PROXY STATEMENT

ABOUT THE MEETING

Why am I receiving this proxy statement?

This proxy statement contains information related to the solicitation of proxies for use at our 2006 annual meeting of shareholders, to be held at 9:00 a.m, local time, on Thursday, May 4, 2006 at 30 S. Meridian Street, Eighth Floor, Indianapolis, Indiana 46204, for the purposes stated in the accompanying Notice of Annual Meeting of Shareholders. This solicitation is made by Kite Realty Group Trust on behalf of our Board of Trustees, or Board. □We, □our, □us, □ and the □Company□ refer to Kite Realty Group Trust. This proxy statement, the enclosed proxy card and our 2005 annual report to shareholders are first being mailed to shareholders beginning on or about April 4, 2006.

Who is entitled to vote at the annual meeting?

Only holders of record of our common shares at the close of business on March 9, 2006, the record date for the annual meeting, are entitled to receive notice of the annual meeting and to vote at the meeting. Our common shares constitute the only class of securities entitled to vote at the meeting.

What are the voting rights of shareholders?

Each common share outstanding on the record date entitles its holder to cast one vote on each matter to be voted on.

Who can attend the annual meeting?

All holders of our common shares at the close of business on March 9, 2006, the record date for the annual meeting, or their duly appointed proxies, are authorized to attend the annual meeting. Please note that space limitations may make it necessary to limit attendance. Admission to the meeting will be on a first-come, first-served basis. If you attend the meeting, you may be asked to present valid picture identification, such as a driver's license or passport, before being admitted. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Please also note that if you hold your shares in "street name" (that is, through a bank, broker or other nominee), you will need to bring a copy of the brokerage statement reflecting your stock ownership as of March 9, 2006.

What will constitute a quorum at the annual meeting?

The presence at the meeting, in person or by proxy, of the holders of a majority of the common shares outstanding on March 9, 2006 will constitute a quorum, permitting the shareholders to conduct business at the meeting. We will include abstentions and broker non-votes in the calculation of the number of shares considered to be present at the meeting for purposes of determining the presence of a quorum at the meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares.

As of the record date, there were 28,583,414 common shares outstanding.

How do I vote?

You may vote by you or your duly authorized agent completing and returning the accompanying proxy card or you may attend the meeting and vote in person.

How do I vote my shares that are held by my broker?

If your shares are held by a bank or broker, you should follow the instructions provided to you by the bank or broker. Although most banks and brokers now offer voting by mail, telephone and on the Internet, availability and specific procedures will depend on their voting arrangements.

How are proxy card votes counted?

If the accompanying proxy card is properly signed and returned to us, and not revoked, it will be voted as directed by you. Unless contrary instructions are given, the persons designated as proxy holders on the proxy card will vote **FOR** the election of all nominees for our Board of Trustees named in this proxy statement **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006, and as recommended by our Board of Trustees with regard to any other matters, or, if no such recommendation is given, in their own discretion.

May I change my vote after I return my proxy card?

Yes. You may revoke a previously granted proxy at any time before it is exercised by filing with our Secretary a notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Who pays the costs of soliciting proxies?

We will pay the costs of soliciting proxies. In addition to soliciting proxies by mail, our officers, trustees and other employees, without additional compensation, may solicit proxies personally or by other appropriate means. It is anticipated that banks, brokers, fiduciaries, custodians and nominees will forward proxy soliciting materials to their principals, and that we will reimburse such persons' out-of-pocket expenses.

PROPOSAL 1: ELECTION OF TRUSTEES

Our Board of Trustees is currently comprised of seven trustees, each with terms expiring at the 2006 annual meeting. The nominees, all of whom are currently serving as trustees of the Company, have been recommended by our Board of Trustees for re-election to serve as trustees for one-year terms until the 2007 annual meeting of shareholders and until their successors are duly elected and qualified. Based on its review of the relationships between the trustee nominees and the Company, the Board of Trustees has affirmatively determined that if these nominees are elected, five of the seven trustees serving on the Board of Trustees, William E. Bindley, Dr. Richard A. Cosier, Eugene Golub, Gerald L. Moss and Michael L. Smith, will be "independent" trustees under the rules of the New York Stock Exchange, or NYSE.

The Board of Trustees knows of no reason why any nominee would be unable to serve as a trustee. If any nominee is unavailable for election or service, the Board of Trustees may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board of Trustees, or the Board of Trustees may, as permitted by our bylaws, decrease the size of our Board of Trustees.

INFORMATION REGARDING CORPORATE GOVERNANCE AND BOARD AND COMMITTEE MEETINGS

Committee Characters and Corporate Governance Documents

Our Board of Trustees maintains charters for all Board committees. In addition, our Board of Trustees has adopted a written set of corporate governance guidelines, a code of business conduct and ethics and a code of ethics for our principal executive officer and senior financial officers. To view our committee charters, corporate governance guidelines, code of business conduct and ethics and code of ethics, please visit our website at www.kiterealty.com. Each of these documents is also available in print to any shareholder who sends a written request to such effect to Investor Relations, Kite Realty Group Trust, 30 S. Meridian Street, Suite 1100, Indianapolis, Indiana 46204. A copy of our Audit Committee's charter is attached as Appendix A to this proxy statement.

Independence of Trustees

NYSE listing standards require NYSE-listed companies to have a majority of independent board members and a nominating/corporate governance committee, compensation committee and audit committee, each comprised solely of independent trustees. Under the NYSE listing standards, no trustee of a company qualifies as independent unless the board of trustees of such company affirmatively determines that the trustee has no material relationship with such company (either directly or as a partner, shareholder or officer of an organization that has a relationship with such company). In addition, the NYSE listing standards contain the following further restrictions upon a listed company's trustee independence:

6

-
- a trustee who is an employee, or whose immediate family member is an executive officer, of the listed company is not independent until three years after the end of such employment relationship;
 - a trustee who has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the listed company, other than trustee and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent;
 - a trustee who is, or whose immediate family member is, a current partner of a firm that is the company's internal or external auditor is not independent; a trustee who is a current employee of such a firm is not independent; a trustee who has an immediate family member who is a current employee of such a firm

and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice is not independent; and a trustee who was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the listed company's audit within that time is not independent;

- a trustee who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the listed company's present executive officers at the same time serve or served on the other company's compensation committee is not "independent" until three years after the end of such service or the employment relationship; and
- a trustee who is an executive officer or an employee, or whose immediate family member is an executive officer, of another company that has made payments to, or received payments from, the listed company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not "independent."

Our Board of Trustees has evaluated the status of each trustee and has affirmatively determined after broadly considering all facts and circumstances that each of William E. Bindley, Dr. Richard A. Cosier, Eugene Golub, Gerald L. Moss and Michael L. Smith is "independent," as such term is defined in the NYSE's listing standards. Each of Messrs. Bindley, Cosier, Golub, Moss and Smith has no known relationship with the Company. John A. Kite is not independent as he is an employee of the Company, and Alvin E. Kite, Jr. is not independent as he is an employee of the Company and is John A. Kite's father.

Lead Trustee

Our Board of Trustees established the position of "lead" trustee in connection with our initial public offering in August 2004. The lead trustee is selected on an annual basis by the Board of Trustees from among the independent trustees. The lead trustee is currently William E. Bindley. The role of the lead trustee is to serve as liaison between (a) the Board of Trustees and management, including the Chief Executive Officer, (b) independent trustees and (c) interested third parties and the Board of Trustees.

Executive Sessions of Non-Management Trustees

Pursuant to our corporate governance guidelines and the NYSE listing standards, in order to promote open discussion among non-management trustees, our Board of Trustees devotes a portion of each regularly scheduled Board meeting to executive sessions without management participation. In addition, our corporate governance guidelines provide that if the group of non-management trustees includes trustees who are not independent, as defined in the NYSE's listing standards, at least one such executive session convened per year shall include only independent trustees. The lead trustee presides at these sessions.

Communications with the Board

Shareholders and other interested parties may communicate with the Board by communicating directly with the presiding lead trustee by sending any correspondence they may have in writing to the "Lead Trustee" c/o Chief Financial Officer of Kite Realty Group Trust, 30 S. Meridian Street, Suite 1100, Indianapolis, Indiana 46204, who

7

will then directly forward such correspondence to the lead trustee. The lead trustee will decide what action should be taken with respect to the communication, including whether such communication should be reported to the Board of Trustees.

Board Meetings

During 2005, the Board of Trustees met six times, including telephonic meetings. Each trustee attended at least 75% of Board and applicable committee meetings on which he served during his period of service. Trustees are expected to attend, in person or by telephone, all Board meetings and meetings of committees on which they serve. In addition, pursuant to our corporate governance guidelines, trustees are expected to attend the

Company's annual meetings of shareholders. Last year, all of our trustees attended the annual meeting of shareholders.

Board Committees

The Board of Trustees has a standing Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee. All members of the committees described below are "independent" of the Company as that term is defined in the NYSE's listing standards.

The table below provides membership information for each of the Board committees as of March 15, 2006:

Name	Audit	Compensation	Corporate Governance and Nominating
William E. Bindley		X*	X
Dr. Richard A. Cosier	X		X
Eugene Golub		X	
Gerald L. Moss	X		X*
Michael L. Smith	X*	X	

* Chairman

Audit Committee

The principal purpose of the Audit Committee is to assist the Board of Trustees in the oversight of:

- the integrity of our financial statements;
- our compliance with legal and regulatory requirements;
- the qualification and independence of our independent auditors; and
- the performance of our internal audit function and independent auditors.

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of our independent auditors and is also responsible for reviewing with our independent auditors any audit problems or difficulties they have encountered in the course of the audit work. The Audit Committee is also charged with the tasks of reviewing our financial statements, any significant financial reporting issues and any major issues as to the adequacy of internal control with management and our independent auditors.

Our Audit Committee's written charter requires that all members of the committee meet the independence, experience, financial literacy and expertise requirements of the NYSE, the Sarbanes-Oxley Act of 2002, the Securities Exchange Act of 1934, as amended, or Exchange Act, and applicable rules and regulations of the Securities and Exchange Commission, or SEC, all as in effect from time to time. All of the members of the Audit Committee meet the foregoing requirements. The Board of Trustees has determined that Michael L. Smith is an "audit committee financial expert" as defined by the rules and regulations of the SEC.

Our Audit Committee's charter and the corporate governance rules of the NYSE require that in the event a trustee simultaneously serves on the audit committee of more than three public companies, the Board of Trustees must determine that such simultaneous service would not impair the ability of that member to effectively serve on

our Audit Committee and disclose that determination. Michael L. Smith currently serves on the audit committees of four public companies. In accordance with our Audit Committee's charter and the corporate governance rules of the NYSE, the Board of Trustees has determined that serving on a total of four audit committees would not

impair Mr. Smith's ability to effectively serve on our audit committee.

During 2005, the Audit Committee met four times, including telephonic meetings.

Compensation Committee

The principal purposes of the Compensation Committee are to:

- review and approve our corporate goals and objectives with respect to the compensation of our Chief Executive Officer, evaluate the Chief Executive Officer's performance in light of those goals and objectives, and determine and approve, either as a committee or with the Company's other independent trustees, as directed by the board, the appropriate level and structure of the Chief Executive Officer's compensation;
- determine and approve, either as a committee or together with our other independent trustees, as directed by the board, the compensation of the other executive officers;
- make recommendations to the Board of Trustees regarding compensation of trustees; and
- recommend, implement and administer our incentive and equity-based compensation plans.

During 2005, the Compensation Committee met twice, including telephonic meetings.

Corporate Governance and Nominating Committee

The principal purposes of the Corporate Governance and Nominating Committee are to:

- identify individuals that are qualified to serve as trustees;
- recommend such individuals to the Board of Trustees, either to fill vacancies that occur on the Board of Trustees from time to time or in connection with the selection of trustee nominees for each annual meeting of shareholders;
- periodically assess the size of the Board of Trustees to ensure it can effectively carry out its obligations;
- develop, recommend, implement and monitor our corporate governance guidelines and our codes of business conduct and ethics;
- oversee the evaluation of the Board of Trustees and management; and
- ensure that we are in compliance with all NYSE corporate governance listing requirements.

The Board of Trustees has adopted a policy to be used for considering potential trustee candidates to further the Corporate Governance and Nominating Committee's goal of ensuring that our Board of Trustees consists of a diversified group of qualified individuals that function effectively as a group. The policy provides that qualifications and credentials for consideration as a trustee nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Trustees. However, at a minimum, candidates for trustee must possess:

- (1) high integrity;
- (2) an ability to exercise sound judgment;
- (3) an ability to make independent analytical inquiries;
- (4) a willingness and ability to devote adequate time and resources to diligently perform Board duties; and
- (5) a reputation, both personal and professional, consistent with the image and reputation of the Company.

Edgar Filing: KITE REALTY GROUP TRUST - Form DEF 14A

In addition to the aforementioned minimum qualifications, the Corporate Governance and Nominating Committee also believes that there are other qualities and skills that, while not a prerequisite for nomination, should be taken into account when considering whether to recommend a particular person. These factors include:

- (1) whether the person possesses specific real estate expertise and familiarity with general issues affecting the Company's business;
- (2) whether the person's nomination and election would enable the Board of Trustees to have a member that qualifies as an "audit committee financial expert" as such term is defined by the SEC;
- (3) whether the person would qualify as an "independent" trustee under the NYSE's listing standards and our corporate governance guidelines;
- (4) the importance of continuity of the existing composition of the Board of Trustees; and
- (5) the importance of a diversified Board membership, in terms of both the individuals involved and their various experiences and areas of expertise.

The Corporate Governance and Nominating Committee will seek to identify trustee candidates based on input provided by a number of sources, including (a) Corporate Governance and Nominating Committee members, (b) other members of the Board of Trustees and (c) shareholders of the Company. The Corporate Governance and Nominating Committee also has the authority to consult with or retain advisors or search firms to assist in the identification of qualified trustee candidates; however, we do not currently employ a search firm, or pay a fee to any other third party, to locate qualified trustee candidates.

As part of the identification process, the Corporate Governance and Nominating Committee will evaluate the skills, expertise and diversity possessed by the current Board of Trustees, and whether there are additional skills, expertise or diversity that should be added to complement the composition of the existing Board of Trustees. The Corporate Governance and Nominating Committee may consult with other members of the Board of Trustees in connection with the identification process. The Corporate Governance and Nominating Committee also will take into account the number of trustees expected to be elected at the next annual meeting, and whether existing trustees have indicated a willingness to continue to serve as trustees if re-nominated. Once trustee candidates have been identified, the Corporate Governance and Nominating Committee will then evaluate each candidate in light of his or her qualifications and credentials, and any additional factors that the Corporate Governance and Nominating Committee deems necessary or appropriate. Existing trustees who are being considered for renomination will be re-evaluated as part of the Corporate Governance and Nominating Committee's process of recommending trustee candidates. All candidates submitted by shareholders will be evaluated in the same manner as all other trustee candidates, provided that the procedures set forth in our bylaws have been followed.

After completing the identification and evaluation process described above, the Corporate Governance and Nominating Committee will recommend to the Board of Trustees the nomination of a number of candidates equal to the number of trustee vacancies that will exist at the annual meeting of shareholders. The Board of Trustees will then select the Board's trustee nominees for shareholders to consider and vote upon at the shareholders' meeting.

For nominations for election to the Board of Trustees by a shareholder, the shareholder must comply with the advance notice provisions and other requirements of Article II, Section 13 of our bylaws. These notice provisions require that the shareholder must have given timely notice thereof in writing to our Secretary. To be timely, a shareholder's notice must be delivered to our Secretary at our principal executive office not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. In the event that the date of the mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the mailing of the notice for the preceding year's annual meeting, notice by the shareholder to be timely must be delivered not less than 90 days nor more than 120 days prior to the date of mailing of the notice for such annual meeting or the 10th day following the day on which public announcement of the date of mailing of the notice for such meeting is first made by us. The shareholder's notice must set forth:

- (1)

as to each person that the shareholder proposes to nominate for election or reelection as a trustee (a) the name, age, business address and residence address of such person, (b) the class and number of shares of beneficial interest of Kite Realty Group Trust that are beneficially owned or owned of record by such

10

person and (c) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of trustees in an election contest (even if an election contest is not involved), or is otherwise required pursuant to Regulation 14A (or any successor provision) under the Exchange Act; and

- (2) as to the shareholder giving the notice and each beneficial owner, if any, on whose behalf the nomination is made, (a) the name and address of such shareholder, as they appear on our share ledger and current name and address, if different, of such beneficial owner, and (b) the class and number of shares of each class of beneficial interest of Kite Realty Group Trust which are owned beneficially and of record by such shareholder and owned beneficially by such beneficial owner.

During 2005, the Corporate Governance and Nominating Committee met twice, including telephonic meetings.

Trustee Compensation

The members of our Board of Trustees who are also our employees do not receive any additional compensation for their services on the Board. We pay our non-employee trustees \$1,000 per board or committee meeting and we reimburse them for their reasonable travel expenses incurred in connection with their attendance at board meetings. Non-employee trustees receive a \$25,000 annual retainer and non-employee trustee committee chairs are paid an additional annual retainer ranging from \$5,000 to \$10,000. Since May 2005, one-half of the \$25,000 annual retainer has been paid in cash and one-half has been paid through the issuance of our common shares pursuant to unrestricted share grants under our 2004 Equity Incentive Plan. Our lead independent trustee also receives a \$10,000 annual retainer. In addition, each of these trustees received, upon initial election to our board, 3,000 restricted shares that vest ratably over four years, and receive annually each year after their initial election, restricted shares with a value of \$15,000.

In order to ensure that all non-management trustees hold meaningful equity ownership positions in the Company, our Board of Trustees has established guidelines for non-management trustees regarding ownership of our common shares. According to these guidelines, each non-management trustee should own common shares with a value equal to approximately four times the annual retainer paid to trustees and should achieve this share ownership level within five years after being appointed to the Board (or by February 10, 2010 in the case of persons who were trustees on the date the guidelines were adopted).

Employment and Noncompetition Agreements

We have entered into employment agreements with each of our named executive officers.

Pursuant to their agreements, Messrs. Al Kite, John Kite, McGowan and Sink have agreed to serve, respectively, as (a) chairman of our Board of Trustees, (b) our president and chief executive officer, (c) our executive vice president of development and chief operating officer, and (d) our senior vice president and chief financial officer. The term of each agreement commenced concurrently with the closing of our initial public offering on August 16, 2004 and ends on December 31, 2007, with automatic one-year renewals unless either we or the individual elects not to renew the agreement. Under the agreements, Al Kite receives an annual salary of \$150,000, John Kite receives an annual salary of \$325,000, Mr. McGowan receives an annual salary of \$275,000, and Mr. Sink receives an annual salary of \$210,000, subject in each case to annual increases in the sole discretion of our Board of Trustees or a committee thereof. Each of the executives also is eligible to participate in our bonus plan, the terms of which have been established by the compensation committee of our Board of Trustees. In addition, each executive participates in any group life, hospitalization, disability, health, pension, profit sharing and other benefit plans we have adopted or adopt in the future. Among other prerequisites, each executive also receives either an annual automobile allowance of \$9,000 or a suitable automobile provided by us.

In the event any executive's employment agreement is terminated for disability or death (and, in the case of Al Kite only, if he retires), he or the beneficiaries of his estate will receive any accrued and unpaid salary, vacation and other benefits and any unpaid bonus for the prior year, a pro rated bonus in the year of termination (based on the target bonus for that year), and all equity awards shall immediately vest and become fully exercisable. If we

terminate any executive's employment agreement for "cause" or an executive (other than Al Kite) terminates his employment agreement without "good reason," the executive will only have the right to receive any accrued and unpaid salary, vacation and other benefits, and any bonus as provided for in the bonus plan.

If we terminate any executive's employment agreement without "cause" or an executive terminates his employment agreement for "good reason," the executive will have the right to receive any accrued and unpaid salary, vacation and other benefits and any unpaid bonus for the prior year, a pro rated bonus in the year of termination (based on the target bonus for that year), continued medical benefits for one year, and a cash payment equal to three times (two times with respect to Mr. Sink) the sum of his annual salary as of the date of the termination of the agreement and the average bonus earned for the prior three calendar years (prior two calendar years with respect to Mr. Sink). In addition, all equity awards shall immediately vest and become fully exercisable. If we elect not to renew any executive's employment agreement, the executive will have the right to receive a cash payment equal to one times the sum of his annual salary as of the date of expiration of the employment agreement and the average bonus earned for the prior three calendar years (prior two calendar years with respect to Mr. Sink).

The employment agreements define "cause" as an executive's: conviction for a felony; commission of an act of fraud, theft or dishonesty related to his duties; willful and continuing failure or habitual neglect to perform his duties; material violation of confidentiality covenants or non-competition agreement; or willful and continuing breach of the employment agreement.

The employment agreements define "good reason" as: a material reduction in the executive's authority, duties and responsibilities or the assignment to him of duties inconsistent with his position; a reduction in the executive's annual salary that is not in connection with a reduction of compensation applicable to senior management employees; our failure to obtain a reasonably satisfactory agreement from any successor to our business to assume and perform the employment agreement; a change in control (as defined in the employment agreements); our material and willful breach of the employment agreement; or our requirement that the executive's work location be moved more than 50 miles from our principal place of business in Indianapolis, Indiana.

Each executive is entitled to receive payment from us of an amount sufficient to make him whole for any excise tax imposed on payments made contingent on a change in control under Section 4999 of the Internal Revenue Code.

In addition to the employment agreements, the executives entered into noncompetition agreements with us, which were effective as of the completion of our initial public offering on August 16, 2004. With respect to Messrs. Al Kite, John Kite and McGowan, the noncompetition agreements contain covenants not to compete for a period that is the longer of either the three-year period beginning as of the date of the noncompetition agreement or the period of the executive's employment plus an additional one-year period. With respect to Mr. Sink, the noncompetition agreement covers the period of his employment plus an additional one-year period. The noncompetition agreements also contain a nonsolicitation covenant that applies to employees and independent contractors. With respect to Messrs. Al Kite, John Kite and McGowan, the nonsolicitation covenant lasts for a period that is the longer of either the three-year period beginning as of the date of the noncompetition agreement or the period of the executive's employment plus an additional two-year period. With respect to Mr. Sink, the nonsolicitation covenant lasts for a period of his employment plus an additional two-year period.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee (the "Committee") of the Board of Trustees currently consists of William E. Bindley (chairman), Eugene Golub and Michael L. Smith. Under its charter, the Committee is responsible for determining the appropriate level and structure of compensation for the Company's executive officers, including base salary, bonus and long-term incentive compensation. Set forth below in full is the report of the Committee regarding the compensation paid by the Company to its executive officers with respect to fiscal year 2005.

Compensation Policies for Executive Officers

The Committee desires to implement compensation policies that seek to enhance shareholder value by aligning closely the financial interests of our executive officers with those of our stockholders. Our compensation policies are designed to:

- attract and retain the best possible executive talent;
- motivate these executives to achieve the goals inherent in our business strategy;
- link executive and shareholder interests through performance goals and equity-based plans; and
- provide compensation packages to our executive officers that recognize individual contributions as well as overall business results.

In determining the compensation arrangements of our executive officers, the Committee considers, among other things, the responsibilities of the position held and the experience of the individual, the competitive marketplace for executive talent and the compensation levels of similarly-situated executives at comparable publicly-traded REITs and, where applicable, other public companies. In addition, the Committee considers achievement of certain performance levels by the Company, including growth in funds from operations and acquisition and development activities, and the individual executive's performance and contribution to these corporate goals.

In determining the long-term incentive component of compensation for executive officers, the Committee considers our performance and relative shareholder return and the value of similar incentive awards to executive officers at comparable companies.

Components of Executive Officer Compensation

The components of our executive officer compensation program consist of base salary, bonus and long-term incentive compensation, currently awarded through the use of restricted share grants and/or share options. Each of these three categories of compensation is reviewed separately, but the three components are integrally linked, as we review each category in light of its relationship to the total compensation that we believe our executive officers should receive.

Base Salary

Base salaries for our executive officers were established in August 2004 pursuant to the terms of employment agreements entered into with the executive officers in connection with the Company's initial public offering. While the terms of the employment agreements provide that the base salaries of such executive officers cannot be reduced by the Company during the terms of the agreements, these salaries are subject to annual increases in the sole discretion of the Board of Trustees or a committee thereof. The Committee was not involved in establishing these salaries, and did not approve any increases to these salaries in 2005. However, the Committee will consider from time to time whether an increase in an executive officer's base salary is merited, taking into account the performance of the Company and of the executive officer, and also taking into account any increases in the responsibilities of the executive, or in the compensation levels of similarly-situated executives at comparable publicly-traded REITs, as well as any other matters deemed appropriate at the time.

Bonuses

The Company's executive officers participate in the Company's Executive Bonus Plan. In March 2005, the Committee approved the bonus structure and the establishment of certain benchmarks to determine the 2005 bonuses to be awarded under the Executive Bonus Plan for the Company's executive officers, except for Alvin E. Kite, Jr., the Company's Chairman, whose bonus the Committee decided to determine separately on an annual basis. The Committee determined that 2005 annual bonuses would be based on objective and subjective criteria and both corporate and individual performance. The principal corporate performance measures identified by the Committee were funds from operations ("FFO"), a widely accepted supplemental measure of REIT performance established by the National Association of Real Estate Investments Trusts (to be determined prior to impairment losses), new development projects and acquisitions of properties.

The Committee set objective performance goals with respect to each of the aforementioned performance measures, with certain weightings attributable to achievement of each of these goals. The Committee then established specific criteria for achieving "threshold," "target," "superior," or "outperformance" bonuses in relation to these goals. The Committee also determined that, in the case of both Thomas K. McGowan, the Company's Executive Vice President and Chief Operating Officer and Daniel R. Sink, the Company's Senior Vice President and Chief Financial Officer, the bulk (approximately 80%) of their bonuses will be based on achievement of corporate goals, with the remainder of their bonus to be determined based on the achievement of individual goals. In the case of John A. Kite, the Company's President and Chief Executive Officer, the Committee determined that his bonus will be based entirely on achievement of corporate goals.

In February 2006, after reviewing and considering the benchmarks established in March 2005, as well as other relevant factors, the Committee approved the 2005 bonuses for the executive officers, which bonuses were as follows: John A. Kite, the Company's President and Chief Executive Officer, received \$195,000; Thomas K. McGowan, the Company's Executive Vice President and Chief Operating Officer, received \$165,000; and Daniel R. Sink, the Company's Senior Vice President and Chief Financial Officer, received \$100,000. Pursuant to the Committee's bonus structure established in March 2005, 50% of the bonuses are payable in cash and 50% are payable in restricted common shares of the Company, which will vest ratably over three years.

In light of the superior performance of the Company subsequent to its initial public offering, the Committee also approved a discretionary bonus for Alvin E. Kite, Jr. in the amount of approximately \$90,000 payable entirely in restricted common shares of the Company, which also vest ratably over three years. This determination was based upon a number of factors, including the increased value created for shareholders and the successful execution of the Company's business plan since its initial public offering.

In the future, the Committee expects to continue to evaluate bonus payments to executive officers based on pre-determined objective corporate performance criteria, as well as individual performance and by reference to the competitive marketplace for executive talent.

Long-Term Incentive Compensation

Long-term incentive compensation is provided pursuant to the Company's 2004 Equity Compensation Plan (the "Plan"). The Plan is intended to enhance the Company's ability to attract and retain highly qualified officers, trustees, key employees, and other service providers, and to provide incentives to such persons to stimulate their efforts toward the Company's continued success, long-term growth and profitability by providing to such persons an opportunity to acquire or increase a direct proprietary interest in the operations and future success of the Company. To this end, the Plan provides for the grant of share options, share appreciation rights, restricted shares, share units, unrestricted shares, dividend equivalent rights and cash awards. Any of these awards may, but need not, be made as performance incentives to reward attainment of annual or long-term performance goals in accordance with the terms of the Plan.

Our executive officers received long-term incentive compensation awards, in the form of share options, in August 2004 in connection with the Company's initial public offering. The Committee did not approve any awards with respect to 2005, other than the portion of the executive officer's bonuses payable in restricted common shares.

Compensation of Chief Executive Officer

The Committee is responsible for approving the compensation arrangements for John Kite, the Company's Chief Executive Officer, and determines such compensation arrangements in the same manner as described above for all executive officers. For 2005, the Committee did not approve any increases in base salary beyond what was established in Mr. Kite's employment agreement that was entered into in August 2004 in connection with the Company's initial public offering. The Committee also did not approve any long-term incentive compensation award for Mr. Kite for 2005.

As discussed above, in February 2006, the Committee approved a \$195,000 bonus to Mr. Kite, which bonus was based entirely on the achievement of corporate goals. In determining Mr. Kite's annual bonus, the Committee analyzed the Company's performance in light of the corporate performance measures established in March 2005.

Total compensation amounts paid with respect to fiscal year 2005 to Mr. Kite are shown in the Summary Compensation Table. The Committee believes that Mr. Kite's total compensation package of salary, bonus and long-term compensation was reasonable and competitive for his contributions as Chief Executive Officer.

Tax Limits on Executive Compensation

The Committee has reviewed the potential consequences for the Company of Section 162(m) of the Internal Revenue Code of 1986, as amended, which imposes a limit on tax deductions for annual compensation in excess of one million dollars paid to any of the five most highly compensated executive officers. To the extent that compensation is required to and does not qualify for deduction under Section 162(m), a larger portion of shareholder distributions may be subject to federal income tax expense as dividend income rather than return of capital, and any such compensation allocated to the Company's taxable REIT subsidiaries whose income is subject to federal income tax would result in an increase in income taxes due to the inability to deduct such compensation. Although the Company will be mindful of the limits imposed by Section 162(m), even if it is determined that Section 162(m) applies or may apply to certain compensation packages, the Company nevertheless reserves the right to structure the compensation packages and awards in a manner that may exceed the limitation on deduction imposed by Section 162(m).

Respectfully submitted,

The Compensation Committee of the Board of Trustees

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is currently composed of Messrs. Smith, Cosier and Moss. The members of the Audit Committee are appointed by and serve at the discretion of the Board of Trustees.

One of the principal purposes of the Audit Committee is to assist the Board of Trustees in the oversight of the integrity of the Company's financial statements. The Company's management team has the primary responsibility for the financial statements and the reporting process, including the system of internal controls and disclosure controls and procedures. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2005 with our management.

The Audit Committee also is responsible for assisting the Board of Trustees in the oversight of the qualification, independence and performance of the Company's independent auditors. The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards and those matters required to be discussed by Statement on Auditing Standards No. 61.

The Audit Committee has received both the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board, Standard No. 1, and has discussed with Ernst & Young LLP the independence of Ernst & Young LLP from management and the Company. In addition, the Audit Committee has considered whether the provision of non-audit services, and the fees charged for such non-audit services, by Ernst & Young LLP are compatible with maintaining the independence of Ernst & Young LLP from management and the Company.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Trustees that our audited financial statements for 2005 be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the SEC.

Respectfully submitted,

The Audit Committee of the Board of Trustees

MICHAEL L. SMITH (*Chairman*)
 DR. RICHARD A. COSIER
 GERALD L. MOSS

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Acquisition of Tarpon Springs Plaza Development Property

On March 31, 2005, our operating partnership entered into a contribution agreement with Brentwood Holdings, LLC, and Al Kite, John Kite, Tom McGowan and Paul Kite (son of Al Kite and brother of John Kite), whom we refer to as the Principals, pursuant to which the operating partnership acquired a 100% interest in Tarpon Springs Plaza, a 15-acre development site located at the southeast corner of I-75 and Immokalee Road in Naples, Florida. In August 2004, in connection with our initial public offering, the operating partnership had entered into an option agreement granting the operating partnership the right to purchase the Principals' interest in the Tarpon Springs Plaza development property. We elected to accelerate the acquisition of the property prior to stabilization when the entitlement process began.

Pursuant to the contribution agreement, the operating partnership acquired the Principals' 100% interest in the development property by acquiring 100% of the membership interests in the entity that owns the development property. The aggregate purchase price was approximately \$7.2 million, which includes the assumption and repayment of indebtedness. A portion of the purchase price, approximately \$3.1 million, equaled the Principals' cost in the project with no profit, and was paid through the issuance of 214,049 units of limited partnership interest in the operating partnership to Brentwood Holdings, LLC (which is owned by Al Kite (30%), John Kite (25%), Paul Kite (25%) and Tom McGowan (20%)). In addition, the operating partnership assumed approximately \$220,000 in accounts payable and repaid another approximately \$3.9 million in existing indebtedness on the development property. The transaction was approved by the independent members of our Board of Trustees.

In addition, in connection with the Tarpon Springs Plaza property acquisition, we agreed to provide Brentwood Holdings LLC and the Principals with registration rights as to the common shares issuable upon redemption of the units of limited partnership interest issued to Brentwood Holdings, LLC in the acquisition transaction.

Contracts with Kite, Inc.

Kite, Inc. which provides interior construction services, is owned by Al Kite, John Kite, and Paul Kite. We entered into certain agreements with Kite, Inc. in connection with our initial public offering, as described below.

Service Contracts

Kite, Inc. currently is a party to five contracts that were assumed by us in connection with our initial public offering, with a total contract amount of approximately \$2.1 million, relating to the properties contributed to us in connection with our formation transactions. The Company received services totaling \$42,650 during 2005 and the amount payable to Kite, Inc. as of December 31, 2005 was \$166,812.

Office Lease

Kite, Inc. leases office space from us at our headquarters at Thirty South and certain parking spaces at Union Station Parking Garage pursuant to a lease entered into in August 2004. The lease runs through September 2015 and provides for monthly rent payments of \$7,057. We received approximately \$84,684 in rent under this lease in 2005.

Contracts with KMI Management

KMI Management, in which Al Kite, John Kite, Paul Kite and Tom McGowan own direct or indirect interests, leases from us the conference center at our headquarters at Thirty South pursuant to a lease dated January 1, 2004 which we assumed in August 2004 in connection with our initial public offering and related formation transactions. The lease runs through December 2015 and provides for monthly rent payments of \$13,977. The lease is terminable by the tenant on 30 days' notice. We received approximately \$167,724 in rent under this lease in 2005.

Paul Kite Consulting Agreement

In August 2004, we entered into a consulting agreement with Paul Kite pursuant to which he will continue to assist us in identifying real estate retail and commercial development, construction, acquisition and operation projects. Under this agreement, Paul Kite is paid an annual consulting fee of \$150,000. During the term of the agreement, Paul Kite will present to us potential real estate projects that he identifies, and we will have the right to pursue any such project. If we decline or fail to pursue the project, Paul Kite will be permitted to pursue such project himself. The consulting agreement runs through December 31, 2007, although either party has the right to terminate the consulting agreement at any time upon 30 or 60 days' notice in certain circumstances. Decisions regarding termination or amendment of the consulting agreement require the approval of a majority of the independent members of our Board of Trustees. Pursuant to this consulting agreement, we paid Paul Kite \$150,000 in consulting fees in 2005.

Cost-Sharing and Other Agreements with Affiliates

In August 2004, we entered into a cost-sharing agreement with KMI Management, pursuant to which it reimburses us for the cost of administrative and other services we provide to KMI Management and we reimburse it for the cost of construction advisory, human resources and other services KMI provides to us. In 2005 KMI Management reimbursed us \$42,331 and we reimbursed KMI Management \$110,444 under this cost-sharing agreement. The cost-sharing agreement has a one-year term, but contains automatic one-year renewals unless either party elects not to renew the agreement. Decisions by us regarding termination or amendment of the cost-sharing agreement require the approval of a majority of the independent members of our Board of Trustees.

During 2005 the Company entered into fee-based construction management contracts for the build-out of condominiums in the Indianapolis Conrad Hotel totaling approximately \$7.3 million with Circle Block Partners, LLC, an entity owned by Al Kite, John Kite, Paul Kite and Tom McGowan. During 2005, the Company entered into contracts with Kite, Inc. totaling approximately \$388,000 to perform interior construction service in connection with these construction management contracts.

Circle Block Partners, LLC also leases space from us pursuant to two leases entered into in September and December 2004. The leases run through February and March 2006, respectively, and provide for total monthly rent payments of \$9,471. We received approximately \$113,647 in rent under these leases in 2005.

OTHER MATTERS**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Exchange Act requires that our executive officers and trustees, and persons who own more than 10% of a registered class of our equity securities, file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NYSE. Executive officers, trustees and greater than 10% shareholders are required by the SEC to furnish us with copies of all Forms 3, 4 and 5 that they file.

Based on our review of the copies of such forms, and/or on written representations from certain reporting persons that they were not required to file a Form 5 for the fiscal year, we believe that our executive officers, trustees and greater than 10% shareholders complied with all Section 16(a) filing requirements applicable to them with respect to transactions during 2005, with the exception that one late filing was made in 2005 relating to the acquisition of shares by Al Kite's spouse.

Other Matters to Come Before the 2005 Annual Meeting

No other matters are to be presented for action at the annual meeting other than as set forth in this proxy statement. If other matters properly come before the meeting, however, the persons named in the accompanying proxy will vote all proxies solicited by this proxy statement as recommended by our Board of Trustees, or, if no such recommendation is given, in their own discretion.

Shareholders Proposals and Nominations for the 2007 Annual Meeting

Any shareholder proposal pursuant to Rule 14a-8 of the rules promulgated under the Exchange Act, to be considered for inclusion in our proxy materials for the next annual meeting of shareholders must be received at our principal executive offices no later than December 5, 2006.

In addition, any shareholder who wishes to propose a nominee to the Board of Trustees or propose any other business to be considered by the shareholders (other than a shareholder proposal included in our proxy materials pursuant to Rule 14a-8 of the rules promulgated under the Exchange Act) must comply with the advance notice provisions and other requirements of Article II, Section 13 of our bylaws, which are on file with the SEC and may be obtained from Investor Relations upon request. These notice provisions require that nominations of persons for election to the Board of Trustees and the proposal of business to be considered by the shareholders for the 2007 annual meeting must be received no earlier than December 5, 2006 and no later than January 4, 2007.

Householding of Proxy Materials

If you and other residents at your mailing address own common shares in street name, your broker or bank may have sent you a notice that your household will receive only one annual report and proxy statement for each company in which you hold shares through that broker or bank. This practice of sending only one copy of proxy materials is known as "householding." If you did not respond that you did not want to participate in householding, you were deemed to have consented to the process. If the foregoing procedures apply to you, your broker has sent one copy of our annual report and proxy to your address. You may revoke your consent to householding at any time by sending your name, the name of your brokerage firm and your account number to Householding Department, 51 Mercedes Way, Edgewood, NY 11717 (telephone number: 1-800-542-1061). The revocation of your consent to householding will be effective 30 days following its receipt. In any event, if you did not receive an individual copy of this proxy statement or our annual report, we will send a copy to you if you address your written request to or call Kite Realty Group Trust, 30 S. Meridian Street, Suite 1100, Indianapolis, IN 46204, Attention: Investor Relations (telephone number: 317-577-5600). If you are receiving multiple copies of our annual report and proxy statement, you can request householding by contacting Investor Relations in the same manner.

KITE REALTY GROUP TRUST Amended and Restated Charter of the Audit Committee

I. Purpose

The principal purposes of the Audit Committee (the "Committee") of the Board of Trustees (the "Board") of Kite Realty Group Trust (the "Company") are to (A) assist the Board in the oversight of (i) the integrity of the financial statements of the Company, (ii) the compliance by the Company with legal and regulatory requirements, (iii) the

qualification and independence of the Company's independent auditors and (iv) the performance of the Company's internal audit function and independent auditors, and (B) prepare an audit committee report as required by the Securities and Exchange Commission (the "Commission") to be included in the Company's annual proxy statement.

II. Composition and Qualification

The Committee shall be comprised of at least three (3) members of the Board, one of whom shall serve as Chairman of the Committee. The Chairman and all other members of the Committee shall meet the independence, experience, financial literacy and expertise requirements of the New York Stock Exchange, the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), the Securities Exchange Act of 1934, as amended, and applicable rules and regulations of the Commission, all as in effect from time to time. At least one member of the Committee shall be an "audit committee financial expert" as defined by the Commission. Because of the Committee's demanding role and responsibilities, and the time commitment of each attendant to Committee membership, if a member of the Committee simultaneously serves on or, upon appointment, would simultaneously serve on, the audit committees of more than three (3) public companies, continued service or appointment is contingent on a determination by the Board that such simultaneous service would not impair the ability of such member to effectively serve on the Committee.

To ensure independence and to otherwise avoid any potential conflicts of interest, members of the Committee may not (other than fees and equity received as compensation for serving as a trustee) accept or receive, directly or indirectly, any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries or be an affiliated person of the Company or any of its subsidiaries. Because of the significantly greater time commitment of Committee members and in consideration thereof, the Board recognizes that it may be appropriate for members of the Committee to receive reasonable compensation greater than that paid to other members of the Board.

The Chairman and other members of the Committee shall be appointed by the Board, subject to satisfying the standards set forth above. Committee members may be removed by the Board, with or without cause. Any member of the Committee may resign at any time by giving written notice of his or her resignation to the Board.

III. Meetings

The Committee shall meet at least quarterly, or more frequently as the Committee or the Board deems necessary or appropriate. The Chairman of the Committee may call special meetings of the Committee as necessary.

IV. Goals, Authority, Responsibilities and Duties

General

The Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of any accounting firm employed by the Company (including the resolution of disputes between management and the accounting firm regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, and such firm shall report directly to the Committee. In the performance of its duties, the Committee shall meet separately and periodically with management, the internal auditors (or other personnel responsible for the internal audit function) and the independent auditors.

In addition, the Committee shall:

Financial Statement and Disclosure Matters

1. Review and discuss the quarterly unaudited and/or annual audited financial statements with management and the Company's independent auditors, including the results of the independent auditor's review of the financial statements, prior to the Company's issuing its quarterly or year-end earnings release and filing its Quarterly Report on Form 10-Q or Annual Report on Form 10-K, as applicable.

Edgar Filing: KITE REALTY GROUP TRUST - Form DEF 14A

Matters that will be reviewed and discussed include:

- The Company's disclosures in "Management's Discussion and Analysis of Financial Condition and Results of Operations";
 - Major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and any major issues as to the adequacy of the Company's internal controls;
 - Analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements;
 - The effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the Company's financial statements; and
 - In general, the type and presentation of information to be included in earnings press releases, including the use of "pro forma" or "adjusted" non-GAAP information, as well as review of any financial information and earnings guidance provided to analysts and rating agencies.
2. Determine whether to recommend to the Board the inclusion of the annual audited financial statements in the Company's Annual Report on Form 10-K for the applicable fiscal year.
 3. Discuss with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Committee shall also review and evaluate the Company's processes and policies for identifying and assessing key financial statement risk areas and for formulating and implementing steps to address such risk areas. As part of this process, the Committee should discuss guidelines and policies to govern the process by which this is handled. Consistent with the foregoing, the Committee shall also review on an ongoing basis the Company's practices and procedures implemented consistent with the Company's Interest Rate Risk Management Policy (or any similar or replacement policy adopted by the Board of Trustees) as in effect from time to time.
 4. Review with the independent auditor any audit problems or difficulties the auditor may have encountered in the course of the audit work, including any restrictions on the scope of activities or access to requested information and any significant disagreements with management, and management's response. Such review should include:
 - (a) any accounting adjustments that were noted or proposed by the independent auditor but were passed (as immaterial or otherwise);
 - (b) any communications between the independent auditor and its national office respecting auditing or accounting issues presented by the engagement; and
 - (c) any "management" or "internal control" letters issued, or proposed to be issued, by the independent auditor to the Company.
 5. Review the following matters with the independent auditor (such matters shall be timely reported to the Committee by the independent auditor):
 - (a) All critical accounting policies and practices to be used;
 - (b) All alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the preferred treatment of the auditor; and
 - (c) Other material written communications between the auditor and management, including any management letter or schedule of unadjusted differences.

6. Meet with the officers certifying the Company's periodic reports pursuant to Section 302 of the Sarbanes-Oxley Act, and any other officers that the Committee deems necessary or appropriate, to:
 - discuss whether there are any significant deficiencies or material weaknesses in the design or operation of the Company's internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information;
 - discuss whether there has been any fraud involving management or other employees who have a significant role in the Company's internal control over financial reporting;
 - discuss whether any changes in the Company's internal control over financial reporting occurred during the most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting, and whether any corrective actions were taken with regard to significant deficiencies or material weaknesses in the Company's internal control over financial reporting; and
 - obtain assurance that the disclosure controls and procedures have been adhered to for the relevant quarter.
7. Review and assess on at least an annual basis the Company's disclosure controls, policies and procedures.
Oversight of the Company's Relationship With the Independent Auditor
8. Be directly responsible and have the sole authority to appoint, compensate, retain, evaluate and terminate the independent auditors to be retained by the Company and to pre-approve all audit services, including the compensation of the independent auditors and all audit engagement fees and terms. The Committee may consult with management but shall not delegate these responsibilities to management. The Committee should meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit.
9. Have the sole authority to, and shall, review and pre-approve, either pursuant to the Committee's Audit and Non-Audit Services Pre-Approval Policy or through a separate pre-approval by the Committee, any engagement of the Company's independent auditor to provide any permitted non-audit service to the Company that is not prohibited by law. The Committee shall have the ability to delegate the authority to pre-approve non-audit services to one (1) or more designated members of the Committee. If such authority is delegated, the delegated member(s) of the Committee shall report to the full Committee, at the next Committee meeting, all items pre-approved by the designated member(s).
10. Receive and review periodic reports, at least annually, prepared by the independent auditors regarding:
 - (a) the auditors' internal quality-control procedures;
 - (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five (5) years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues, and
 - (c) the auditor's independence and all relationships between the independent auditor and the Company.
11. Discuss the reports described in paragraph 10 above with the auditor, and take appropriate action on any disclosed relationship to satisfy itself of the auditor's independence. As part of this process, the Committee should evaluate the qualifications, performance and independence of the independent auditor, including considering whether the auditor's quality controls are adequate and the provision of permitted non-audit

services is compatible with maintaining the auditor's independence (and taking into account the opinions of management). The Committee also should receive, annually, a letter of independence from the independent

Edgar Filing: KITE REALTY GROUP TRUST - Form DEF 14A

auditor. The Committee shall present its conclusions to the Board.

12. Review and evaluate the experience and qualifications of the senior members (including the lead partner) of the independent auditor team and the performance of the independent auditor (which firm ultimately is accountable to the Committee and the Board).
13. Discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, relating to the conduct of the audit.
