit Committee and the Board in their discretion may change the selection at any time during the year if they determine that such change would be in the best interests of the Corporation. If no other instructions are provided, it is intended that the persons named in the accompanying form of proxy will vote FOR the ratification of the selection of PwC. A representative of PwC will be in attendance at the Meeting and will have the opportunity to make a statement and to respond to appropriate questions.

As the Corporation's independent accountant, PwC must meet regulatory requirements relating to independence, including the SEC's auditor independence rules which prohibit accounting firms from having certain financial relationships with their audit clients and affiliated entities. Specifically, as interpreted by SEC staff, under Rule 2-01(c)(1)(ii)(A) of Regulation S-X (the Loan Rule), an accounting firm would not be considered independent if it receives a loan from a lender or an affiliate of a lender that is a record or beneficial owner of more than ten percent of the audit client's equity securities. PwC has advised the Audit Committee of the Board that PwC and certain of its affiliates have loans from lenders who are also record owners of more than 10% of the shares issued by several funds in the Columbia Funds Complex or certain other entities within the Ameriprise Financial investment company complex; however, management is not aware of any such lenders having an ownership interest in the Corporation of more than 10% of its outstanding shares.

On June 20, 2016, the SEC staff issued a no-action letter (the First Loan Rule No-Action Letter) confirming that it would not recommend that the SEC commence enforcement action against a fund that continues to fulfill its regulatory requirements under the federal securities laws by using audit services performed by an audit firm that is not in compliance with the Loan Rule, provided that: (1) the audit firm has complied with Public Company Accounting Oversight Board (PCAOB) Rule 3526(b)(1) and 3526(b)(2) or, with respect to any fund or entity to which Rule 3526 does not apply, has provided substantially equivalent communications; (2) the audit firm's non-compliance under the Loan Rule is limited to certain lending relationships; and (3) notwithstanding such non-compliance, the audit firm has concluded that it is objective and impartial with respect to the issues encompassed within its engagement. Although the First Loan Rule No-Action Letter was issued to one fund complex, it is generally available to other fund complexes. On September 22, 2017, the SEC staff issued a second no-action letter (together with the First Loan Rule No-Action Letter, the Loan Rule No-Action Letter) extending the relief under the Loan Rule No-Action Letter indefinitely.

After evaluating the facts and circumstances related to the Loan Rule and PwC's lending relationships, PwC advised the Audit Committee of the Board that (1) PwC is independent with respect to the Corporation, within the meaning of PCAOB Rule 3520, (2) PwC has concluded that it is objective and impartial with respect to the issues encompassed within its engagement, including the audit of the Corporation's financial statements, and (3) PwC believes that it can continue to serve as the Corporation's independent registered public accounting firm. Furthermore, based on its knowledge and analyses of the facts and circumstances, PwC has confirmed that it is not aware of any facts that would preclude reliance by the Corporation on the Loan Rule No-Action Letter. It is the Corporation's understanding that issues under the Loan Rule affect other major accounting firms and many other investment company complexes. It is anticipated that an ultimate resolution of the issues under the Loan Rule will be achieved; however, if PwC were determined not to be independent or the Corporation were unable to rely on the Loan Rule No-Action Letter or some form of exemptive relief, among other things, the financial statements audited by PwC may have to be audited by another independent registered public accounting firm and the Fund could incur additional expense and other burdens on its operations.

PwC has audited the 2017 annual financial statements of the Corporation and provided tax and other non-audit services to the Corporation. PwC has also rendered audit and non-audit services to the Manager and other entities controlling, controlled by, or under common control with the Manager (together, the Affiliated Service Providers).

In making its recommendation, the Audit Committee considered whether the provision by PwC to the Corporation of non-audit services or of professional services to the Affiliated Service Providers is compatible with maintaining the accountants' independence and has discussed the accountants' independence with them.

**Principal Accountant Fees and Services**

Unless otherwise indicated, aggregate fees billed to the Corporation for professional services provided to the Corporation for 2017 and 2016 by PwC were as follows:

	2017	2016
AUDIT FEES*	\$ 37,375	\$ 37,250
AUDIT-RELATED FEES*		400
TAX FEES*	6,155	4,335
ALL OTHER FEES*		

\* 100% of the services performed during 2017 and 2016 were pre-approved by the Audit Committee. Audit fees include amounts related to the audit of the Corporation's annual financial statements and services normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings or engagements. Audit-related fees are for audit-related services related to the Corporation's semi-annual financial statements. Tax fees include amounts related to tax compliance services rendered for the Corporation.

The Audit Committee is required to pre-approve audit and non-audit services performed for the Corporation by PwC. The Audit Committee also is required to pre-approve certain non-audit services performed for Columbia Management or any entity controlling, controlled by, or under common control with Columbia Management that provide services to the Corporation and such services are directly related to the operations and financial reporting of the Corporation. Amounts pre-approved for such services were \$225,000 in 2016 and \$864,000 in 2017 for audit related services that primarily consist of internal controls reviews. The Audit Committee pre-approves permitted services at each regularly scheduled meeting, as needed. In instances where a permitted service requires pre-approval prior to a regularly scheduled meeting, pre-approval authority is delegated to Ms. Carlton (the Committee Chair). Any such pre-approval decision is reported to the Audit Committee at its next scheduled meeting. Notwithstanding the foregoing, under certain circumstances, preapproval of non-audit services of de minimis amount is not required.

The affirmative vote of a majority of the votes cast at the Meeting is required to ratify the selection of PwC as independent registered public accounting firm for the Corporation.

**TRI-CONTINENTAL CORPORATION**

**AUDIT COMMITTEE REPORT**

The Audit Committee operates pursuant to a written charter that was last amended by the Corporation's Board of Directors ( Board ) at a November 2017 meeting. The purposes of the Audit Committee are 1) (i) to oversee the accounting and financial reporting processes of the Corporation and its internal control over financial reporting; (ii) to oversee or assist Board oversight of the quality and integrity of the Corporation's financial statements and the independent audits thereof; (iii) to oversee or assist Board oversight of the Corporation's compliance with legal and regulatory requirements that relate to the Corporation's accounting and financial reporting, internal control over financial reporting and independent audits; (iv) to approve the engagement of the Corporation's independent auditors and to review and evaluate the qualifications, independence and performance of the independent auditors; and (v) to act as liaison between the independent auditors and the full Board; and 2) to furnish this report. Management of the Corporation is responsible for the preparation, presentation and integrity of the Corporation's financial statements, the Corporation's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Corporation's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors of the Corporation. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Corporation's independent auditors to the Manager and to any entity controlling, controlled by or under common control with the Manager that provides ongoing services to the Corporation is compatible with maintaining the auditors' independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding independence, and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not full-time employees of the Corporation and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Corporation's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Corporation's auditors are in fact independent.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above, the Audit Committee recommends the inclusion of the audited financial statements of the Corporation in the Corporation's annual report to Stockholders for the most recent fiscal year.
