Shareholders who did not receive this Internet Notice will receive the annual general meeting materials by mail, including our proxy statement, proxy card and annual report.

Our proxy statement contains detailed information about the business to be conducted at the annual general meeting. To assure that your shares are represented at the annual general meeting, we urge you to exercise your vote by Internet, telephone or mail by following the instructions included on page 2 of the proxy statement and in the Internet Notice or proxy card that you received. If you are able to attend the annual general meeting and wish to vote your shares personally, you may do so at any time before the proxy is voted at the annual general meeting. PROXY STATEMENT

For the 2018 Annual General Meeting of Shareholders To Be Held On
May 18, 2018

GENERAL INFORMATION ABOUT THE MEETING

Date, Time and Place of Annual General Meeting. The Board of Directors, or the Board, of Aircastle Limited, an exempted Bermuda company, or the Company or Aircastle, is soliciting proxies to be voted at the 2018 Annual General Meeting of Shareholders, or the Annual Meeting, to be held at 10:00 a.m. Eastern Daylight Time, on May 18, 2018, at 201 Tresser Boulevard, Stamford, Connecticut, USA, 06901, for the purposes set forth in the accompanying Notice of 2018 Annual Meeting of Shareholders, and at any adjournment or postponement of the Annual Meeting. We are sending this proxy statement in connection with the proxy solicitation.

On or about April 3, 2018, the Company began mailing to certain of our shareholders a Notice of Internet Availability of Proxy Materials. This Notice contains instructions on how to access the proxy statement and our annual report for the year ended December 31, 2017, or the 2017 Annual Report, and how to vote. By furnishing this Notice, we are lowering the costs and reducing the environmental impact of our Annual Meeting. Shareholders who did not receive this Notice will continue to receive paper copies of our proxy statement, proxy card and 2017 Annual Report, which we began mailing on or about April 3, 2018.

Matters to be Considered at the Annual Meeting. At the Annual Meeting, shareholders will vote upon the following matters:

1. the election of four Class III Directors to serve until the 2021 annual general meeting of Aircastle or until their office shall otherwise be vacated pursuant to our Bye-laws;
2. the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2018 and the authorization of the Directors of Aircastle, acting by the Audit Committee, to determine the independent registered public accounting firm's fees;
3. the approval of amendments to the Bye-laws of Aircastle Limited to (a) adopt a majority voting standard in the elections of directors, (b) amend the advance notice provisions relating to shareholder proposals and director nominations, and (c) eliminate provisions related to Fortress Investment Fund III LP and its affiliates, modify certain additional provisions to reflect changes in Bermuda law, and make certain other clarifying changes;
4. an advisory vote on executive compensation; and
5. any other business properly presented at the Annual Meeting and any adjournment(s) or postponement(s) of the Annual Meeting.

Quorum and Voting Requirements. Our Board has fixed the close of business on March 22, 2018, as the record date, or the Record Date, for determination of the shareholders entitled to notice of and to vote at the Annual Meeting. Only shareholders of record as of the close of business on the Record Date are entitled to vote at the Annual Meeting. The presence of two or more persons at the start of the Annual Meeting and representing in person, or by proxy entitling the holder to vote at the Annual Meeting, in excess of 50% of all votes attaching to all shares of the Company in issue, shall form a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting until a quorum has been obtained.

If a quorum is present, the following voting requirements apply for approval:

Edgar Filing: Aircastle LTD - Form DEF 14A

The affirmative vote of a plurality of the votes cast at the Annual Meeting is sufficient to elect each of the nominees to our Board (Proposal No. 1).

The affirmative vote of a majority of the votes cast at the Annual Meeting is required:

- (i) to appoint Ernst & Young LLP for fiscal year 2018 and to authorize the Board, acting by the Audit Committee, to determine the independent registered public accounting firm's fees (Proposal No. 2);
-

(ii) to approve, on an advisory basis, executive compensation (Proposal No. 4); and

(iv) to approve any other business properly presented at the Annual Meeting.

The affirmative vote of at least 66% of all common shares issued and entitled to vote is required to approve each of the amendments to the Bye-laws of Aircastle Limited (Proposal Nos. 3(a) - (c)).

A shareholder voting for the election of Directors may withhold authority to vote for all or certain nominees. A shareholder may also abstain from voting on the other matters presented for shareholder vote. Votes withheld from the election of any nominee for Director and abstentions from Proposal Nos. 2 and 4 will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted in the number of votes cast on the matter. Abstentions from Proposal Nos. 3(a) - (c) will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum and will have the same effect as a vote against the matter.

If a shareholder holds shares through a broker, bank or other nominee, generally that holder may vote its shares in accordance with instructions received. If a shareholder does not give instructions to the holder, the holder can vote its shares with respect to “discretionary” or routine proposals under the rules of the New York Stock Exchange, or NYSE. Such a holder cannot vote shares with respect to “non-discretionary” proposals for which a shareholder has not given instruction. The appointment of Ernst & Young LLP is considered a “discretionary” proposal and therefore may be voted upon by such a holder even in the absence of instructions from the shareholder. The election of Directors, the approval of amendments to the Bye-laws, the advisory vote on executive compensation, and any other business properly presented at the Annual Meeting are considered “non-discretionary” items, and such a holder may not vote on these items in the absence of instructions from the shareholder.

As of the Record Date, there were 78,536,832 common shares of the Company, par value US\$0.01 per share, referred to herein as common shares, outstanding and entitled to vote. Each common share entitles the holder to one vote on each matter presented at the Annual Meeting.

Voting of Proxy. You may submit your proxy with voting instructions by any one of the following means:

By Internet or Telephone

To submit your proxy on the Internet, go to www.proxyvote.com. You will need the 12-digit number included on your proxy card, voter instruction form or Notice of Internet Availability of Proxy Materials.

To submit your proxy by telephone, registered shareholders should dial 1-800-690-6903 and follow the instructions. Beneficial holders should dial the phone number listed on your voter instruction form. You will need the 12-digit number included on your proxy card, voter instruction form or Notice of Internet Availability of Proxy Materials. Telephone and Internet voting facilities for shareholders of record will be available 24 hours a day, and will close at 11:59 p.m. Eastern Daylight Time on May 17, 2018. The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions in the materials you receive. If you submit your proxy by telephone or on the Internet, you do not have to return your proxy card, voter instruction form or Notice of Internet Availability of Proxy Materials.

By Mail

If you are a holder of record and received your Annual Meeting materials by mail, you can vote by signing, dating and completing the proxy card included therewith and returning it by mail in the enclosed self-addressed envelope. If you received a Notice of Internet Availability of Proxy Materials and wish to vote by traditional proxy card, you may receive a full set of the annual meeting materials at no charge through one of the following methods:

By internet at www.proxyvote.com;

By telephone at 1-800-690-6903; or

By email at sendmaterial@proxyvote.com

Once you receive the Annual Meeting materials, please sign, date and complete the proxy card included therewith and return it in the enclosed self-addressed envelope. No postage is necessary if the proxy card is mailed in the United States. If you hold your shares through a bank, broker or other nominee, the proxy card will give you separate instructions for voting your shares.

In Person, at the Annual Meeting

All shareholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

Proxies, if received in time for voting, properly executed and not revoked, will be voted at the Annual Meeting in accordance with the instructions contained therein. If no instructions are indicated, the common shares represented by the proxy will be voted as recommended by the Board, as described below, or in accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting, including any adjournments and postponements thereof.

Revocability of Proxy. Any shareholder returning a proxy may revoke it at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the Annual Meeting in person and so request, although attendance at the Annual Meeting will not by itself revoke a previously granted proxy. Any proxy not revoked will be voted as specified by the shareholder. If no choice is indicated, a proxy will be voted in accordance with the Board's recommendations described below.

Persons Making the Solicitation. This proxy statement is sent on behalf of, and the proxies are being solicited by, the Board. We will bear all costs of this solicitation of proxies. In addition to solicitations by mail, our Directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone, telecopy, e-mail and personal interviews. We will request brokers, custodians and other fiduciaries to forward proxy-soliciting materials to the beneficial owners of common shares they hold of record. We will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of the proxy materials. We have also engaged Georgeson, LLC to assist the Company in the solicitation of proxies for an anticipated fee of \$8,500, and have agreed to reimburse Georgeson, LLC for reasonable out-of-pocket expenses incurred in connection with the proxy solicitation and to indemnify Georgeson, LLC against certain losses, costs and expenses.

Recommendations of the Board. The Board recommends that shareholders vote:

FOR the election of the Director nominees named herein;

FOR the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2018 and the authorization of the Directors of Aircastle, acting by the Audit Committee, to determine the independent registered public accounting firm's fees;

FOR the approval of each of the amendments to the Bye-laws of Aircastle Limited; and

FOR the approval, on an advisory basis, of the compensation of our named executive officers.

Attendance at the Meeting. Shareholders will be admitted to the Annual Meeting upon verification of ownership at the admissions desk. Please note that a beneficial owner holding his or her shares in "street name" who plans to attend the Annual Meeting must also send a written request with proof of ownership (such as a bank or brokerage firm account statement) to the Company's transfer agent, American Stock Transfer & Trust Company, located at 59 Maiden Lane, New York, NY 10038. Admittance to the Annual Meeting will be based upon availability of seating. For directions to the Annual Meeting, please call (203) 504-1020.

Legal Proceedings Involving Directors, Officers or Affiliates. There are no material legal proceedings in which any Director, officer or affiliate of the Company, any owner of record or beneficial owner of more than five percent of any class of voting securities of the Company, or any associate of any such Director, officer, affiliate of the Company, or security holder, is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our affiliates.

Director Independence. In March 2018, the Board evaluated the independence of each member of the Board in accordance with the applicable NYSE and SEC rules. The Board affirmatively determined, under these rules, that Ronald W. Allen, Giovanni Bisignani, Michael J. Cave, Douglas A. Hacker, Ronald L. Merriman, Agnes Mura, Charles W. Pollard and Peter V. Ueberroth are independent. We refer to these Directors in this proxy statement as Independent Directors. In making this determination, our Board considered all relevant facts and circumstances, as required by applicable NYSE listing standards. Messrs. Konto and Wainshal, both of whom were not independent under these rules, resigned from the Board in 2017.

NYSE rules require that the Board consist of a majority of “independent Directors” and that the Nominating and Corporate Governance Committee, the Compensation Committee and the Audit Committee of the Board consist entirely of “independent Directors.” Under NYSE listing standards, whether a Director is an “independent Director” is a subjective determination to be made by the Board, and a Director of Aircastle only qualifies as “independent” if the Board affirmatively determines that the Director has no material relationship with Aircastle (either directly or as a partner, shareholder or officer of an organization that has a relationship with Aircastle). While the test for independence is a subjective one, NYSE rules also contain objective criteria that preclude Directors from being considered independent in certain situations. Specifically, persons meeting the following objective criteria under the NYSE rules are deemed to not be independent:

- a Director who is or has been within the last three years an employee, or whose immediate family member is or has been within the last three years an executive officer, of Aircastle (including any consolidated subsidiary);

a Director who has received, or whose immediate family member has received, during any twelve-month period within the last three years, more than US\$120,000 in direct compensation from Aircastle (including any consolidated subsidiary), other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

a Director who (i) is, or whose immediate family is, a current partner of a firm that is the internal or external auditor of Aircastle; (ii) is a current employee of such a firm; (iii) has an immediate family member who is a current employee of such a firm and who personally works on Aircastle's audit; or (iv) was, or whose immediate family member was, within the last three years a partner or employee of such a firm and personally worked on Aircastle's audit within that time;

a Director who is or has been within the last three years employed, or whose immediate family member is or has been within the last three years employed as an executive officer of another company where any of Aircastle's present executive officers at the same time serves or served on that Company's compensation committee; and

a Director who is a current employee, or whose immediate family member is an executive officer, of a company (or a consolidated subsidiary of such company) that has made payments to, or has received payments from, Aircastle for property or services in an amount which, in any single fiscal year within the last three years, exceeds the greater of US\$1,000,000 or 2% of such other company's consolidated gross revenues.

Ownership of a significant amount of common shares, by itself, does not constitute a material relationship.

In addition, in determining the independence of any Director who will serve on the Compensation Committee, the Board considers all factors specifically relevant to determining whether that Director has a relationship to Aircastle which is material to the Director's ability to be independent from management in connection with the duties of a Compensation Committee member including, but not limited to:

the source of compensation of such Director, including any consulting, advisory or other compensatory fee paid by Aircastle to such Director; and

whether such Director is affiliated with Aircastle, a subsidiary of Aircastle or an affiliate of a subsidiary of Aircastle. The Board has not established additional guidelines to assist it in determining whether a Director has a material relationship with Aircastle under NYSE rules, but instead evaluates each Director or nominee for Director under the tests set forth by the NYSE and through a broad consideration and evaluation of all relevant facts and circumstances. The Board, when assessing the materiality of a Director's relationship with Aircastle, also considers the issue not merely from the standpoint of the Director, but also from that of persons or organizations with which the Director has an affiliation.

Policies and Practices. We review our corporate governance policies and practices on an ongoing basis and compare them to those suggested by various authorities in corporate governance and to the practices of other public companies. We have also continued to review the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, and the Sarbanes-Oxley Act of 2002, or the Sarbanes-Oxley Act, the existing and proposed rules of the SEC and the existing and proposed listing standards of the NYSE.

Corporate Governance Guidelines. Our Board has adopted Corporate Governance Guidelines. The Corporate Governance Guidelines are posted on our website at <http://www.aircastle.com> under "Investors—Governance Documents" and are available in print to any shareholder of the Company upon request.

Code of Business Conduct and Ethics. To help ensure that Aircastle abides by applicable corporate governance standards, our Board has adopted a Code of Business Conduct and Ethics, which is posted on our website at <http://www.aircastle.com> under "Investors—Governance Documents," and a Code of Ethics for Chief Executive and Senior Financial Officers, which is available in print to any shareholder of the Company upon request. The Company intends to post on its website any material amendments to its ethics codes and the description of any waiver from a provision of the ethics codes granted by the Board to any Director or executive officer of the Company within four business days after such amendment or waiver.

Communications with the Board. Shareholders and other interested parties who wish to communicate directly with any of the Company's Directors, including our Chairman, who is also our lead Independent Director or Presiding Director, or the Independent Directors as a group, may do so by writing to the Board, Aircastle Limited, c/o Aircastle Advisor LLC, 201 Tresser Boulevard, Suite 400, Stamford, CT 06901 Attention: General Counsel. All communications will be received, sorted and summarized by the General Counsel, as agent for the relevant Directors. Communications relating to the Company's accounting, internal accounting controls or auditing matters will be referred to the Chair of the Audit Committee. Other communications will be referred to such other Director as may be appropriate. Communications may be submitted anonymously or confidentially.

Meetings of the Board. Regular attendance at Board Meetings is required of each Director. During 2017, Aircastle's Board held six meetings. Each incumbent Director attended 75% or more of the aggregate of all meetings of the Board and committees on which the Director served during 2017. Directors are invited and encouraged to attend the Company's annual meeting of shareholders in person, by telephone or video conference, but the Company recognizes that such attendance may be impractical as a result of personal or business circumstances. Eleven Directors and one Director nominee attended our annual general meeting in 2017.

Board Leadership Structure and Executive Sessions. The Board understands that there is no single, generally accepted approach to providing Board leadership and that given the dynamic and competitive environment in which we operate, the right Board leadership structure may vary as circumstances warrant. To this end, the Board has no policy mandating the combination or separation of the roles of Chairman and CEO and believes the matter should be discussed and considered from time to time as circumstances change. Currently, the Company maintains a separate Chairman and CEO. This leadership structure is appropriate for the Company at this time as it permits our CEO Michael Inglese to focus primarily on management of the Company's strategic direction and day-to-day operations, while allowing our Chairman Peter Ueberroth, to lead the Board in its fundamental role of providing advice to and independent oversight of management. Mr. Ueberroth is an Independent Director and our Chairman and, accordingly, he also serves as the lead Independent Director or Presiding Director.

The Board is comprised of eight non-management Directors, three Directors designated by Marubeni Corporation, or Marubeni, and one management Director. In accordance with the Company's Corporate Governance Guidelines and rules of the NYSE, the non-management Directors are required to meet regularly in executive session and the independent Directors must meet in executive session at least once each year. As such, the Board's meetings regularly include executive sessions in which only Independent Directors are present. Any Independent Director can request that an executive session be scheduled.

Board Oversight of Risk Management. Senior management is responsible for assessing and managing the Company's various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. The Company has developed a consistent, systemic and integrated approach to risk management to help determine how best to identify, manage and mitigate significant risks throughout the Company.

The Board is responsible for overseeing management in the execution of its responsibilities, including assessing the Company's approach to risk management. The Board exercises these responsibilities periodically as part of its meetings and also through three of its committees, each of which examines various components of enterprise risk as part of its responsibilities. The Audit Committee has primary responsibility for addressing risks relating to financial matters, particularly financial reporting, accounting practices and policies, disclosure controls and procedures and internal control over financial reporting. The Nominating and Corporate Governance Committee oversees risks associated with the independence of the Board and succession planning. The Compensation Committee has primary responsibility for risks and exposures associated with the Company's compensation policies, plans and practices, regarding both executive compensation and the compensation structure generally, including whether it provides appropriate incentives that do not encourage excessive risk taking.

An overall review of risk is inherent in the Board's evaluation of the Company's long-term strategies and other matters presented to the Board. The Board's role in risk oversight of the Company is consistent with the Company's leadership structure; the CEO and other members of senior management are responsible for assessing and managing the Company's risk exposure, and the Board and its committees provide oversight in connection with those efforts.

Committees of the Board. The Board has four standing Committees: Audit, Compensation, Nominating and Corporate Governance, and Investment. The table below indicates the members of each committee. All members of the Audit, Compensation and Nominating and Corporate Governance Committees are Independent Directors.

* Messrs. Allen, Cave, Hacker and Merriman serve as financial experts on our Audit Committee.

The Audit, Compensation and Nominating and Corporate Governance Committees act under written charters that have been approved by the Board and comply with NYSE corporate governance rules and any applicable SEC rules and regulations. A copy of each charter is posted on the Company's website at <http://www.aircastle.com> under "Investors—Governance Documents" and is available in print to any shareholder of the Company upon request.

The Audit Committee. Our Audit Committee's functions include:

- reviewing (i) the audit plans and findings of the independent certified public accountants and our internal audit and risk review staff and (ii) the results of regulatory examinations and monitoring management's corrective action plans with respect to such plans, findings and results where necessary;
- reviewing our financial statements, including any significant financial items and/or changes in accounting policies, with our senior management and independent certified public accountants;
- reviewing our accounting and internal control policies and procedures, compliance programs and significant tax and legal matters;
- reviewing related party transactions;
- making recommendations to our shareholders regarding the annual appointment by our shareholders of the independent certified public accountants (which constitutes the auditor for purposes of Bermuda law) considering their reputation and qualifications and evaluating their independence and performance, as well as setting clear hiring policies for employees or former employees of our independent certified public accounting firm;
- overseeing the independent certified public accountants (which constitutes the auditor for purposes of Bermuda law) and evaluating their compensation; and
- reviewing the process by which we assess and manage exposure to financial and legal risk.

The Board has determined that each member of the Audit Committee is "financially literate" as defined by NYSE rules and that Messrs. Allen, Cave, Hacker and Merriman are qualified to serve as the Audit Committee's "financial experts" as defined by SEC regulations. A brief description of the work experience of our Audit Committee members is included on pages 4-6 above. During 2017, the Audit Committee held six meetings. Audit Committee meetings include, where appropriate, executive sessions in which the Audit Committee meets: (i) only with Committee members present; (ii) separately with the Company's independent registered public accountants;

(iii) separately with the Company's internal auditor; or (iv) with the Company's Chief Executive Officer, Chief Financial Officer and General Counsel.

The Compensation Committee. Our Compensation Committee's functions include:

- reviewing the salaries, benefits and share-based grants for executive officers;
- reviewing corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and determining the Chief Executive Officer's compensation based on that evaluation;
- acting as administrator of the Aircastle Limited Amended and Restated 2014 Omnibus Incentive Plan and prior plans (the "Incentive Plan"); and
- reviewing risks relating to the Company's employment practices and the Company's compensation and benefits practices.

The Compensation Committee held eight meetings during 2017. Compensation Committee meetings include, where appropriate, executive sessions, in which the Compensation Committee meets only with Committee members present, and/or sessions with the Company's Chief Executive Officer.

The Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee's functions include:

- reviewing the performance of the Board and incumbent Directors and making recommendations to our Board regarding the selection of candidates, qualification and competency requirements for service on the Board and the suitability of proposed nominees;
- advising the Board with respect to the corporate governance principles applicable to the Company;
- reviewing risks associated with the Company's management and Director succession planning; and
- overseeing the evaluation of the Board and the Company's management.

The Nominating and Corporate Governance Committee held five meetings during 2018.

The Nominating and Corporate Governance Committee works with the Board to determine the appropriate and necessary characteristics, skills and experience of the Board, both as a whole and with respect to its individual members. The committee evaluates biographical and background information relating to potential candidates and interviews candidates selected by members of the committee and by the Board in making its decisions as to prospective candidates to the Board. While the committee does not specifically set forth any minimum skills that a candidate must have prior to consideration, the committee thoroughly examines a candidate's understanding of marketing, finance and other elements relevant to the success of a publicly traded company in today's business environment; understanding of the Company's business; and educational and professional background. In determining whether to recommend a Director for re-election, the Nominating and Corporate Governance Committee also considers the Director's past attendance at meetings and participation in and contributions to the activities of the Board. The Nominating and Corporate Governance Committee identifies potential nominees by asking current Directors and executive officers to notify the Nominating and Corporate Governance Committee if they become aware of suitable candidates. We have not paid any third party a fee to assist in the process of identifying or evaluating candidates; however, the Nominating and Corporate Governance Committee may elect in the future to engage firms that specialize in identifying Director candidates. As described below, the Nominating and Corporate Governance Committee will also consider candidates recommended by shareholders.

All Director candidates, including those recommended by shareholders, are evaluated on the same basis. Candidates for Director must possess the level of education, experience, sophistication and expertise required to perform the duties of a member of a board of Directors of a public company of the Company's size and scope. At a minimum, the committee will consider whether the recommended candidate is subject to a disqualifying factor as described under Section 303A.02(b) of the NYSE listing standards and the number of other boards and committees on which the individual serves. The committee may also consider, among other qualifications, a candidate's: (i) ethics, integrity and values; (ii) stature, reputation and credibility; (iii) experience and capability to set policy and oversee management's execution of the business plan; (iv) knowledge of relevant industries; (v) contacts within the global aircraft leasing, aircraft financing, airline, cargo, manufacturing or other similar businesses; (vi) current or recent senior executive experience and leadership; and (vii) ethnic, gender, professional, geographic and philosophical diversity within the

overall composition of the Board. While the Nominating and Governance Committee has not adopted a formal diversity policy with regard to the selection of Director nominees, diversity is one of the factors that the committee considers in identifying Director candidates. As part of this process, the committee evaluates how a particular candidate would strengthen and increase the diversity of the Board and contribute to the Board's overall balance of perspectives,

10

backgrounds, knowledge, experience and expertise in areas relevant to the Company's business. The committee assesses its achievement of diversity through review of Board composition as part of the Board's annual self-assessment process.

While the Corporate Governance Guidelines provide that the Nominating and Corporate Governance Committee may, if it deems appropriate, establish procedures to be followed by shareholders in submitting recommendations for Board candidates, the Committee has not, at this time, put in place a formal policy with regard to such procedures. This is because procedures are set forth in our Bye-laws which permit shareholders to submit recommendations for Board candidates. The Board believes that it is appropriate for Aircastle not to have a specific policy since shareholders are always free to submit recommendations for Board candidates, simply by following the procedures set forth in our Bye-laws, as described below.

Shareholders wishing to recommend a Director candidate to the Chairman of the Nominating and Corporate Governance Committee for its consideration should write to the Secretary, Aircastle Limited, c/o Aircastle Advisor LLC, 201 Tresser Boulevard, Suite 400, Stamford, CT 06901. Recommendations must be received no less than 90 days nor more than 120 days before the anniversary of the prior year's annual general meeting of shareholders to be considered for inclusion in the proxy statement for the next annual general meeting of shareholders. All recommendations meeting the minimum requirements set forth in the Corporate Governance Guidelines will be referred to the Chairperson of the Nominating and Corporate Governance Committee. Such letters of recommendation must include the address and number of shares owned by the nominating shareholder, the recommended individual's name and address, and a description of the recommended individual's background and qualifications. A signed statement from the recommended individual must accompany the letter of recommendation indicating that he or she consents to being considered as a candidate and that, if nominated by the Board and elected by the shareholders, he or she will serve as a Director of the Company. In addition, the notice must also include any other information relating to the shareholder or to the recommended individual that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of Directors under Section 14 of the Securities Exchange Act of 1934, as amended, or the Exchange Act, and the rules and regulations thereunder. In addition, our Bye-laws allow shareholders to propose or nominate a candidate for election as a Director. Such proposal or nomination must be made in accordance with the procedures and time limits set out in the Bye-laws of the Company as described above and, below, in "Shareholder Proposal."

A person must own common shares on the date that he or she sends the notice to Aircastle under the procedures above for the nomination to be valid under our Bye-laws. Provided that the required biographical and background material described above is provided for candidates properly recommended by shareholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board. If the Chairman of the Board determines that a nomination was not made in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

The Investment Committee. The Board established and designated an Investment Committee pursuant to resolutions adopted on August 2, 2006, and since that date the Board regularly re-authorizes the Investment Committee. The Board authorized the Investment Committee to approve, within certain limitations, aircraft acquisition, lease, sale, financing and interest rate hedging transactions, and other transactions, by the Company. The Investment Committee held nine meetings during 2017.

DIRECTORS' COMPENSATION

Cash Compensation. During 2017, cash compensation to the Independent Directors for service on our Board was set at the following levels:

Directors are paid an annual cash fee of US\$80,000.

• The Chairman of the Board is paid an additional annual cash fee of US\$50,000.

• Each of the chairs of the Audit Committee and Investment Committee is paid an annual cash fee of US\$35,000 and each other such committee member is paid an annual cash fee of US\$20,000.

• The Nominating and Corporate Governance Committee chair is paid an annual cash fee of US\$20,000 and

Nominating and Corporate Governance Committee members are paid an annual cash fee of US\$10,000.

Restricted Share Grants. On the first business day of each calendar year beginning in 2016, our Independent Directors receive grants of restricted common shares, with the number of shares for each such grant being equal to US\$135,000 divided by the Fair Market Value, as defined in the Incentive Plan, of our common shares as of such date.

In 2015, the Board authorized a special award to Mr. Ueberroth which increased his annual award from 10,000 to 20,000 restricted common shares during his current term as Chairman of the Board in recognition of his significant experience, service to the Company and guidance to the Board. Mr. Ueberroth's service to Aircastle is valuable given his reputation in the business community and his access to the investment community with his broad and deep relationships. He routinely communicates and consults with our leadership team and other board members outside of board meetings. These restricted shares fully vest on January 1 of the following calendar year, pursuant to the terms and conditions of the Incentive Plan and the related award agreement.

Our affiliated and management Directors, Messrs. Inglese, Matsumura, Sakakida and Toya, are not separately compensated by us for their Board or committee service. All members of the Board were reimbursed for reasonable costs and expenses incurred in attending meetings of the Board or otherwise incurred in connection with carrying out their duties as Directors.

Share Ownership Guidelines for Directors. The Board believes that significant common share ownership by members of the Board increases the alignment of interests between the Board and the shareholders. Accordingly, the Company has adopted share ownership guidelines, or Ownership Guidelines, pursuant to which each member of the Board who is paid a base annual cash fee for service on the Board is expected to attain the following levels of share ownership while providing service to the Company, based on the aggregate value of share ownership as of the date of determination:

Position	Multiple of Base Annual Cash Board Service Fee
Relevant Director	3x

The Ownership Guidelines provide for a phase-in period, according to which a Director should satisfy the Ownership Guidelines by the fifth anniversary of his or her initial appointment to the Board. As of March 22, 2018, each member of the Board complied with the Ownership Guidelines.

Director Award Limits. Under the terms of the Incentive Plan, an annual limit of \$750,000 per calendar year applies to the combined cash and equity-based compensation that may be granted to each of our non-employee directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis describes and analyzes our executive compensation philosophy and programs, the decisions made by the Compensation Committee under those programs and the factors considered by the Compensation Committee in making those decisions. This Compensation Discussion and Analysis focuses on the compensation paid to our current and former Chief Executive Officer, Chief Financial Officer and the three other most highly compensated executive officers, together referred to as our named executive officers, or NEOs. For 2017, our NEOs were:

Name	Title
Michael J. Inglese	Chief Executive Officer
Aaron A. Dahlke	Chief Financial Officer
Michael L. Kriedberg	Chief Commercial Officer
Christopher L. Beers	General Counsel
Roy Chandran	EVP - Corporate Finance & Strategy
Ron Wainshal	Former Chief Executive Officer

Ron Wainshal, our former Chief Executive Officer, was Chief Executive Officer until January 6, 2017, when he began a medical leave of absence and Mr. Inglese was appointed Acting Chief Executive Officer. Mr. Inglese was appointed as Chief Executive Officer on June 9, 2017, and Mr. Wainshal's employment with the Company ended on December 31, 2017.

Pay for Performance Philosophy

We believe executive compensation should be tied to Company performance weighted in favor of long-term performance, and our compensation program rewards executives and employees in three areas:

• **Annual Corporate Performance:** Achievement of internal corporate financial metrics focused on: (i) adjusted return on equity; (ii) cash flow per share; and (iii) growth through new investments;

• **Individual Performance:** Achievement of individual performance goals set at the beginning of each year; and

• **Long-Term Corporate Performance:** Longer term adjusted return on equity and total shareholder return relative to a broad index of relevant publicly listed companies.

We believe that our performance relative to these financial metrics will ultimately improve returns to shareholders, through greater dividend-paying capacity and stronger fundamentals. We use these metrics to determine the compensation for many professionals in the Company, including all of our NEOs, and we discuss the Company's progress against these financial metrics in quarterly employee meetings. By establishing these financial performance goals, tying the Company's compensation program to the goals and communicating regularly with our employees, we strive to better align the interests of our employees with driving returns for our shareholders.

We make annual incentive compensation awards, comprised of a cash bonus and equity award, based on a mix of corporate performance and individual performance. For more highly compensated employees, achievement of corporate financial metrics carries a greater weighting relative to individual performance, as illustrated in the table below:

	Corporate Performance	Individual Performance
CEO	85%	15%
Certain NEOs	80%	20%
Senior Professionals	60%	40%
Staff	50%	50%

2017 Corporate Financial Metrics. We based corporate performance targets on the 2017 business plan that our board endorsed in October 2016. In addition, we established a performance range for each metric. Results below the low end of each range will not yield any contribution to the Company's incentive compensation pool for that metric.

Conversely, performance above the top end of the range will result in an enhanced contribution to the Company's incentive compensation pool, to encourage exceptional performance. For 2017, we established the following targets,

performance range and relative weighting for the three financial metrics for 2017:

16

Metric	2017 Target	Performance Range	Weighted Score
Adjusted Return on Equity ⁽¹⁾	10.32%	50-150%	25%
Cash Flow per Share ⁽²⁾	\$6.91	85-115%	50%
New Investments ⁽³⁾ (in billions)	\$1.30	60-125%	25%

(1) Adjusted Return on Equity is Adjusted Net Income divided by the average shareholders' equity, excluding the fair market value of derivatives. Adjusted Net Income, or ANI, is net income before certain expenses related to our financings and interest rate derivative accounting, share-based compensation expense and other items we have deemed unusual when viewed in the context of our ongoing business. Our presentation of ANI may not be comparable to similarly-titled measures used by other companies. A reconciliation between non-GAAP performance metrics and U.S. GAAP results is included as Appendix A to this proxy statement.

(2) Cash Flow per Share for a period is Cash Flow from Operations before changes in working capital plus principal payments from our finance leases and distributions from our joint venture investment divided by the weighted average number of shares outstanding for that period. A reconciliation between non-GAAP performance metrics and U.S. GAAP results is included as Appendix A to this proxy statement.

(3) New Investments measures the total amount invested in aviation assets.

Individual Performance Goals and Compensation We set individual performance goals for every employee at the beginning of each year and measure each employee's performance against those goals at the end of the year to determine incentive compensation levels. We determine incentive pay for each employee by applying the weighted corporate and individual performance scores against such employee's targeted bonus amount. We set individual bonus targets based on an employee's function, role and seniority within the organization, among other factors. For more highly compensated employees, annual incentive compensation is paid out in the form of cash and equity awards. For additional retention purposes, equity awards vest over three years, subject to continued service with us through such period.

Compensation Overview

As shown in the diagrams below, there are now four primary elements of total direct compensation: base salary, annual cash bonus, annual equity award and long-term incentive plan award.

Base Salary. Base salaries provide fixed compensation and allow us to attract and retain talented management by taking into account the current market environment and the responsibilities, experience, value to the Company and demonstrated performance of our named executive officers. We set base salaries for our named executive officers and review them periodically. In 2017, we increased the base salary for Mr. Inglese to \$675,000 in connection with his appointment as our Chief Executive Officer. Mr. Dahlke's base salary was increased to \$400,000 in 2017, reflecting his appointment as our Chief Financial Officer. Mr. Chandran's base salary was increased to \$400,000 in 2017, reflecting his appointment as our Executive Vice President - Corporate Finance & Strategy. In addition, Mr. Kriedberg's and Mr. Beers' base salaries were increased in 2017, to \$600,000 and \$500,000, respectively, reflecting our view that an adjustment to their base salaries was appropriate to reflect market conditions and increased responsibility.

Annual Incentive Compensation. As discussed below, we make incentive compensation awards based on the Company's performance against corporate financial metrics and performance against individual performance goals for each year, with payment of the incentive compensation split between cash and restricted share grants for our more highly compensated employees, including our named executive officers. We paid the cash and granted the restricted equity portion of 2017 incentive awards in February 2018. For additional retention purposes, the restricted share grants for 2017 awarded in February 2018 will vest in one-third increments on January 1, 2019, January 1, 2020 and January 1, 2021, subject to continued service with us through such period.

Special Incentive Awards. In limited instances, we may also issue special restricted share grants to reward exceptional performance, special situations or retention purposes. The Compensation Committee made special restricted share grants in February 2017 to Mr. Inglese and Mr. Kriedberg of \$500,000 and \$100,000, respectively, in connection with uncertainty surrounding the duration of Mr. Wainshal's medical leave of absence. Based on an exceptionally smooth transition, strong corporate results compared to 2017 targets, as well as portfolio improvements and significant transaction volume during a year of leadership transition, the Compensation Committee also made special restricted share grants in February 2018 to Messrs. Inglese, Kriedberg, Beers, Dahlke and Chandran in the amounts of \$375,000, \$112,500, \$150,000, \$100,000 and \$100,000 respectively; such awards vest in one-third increments on January 1, 2019, January 1, 2020, and January 1, 2021, subject to continued service with us through such period.

Long-Term Incentive Plan. As discussed in the section titled "Long-Term Incentive Plan" below, we introduced a long-term incentive plan in 2016 designed to align management with shareholders by rewarding exceptional performance over a three year period. All performance share unit awards granted during 2017 are scheduled to vest and their performance period ends on December 31, 2019.

In lieu of a 2017 award under our long-term incentive plan, Mr. Kriedberg was given a special performance share award in March of 2017 in the amount of \$1,499,993 to ensure his retention during Mr. Wainshal's medical leave and any subsequent leadership transition. That special performance share award was conditioned upon achieving a minimum cash flow during 2017 that was satisfied and the award vested on March 31, 2018.

Other Compensation. We pay dividends on unvested restricted shares but not on our performance shares unit awards. We also offer certain NEOs severance payments and accelerated vesting of restricted shares in certain circumstances, as described in greater detail below in the section entitled "Potential Payments upon Termination or Change in Control." Severance and change in control benefits provide transitional assistance for separated employees and are essential to recruiting and retaining talented executives in a competitive market. In addition, our NEOs are also eligible to participate in our employee benefit plans, including medical, dental, life insurance and 401(k) plans. These plans are available to all employees and do not discriminate in favor of our named executive officers.

Recoupment Policy. In advance of the final SEC rules implementing Section 954 of the Dodd-Frank Act, in January 2016, we adopted a clawback policy covering certain incentive compensation awarded to our executive officers. The policy requires reimbursement of incentive payments awarded to an executive officer based upon financial results that were subsequently the subject of a restatement due to the Company's material noncompliance with financial reporting requirements. The amount of reimbursement would be to the extent that a lower payment would have been awarded to the executive based on the restated financial results. The policy applies to all incentive compensation awarded or paid to an executive officer in the three years prior to the restatement, even if the executive officer did not engage in conduct which contributed to the restatement. In addition, we may seek to recover any portion of incentive compensation when we determine that an executive officer engaged in a certain misconduct, namely involving: (i) material acts of fraud or dishonesty in connection with employment by the Company; (ii) willfully not complying with material policies or procedures of the Company; or (iii) the commission of a felony or a crime involving material dishonesty. We may need to amend the policy following adoption of the final SEC rule mentioned above.

Summary. The primary goals of our compensation programs are to attract, motivate and retain the most talented and dedicated employees and to align incentive compensation with enhancing shareholder value. Our compensation programs are intended to:

motivate our NEOs by providing the large majority of their overall compensation through an incentive compensation program that ties awards to corporate financial metrics and individual performance goals which we believe will build shareholder value; and

align each NEO's incentives with those of shareholders by delivering a substantial portion of their incentive compensation in the form of restricted share grants and performance based equity awards.

What We Don't Pay

- Change in control benefits based on a single trigger;
- Deferred compensation plans;
- Company cars or aircraft;
- Income tax gross-ups; and

Special or enhanced pension or retirement programs.

2017 Compensation

Performance Versus Corporate Financial Metrics. In 2017, the Company's performance against its corporate financial metrics resulted in an incentive compensation pool equal to 100.2% of the total target, as shown in the table below.

Metric	2017 Target	2017 Performance	Performance Range	Performance	Weighted Score
Adjusted Return on Equity ⁽¹⁾	10.32%	9.08%	50-150%	88.0%	22.0 %
Cash Flow per Share ⁽¹⁾	\$6.91	\$6.67	85-115%	96.5%	48.2 %
New Investments (in billions)	\$1.30	\$1.56	60-125%	119.8%	30.0 %
					Total 100.2 %

(1) A reconciliation between non-GAAP performance metrics and U.S. GAAP results is included as Appendix A to this proxy statement.

Adjusted Return on Equity was below target primarily due to impairments, which were partially offset by gains on sale of aircraft assets. Cash Flow per Share was slightly below target due to the timing of aircraft acquisitions combined with the high volume of assets sales. New Investments were above target based on substantial new investment activity. Overall, performance was in line with target reflecting management's success in executing the 2017 business plan during a year of leadership transition. The Company's performance for New Investments was particularly noteworthy in light of the highly competitive environment for aircraft investments in 2017.

Individual Incentive Compensation Actions for 2017

The Company's overall performance in 2017 was strong, particularly in light of the net impairment of on two freighter aircraft which were originally acquired in 2007-2008 with adjusted return on equity performance still just below target and new investments ahead of target. Cash Flow per share was slightly below target. In addition, the senior management team sought to better position the Company in light of increasing macro-economic risks and market volatility by selling risky assets and upgrading the aircraft and lessee mix in our portfolio. The following represent some of the Company's most important accomplishments during 2017:

- Acquired, sold and placed approximately 130 aircraft, representing more than half of our current portfolio of aircraft.

- Acquired 68 aircraft in 2017 for \$1.6 billion, including 67 narrow-body aircraft and only one widebody that is on its last lease. We believe these investments improved the quality of the Company's portfolio and its earnings base.

- Sold 37 aircraft for a gain on sale of \$55.2 million, including three wide-body and four freighter aircraft and the last six of our classic aircraft, further improving the quality of our portfolio.

- Increased the share of current generation narrow-body aircraft in our portfolio from 55% to 66% of net book value dramatically improving the quality of our portfolio.

- Placed seven widebody aircraft expiring in 2018 and 2019. As a result, we now have just four narrow-body aircraft left to place on lease in 2018 and only two wide-body aircraft to place before 2020.

- Achieved excellent aircraft utilization with our aircraft being on lease 99.3% of the time⁽¹⁾ and a net cash interest margin of 8.6%⁽²⁾.

Our total return to shareholders for the year ended December 31, 2017, was 17.4%, outperforming the total shareholder return of the S&P MidCap 400 of 16.2%, and our total shareholder return for the three years ended December 31, 2017, was 24.6%, below the total shareholder return of the S&P MidCap 400 of 35.3%. Over those periods, our publicly traded direct peers (AerCap, Air Lease and Fly Leasing) had an average total return of 21.6% for 2017 and a three year return of 26.1%. Each of our NEOs met or exceeded their individual performance goals for 2017.

(1) Aircraft on-lease days as a percent of total days in period weighted by net book value.

(2) A reconciliation between non-GAAP performance metrics and U.S. GAAP results is included as Appendix A to this proxy statement.

Based on these factors, and the corporate performance achievement of 100.2%, the Compensation Committee took the following actions:

Named

Executive Officer	Incentive Compensation ⁽¹⁾	Rationale
Michael J. Inglese	\$716,580 cash \$716,583 restricted share grant \$375,000 special restricted share grant	Mr. Inglese was appointed as our Acting Chief Executive Officer on January 6, 2017, and as our Chief Executive Officer on June 9, 2017. He was also our Chief Financial Officer until June 9, 2017. Mr. Inglese led the Company to execute on its business plan, improve the portfolio quality and close a record number of aircraft acquisitions, sales and placements, all during a year of leadership transition.
Aaron A. Dahlke	\$424,640 cash \$212,330 restricted share grant \$100,000 special restricted share grant	Mr. Dahlke was appointed as our Chief Financial Officer on June 9, 2017, and led the Company's accounting department. He played a key role during the leadership transition and supporting Mr. Inglese's dual role. Mr. Dahlke remained our Chief Accounting Officer ("CAO") until August 28, 2017, and he was critical in the transition of Mr. Maronilla into the CAO role.
Michael L. Kriedberg	\$636,960 cash \$636,963 restricted share grant \$112,500 special restricted share grant	Mr. Kriedberg led the Company's aircraft acquisitions, placements and sales efforts. In this regard, he played a key role in directing the Company's considerable investment, sales and placement activity, including completing \$1.6 billion in aircraft acquisitions in a highly competitive environment, selling 37 aircraft and placing aircraft on lease, particularly our near term wide-body lease expirations.
Christopher L. Beers	\$540,800 cash \$270,396 restricted share grant \$150,000 special restricted share grant	Mr. Beers led the Company's legal organization and was also responsible for the human resources function. His efforts were critical in managing Mr. Wainshal's medical leave, the transition in leadership and counseling the board. He was also instrumental in completing the Company's transaction activity in 2017.
Roy Chandran	\$424,640 cash \$212,330 restricted share grant \$100,000 special restricted share grant	Mr. Chandran led our capital markets activities and on June 9, 2017, he was promoted to EVP Corporate Finance and Strategy reporting to the Chief Executive Officer. In his new role, Mr. Chandran is responsible for evaluating strategic transactions and managing the investor relations and pricing functions. During 2017, the Company was put on positive watch by Standard & Poor's for a possible credit rating upgrade.

⁽¹⁾ All restricted share awards were granted in early 2018 and grants vest in equal installments on January 1, 2019, 2020 and 2021, subject to the terms and conditions of the Incentive Plan.

Long-Term Incentive Plan

In 2016 we introduced a long-term equity incentive award program in the form of performance share units ("PSUs") for NEOs and certain other senior executives. These PSUs are intended to drive superior performance and enhance management retention by rewarding executives for exceptional performance over a three year performance period using two measures of long term performance: adjusted return on equity relative to targets set by the Board each year; and total shareholder return relative to a broad benchmark of public companies.

We established the overall value of PSUs for each executive based on their position, market and compensation data, and advice from our independent compensation consultant. We believe the performance standards for earning the PSU

awards are challenging.

The PSUs granted in 2017 vest at the end of a three year period, which runs from January 1, 2017, through December 31, 2019, although Messrs. Inglese, Dahlke and Chandran received supplemental PSU awards in June 2017 in connection with their

21

appointment to new roles with a performance period which runs from April 1, 2017, through December 31, 2019. Half of the PSUs vest on achieving relative total stockholder return goals (the "TSR PSUs") while the other half vest on attaining annual Adjusted Return on Equity goals (the "AROE PSUs"). We believe this approach provides a balanced mix of incentives. Adjusted Return on Equity is an appropriate measurement of management's effectiveness in deploying our shareholders' capital and relative total shareholder return measures management's ability to deliver superior long-term returns to our shareholders. The PSUs are denominated in share units (without dividend rights), each of which is equivalent to one share of common stock, and are subject to performance conditions and time-based vesting conditions.

TSR PSUs

The number of shares vesting from the TSR PSUs at the end of the three-year performance period will depend on our ranking within the S&P 400 MidCap Index as set forth in the table below. The TSR PSUs are designed to incentivize exceptional performance. To vest at target level, the Company's TSR ranking will need to be at the 60th percentile, and no shares will vest if the Company's TSR ranking is below the 40th percentile. Results between the points in the table will be interpolated on a linear basis.

Actual TSR Percentile Ranking	Applicable Percentage
80 th or higher	200%
60 th	100%
40 th	50%
below 40 th	—%

Total stockholder return ("TSR") is the change in price of a share of our common shares plus its accumulated dividends over the three year measurement period. Comparing the Company's TSR to the returns of a broad market index over the same period provides an objective external measure of the Company's effectiveness in generating returns for shareholders. We believe the S&P Mid-Cap 400 Index, which is comprised of a broad range of companies with market capitalizations similar to the Company's, is an appropriate benchmark for TSR performance. Our industry is highly specialized with few direct peers, only three of which are now publicly traded. It is not possible to develop a robust group of relevant peer companies against which to accurately benchmark performance.

AROE PSUs

The number of shares vesting from the AROE PSUs at the end of the three-year performance period will depend on the Company's Adjusted Return on Equity as measured against the targets set in the annual business plan endorsed by the Board. Adjusted Return on Equity is calculated in the same manner as described in Appendix A of this Proxy. The score is calculated each year and then averaged over the three year performance period. No shares underlying AROE PSUs will vest if the Company's Adjusted Return on Equity is more than 2% below plan. Results between the points in the table will be interpolated on a linear basis.

Actual AROE Performance	Applicable Percentage
Annual AROE Target plus 2%	200%
Annual AROE Target	100%
Annual AROE Target less 2%	50%
Below Annual AROE Target less 2%	—%

The chart below shows the PSU awards made to our NEOs during 2017, including the number of common shares underlying the awards at the time of grant:

	Target/Maximum Number of PSUs ⁽¹⁾	Target/Maximum Number of TSR PSUs	Target/Maximum Number of AROE PSUs
Michael J. Inglese	108,570/217,140	54,285/108,570	54,285/108,570
Aaron A. Dahlke	18,632/37,264	9,316/18,632	9,316/18,632
Christopher L. Beers	37,879/75,758	18,940/37,880	18,939/37,878
Roy Chandran	14,967/29,934	7,484/14,968	7,483/14,966

All awards were made in March 2017, except in connection with compensation actions taken in June 2017 for appointments to new roles: Mr. Inglese received a supplemental PSU award on June 9, 2017, with a target of 62,274 PSUs (maximum of 124,548 PSUs) with a performance period from April 1, 2017, to December 31, 2019, (1) Mr. Dahlke received a supplemental PSU award on June 9, 2017, with a target of 9,962 PSUs (maximum of 19,924 PSUs) with a performance period from April 1, 2017, to December 31, 2019, and Mr. Chandran received a supplemental PSU award on June 9, 2017, with a target of 2,846 PSUs (maximum of 5,692 PSUs) with a performance period from April 1, 2017, to December 31, 2019.

The following table shows the performance of our current PSU awards as if the performance period ended on December 31, 2017. Actual performance will be determined at the end of the relevant performance period.

PSU Award	TSR Payout Tracking ⁽¹⁾	AROE Payout Tracking ⁽²⁾
March 2016	50%	98%
March 2017	88%	70%
June 2017	—%	65%

Our TSR from the beginning of the performance period through December 31, 2017, relative to the S&P400 is as follows: March 2016 PSU TSR Awards were in the 40th percentile which would have resulted in a payout at threshold or 50% of the target award; March 2017 PSU TSR Awards were in the 53rdth percentile which would (1) have resulted in a payout between threshold and target or 88% of the target award; and June 2017 PSU TSR Awards were in the 36th percentile which would have resulted in a payout below threshold or 0% of the target award.

Actual AROE for 2016 was 9.4% versus a target of 8.4% resulting in a payout for that component equal to 125% of target. Actual AROE for 2017 was 9.1% versus a target of 10.3% resulting in a payout for that component equal (2) to 70% of target. The two year average for AROE performance is 98%. Actual AROE for April 1, 2017, to December 31, 2017, which only applies to the June 2017 PSU Awards was 6.7% versus a target of 8.1% resulting in a payout for that component equal to 65%% of target.

How We Make Decisions

Risk. The Compensation Committee reviews the risks and rewards associated with the Company’s compensation programs. We believe that our compensation programs encourage prudent business judgment and appropriate risk-taking, with the overall goal of building sustainable and profitable growth and enhancing shareholder value. We believe none of our compensation programs create risks that are reasonably likely to have a material adverse impact on the Company. Base salary is a fixed amount that does not encourage risk taking. The incentive compensation program, which delivers the majority of total compensation for our NEOs, contains elements that mitigate risk without detracting from the incentive nature of the program, including:

- the use of multiple corporate financial performance metrics, rather than relying on a single measure;
- the use of ranges for these financial performance metrics, so that the earning of the awards is not an “all or nothing” proposition;
- the use of performance-based and time-based equity awards vesting over a three-year period, increasing the focus on longer-term performance and shareholder value growth;
- greater weighting on performance-based equity versus time-based equity; and
- the adoption of robust share ownership guidelines and a recoupment policy.

Role of Executive Officers and Compensation Consultant. We set the corporate financial metrics at the beginning of the year based on the annual business plan endorsed by the Board. We set performance goals for the Chief Executive Officer, who in turn establishes individual performance goals for the other NEO. Regularly during the year, the senior management team presents to us the Company’s actual performance against the corporate performance metrics. We share these discussions with the full Board on a regular basis

In January, we begin developing our preliminary appraisal of our Chief Executive Officer's performance against the Company's corporate performance metrics and his individual goals. In February, after consulting with the Chairman of the Board, we make our final decision about the Chief Executive Officer's incentive compensation. Other NEOs may assist in providing data but otherwise have no role in determining the Chief Executive Officer's compensation. The Chief Executive Officer makes recommendations to us concerning other NEOs' incentive compensation based on corporate performance and each other NEO's individual performance.

We have access market data in evaluating the competitiveness of our overall compensation structure. We use such data to develop a general understanding of current compensation practices, but we do not rely solely on such data for making compensation decisions.

For 2017, we retained the firm of Meridian Compensation Partners, as an independent compensation consultant. Meridian advised us in connection with changes to executive compensation and the review of the design of our annual incentive plan and long-term incentive

plan. The services provided by Meridian are under the direction and authority of the Compensation Committee. Meridian has no other direct or indirect business relationship with the Company or our senior management team. Total fees paid to Meridian for advice with respect to compensation matters totaled \$116,523 in 2017. Representatives of Meridian attended select Compensation Committee meetings and provided objective third-party advice and compensation market perspective. We concluded that the advice we received from Meridian is objective and does not raise any conflicts of interest.

Share Ownership Guidelines

We believe common share ownership by management aligns the interests of management with those of the shareholders. Accordingly, we have adopted Ownership Guidelines providing for the following levels of share ownership applicable to our Chief Executive Officer, Chief Commercial Officer, Chief Financial Officer and General Counsel (based on the aggregate value of this share ownership as of the date of determination).

Position	Multiple of Base Salary
Chief Executive Officer	6x
Chief Financial Officer	2x
Chief Commercial Officer	2x
General Counsel	2x

The Ownership Guidelines provide for a phase-in period, according to which a relevant officer should satisfy the Ownership Guidelines, by the fifth anniversary of his or her initial appointment or promotion. As of March 22, 2018, each of the above officers complied with the Ownership Guidelines.

Tax Implications of Our Compensation

We consider the tax implications of our compensation programs, including the implications of Section 162(m) of the Internal Revenue Code, which for 2017 limits the deductibility of certain compensation to US\$1,000,000 per year for our Chief Executive Officer and for each of the other three most highly compensated named executive officers (other than our Chief Financial Officer) who are employed at year-end. Performance-based compensation may be excluded from this limitation for 2017. In May of 2017, our shareholders approved the adoption of the Amended and Restated 2014 Omnibus Incentive Plan which, among other things, allows our annual incentive compensation awards to our named executive officers to be excluded from the limitations of Section 162(m) and therefore be deductible through December 31, 2017.

In order for our annual incentive compensation awards for 2017 to be considered “performance-based compensation” for purposes of Section 162(m) and therefore be fully deductible, the Compensation Committee approved an incentive compensation plan for 2017. That plan limits the total amount of incentive compensation that could be awarded to our named executive officers in 2017 to 4% of Cash Flow from Operations before Working Capital, but not in excess of \$20,000,000. Our Chief Executive Officer was eligible to receive up to 40% of such amount and our other named executive officers were eligible to receive an aggregate amount up to 60%. The Compensation Committee may grant awards in lesser amounts but not in excess of the plan limits. In addition, any reduction in the amount of one named executive officer’s compensation would not result in an increase in any other named executive officer’s compensation. As determined and certified by the Compensation Committee for 2017, the maximum amount payable to our named executive officers based on our performance was equal to the maximum of \$20,000,000, allocated between our Chief Executive Officer and other named executive officers at \$8,000,000 and \$12,000,000, respectively. We granted incentive compensation awards for 2017 to our named executive officers in lesser amounts than the plan limits, based on the corporate financial metrics and individual performance goals described in greater detail above in the sections entitled “Pay for Performance” and “2017 Compensation.” The awards granted to our Chief Executive Officer and other named executive officers for 2017 were \$3,756,765, only 18.8% of the maximum amount permitted under the plan. The Tax Cuts and Jobs Act, enacted on December 22, 2017, substantially modifies Section 162(m) of the Internal Revenue Code and, among other things, eliminates the performance-based exception to the \$1 million deduction limit effective as of January 1, 2018. As a result, beginning in 2018, compensation paid to certain executive officers in excess of \$1 million will generally be nondeductible, whether or not it is performance-based. In addition, beginning in 2018, the executive officers subject to Section 162(m) (the “Covered Employees”) will include any individual who

served as the CEO or Chief Financial Officer (“CFO”) at any time during the taxable year and the three other most highly compensated officers (other than the CEO and CFO) for the taxable year, and once an individual becomes a Covered Employee for any taxable year beginning after December 31, 2016, that individual will remain a Covered Employee for all future years.

The Tax Cuts and Jobs Act includes a transition rule under which the changes to Section 162(m) described above will not apply to compensation payable pursuant to a written binding contract that was in effect on November 2, 2017, and is not materially modified after that date. To the extent applicable to our existing contracts and awards, the Compensation Committee may avail itself of this transition rule. However, because of uncertainties as to the application and interpretation of the transition rule, no assurances can be given at this time that our existing contracts and awards, even if in place on November 2, 2017, will meet the requirements of the transition rule. Moreover, to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee does not limit its actions with respect to executive compensation to preserve deductibility under Section 162(m) if the Compensation Committee determines that doing so is in the best interests of the Company.

Last Year's Say-on-Pay Vote

At our 2017 Annual Meeting, our shareholders had the opportunity to cast an advisory vote on the compensation of our NEOs in 2016. The Company's say-on-pay vote yielded a 99% approval. Notwithstanding this favorable vote, we continue to seek input from our shareholders to understand their views with respect to the Company's approach to compensation, and in particular in connection with the our efforts to tie compensation to performance.

Compensation Committee Interlocks and Insider Participation

During 2017, the Compensation Committee of the Board was composed of Messrs. Hacker, Merriman and Pollard and Ms. Mura. None of these persons has at any time been an officer or employee of the Company or any of its subsidiaries. In addition, there are no relationships among the Company's executive officers, members of the Compensation Committee or entities whose executives serve on our Board or on the Compensation Committee that require disclosure under applicable SEC regulations.

Compensation Overview

The table below sets forth information regarding 2017, 2016 and 2015 compensation for each of our NEOs (other than Mr. Wainshal who was on medical leave for a substantial majority of 2017), presenting each cash bonus, equity award and performance share award for the service year with respect to which they were earned, even if the annual incentive awards (cash bonus and equity award) were actually granted in a different period. Note that the SEC-required Summary Compensation Table (shown on page 30 requires disclosure of equity-based grants in the year they were awarded, even if they were awarded in respect of a prior year's service. Therefore, if an incentive award was earned in respect of service in one fiscal year, but granted in the subsequent fiscal year, it would be included as compensation in the subsequent fiscal year in the Summary Compensation Table.

The presentation below reflects how we view year-over-year changes to the compensation for our NEOs. It is important to recognize that the way we present compensation for our NEOs in the table below is different from the SEC-required disclosure in the Summary Compensation Table and is not a substitute for the information in that table. Rather, it is intended to show how we review total compensation for our NEOs across different periods during our decision-making process.

The amounts reported in the “Annual Equity Awards” column of the table above for 2017, 2016 and 2015 reflect the aggregate fair value on the grant date of the stock awards granted to our named executive officers determined in (1) accordance with FASB ASC Topic 718. The amounts reported in the “Long Term Incentive Plan” column of the table above for 2017 reflect the target value of the award. The fair value on the grant date of the award is reported on page 31.

The amounts reported in “All Other Compensation” column represent dividends paid on unvested shares, company (2) contributions made during 2017 to each named executive officer’s 401(k) plan account, and certain insurance premiums paid by the Company.

In lieu of a 2017 award under our long-term incentive plan, Mr. Kriedberg was given a special performance share
(3) award in March of 2017 in the amount of \$1,499,993 to ensure his retention during Mr. Wainshal's medical leave
and any subsequent leadership transition.

(4) On June 9, 2017, Mr. Chandran was promoted to EVP Corporate Finance and Strategy and became one of the
Company's NEOs.

The table below sets forth information regarding 2017, 2016 and 2015 compensation for each of our NEOs. The amounts reported in the Annual Equity Award column for 2017, 2016 and 2015 reflect the aggregate fair value on the grant date of the restricted share awards granted to our NEOs determined in accordance with FASB ASC Topic 718. The amounts reported in the Long-Term Incentive Plan column for 2017 and 2016 reflect the aggregate fair value on the grant date of the AROE PSUs and the TSR PSUs granted to our NEOs determined in accordance with FASB ASC Topic 718 based on the probable achievement of the applicable AROE and TSR performance conditions as of the grant date. The aggregate fair value on the grant date that would have been included for the AROE PSUs and TSR PSUs, assuming that the highest level of the performance conditions would be achieved, is as follows: Mr. Inglese US\$4,950,000; Mr. Dahlke US\$851,912; Mr. Beers US\$1,800,000; and Mr. Chandran US\$701,688. For a summary of the assumptions made in the valuation of these awards, please see Note 8 to our Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2017. See “Grants of Plan-Based Awards” below for additional information regarding restricted share awards and PSUs made to our NEOs in 2017 and 2016.

The amounts reported in this column consist of: (i) the following dividend payments made by the Company on unvested restricted common shares for each named executive officer in 2017: Mr. Inglese US\$74,947; Mr. Dahlke (2) US\$7,628; Mr. Kriedberg US\$143,210; Mr. Beers US\$55,184; and Mr. Chandran US\$11,963; and Mr. Wainshal US\$121,757 (ii) Company contributions made during 2017 to each named executive officer's 401(k) plan account and certain insurance premiums paid by the Company.

Represents restricted share awards granted in 2017 in respect of performance for fiscal year 2016. Stock awards in respect of performance for fiscal year 2017 were approved by the Compensation Committee and communicated to the named executive officers in February 2018. The aggregate grant date fair value of restricted share awards in (3) respect of performance in fiscal year 2017, which vest over three years and were communicated in February 2018 are as follows: Mr. Inglese US\$1,091,583; Mr. Dahlke US\$312,330; Mr. Kriedberg US\$749,463; Mr. Beers US\$420,396; and Mr. Chandran US\$312,330. In addition, Mr. Inglese and Mr. Kriedberg received grants in 2017 for performance during fiscal year 2017 of \$499,991 and \$99,994, respectively, which vest over three years.

In lieu of a 2017 award under our long-term incentive plan, Mr. Kriedberg was given a special performance share (4) award in March of 2017 in the amount of \$1,499,993, conditioned upon achieving a minimum cash flow in 2017, which was satisfied in March 2018, to ensure his retention during Mr. Wainshal's medical leave and any subsequent leadership transition.

(5) On June 9, 2017, Mr. Chandran was promoted to EVP Corporate Finance and Strategy and became one of the Company's NEOs.

Represents restricted share awards granted in 2017 in respect of performance for fiscal year 2016. Stock awards in respect of performance for fiscal year 2017 were approved by the Compensation Committee and communicated to the named executive officers in February 2018. The aggregate grant date fair value of restricted share awards in respect of performance in fiscal year 2017, which vest over three years and were communicated in February 2018 (1) are as follows: Mr. Inglese US\$1,091,583; Mr. Dahlke US\$312,330; Mr. Kriedberg US\$749,463; Mr. Beers US\$420,396; and Mr. Chandran US\$312,330. In addition, Mr. Inglese and Mr. Kriedberg received grants in 2017 for performance during fiscal year 2017 of \$499,991 and \$99,994, respectively, which vest over three years. Mr. Kriedberg also received an additional grant in 2017 for performance during fiscal year 2017 of \$1,499,993, conditioned upon achieving a minimum cash flow in 2017, which was satisfied in March 2018.

The maximum represents the highest possible amount of cash incentive compensation that could be paid to our named executive officers under our incentive compensation program described above in the section entitled "Tax Implications of Our Compensation." The maximum amount could then be allocated as follows: up to 40% to our CEO and up to 60% among the other named executive officers. Under this program, the Compensation Committee (2) is free to grant awards up to the maximum amount, or grant no awards at all even if performance metrics are achieved. Thus, there is no minimum amount payable. The actual amount of cash incentive compensation paid to our named executive officers with respect to performance in 2017 is reported in the "Non-Equity Incentive Compensation Plan" column of the Summary Compensation Table for 2017" and described in greater detail above in the section entitled "2017 Compensation."

Represents PSUs granted in 2017 which were designed to align management with shareholders by rewarding exceptional performance over a three year period while enhancing retention for executives and certain senior professionals. All PSUs granted during 2017 vest and their performance period ends on December 31, 2019. The (3) amounts reflect the aggregate fair value on the grant date of the PSUs granted to our named executive officers determined in accordance with FASB ASC Topic 718. For a summary of the assumptions made in the valuation of these awards, please see Note 8 to our Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2017.

The maximum AROE PSUs represent 70% of target based on actual performance against the March 2017 AROE target and 65% of target based on actual performance against the June 2017 AROE target. The remaining 85,800 of (4) target AROE PSUs will be considered granted upon the Compensation Committee's setting the target AROE for the respective period.

Employment Agreements with Named Executive Officers

Through our subsidiary, Aircastle Advisor LLC, we have entered into an employment agreement with each of our named executive officers. These employment agreements or letters generally provide for payment of an annual base salary and the executives' eligibility to receive an annual cash bonus with indicated target annual cash bonus and equity incentive award levels.

Each employment agreement provides that the named executive officer is employed "at-will" and may be terminated at any time and for whatever reason by either us or him. A summary of the payments and benefits to be provided to the named executive officers upon a termination of employment, along with a description of the restrictive covenants applicable to each executive, is set forth below in the section entitled "Potential Payments upon Termination or Change in Control."

Restricted Share and PSU Provisions under the Incentive Plan

Rights of Participants. Participants with restricted shares generally have all of the rights of shareholders, including the right to vote the shares and the right to receive dividends at the same rate paid to other holders of common shares. Participants with PSUs have none of the rights of shareholders until the PSUs are settled in common shares. Subject to the provisions of the Incentive Plan and applicable award agreement, the Incentive Plan administrator has sole discretion to provide for the lapse of restrictions in installments or the acceleration or waiver of restrictions (in whole or part) under certain circumstances, including, but not limited to, the attainment of certain performance goals or a participant's termination of employment or service.

Adjustments. In the event of a merger, amalgamation, consolidation, reorganization, recapitalization, bonus issue, share dividend or other change in corporate structure affecting the common shares, the Incentive Plan administrator may, subject to certain limitations, make an equitable substitution or proportionate adjustment in, among other things, the kind, number and purchase price of common shares subject to outstanding awards of restricted shares or other share-based awards (including PSUs) granted under the Incentive Plan. In addition, the Incentive Plan administrator, in its discretion, may terminate all awards with the payment of cash or in-kind consideration.

Repurchase of Shares for Withholding Taxes upon Vesting. The Incentive Plan gives the Incentive Plan administrator the authority to permit a participant to satisfy any federal, state or local withholding taxes due upon vesting of restricted shares by electing to have the Company repurchase a sufficient number of common shares, at Fair Market Value (as defined in the Incentive Plan) on the day of vesting. During 2017, our named executive officers and seven

Directors, Ms. Mura and Messrs. Allen, Bisignani, Cave, Hacker, Merriman and Pollard, made such an election of a sufficient number of shares, and the Incentive Plan administrator approved such elections.

Restricted Share Agreements. The restricted share agreements with each of our named executive officers provide that if his employment with the Company is terminated by the Company without "cause" (as defined in his employment agreement or award agreement) or, if applicable, by the executive with "good reason" (as defined in his employment agreement or award agreement), then the shares, if any, that are not vested as of the date of such termination will be paid out subject to the executive's execution of a separation agreement which includes a general release of claims.

Upon a participant's death or disability, the vesting of that participant's unvested restricted shares will accelerate.

Performance Share Unit Agreements. The PSU agreements with each of our named executive officers provide that if his employment with the Company is terminated by the Company without "cause" (as defined in the Incentive Plan) or, if applicable, by the executive with "good reason" (as defined in the Incentive Plan), then the Performance Period shall end as of the last day of the Company's last fiscal quarter and a number of PSUs shall immediately vest on the date based on achievement of Performance Goals. In the event that a Change of Control occurs prior to the vesting date, then the Performance Period shall end as of the date of the Change in Control and the Performance Goals shall be deemed to be satisfied as of the date of such Change in Control at the greater of (x) the level of achievement resulting in vesting percentages of 75% of the Target PSUs and (y) the actual level of achievement as of the date of such Change in Control. The resulting number of PSUs shall vest on the original vesting date based solely on the continued employment if

the successor entity assumes the awards, provided that if the executive's employment is terminated by the Company without cause or by the executive for good reason, or the executive's employment terminates due to his health or death or disability, in each case prior to the vesting date, the resulting PSUs will vest immediately on the date of such termination of employment. If the successor entity does not assume the awards, then the resulting number of PSUs vest immediately. In the event that employment with the Company or a Subsidiary or Affiliate is terminated as a result of the death or Disability of the Participant (other than following a Change in Control), then the Performance Period shall end as of the last day of the Company's last fiscal quarter ending prior to the date of such termination of employment, and the greater of (x) the Target PSUs and (y) the number of PSUs that would have vested based on achievement of the Performance Goals as of the last day of the Performance Period shall immediately vest. We also have a PSU agreement that may be used with our named executive officers which provides that if such executive's employment with the Company is terminated by the Company without "cause" (as defined in his employment agreement or award agreement) or, if applicable, by the executive with "good reason" (as defined in his employment agreement or award agreement), then the shares, if any, that are not vested as of the date of such termination will be paid out subject to the executive's execution of a separation agreement which includes a general release of claims. Upon a participant's death or disability, the vesting of that participant's unvested restricted shares will accelerate.

(1) As described below, the total amount of payments for each named executive officer may be subject to reduction to the extent necessary to avoid an excise tax under Section 4999 of the Internal Revenue Code.

Under the terms of a separation agreement dated June 30, 2017, with Ron Wainshal, our former Chief Executive Officer, as of July 1, 2017, Mr. Wainshal was on indefinite medical leave, during which time he received a reduced base salary of \$10,000 per month, and his employment terminated on December 31, 2017. In connection with his termination of employment, Mr. Wainshal received the severance payments and benefits provided for in his employment agreement and equity award agreements upon a termination of his employment by the Company without cause, provided that in recognition of his past service to the Company, Mr. Wainshal will receive reimbursement of his COBRA premiums for up to 36 months and the immediate lapse of the restrictions on his outstanding time-based restricted shares in the amount of 114,865 Common Shares .

As described above in the section entitled “Employment Agreements with Named Executive Officers,” we, through our subsidiary, Aircastle Advisor LLC, have entered into employment letters with our named executive officers which set forth certain terms and conditions of their employment relating to termination and termination payments.

Under the employment agreements for our named executive officers:

if the employment of such named executive officer is terminated without “cause” or with “good reason” (as defined in such employment agreement), and if he signs a general release of claims and complies with the covenants described below, then he will be entitled to receive: (i) an amount equal to the sum of the base salary and target annual cash bonus for the year of termination, payable over a one-year period (two times such amount and payable in a lump sum if the termination occurs within 120 days prior to or within two years following a “change in control” as defined in such employment agreement); (ii) a pro-rata annual bonus for the year of termination; (iii) reimbursement of COBRA premiums for up to twelve months; and (iv) continued vesting of all outstanding restricted share awards pursuant to their original vesting schedule (immediate vesting and payment of all outstanding equity awards in the event of a termination occurring in connection with a “change in control”);

if any amounts to be paid to such named executive officer would constitute “excess parachute payments” subject to the excise tax imposed under Section 4999 of the Internal Revenue Code, the amount will be reduced to the extent necessary to avoid the excise tax; however, in the case of Mr. Wainshal and, in certain cases Mr. Kriedberg, only if such reduction results in a higher after-tax payment to him; and

such named executive officer covenants not to compete with Aircastle for six months following termination of his employment for any reason and will not solicit the employees of Aircastle or the clients or customers of Aircastle for competing business, in each case, for a period of twelve months following termination.

Equity Compensation Plan Information

The table below sets forth certain information as of December 31, 2017, the last day of the fiscal year, for (i) all equity compensation plans previously approved by our shareholders and (ii) all equity compensation plans not previously approved by our shareholders.

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
	(a)	(b)	(c)
Equity compensation plans approved by security holders	768,868	(1)\$	— 3,240,538
Equity compensation plans not approved by security holders	—	—	—
Total			3,240,538

Represents 768,868 common shares subject to outstanding PSU awards (assuming payout at maximum, noting that (1) the maximum payout for the 2016 AROE PSU performance was established at 125% of target and the 2017 AROE PSU was established at 70% of target for the March 21, 2017, grants and 65% of target for the June 9, 2017. In March 2017, the Board of Directors adopted the Aircastle Limited Amended and Restated 2014 Omnibus Incentive Plan which was approved by shareholders at the Company's 2017 Annual General Meeting of Shareholders on May 19, 2017 and replaced the prior plans for awards granted after the effective date.

The maximum number of common shares reserved for issuance under the Amended and Restated 2014 Omnibus Incentive Plan is 5,171,748 common shares. Restricted common shares outstanding under the prior plans in the amount of 518,427 common shares will continue to vest subject to the terms and conditions of the prior plans and the applicable awards agreements.

During 2017, we granted annual equity awards under the Incentive Plan covering 315,588 common shares and PSU awards with a maximum payout of 768,868 common shares.

CEO Pay Ratio for 2017

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we determined that the 2017 total compensation of Michael J. Inglese, our Chief Executive Officer of \$3,947,463, as shown in the Summary Compensation Table above (the “CEO Compensation”), was approximately 19.3 times the total compensation of our median employee in 2017 calculated in the same manner of \$204,168.

We identified the median employee using the annual base salary and expected bonus, as of December 31, 2017, plus any long term incentive stock awards granted in 2017 for all individuals, excluding our Chief Executive Officer, who were employed by us on December 31, 2017, the last day of our payroll year (whether employed on a full-time, part-time, seasonal or temporary basis). After identifying the median employee, we calculated annual total compensation for such employee using the same methodology we use for our CEO Compensation.

AUDIT COMMITTEE REPORT

The Audit Committee reviewed our audited 2017 financial statements and discussed them with Aircastle's management addressing, among other things, the quality and the acceptability of the accounting principles, the reasonableness of significant judgments and estimates, and the clarity and completeness of disclosures. Our independent registered public accounting firm, Ernst & Young LLP, or EY, is responsible for performing an independent audit of our financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States), or PCAOB, and for issuing a report on its audit of the financial statements. The Audit Committee monitors and reviews the audit. The Audit Committee also reviewed and discussed with EY the audited financial statements and the matters required by Auditing Standard No. 1301, "Communications with Audit Committees," issued by the PCAOB and other matters the Committee deemed appropriate.

The Audit Committee has received the written disclosures and the letter from EY required by the applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, as modified or supplemented, and has discussed with EY its independence. The Audit Committee also considered whether the independent auditors' provision of other, non-audit related services, and the fees associated with such non-audit related services, to Aircastle is compatible with maintaining such auditors' independence.

The Audit Committee has oversight responsibilities for reviewing the services performed by EY and retains sole authority to select, evaluate and replace the outside auditors. In fulfilling its oversight responsibilities, the committee discusses EY's overall scope and execution of the annual audit, as well as other matters required to be discussed by PCAOB auditing standards. The Audit Committee is responsible for approval of the proposed audit fees and annually evaluates the reputation, qualifications, performance and independence of EY and its lead audit partner. Further, in conjunction with the mandated rotation of the independent auditor's lead audit partner, the Audit Committee is directly involved in the selection of a new lead audit partner. The current lead audit partner was appointed in 2014.

Furthermore, the Audit Committee believes that the continued retention of EY to serve as the Company's independent registered public accounting firm is in the best interests of the Company and its shareholders. In making such determination, the Audit Committee considers, among other things, an evaluation of EY's performance as well as the impact of changing auditors.

Based on its discussions with management and EY, and its review of the representations and information provided by management and EY, the Audit Committee recommended to the Board that the audited financial statements be included in Aircastle's Annual Report on Form 10-K for the year ended December 31, 2017. In addition, the Audit Committee has also recommended, subject to shareholder approval, the appointment of EY as the Company's Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2018.

Respectfully submitted,
The Audit Committee

Policies and Procedures for Review, Approval or Ratification of Transactions with Related Persons

Our Board has adopted a Policy and Procedures with Respect to Related Person Transactions, our Related Person Policy. Pursuant to the terms of the Related Person Policy, the Audit Committee must review and approve in advance any related person transaction, other than those that are pre-approved pursuant to pre-approval guidelines or rules that may be established by the Audit Committee to cover specific categories of transactions, including the guidelines described below. All Related Persons, as defined below, are required to report to our legal department any such related person transaction prior to its completion, and the legal department will determine whether it should be submitted to the Audit Committee for consideration.

Our Related Person Policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company or any of its subsidiaries was, is or will be a participant, in which the amount involved exceeds US\$120,000, and in which any Related Person had, has or will have a direct or indirect material interest.

Proposal No. 1
ELECTION OF DIRECTORS
 (Item 1 on Proxy Card)

The first proposal is to elect four Class III Directors to serve until the 2021 annual general meeting of Aircastle or until their office shall otherwise be vacated pursuant to our Bye-laws.

The Nominating and Corporate Governance Committee works with the Board to determine the appropriate and necessary characteristics, skills and experience of the Board, both as a whole and with respect to its individual members. While the committee does not specifically set any minimum skills that a candidate must have prior to consideration, the committee thoroughly examines a candidate's understanding of marketing, finance and other elements relevant to the success of a publicly traded company in our business and his or her educational and professional background. In determining whether to recommend a Director for re-election, the Nominating and Corporate Governance Committee also considers the Director's participation in and contributions to the activities of the Board. The Nominating and Corporate Governance Committee recommended to the Board, and the Board unanimously approved, the nomination of the following as Class III Directors:

Name	Age	Position
Giovanni Bisignani	71	Class III Director
Takayuki Sakakida	47	Class III Director
Gentaro Toya	58	Class III Director
Peter V. Ueberroth	80	Class III Director

Biographical information regarding these nominees, including a description of the particular experience, qualifications, attributes and skills that led the Nominating and Corporate Governance Committee and Board to conclude that each nominee should serve on the Board, is described above on pages 4-6. The participation of these nominees in committee work is described in "Corporate Governance—Committees of the Board," above, and their ownership of common shares is described in "Corporate Governance—Security Ownership of Certain Beneficial Owners and Management," also above.

Our Board currently consists of 12 Directors, the maximum permitted under the Bye-laws, and is divided into three classes of Directors. The current terms of the Class I, Class II and Class III Directors will expire in 2019, 2020 and 2018, respectively. The Board unanimously proposes as nominees for election at the Annual Meeting the four existing Class III Directors, Messrs. Bisignani, Sakakida, Toya and Ueberroth. If elected at the Annual Meeting, the Class III Directors will hold office from election until the 2021 annual general meeting of Aircastle or until their office shall otherwise be vacated pursuant to our Bye-laws. If any of the nominees becomes unavailable or unwilling to serve, an event that the Board does not presently expect, we will vote the shares represented by proxies for the election of Directors for the election of such other person(s) as the Board may recommend.

The Board recommends that you vote FOR the above-named nominees to serve as our Directors until the 2021 annual general meeting of Aircastle or until their office shall otherwise be vacated pursuant to our Bye-laws. Unless otherwise instructed, we will vote all proxies we receive FOR Messrs. Bisignani, Sakakida, Toya and Ueberroth.

Proposal No. 2

APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (WHICH CONSTITUTES THE AUDITOR FOR PURPOSES OF BERMUDA LAW) AND THE AUTHORIZATION OF THE DIRECTORS OF AIRCASTLE LIMITED, ACTING BY THE AUDIT COMMITTEE, TO DETERMINE THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM'S FEES.

(Item 2 on Proxy Card)

The Audit Committee Charter, as well as Section 301 of the Sarbanes-Oxley Act, Rule 10A-3(b)(2) under the Exchange Act and the related NYSE listing standards, require that the audit committee shall be directly responsible for the appointment and retention of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the listed issuer. In accordance with these requirements, the Audit Committee and the Board recommend that the shareholders appoint the firm of Ernst & Young LLP or "EY", to be the Company's independent registered public accounting firm (which constitutes the auditor for the purpose of Bermuda law) for fiscal year 2018 and to authorize the Directors of the Company, acting by the Audit Committee, to determine the independent registered public accounting firm's fees. EY was also the Company's independent registered public accounting firm for 2017. Before selecting EY, the Audit Committee carefully considered EY's reputation and qualifications as the registered public accounting firm for Aircastle. This included a review of its performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The committee has expressed its satisfaction with EY in all of these respects. The committee's review included inquiry concerning any litigation involving EY and any proceedings by the SEC against the firm.

The Audit Committee also oversees the work of EY, and EY reports directly to the Audit Committee. The Audit Committee also oversees the negotiation of, and reviews and approves EY's annual engagement letter, including the proposed fees, and determines or sets the policy regarding all audit, and all permitted non-audit, engagements and relationships between Aircastle and EY. The Audit Committee also reviews and discusses with EY their annual audit plan, including the timing and scope of audit activities, and monitors the progress and results of the plan during the year. In addition, the Audit Committee, along with the Company's management and internal auditors conducts an ongoing review of EY's pricing and work quality as part of the Audit Committee's consideration of whether to reappoint the firm as registered public accounting firm. As part of this review, the Audit Committee considers: (i) the continued independence and objectivity of EY, (ii) evaluations of EY by the Company's management and internal auditors, (iii) EY's effectiveness of communications and working relationships with the Audit Committee and the Company's management and internal auditors, and the quality and candor of such communications, (iv) the appropriateness of EY's fees for audit and non-audit services, (v) external data on audit quality and performance, including recent PCAOB reports on EY and its peers and (vi) their reputation and qualifications.

Representatives of EY will be present and available to answer questions at the Annual Meeting and are free to make statements during the Annual Meeting.

Audit Fees, Audit Related Fees, Tax Fees and All Other Fees.

In connection with the audit of the 2017 financial statements, the Company entered into an engagement letter with EY which set forth the terms by which EY has performed audit services for the Company. The following summarizes the fees paid by us to EY for professional services rendered in 2017 and 2016:

Proposal Nos. 3(a) - (c)

APPROVAL OF AMENDED BYE-LAWS OF AIRCASTLE LIMITED

(Items 3(a), (b), and (c) on Proxy Card)

Overview

Proposals 3(a)-(c) relate to certain amendments to the Bye-laws of Aircastle Limited (as amended, our “Amended Bye-laws”). As part of its periodic review of our governance mechanisms, our Board has determined that certain provisions in our Bye-laws should be modified to (i) adopt a majority voting standard in elections of directors in order to provide shareholders a greater impact on such elections, (ii) amend the advance notice provisions relating to shareholder proposals and director nominations to provide the Board and shareholders with additional information to evaluate such proposals and nominations, and (iii) make certain additional modifications to eliminate provisions related to Fortress Investment Fund III LP and its affiliates (“Fortress”) and to update certain provisions to reflect changes in Bermuda law and make other clarifying amendments. Our Board is committed to ensuring effective, up-to-date corporate governance policies and practices and believe that these amendments are in the best interests of the Company’s shareholders.

Each of the proposed amendments discussed below is being voted on separately by the shareholders of the Company. If the shareholders approve some, but not all, of the proposals discussed below, the Bye-laws will only be amended to reflect the amendments approved by the shareholders.

Our Board has considered all of the amendments discussed below, and the Board has approved the proposed Amended Bye-laws, which incorporate all of these changes. Each of Proposals 3(a)-(c) should be read in conjunction with, and are qualified in their entirety by reference to, the full text of the proposed Amended Bye-laws, which is attached to this proxy statement as Appendix B. Appendix B is marked to show all changes described in each of the proposals d below, with additions of text indicated by underlining and deletions of text indicated by strike-outs.

Proposal No. 3(a) - AMENDMENT TO ADOPT MAJORITY VOTING STANDARD IN DIRECTOR ELECTIONS

(Item 3(a) on Proxy Card)

Our Board believes that it is in the best interests of the Company and our shareholders to amend our Bye-laws to adopt a majority voting standard, rather than the current plurality voting standard, for director elections. Based upon consultation with our outside counsel, the Board approved and recommends for shareholder approval, this Proposal No. 3(a), which would implement a majority voting standard for all director elections.

Pursuant to our current Bye-laws, director nominees are elected by a plurality of the votes cast at a shareholder meeting. Under a plurality voting standard, director nominees who receive the greatest number of votes cast in their favor are elected to the Board, regardless of whether a director nominee receives a majority of the actual votes cast. If this Proposal No. 3(a) is approved, our Amended Bye-laws would instead implement a majority voting standard for director elections. Under a majority voting standard, a director nominee is only elected to the Board if the votes cast for such nominee’s election exceed the votes cast against such nominee’s election. Abstentions would not be considered votes “for” or “against” the candidate.

Recognizing that majority voting in director elections is becoming a corporate governance best practice, the Board has reviewed and considered the advantages and disadvantages of adopting a majority voting standard for director elections. The Board believes that a majority voting standard is consistent with good corporate governance and would provide our shareholders the ability to have a greater impact on Board elections. This change in standard would give effect to shareholder votes “against” a director nominee and require a majority of shareholder votes for a candidate to become or remain a director on the Board. The adoption of this standard is intended to reinforce the accountability of the Board to our shareholders. If this Proposal No. 3(a) is adopted, the majority voting standard would apply to all future elections of directors.

The proposed amendments in this Proposal No. 3(a) would amend Bye-laws 29.1 and 36.3 of the current Bye-laws, as set forth in Appendix B.

The Board recommends that you vote FOR the approval of the amendment to the Bye-laws to adopt the majority voting standard in director elections.

Proposal No. 3(b) - AMENDMENT TO ADVANCE NOTICE PROCEDURES FOR SHAREHOLDER PROPOSALS AND DIRECTOR NOMINATIONS

41

(Item 3(b) on Proxy Card)

Our Board believes that it is in the best interests of the Company and our shareholders to amend our Bye-laws to require shareholders to provide additional information about shareholder proposals and nominations in advance of shareholder meetings. Based upon consultation with our outside counsel, the Board approved, and recommends for shareholder approval, this Proposal No. 3(b), which would implement additional disclosure obligations for shareholders who wish to present shareholder proposals or director nominations at meetings of our shareholders. Pursuant to our current Bye-laws, in order to bring a shareholder proposal before a shareholder meeting, a proposing shareholder must deliver a written notice to the Company in accordance with certain content and timing requirements set forth in our Bye-laws. The written notice content requirements currently include (i) a brief description of the proposal and reason for such a proposal, (ii) the proposing shareholder's name and address, (iii) the number of shares which are registered in the name of such proposing shareholder, (iv) a description of any arrangements with other persons regarding the proposal and any material interest of such proposing shareholder in the proposal and (v) a representation that such proposing shareholder intends to appear in person or by proxy at the shareholder meeting. If this Proposal No. 3(b) is approved, certain additional information will need to be provided regarding shareholder proposals, including (i) the text of the shareholder proposal to be acted upon, (ii) whether the proposing shareholder has entered into any derivative instrument or risk managing agreement with respect to shares of the Company, (ii) additional disclosure on any arrangements the proposing shareholder may have with third parties and (iii) any information that would be required to be disclosed in a proxy statement or other filing pursuant to Section 14 of the Exchange Act. Additionally, the shareholder will have an affirmative obligation to further update and supplement such information to guarantee the information is correct as of the record date.

Pursuant to our current Bye-laws, in order to nominate a director, a shareholder need only provide written notice to the Company, in accordance with certain timing requirements set forth in the Bye-laws, of such shareholder's intent to propose a certain nominee and the proposed nominee's willingness to serve as a director. No other disclosures are currently required to be made regarding the shareholder or the nominee. If this Proposal No. 3(b) is approved, additional disclosure requirements with respect to the content of the notice (similar to those required for shareholder proposals) will be implemented. These disclosure requirements include, among other things, (i) the age and address of the nominee, (ii) the principal occupation of the nominee, (iii) the number of shares owned by the nominee, (iv) a written representation that (a) the nominee does not have prior arrangements with third parties to act or vote on certain issues and (b) if elected, the nominee would be in compliance with applicable regulations of the Company, (v) any information that would be required to be disclosed in a proxy statement or other filing pursuant to Section 14 of the Exchange Act and (vi) any other information reasonably requested by the Company to determine the independence of such nominee or eligibility to serve as a director. The shareholder who proposed the nominee will also be subject to the same disclosure requirements (including proposed amendments) regarding shareholder proposals described in the immediately preceding paragraph. Additionally, the shareholder who proposed the nominee will have an affirmative obligation to further update and supplement such information to guarantee the information is correct as of the record date.

The adoption of these additional advance notice procedures would facilitate orderly and efficient shareholder meetings, ensure that the Board and shareholders receive sufficient information with respect to all director nominees and shareholder proposals, and allow shareholders to register an informed vote. The Board also believes that implementing such advance notice procedures will enable the Board to more effectively plan for shareholder meetings and would result in better information being made available to our shareholders in advance of any shareholder meetings. These changes will also permit the Board to make more carefully reasoned recommendations or statements of its position so as to enable shareholders to better determine whether they desire to attend the meeting or grant a proxy to the Company as to the outcome of any such business.

The proposed amendments in this Proposal No. 3(b) would amend Bye-law 22.5 of the current Bye-laws, as set forth in Appendix B. Additionally, new Bye-laws 21.6, 35.3, 35.4 and 35.5 would be added in the Amended Bye-laws, as also set forth in Appendix B.

The Board recommends that you vote FOR the approval of the amendment to the Bye-laws to amend the advance notice procedures for shareholder proposals and director nominations.

42

Proposal No. 3(c) - AMENDMENT TO OUR BYE-LAWS TO ELIMINATE PROVISIONS RELATED TO FORTRESS AND MODIFY CERTAIN ADDITIONAL PROVISIONS TO REFLECT CHANGES IN BERMUDA LAW, AND MAKE CERTAIN OTHER CLARIFYING CHANGES.

(Item 3(c) on Proxy Card)

Our Board believes that it is in the best interests of the Company and our shareholders to amend our Bye-laws to (i) eliminate certain provisions relating to Fortress Investment III LP and its affiliates (“Fortress”) that are no longer applicable and (ii) modify certain additional provisions in light of changes to Bermuda law, and to make certain additional clarifying changes. Based upon consultation with our outside counsel, the Board approved, and recommends for shareholder approval, this Proposal No. 3(c), which generally updates our Bye-laws based on the current position of the Company and Bermuda law.

The current Bye-laws include certain provisions that addressed the fact that Fortress was a significant shareholder of the Company. However, Fortress no longer beneficially owns any shares of our capital stock, and the provisions of our current Bye-laws detailing rights, privileges and protections of Fortress are no longer applicable. Under our current Bye-laws, provisions which relate to Fortress include (i) its ability to require the President, the Chairman or the Board to call a special general meeting and (ii) rights regarding corporate opportunities and related business activities pursuant to Appendix A to the current Bye-laws. If this Proposal No. 3(c) is approved, these sections will be removed or modified, including (i) all provisions referencing “Significant Shareholder” (which is defined as Fortress and other affiliates under the current Bye-laws), (ii) certain supermajority voting requirements relating to Appendix A and (iii) the entirety of Appendix A.

Additionally, upon consultation with our outside legal counsel, the Board has determined to modify and update certain additional provisions to reflect changes to Bermuda law and otherwise to clarify certain provisions of our Bye-laws. If this Proposal No. 3(c) is approved, the following modifications will be made to our current Bye-laws:

- The concept of treasury shares would be added. Treasury shares refer to shares of the Company held by the Company which have not been cancelled. In the discretion of the Board, the Company would be allowed to cancel any repurchased shares or hold them as treasury shares. Any rights attached to a treasury share would be suspended and not be exercised by the Company. Additionally, except as required under Bermuda law, treasury shares would be excluded from the calculation of any percentage of shares outstanding of the Company.

- The restriction on the Company from providing financial assistance to any person seeking to acquire shares of the Company would be removed.

- A new provision would be added explicitly allowing shares that are listed or admitted to trading on a stock exchange to be transferred in accordance with the rules and regulations of such exchange.

- Modifications would be made to the provisions regarding giving notices to the shareholder by the Company. Namely, these modifications are for purposes of specificity and when notice shall be deemed served to the shareholder.

- The provisions regarding the appointment of an alternate director or directors by an existing director would now be subject to the approval of the proposed alternate director or directors by a majority of the directors then in office, excluding the director proposing the alternate director or directors.

- Modifications would be made to the provisions regarding amalgamations. The modified provisions would expressly include references to mergers or other consolidation transactions and treat them in manner similar to amalgamations.

The proposed amendments in this Proposal No. 3(c) would amend or remove Bye-laws 1.1, 1.2, 6, 21, 23.2, 24.1, 39.1, 51.4, 74.1, 74.2 and 76.3 of the current Bye-laws, as set forth in Appendix B. Additionally, new Bye-laws 3.4, 4.6 and 11.7 would be added in the Amended Bye-laws and the entirety of Appendix A of the current Bye-laws would be removed, each as also set forth in Appendix B.

The Board recommends that you vote FOR the approval of the amendment to the Bye-laws to (i) eliminate provisions related to Fortress, (ii) modify certain additional provisions to reflect changes in Bermuda law and (iii) to make certain other clarifying changes.

Proposal No. 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION

(Item 4 on Proxy Card)

The Dodd-Frank Act requires that we provide our shareholders with the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement on page 16 in accordance with the SEC's rules.

In considering their vote, shareholders may wish to review with care the information on our compensation policies and decisions regarding the named executive officers presented in Compensation Discussion and Analysis on pages 16-35, as well as the discussion regarding the Compensation Committee on page 10.

Our primary compensation goals for our named executive officers are to attract, motivate and retain the most talented and dedicated executives and to closely align the interests of our named executive officers with the interests of our shareholders. Our compensation programs are designed to reward our named executive officers for the achievement of annual and long-term strategic and operational goals and the achievement of increased total shareholder return, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking.

The Compensation Committee has developed compensation programs that strongly tie executive pay to Company performance and our compensation program rewards employees for delivering in two areas:

- Achievement of corporate financial metrics, focused on operational and financial performance, in the form of adjusted return on equity, cash flow per share, and sustainable growth through new investments.

- Achievement of individualized performance goals set at the beginning of each year.

We believe that the Company's executive compensation programs have been effective at promoting the achievement of positive results, appropriately aligning pay and performance, and enabling the Company to attract and retain very talented executives while at the same time avoiding the encouragement of unnecessary or excessive risk-taking.

We are asking our shareholders to indicate their support for our named executive officers' compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives you as a shareholder the opportunity to express your views on our fiscal year 2017 executive compensation policies and procedures for our named executive officers. This vote is not intended to address any specific item of compensation; rather, the vote relates to the overall compensation of our named executive officers and the policies and procedures described in this proxy statement in accordance with the compensation disclosure rules of the SEC. Accordingly, we ask our shareholders to vote "FOR" the following resolution at the Annual Meeting:

RESOLVED, that the shareholders of Aircastle Limited approve, on an advisory basis, the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K in the Company's proxy statement for the 2018 Annual General Meeting of Shareholders, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

Although this is an advisory vote which will not be binding on the Compensation Committee or the Board, we will carefully review the results of the vote. The Compensation Committee will consider our shareholders' concerns and take them into account when designing future executive compensation programs.

The Board recommends that you vote FOR the approval of the compensation of our named executive officers, as disclosed in this proxy statement.

OTHER MATTERS

As of the mailing date of this proxy statement, the Board knows of no other matters to be brought before the Annual Meeting. If matters other than the ones listed in this proxy statement arise at the Annual Meeting, the persons named in the proxy will vote the shares represented by the proxy according to their judgment.

No person is authorized to give any information or to make any representation not contained in this proxy statement, and, if given or made, such information or representation should not be relied upon as having been authorized. The delivery of this proxy statement shall not, under any circumstances, imply that there has not been any change in the information set forth herein since the date of the proxy statement.

CONFIDENTIALITY OF PROXIES

The Company's policy is that proxies identifying individual shareholders are private except as necessary to determine compliance with law, as necessary to assert or defend legal claims, in a contested proxy solicitation, or in the event that a shareholder makes a written comment on a proxy card or an attachment to it.

SHAREHOLDER PROPOSALS

The Company welcomes comments or suggestions from its shareholders. Under SEC rules, if a shareholder wishes to submit a proposal to be considered for inclusion in our proxy statement for the 2019 Annual General Meeting of Shareholders, the Company must receive the proposal in writing on or before December 4, 2018, unless the date of the 2018 Annual General Meeting of Shareholders is changed by more than 30 days from the date of the last annual general meeting, in which case the proposal must be received no later than a reasonable time before the Company begins to print and send its proxy materials. All proposals must comply with Exchange Act Rule 14a-8 and should be sent to the Secretary of Aircastle Limited, c/o Aircastle Advisor LLC, 201 Tresser Boulevard, Suite 400, Stamford, CT 06901.

If a shareholder wishes to submit a proposal for business to be brought before the 2019 Annual General Meeting of Shareholders outside of Exchange Act Rule 14a-8, including with respect to shareholder nominations of Directors, notice of such matter must be received by the Company, in accordance with the provisions of the Company's Bye-laws, no earlier than January 18, 2019, and no later than February 17, 2019 or, in the event the annual general meeting is called for a date that is not 25 days before or after such anniversary the notice must be given not later than 10 days following the date on which such notice of annual general meeting was mailed or the date on which public disclosure of the date of the annual general meeting was made, whichever first occurs. Notice of any such proposal also must include the information specified in our Bye-laws and should be sent to the Secretary of Aircastle Limited, c/o Aircastle Advisor LLC, 201 Tresser Boulevard, Suite 400, Stamford, CT 06901. In order for a proposal to be considered "timely" for purposes of Rule 14a-4(c), such proposal must be received no later than February 17, 2019. In addition to our Bye-laws, please see page 11 of this proxy statement for a description of the procedures to be followed by a shareholder who wishes to recommend a Director candidate to the Nominating and Corporate Governance Committee for its consideration.

Additionally, under Bermuda law, shareholders holding not less than five percent of the total voting rights or 100 or more shareholders together may require us to give notice to our shareholders of a proposal to be submitted at an annual general meeting. Generally, notice of such a proposal must be received by us at our registered office in Bermuda (located at Clarendon House, 2 Church Street, Hamilton, HM 11, Bermuda) not less than six weeks before the date of the meeting and must otherwise comply with the requirements of Bermuda law.

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy materials with respect to two or more shareholders sharing the same address by delivering a single set of proxy materials addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single set of proxy materials to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

45

Once you have received notice from your broker or the Company that it or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive separate proxy materials, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to Aircastle Limited, c/o Aircastle Advisor LLC, 201 Tresser Boulevard, Suite 400, Stamford, CT 06901, Attention: General Counsel, or by oral request at (203) 504-1020. Upon receipt of such request, the Company will deliver a separate copy of the proxy material to the shareholder's address.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON MAY 18, 2018

The proxy statement and annual report are available at www.aircastle.com/investors.

GENERAL

The Company will pay the costs of preparing, assembling and mailing this proxy statement and the costs relating to the Annual Meeting. In addition to the solicitation of proxies by mail, the Company intends to ask brokers and bank nominees to solicit proxies from their principals and will pay the brokers and bank nominees their expenses for such solicitation.

If you received a paper copy of this proxy statement, please complete, sign, and date the enclosed proxy card and mail it promptly in the enclosed postage-paid envelope. The enclosed proxy card can be revoked at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

By Order of the Board of Directors,
Christopher L. Beers
General Counsel

- Subject to these Bye-laws and to any resolution of the Members to the contrary, and without prejudice to any special
- 1. rights previously conferred on the holders of any existing shares or class of shares, the Board shall have the power to issue any unissued shares of the Company on such terms and conditions as it may determine.

- 2. may be issued or converted into shares that (at a determinable date or at the option of the Company or the holder) are liable to be redeemed on such terms and in such manner as may be determined by the Board (before the issue or conversion).

3. Power of the Company to Purchase its Shares

- 3.1 The Company may purchase its own shares in accordance with the provisions of the Act on such terms as the
- 1. Board shall think fit. The Board may exercise all the powers of the Company to purchase all or any part of its own shares in accordance with the Act.

(and, for the avoidance of doubt, such matters and the issuance of such Preference Shares shall not be deemed to vary the rights attached to the Common Shares or, subject to the terms of any other series of Preference Shares, to vary the rights attached to any other series of Preference Shares). The authority of the Board with respect to each series shall include, but not be limited to, determination of the following:

(a) the number of shares constituting that series and the distinctive designation of that series;

(b) the dividend rate on the shares of that series, whether dividends shall be cumulative and, if so, from which date or dates, and the relative rights of priority, if any, of the payment of dividends on shares of that series;

(e) whether or not the shares of that series shall be redeemable or repurchaseable, and, if so, the terms and conditions of such redemption or repurchase, including the manner of selecting shares for redemption or repurchase

(e) if less than all shares are to be redeemed or repurchased, the date or dates upon or after which they shall be redeemable or repurchaseable, and the amount per share payable in case of redemption or repurchase, which amount may vary under different conditions and at different redemption or repurchase dates;

At the discretion of the Board, whether or not in connection with the issuance and sale of any shares or other securities of the Company, the Company may issue securities, contracts, warrants or other instruments evidencing any shares, option rights, securities having conversion or option rights, or obligations on such terms, conditions and other provisions as are fixed by the Board, including, without limiting the generality of this authority, conditions that preclude or limit any person or persons owning or offering to acquire a specified number or percentage of the issued Common Shares, other shares, option rights, securities having conversion or option rights, or obligations of the Company or transferee of the person or persons from exercising, converting, transferring or receiving the shares, option rights, securities having conversion or option rights, or obligations.

All the rights attaching to a Treasury Share shall be suspended and shall not be exercised by the Company while it holds such Treasury Share and, except where required by the Act, all Treasury Shares shall be excluded from the calculation of any percentage or fraction of the share capital, or shares, of the Company.

5. Calls on Shares

The Board may make such calls as it thinks fit upon the Members in respect of any monies (whether in respect of nominal value or premium) unpaid on the shares allotted to or held by such Members (and not made payable at fixed times by the terms and conditions of issue) and, if a call is not paid on or before the day appointed for payment thereof, the Member may at the discretion of the Board

be liable to pay the Company interest on the amount of such call at such rate as the Board may determine, from the date when such call was payable up to the actual date of payment. The Board may differentiate between the holders as to the amount of calls to be paid and the times of payment of such calls.

Any sum which by the terms of allotment of a share becomes payable upon issue or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall for all the purposes of these Bye-laws be deemed to be a call duly made and payable, on the date on which, by the terms of issue, the same becomes payable, and in case of non-payment all the relevant provisions of these Bye-laws as to payment of interest, costs, charges and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

3. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

4. The Company may accept from any Member the whole or a part of the amount remaining unpaid on any shares held by him, although no part of that amount has been called up.

6. Prohibition on Financial Assistance

The Company shall not give, whether directly or indirectly, whether by means of loan, guarantee, provision of security or otherwise, any financial assistance for the purpose of the acquisition or proposed acquisition by any person of any shares in the Company, but nothing in this Bye-law shall prohibit transactions permitted under the Act.

6.7. Forfeiture of Shares

7.1 If any Member fails to pay, on the day appointed for payment thereof, any call in respect of any share allotted to or held by such Member, the Board may, at any time thereafter during such time as the call remains unpaid, direct the Secretary to forward such Member a notice in writing in the form, or as near thereto as circumstances admit, of the following:

Notice of Liability to Forfeiture for Non-Payment of Call

Aircastle Limited (the " Company")

7.2 If the requirements of such notice are not complied with, any such share may at any time thereafter before the payment of such call and the interest due in respect thereof be forfeited by a resolution of the Board to that effect, and such share shall thereupon become the property of the Company and may be disposed of as the Board shall determine.

7.3 A Member whose share or shares have been forfeited as aforesaid shall, notwithstanding such forfeiture, be liable to pay to the Company all calls owing on such share or shares at the time of the forfeiture and all interest due thereon.

7.4 The Board may accept the surrender of any shares which it is in a position to forfeit on such terms and conditions as may be agreed. Subject to those terms and conditions, a surrendered share shall be treated as if it had been forfeited.

7.8. Share Certificates

8.1 Every Member shall be entitled to a certificate under the seal of the Company (or a facsimile thereof) specifying the number and, where appropriate, the class of shares held by such Member and whether the same are fully paid up and, if not, specifying the amount paid on such shares. The Board may by resolution determine, either generally or in a particular case, that any or all signatures on certificates may be printed thereon or affixed by mechanical means.

8.2 The Company shall be under no obligation to complete and deliver a share certificate unless specifically called upon to do so by the person to whom the shares have been allotted.

8.3 If any share certificate shall be proved to the satisfaction of the Board to have been worn out, lost, mislaid, or destroyed the Board may cause a new certificate to be issued and request an indemnity for the lost certificate if it sees fit.

8.9. Fractional Shares

The Company may issue its shares in fractional denominations and deal with such fractions to the same extent as its whole shares and shares in fractional denominations shall have in proportion to the respective fractions represented thereby all of the rights of whole shares including (but without limiting the generality of the foregoing) the right to vote, to receive dividends and distributions and to participate in a winding-up.

12.3 The Board may refuse to recognise any instrument of transfer unless it is accompanied by the certificate in

12.4 The joint holders of any share may transfer such share to one or more of such joint holders, and the surviving
4. holder or holders of any share previously held by them jointly with a deceased Member may transfer any such share to the executors or administrators of such deceased Member.

5. authorisations and permissions of any governmental body or agency in Bermuda have been obtained. If the Board refuses to register a transfer of any share the Secretary shall, within three months after the date on which the transfer was lodged with the Company, send to the transferor and transferee notice of the refusal.

12.6 Shares may be transferred without a written instrument if transferred by an appointed agent or otherwise in
6. accordance with the Act.

7. Notwithstanding anything to the contrary in these Bye-laws, shares that are listed or admitted to trading on an appointed stock exchange may be transferred in accordance with the rules and regulations of such exchange.

12. 13. Transmission of Registered Shares

13.1 In the case of the death of a Member, the survivor or survivors where the deceased Member was a joint holder, and the legal personal representatives of the deceased Member where the deceased Member was a sole holder, shall be the only persons recognised by the Company as having any title to the deceased Member's interest in the shares.

1. Nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by such deceased Member with other persons. Subject to the provisions of the Act, for the purpose of this Bye-law, legal personal representative means the executor or administrator of a deceased Member or such other person as the Board may, in its absolute discretion, decide as being properly authorised to deal with the shares of a deceased Member.

13.2 Any person becoming entitled to a share in consequence of the death or bankruptcy of any Member may be registered as a Member upon such evidence as the Board may deem sufficient or may elect to nominate some person

13.3 On the presentation of the foregoing materials to the Board, accompanied by such evidence as the Board may require to prove the title of the transferor, the transferee shall be registered as a Member. Notwithstanding the foregoing, the Board shall, in any case, have the same right to decline or suspend registration as it would have had in the case of a transfer of the share by that Member before such Member's death or bankruptcy, as the case may be.

13.4 Where two or more persons are registered as joint holders of a share or shares, then in the event of the death of any joint holder or holders the remaining joint holder or holders shall be absolutely entitled to the said share or shares and the Company shall recognise no claim in respect of the estate of any joint holder except in the case of the last survivor of such joint holders.

14.1 The Company may if authorised by resolution of the Members increase, divide, consolidate, subdivide, change the currency denomination of, diminish or otherwise alter or reduce its share capital in any manner permitted by the Act.

14.2 Where, on any alteration or reduction of share capital, fractions of shares or some other difficulty would arise, the Board may deal with or resolve the same in such manner as it thinks fit.

14.15. Variation of Rights Attaching to Shares

If, at any time, the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, whether or not the Company

is being wound-up, be varied with the consent in writing of the holders of 50% of the issued shares of that class or with the sanction of a resolution passed by a majority of the votes cast at a separate general meeting of the holders of the shares of the class at which meeting the necessary quorum shall be two persons at least holding or representing by proxy two-thirds of the issued shares of the class. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.

DIVIDENDS AND CAPITALISATION

15.16. Dividends

1. 16.1 The Board may, subject to these Bye-laws and in accordance with the Act, declare a dividend to be paid to the Members, in proportion to the number of shares held by them, and such dividend may be paid in cash or wholly or partly in specie in which case the Board may fix the value for distribution in specie of any assets. No unpaid dividend shall bear interest as against the Company.

2. 16.2 The Board may fix any date as the record date for determining the Members entitled to receive any dividend.

3. 16.3 The Company may pay dividends in proportion to the amount paid up on each share where a larger amount is paid up on some shares than on others.

4. 16.4 The Board may declare and make such other distributions (in cash or in specie) to the Members as may be lawfully made out of the assets of the Company. No unpaid distribution shall bear interest as against the Company.

16.17. Power to Set Aside Profits

The Board may, before declaring a dividend, set aside out of the surplus or profits of the Company, such sum as it thinks proper as a reserve to be used to meet contingencies or for equalising dividends or for any other purpose.

17.18. Method of Payment

1. 18.1 Any dividend or other monies payable in respect of a share may be paid by cheque or warrant sent through the post directed to the address of the Member in the Register of Members (in the case of joint Members, the senior joint holder, seniority being determined by the order in which the names stand in the Register of Members), or by direct transfer to such bank account as such Member may direct. Every such cheque shall be made payable to the order of the person to whom it is sent or to such persons as the Member may direct, and payment of the cheque or warrant shall be a good discharge to the Company. Every such cheque or warrant shall be sent at the risk of the person

entitled to the money represented thereby. If two or more persons are registered as joint holders of any shares any one can give an effectual receipt for any dividend paid in respect of such shares.

2. 18.2 The Board may deduct from the dividends or distributions payable to any Member all monies due from such Member to the Company on account of calls or otherwise.

3. 18.3 Any dividend and or other monies payable in respect of a share which has remained unclaimed for 6 years from the date when it became due for payment shall, if the Board so resolves, be forfeited and cease to remain owing by the Company. The payment of any unclaimed dividend or other moneys payable in respect of a share may (but need not) be paid by the Company into an account separate from the Company's own account. Such payment shall not constitute the Company a trustee in respect thereof.

4. 18.4 The Company shall be entitled to cease sending dividend cheques and warrants by post or otherwise to a Member if those instruments have been returned undelivered to, or left uncashed by, that Member on at least two consecutive occasions, or, following one such occasion, reasonable enquiries have failed to establish the Member's new address. The entitlement conferred on the Company by this Bye-law 187.4 in respect of any Member shall cease if the Member claims a dividend or cashes a dividend cheque or warrant.

18.19. Capitalisation

1. 19.1 The Board may resolve to capitalise any sum for the time being standing to the credit of any of the Company's share premium or other reserve accounts or to the credit of the profit and loss account or otherwise available for distribution by applying such sum in paying up unissued shares to be allotted as fully paid bonus shares pro-rata (except in connection with the conversion of shares of one class to shares of another class) to the Members.

2. 19.2 The Board may resolve to capitalise any sum for the time being standing to the credit of a reserve account or sums otherwise available for dividend or distribution by applying such amounts in paying up in full partly paid or nil paid shares of those Members who would have been entitled to such sums if they were distributed by way of dividend or distribution.

such Director or such Director's firm, partner or company shall be entitled to remuneration as if such Director were not a Director. Nothing herein contained shall authorise a Director or Director's firm, partner or company to act as Auditor to the Company.

2. 51.2 A Director who is directly or indirectly interested in a contract or proposed contract or arrangement with the Company shall declare the nature of such interest as required by the Act.

3. 51.3 Following a declaration being made pursuant to this Bye-law, and unless disqualified by the chairman of the relevant Board meeting, a Director may vote in respect of any contract or proposed contract or arrangement in which such Director is interested and may be counted in the quorum for such meeting.

51.52. Indemnification and Exculpation of Directors and Officers

52.1 The Directors, Secretary and other Officers (such term to include any person appointed to any committee by the Board) for the time being acting in relation to any of the affairs of the Company, any subsidiary thereof and the liquidator or trustees (if any) for the time being acting in relation to any of the affairs of the Company or any subsidiary thereof and every one of them, and their heirs, executors and administrators, shall be indemnified and secured harmless out of the assets of the Company from and against all actions, costs, charges, losses, damages and expenses which they or any of them, their heirs, executors or administrators, shall or may incur or sustain by or by reason of any act done, concurred in or omitted in or about the execution of their duty, or supposed duty, or in their respective offices or trusts, and none of them shall be answerable for the acts, receipts, neglects or defaults of the others of them or for joining in any receipts for the sake of conformity, or for any bankers or other persons with whom any moneys or effects belonging to the Company shall or may be lodged or deposited for safe custody, or for insufficiency or deficiency of any security upon which any moneys of or belonging to the Company shall be placed out on or invested, or for any other loss, misfortune or damage which may happen in the execution of their respective offices or trusts, or in relation thereto, PROVIDED THAT this indemnity shall not extend to any matter in respect of any fraud or dishonesty which may attach to any of the said persons. Each Member agrees to waive any claim or right of action such Member might have, whether individually or by or in the right of the Company, against any Director or Officer on account of any action taken by such Director or Officer, or the failure of such Director or Officer to take any action in the performance of his duties with or for the Company or any subsidiary thereof, PROVIDED THAT

such waiver shall not extend to any matter in respect of any fraud or dishonesty which may attach to such Director or Officer.

52.2 The Company shall pay to or on behalf of any such Director, Secretary or other Officer referred to in Bye-law 521.1 expenses (including attorneys' fees) incurred by such person in defending any civil, criminal, administrative or investigative action, suit or proceeding in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Company, and such expenses (including attorneys' fees) incurred by other employees and agents may be so paid upon such terms and conditions, if any, as the Company deems appropriate, provided that in the event of a finding of fraud or dishonesty (such fraud or dishonesty having been established in a final judgment or decree not subject to appeal), such Director, Secretary or other Officer or, if applicable, such other employee or agent, shall reimburse to the Company all funds paid by the Company in respect of expenses of defending such action, suit or proceeding.

52.3 The indemnification and advancement of expenses provided by, or granted pursuant to, this Bye-law shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under these Bye-laws, any agreement, resolution of Members or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, it being the policy of the Company that indemnification of the persons specified in Bye-law 521.1 shall be made to the fullest extent permitted by law. The provisions of this Bye-law shall not be deemed to preclude the indemnification of any person who is not specified in Bye-law 521.1 but whom the Company has the power or obligation to indemnify under the provisions of the Act, or otherwise.

52.4 The indemnification and advancement of expenses provided by, or granted pursuant to, this Bye-law shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a Director or Officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

52.5 The Company may, to the extent authorized from time to time by the Board, provide rights to indemnification and to the advancement of expenses to employees and agents of the Company similar to those conferred in this Bye-law to Directors, the Secretary and other Officers of the Company, PROVIDED THAT any such indemnity shall not extend to any matter in respect of any fraud or dishonesty which may attach to any such persons, and any funds paid by the Company in respect of any such expense shall be reimbursed to the Company in the event of a finding of fraud or dishonesty as set forth in Bye-Law 51.2.2.

52.6 If this Bye-law or any portion of this Bye-law shall be invalidated on any ground by a court of competent jurisdiction the Company shall nevertheless indemnify each Director or Officer of the Company, former Director or Officer of the Company or person serving at the request of the Company as a director or officer, employee or agent of another company or corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, as to 6. expenses (including attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit, proceeding or investigation, whether civil, criminal or administrative, including a grand jury proceeding or action or suit brought by or in the right of the Company, to the fullest extent permitted by any applicable portion of this Bye-law that shall not have been invalidated, PROVIDED THAT any such indemnity shall not extend to any matter in respect of any fraud or dishonesty which may attach to any such persons.

52.7 The Company may purchase and maintain insurance for the benefit of any Director or Officer of the Company against any liability incurred by him under the Act in his capacity as a Director or Officer of the Company 7. or indemnifying such Director or Officer in respect of any loss arising or liability attaching to him by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which the Director or Officer may be guilty in relation to the Company or any subsidiary thereof.
