**Item 1.01 Entry into Material Definitive Agreement.**

***Restructuring Support Agreement***

On March 16, 2018, iHeartMedia, Inc. ( iHeartMedia ) and its subsidiaries that filed voluntary petitions for reorganization under Chapter 11 of the United States Bankruptcy Code on March 14, 2018, including iHeartCommunications, Inc. ( iHeartCommunications ) (collectively, the Company Parties ), entered into a Restructuring Support Agreement (the RSA ) with creditors and equityholders (the Consenting Sponsors ). The RSA relates to the restructuring and recapitalization of the Company Parties (the Restructuring Transactions ), which will be implemented in the Chapter 11 proceedings.

The parties supporting the RSA hold approximately 82% of the aggregate principal amount of iHeartCommunications Term Loan D and Term Loan E facilities (the Term Loan Group ), approximately 70% of the aggregate principal amount of iHeartCommunications priority guarantee notes (the PGN Group, and together with the Term Loan Group, the Term Loan/PGN Group ), and approximately 73% of the aggregate principal amount of iHeartCommunications legacy notes and senior notes due 2021, including 6% held by subsidiaries of iHeartCommunications (collectively with the Term Loan/PGN Group but excluding the subsidiaries of iHeartCommunications, the Consenting Creditors, and together with the Consenting Sponsors, the Consenting Stakeholders ). The parties supporting the RSA hold approximately \$11.9 billion of iHeartCommunication s outstanding indebtedness (including outstanding indebtedness held by subsidiaries of iHeartCommunications).

Pursuant to the RSA, the Consenting Stakeholders have agreed to, among other things, (i) support the Restructuring Transactions and vote in favor of any matter requiring approval to implement the Restructuring Transactions; (ii) use commercially reasonable efforts to cooperate with and assist the Company Parties in obtaining additional support for the Restructuring Transactions from other stakeholders; (iii) solely with respect to the Term Loan/PGN Group and the group of holders of the senior notes due 2021, consult and coordinate in good faith with the Company Parties regarding an alternative restructuring proposal; (iv) refrain from taking any action, except as provided by the RSA, with respect to the proceedings listed in the RSA by or against iHeartCommunications and certain of the Consenting Stakeholders (collectively, the Texas Litigation ); and (v) vote in favor of the Chapter 11 plan of reorganization to effect the Restructuring Transactions (the Plan ). In addition, the Consenting Stakeholders agreed not to impede or take any other action to interfere with the acceptance, implementation, or consummation of the Restructuring Transactions; encourage alternative restructuring proposals; initiate any litigation or proceeding that is inconsistent with the RSA; or interfere with the Company Parties ownership and possession of their assets. The Consenting Stakeholders also agreed to not object to any consistent alternative proposal, which is an alternative restructuring proposal that provides for distributions to holders of claims of iHeartCommunications legacy notes and senior notes due 2021 (the Junior Debt Claims ) and equityholders of a value no less than their pro rata share of the value of their corresponding recoveries under the RSA and treats holders of claims with respect to iHeartCommunications Term Loan D and E facilities ( Term Loan Credit Facility Claims ) and claims with respect to iHeartCommunications priority guarantee notes (the PGN Claims ) in compliance with applicable law.

Pursuant to the RSA, the Company Parties agreed to, among other things, (i) support and take all steps reasonably necessary and desirable to confirm the Plan and consummate the Restructuring Transactions in accordance with the RSA; (ii) use commercially reasonable efforts to obtain any and all required regulatory and/or third-party approvals for the Restructuring Transactions; (iii) use commercially reasonable efforts to seek additional support for the Restructuring Transactions; (iv) inform Consenting Stakeholders of the status of the Restructuring Transactions, negotiations of definitive documents and desirable authorizations and certain other events; (v) consult and coordinate in good faith with the Term Loan/PGN Group regarding any alternative restructuring proposal; and (vi) refrain from taking any action, except as provided by the RSA, with respect to the Texas Litigation.

The RSA will terminate automatically on the earlier of (i) 365 days from the commencement of the Chapter 11 cases (the Outside Date ) and (ii) the effective date of the Plan.

The Company Parties may also terminate the RSA upon the occurrence of the following: (a) subject to a cure period, a Consenting Stakeholder breaches its obligations under the RSA; (b) the governing body of any Company Party determines that proceeding with the Restructuring Transactions would be inconsistent with its fiduciary duties or applicable law; (c) the Consenting Creditors holding Term Loan Credit Facility Claims and PGN Claims do not immediately seek an extension of any deadline, order, or proceeding in the Texas Litigation that would require any party to take any action in the Texas Litigation; (d) the issuance by any government authority enjoining the consummation of a material portion of the Restructuring Transactions; or (e) the Bankruptcy Court enters an order denying confirmation of the Plan, each subject to the terms set forth therein.

A required percentage of each group of Consenting Stakeholders may also terminate the RSA upon the occurrence of the following: (a) subject to a cure period stated in the RSA, a Company Party breaches its obligations under the RSA in a manner adverse to the group of Consenting Stakeholders seeking termination; (b) the Company Parties withdraw the Plan or publicly announce their intention not to support the Restructuring Transactions; (c) any Company Party determines that its governing body taking any action or refraining from taking any action with respect to the Restructuring Transactions would be inconsistent with its fiduciary duties or applicable law; (d) any government authority issues an order enjoining the consummation of a material portion of the Restructuring Transactions; (e) the Bankruptcy Court enters an order denying confirmation of the Plan and certain other adverse events in the Chapter 11 cases occur; (f) the failure of any milestone; (g) the termination of the Company Parties' right to consensually use cash collateral; and (h) solely with respect to Consenting Creditors holding Term Loan Credit Facility Claims and PGN Claims, any Company Party does not immediately seek an extension of any deadline, order, or proceeding in the Texas Litigation that would require any party to take any action in the Texas Litigation.
