BACKGROUND TO THE SOLICITATION

The following is a chronology of events leading up to the this proxy solicitation:

On June 19, 2017, Blackwells made its initial investment in the Company.

On August 24, 2017, a representative of Blackwells met with the Company's Investor Relations team at the Company's headquarters in Eden Prairie, Minnesota, to discuss various shareholder concerns.

On October 25, 2017, Blackwells sent a letter to the Company, expressing disappointment with the Company's steadily declining performance and lack of a clear vision to arrest share price declines. Blackwells urged the Company to defend shareholder value by (i) selling a third of its remaining food stores, (ii) paying a dividend and committing to growing a dividend over time, (iii) adopting an active and substantial share repurchase plan, and (iv) adding new members to the Board and management.

On December 7, 2017, representatives of Blackwells met with representatives of the Company at Blackwells' office in New York City. Blackwells discussed its interest in constructively working with the Company to increase shareholder value. Blackwells presented a clear strategic analysis detailing the Company's corporate strengths as well as operational deficiencies and competitive challenges. The discussion centered on a benchmarking comparison of the Company with its peers, showing that the Company was the only company in the group to not pay a dividend, have a shareholder buyback or actively engage with investors and analysts on the Company's prospects. Further discussion concentrated on the benefits of divesting its retail operations and monetizing real estate to return capital to shareholders and pay down debt. Blackwells also expressed concern about the management turnover and urged the Company to move swiftly to fill important roles, such as Chief Financial Officer, Head of Retail and Head of Strategy with professionals and those with demonstrable track records of success.

The Company's Chief Executive Officer Mark Gross, Executive Vice President and Interim Chief Financial Officer Rob Woseth, and Vice President of Investors Relations Steve Bloomquist, all in attendance at the meeting, recognized Blackwells' concerns and promised to follow-up with a meeting to sit down with Mr. Gross and Donald Chappel, Chairman of the Board, to discuss these concerns.

On January 10, 2018, the Company announced its third quarter earnings results. The stock fell 13.7% that day. Several sellside analysts downgraded their expectations for the Company based on what they perceived as poor execution on the Company's wholesale operations from a mismanagement of capacity at various distribution centers.

The Company announced that its retail operations continued to lose money for the third quarter ending December 2, 2017, with a \$6 million loss from operations as comparable stores sales fell 3.5%, while net debt and capital lease obligations increased \$260 million to \$1.86 billion from the previous quarter from diminished profitability and cash flows.

On a conference call open to the public, Mr. Gross, in response to a question from Morgan Stanley's Vincent J. Sinisi, stated that "what [the Company] found was [its] problem, with some customers, some serious spikes that were unanticipated and not well-executed on." Mr. Gross added, in a response to Telsey Advisory Group ("Tesley") analyst Joseph Isaac Feldman, "[The Company] didn't execute the way [it] wanted to".

In response to a question by Wells Fargo & Co. (“Wells Fargo”) analyst Stephanie Chang on the Company’s Retail division, Mr. Gross stated that for “some of [the] other banners, traffic was more difficult, and the response to promotional plans wasn’t as good. And you see in [the] results this decline in total Retail sales. The piece is almost a tale of two cities, although it’s several cities, obviously, but in some of it, it’s going well and in others, not so.”

Mr. Gross also stated, in response to a question by Ajay Kain from Pivotal Group, that it engaged a nationally recognized company to sell non-core assets and that the Company would be “thrilled on the day [it could] announce the decisions on any of this.”

On January 17, 2018, representatives of Blackwells met with Messrs. Chappel, Gross, Woseth and Bloomquist at the Company’s headquarters in Eden Prairie, Minnesota. Blackwells presented comprehensive and data-driven analyses centering on the Company’s competitive positioning and financial opportunities. The competitive position analysis reviewed the consistent weakness of the Company’s stock price and the stark inadequacies of its shareholder engagement and capital management practices. The participants further discussed analyst commentary of the Company, and the recent downgrades by the Royal Bank of Canada, Goldman Sachs Group, Inc., Telsey, Wells Fargo and Morgan Stanley as well as the credit research from Merrill Lynch Wealth Management and Moody’s Investors Service that expressed a similar concern and need for urgency. Blackwells questioned the lack of stock ownership of the Company’s senior executives and Board members, as well as the composition and compensation of the Board. Blackwells also presented an analysis on the weakness of the Company’s retail operations, further enhanced by Blackwells’ site visits and validated by the grocery retail experts hired by Blackwells to examine the Company’s retail operations.

The financial component assessed the following: (1) value accretion that could occur in a variety of mergers-of-equals or business partnerships and (2) corporate initiatives the Company could immediately undertake to arrest the deterioration of shareholder value. The range of scenarios included analyses that would represent 30%-200% appreciation to the Company’s then current share price, that were based on comparable M&A transactions, peer trading analyses, and sum-of-the-parts. Included in the presentation materials Blackwells prepared was a history of consolidation in the grocery retail and logistics industries, and the rationale for why further consolidation was appealing and inevitable.

Finally, the participants discussed stock-specific initiatives, including: (1) the reorganization of Wholesale and Retail into separate corporate entities; (2) the divestiture or spin-off of Retail; and (3) capital management initiatives, including (a) sale leaseback, (b) a special dividend, (c) a stock buy-back, and (d) an ordinary dividend. Additionally, other initiatives were presented to enhance operations, including (1) modified pricing structures with consumer-packaged-goods companies, (2) partnership with logistics companies to enhance efficiencies, and (3) white label and e-commerce solutions. A last component of the discussion re-asserted the need to elevate the capabilities of the Company’s Board and executive management team.

Messrs. Chappel and Gross thanked the representatives from Blackwells for their analysis, emphasizing they were “impressed” with the analytic rigor and depth. They asked for a copy of the analyses and Blackwells’ opinion about timing, mechanics and implementation of such initiatives.

On February 6, 2018, Blackwells sent a letter to the Company’s Board, announcing its intention to pursue the nomination of three directors at the Company’s Annual Meeting. On the same day, the Company disclosed that it would evaluate Blackwells’ director nominees when submitted.

Also on February 6, 2018, Blackwells released an investor presentation titled "Save Supervalu: A fundamental analysis and diagnostics report prepared by Blackwells Capital" (the "Blackwells Presentation"), outlining in detail Blackwells' concerns regarding Blackwells' views of the continued mismanagement at the Company and destruction of shareholder value.

On February 27, 2018, the Company filed a Form 8-K with the SEC to announce the appointment of Mr. Woseth as the Company's Executive Vice President and Interim Chief Financial Officer, effective February 25, 2018.

On March 14, 2018, the Company disclosed by press release its entry into three separate definitive agreements to sell 21 of its 38 Farm Fresh Food & Pharmacy ("Farm Fresh") stores for approximately \$43 million in cash to three different retailers. The Company also indicated that it was continuing discussions and exploring potential transactions to sell the remaining Farm Fresh stores to current and prospective wholesale customers and Farm Fresh employees.

On March 15, 2018, Blackwells publicly responded to the Company's disclosure from the previous day through a press release, stating that the sale of approximately 10% of its retail locations was an "incremental step" in line with Blackwells' prior recommendation to divest the Company's nearly 200 retail locations, which Blackwells believes are depressing the Company's valuation and being neglected by management. Blackwells added that the Company's trumpeting of such a sale as part of its two-year effort to "transform our business," during which period the Company's share price declined over 60%, demonstrated the Board's lack of urgency, imagination, and concern for shareholders. Blackwells also reiterated its intention to nominate a slate of experienced directors to the Board in connection with the Annual Meeting.

On March 20, 2018, Blackwells privately submitted a notice of intent to nominate its slate of six director candidates, none of whom were associated with Blackwells, for election to the Board at the Annual Meeting. In addition, Blackwells stated its intention to submit a non-binding business proposal for consideration of shareholders calling for more robust annual disclosures by the Leadership Development and Compensation Committee regarding the Company's private jet.

On March 22, 2018, the Company issued a press release publicizing selected portions of Blackwells' March 20 notice, mischaracterizing it as an attempt to "seek control of the Company, without paying a premium to all stockholders." Blackwells was not then, and is not now, seeking any "control" over Supervalu; its six nominees are not associated with Blackwells in any manner other than their agreement to be nominated by Blackwells.

On March 22, 2018, Blackwells submitted a letter to the Company, pursuant to Section 220 of the Delaware General Corporation Law, demanding to inspect, among other things, the Company's shareholder list materials (the "Shareholder List Demand").

On March 29, 2018, the Company responded to the Shareholder List Demand, agreeing to provide information responsive to Blackwells pursuant to certain conditions, including Blackwells' execution of a confidentiality agreement.

On April 5, 2018, the Company filed a Current Report on Form 8-K with the Securities and Exchange Commission to announce the appointment of David W. Johnson as the Company's Chief Accounting Officer.

On April 13, 2018, Blackwells submitted a letter to the Company, pursuant to Section 220 of the Delaware General Corporation Law, demanding to inspect, among other things, books and records containing information related to the use of the Company's private jet (the "Private Jet Records Demand").

On April 25, 2018, the Company held a call announcing its fourth quarter earnings results in which management revealed to shareholders for the first time that the Company had entered into definitive agreements to sell eight of its owned distribution centers, representing approximately 5.8 million square feet, to a single buyer for an aggregate purchase price of \$483 million in gross proceeds.

On April 27, 2018, the Company's counsel delivered a response letter to the Private Jet Records Demand that asserted, among other things, that Blackwells did not have a proper purpose for inspecting the requested books and records.

On May 11, 2018, Blackwells' and the Company's respective counsel discussed by telephone the Private Jet Records Demand and the Company's counsel indicated that the Company still concluded that Blackwells did not have a proper purpose for inspecting the requested books and records, but was willing to produce only Board-level documents (e.g., meeting minutes and presentations) related to the adoption of the Company's private jet policies. Counsel for the Company also asked Blackwells' counsel for additional information about the Private Jet Records Demand and indicated that the Company refused to produce flight-level detail about passengers using the private jet potentially in violation of Company policy.

On May 17, 2018, Blackwells issued in a press release an open letter to the Board, decrying the Board's consistent and systematic rejection of Blackwells' repeated, good-faith attempts to constructively engage with management and the Board over the past eight months about specific ways to reverse the Company's precipitous decline. Blackwells noted that the Board only took further action with respect to Blackwells' director nominations more than a month after they were submitted, with an empty gesture of having two of the six nominees "screened" by the Company's executive search firm, presumably as part of a self-selecting Board refresh. In addition, Blackwells questioned the Board's motives in failing to set the Record Date for the Annual Meeting, which typically occurs in mid-July, and stressed that if the Board continued the procrastination, delay tactics and defensive half measures that led the Company and its shareholders to the present realities, Blackwells intended to give shareholders a clear choice between what it viewed as the status quo with an entrenched Board or a slate of highly qualified, independent Board candidates who Blackwells believes are prepared and committed to unlock value for all shareholders.

On May 18, 2018, in response to the request of counsel for the Company, Blackwells' counsel delivered a supplement to the Private Jet Records Demand (the "Supplementary Private Jet Records Demand," together with the Private Jet Records Demand, the "Private Jet Records Demands"), to further elaborate on its proper purpose to inspect the books and records requested in the Private Jet Records Demands.

On May 25, 2018, Company's counsel responded to the Supplementary Private Jet Records Demand, stating, among other things, that the Company might be amenable to a targeted document production, but continued to conclude that Blackwells did not have a proper purpose for inspecting the requested books and records.

On May 29, 2018, Blackwells filed a Schedule 13D with the SEC disclosing a 7.3% ownership stake in the Company.

Edgar Filing: SUPERVALU INC - Form PREC14A

Also on May 29, 2018, Blackwells filed its preliminary proxy statement, seeking shareholder support for its slate of highly qualified director nominees and its proposal calling for the Company to provide more robust, annual disclosure concerning the use of its private jet.

REASONS FOR THE SOLICITATION

Blackwells owns approximately 7.3% of the equity of Supervalu. We are disappointed with the performance of the Company, its Board and management, its strategy and its operations. Over the last decade, the stock has declined 92%. In the aggregate, over the past ten years, Supervalu shareholders have lost more than \$4.5 billion.

Blackwells believes there is significant potential in the Company's assets, people, markets and business relationships. Supervalu is one of the country's largest publicly held grocery distributors and retailers, whose significant competitive advantages include its durable wholesale distribution cash flows, compelling acquisition environment and the real estate value of its owned distribution centers and stores. Further, we believe the Company's value should stand to benefit from a growing addressable market and the increasing US consumer population and aggregate grocery expenditures.

The Company, in our view, has simply failed to capitalize on this potential to create value for shareholders. We believe the Company has a misguided strategy, a history of poor execution, and an inadequate and inexperienced Board. Supervalu's strategic choice to operate in both the retail and wholesale segments of the grocery industry, championed by its Chief Executive Officer Mark Gross, has destroyed value because it has led to a lack of management focus, poor capital allocation (and an increased cost of capital) and suppressed valuation multiples, in our view. Further, we believe that Supervalu's refusal to change strategies despite having one of the lowest valuations among its peers is indicative of a lack of independent, objective, and fresh thinking in the boardroom.

We believe change in the Board's composition is needed to ensure objective and independent oversight of the Company's operations, strategy and management. In our view, shareholders cannot expect the Company to perform better in the future than it has in the past without fundamental change, beginning in the boardroom. Of Supervalu's nine current Board members, only one has any recent relevant direct retail grocery operational experience. Neither of the last two Board chairs comes from the wholesale or retail food industry, but rather from waste management, and toys, respectively.

We have reached these conclusions after considering the following facts, among other things:

The Company's stock has underperformed all relevant benchmarks, including its industry peers¹, over one-, three-, five- and ten-year time periods.

¹ Peers excludes companies not publicly traded throughout the entirety of the respective time period.

Note: (a) Returns as of February 5, 2018, day prior to Blackwells' public presentation on Supervalu. Adjusted for dividends.

b) Proxy peers consist of companies used in Supervalu's 2017 proxy statement for assessing relative total shareholder returns: CASY, CORE, IMKTA, SFS, SPTN, SFM, SPLS, SYY, CHEF, KR, UNFI, VLGEA, WMK

c) Grocery peers consists of: KR, SFM, VLGEA, WMK and IMKTA

d) Wholesale peers consists of: SPTN, UNFI

Supervalu's operating results continue to erode and are significantly worse than its peers. From 2013 to 2017, Supervalu saw its EBITDA(a) decline at a compounded annual growth rate ("CAGR") of -5.0%, whereas its grocery peers (KR, IMKTA, VLGEA, and WMK) were able to grow at an average +1.3% CAGR and its wholesale peers (SPTN and UNFI) were able to grow at a CAGR of +5.8%. EBITDA is a key metric used to assess the operating performance of each of these companies by investors.

Supervalu has failed to avail itself of attractive real estate and M&A markets, in our view. Supervalu continues to own a substantial amount of real estate, including more than 13.3 million square feet of distribution warehouse space. With real estate valuations at all-time highs, the Company in our view could have monetized this real estate through attractive sale-leaseback transactions, but only began such efforts belatedly after we publicly prodded Supervalu do so. Moreover, Supervalu missed the chance, we believe, to sell its retail grocery stores at premium valuations when there was significant consolidation in the industry. These missed opportunities, in our opinion, reflect a lack of urgency, creativity and independence on the part of the Board.

Supervalu is undervalued by the capital markets, in our view. Despite its discounted valuation, most of the sell-side research analysts covering the Company have "hold" or "sell" ratings on the stock. As of May 25, 2018, Supervalu's short interest, a key indicator of investor pessimism, is 9.635 million shares, or approximately 25% of total float, which is also approximately its highest level in over five years, and monumentally higher than any of its peers]. In our opinion, this skepticism by sell-side analysts and investors is the result of investors' concerns about the Company's strategy and ability to execute the current plan, as well as a lack of confidence in Supervalu's leadership. With the share price trading near six-year lows, we believe investors have lost confidence in Supervalu's current strategy and Board.

The Board has failed to align the interests of management with those of shareholders, in our view. The named executive officers have been paid in excess of \$20 million in fiscal 2016 and \$19 million in fiscal 2017, during which time they oversaw the destruction of approximately \$1 billion in shareholder value. Additionally, the current Board members and executives, according to the Company's 2017 proxy statement, own only 0.67% of the Company's

common stock, including an only 0.02% ownership stake by Chief Executive Officer Mark Gross. We believe Supervalu's failure to align management and the Board's incentives with shareholder interests is a key factor to explain the Company's persistent underperformance and market perception.

Blackwells has made repeated, good-faith attempts over the past eight months to engage management and this Board about specific ways to reverse Supervalu's decline in value and operating performance. These attempts have been rejected. Instead, the Company has taken what we believe are ineffective half-measures. While these half-measures may be perceived by the Board to insulate the directors from further criticism, we believe they are ineffective at enhancing shareholder value, which should be the goal of the Board.

On this basis, Blackwells has decided to provide every Supervalu shareholder with an opportunity at the upcoming Annual Meeting to choose between the status quo, with a Board that has proven itself unable to set a winning strategy in our view, or a slate of highly qualified, Board candidates who are prepared and committed to unlock value for all shareholders.

(NASDAQ: HBAN) in August 2016. Mr. Baer holds a BSBA and MSBA in Economics from The University of Denver.

Blackwells believes Mr. Baer’s over 40 years’ executive leadership experience and business turnaround expertise will allow him to make an immediate contribution to the Board.

Robert “Chris” Kreidler, age 54, is widely recognized for his service as Chief Financial Officer and Executive Vice President of Sysco Corp. (NYSE: SYY), a global foodservice leader, positions which he held from October 2009 to September 2015 and December 2015, respectively. Following his departure from Sysco Corp., Mr. Kreidler formed Kreidler Advisory Services, LLC, to provide strategic and financial consulting to both public and private companies, including General Cable Corporation (NYSE: BCG), a wire and cable solutions manufacturer, where he served as Interim Chief Financial Officer, from August 2016 to November 2016, while the company conducted a CFO search. From February 2007 to March 2009, Mr. Kreidler served as Executive Vice President, Chief Financial Officer and Chief Customer Officer of C&S Wholesale Grocers, Inc., one of the largest wholesale grocery supply companies in the United States. Blackwells believes Ms. Taylor’s credentials as an international business leader, corporate social responsibility and sustainability expertise, and public company board experience well qualifies her to serve on the Board.

The principal business address of Mr. Baer is c/o High Ridge Partners, LLC 140 South Dearborn Street Chicago, Illinois 60603. The principal business address of Mr. Kreidler is c/o Kreidler Advisory Associates LLC 1760 Tamarack Trail Skaneateles, New York 13152. As of the date hereof, none of Ms. Taylor or Messrs. Anicetti, Baer, Kreidler, Lazaran or Martell own any shares of Common Stock of the Company and have not entered into any transactions in securities of the Company during the past two years.

Each Nominee may be deemed to be a member of a group (the “Group”) with the other participants for the purposes of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each Nominee specifically disclaims beneficial ownership of shares of Common Stock that he does not directly own. For information regarding

purchases and sales of securities of the Company during the past two years by the members of the Group, see Schedule I.

Blackwells Capital and the Nominees have entered into letter agreements pursuant to which it and its affiliates have agreed to indemnify each Nominee against certain claims arising from the proposed nomination and the Solicitation and any related transactions.

On March 20, 2018, Blackwells Capital and the Nominees entered into a Joint Filing and Solicitation Agreement pursuant to which, among other things, each of the parties (i) agreed to the joint filing on behalf of each of them of statements on Schedule 13D, and any amendments thereto, with respect to the securities of the Company, (ii) agreed to solicit proxies for the election of the Nominees to the Board at the Annual Meeting, and (iii) Blackwells Capital agreed to bear all expenses incurred in connection with the such solicitation.

Other than as stated herein, there are no arrangements or understandings between the members of the Group or any other person or persons pursuant to which the nomination of the Nominees described herein is to be made, other than the consent by each Nominee to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. No Nominee is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceeding.

Each Nominee presently is, and if elected as a director of the Company, each of the Nominees would, in our view, be, an “independent director” within the meaning of (i) New York Stock Exchange (“NYSE”) listing standards applicable to board composition), and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. No Nominee is a member of the Company’s compensation, nominating or audit committee that is not independent under any such committee’s applicable independence standards.

We do not expect that the Nominees will be unable to stand for election, but, in the event any Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed **GREEN** proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Bylaws and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to the Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, we would identify and properly nominate such substitute nominee(s) in accordance with the Bylaws and shares of Common Stock represented by the enclosed **GREEN** proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), in accordance with the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting.

WE URGE YOU TO VOTE “FOR” THE ELECTION OF THE NOMINEES ON THE ENCLOSED GREEN PROXY CARD.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has retained KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending February 23, 2019. KPMG LLP has been retained as Supervalu's independent auditor continuously since fiscal 1999. The Company is submitting the appointment of KPMG LLP for ratification of the shareholders at the Annual Meeting.

As disclosed in the Company's proxy statement, shareholder approval is not required to appoint KPMG LLP as the Company's independent registered public accounting firm, but the Company is submitting the selection of KPMG LLP to shareholders for ratification as a matter of good corporate governance. If the shareholders fail to ratify the selection, the Company has indicated that the Audit Committee will reconsider whether or not to retain KPMG LLP. The Company has further disclosed that even if the selection is ratified by shareholders, the Audit Committee in its discretion may direct the selection of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

WE [] WITH RESPECT TO THE RATIFICATION OF THE SELECTION OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING FEBRUARY 23, 2019 AND INTEND TO VOTE OUR SHARES [] THIS PROPOSAL.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As discussed in further detail in the Company’s proxy statement, the Company is asking shareholders to indicate their support for the compensation of the Company’s named executive officers. This proposal, commonly known as a “say-on-pay” proposal, is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s named executive officers and the philosophy, policies and practices described in the Company’s proxy statement. Accordingly, the Company is asking shareholders to vote for the following resolution:

“RESOLVED, that the shareholders approve, on an advisory basis, the compensation of the Company’s Named Executive Officers, as disclosed in the Compensation Discussion and Analysis, the tabular disclosure regarding such compensation, and the related narrative executive compensation disclosures contained in the Proxy Statement.”

As disclosed in the Company’s proxy statement, the shareholder vote on the say-on-pay proposal is an advisory vote only and is not binding on the Company, the Board or the Leadership Development and Compensation Committee of the Board, nor will its outcome require the Company, the Board or the Leadership Development and Compensation Committee of the Board to take any action. However, the Board states that it intends to carefully consider the shareholder vote resulting from the proposal in making future decisions regarding the Company’s compensation programs.

WE [_____] WITH RESPECT TO THIS

SAY-ON-PAY PROPOSAL AND INTEND TO VOTE OUR SHARES [_____] WITH RESPECT TO

THIS SAY-ON-PAY PROPOSAL.

PROPOSAL NO. 4

VOTE TO REQUIRE ROBUST ANNUAL DISCLOSURE REGARDING USE OF CORPORATE AIRCRAFT

Blackwells is asking shareholders to indicate their support for the proposal to require the Leadership Development and Compensation Committee of the Board to provide robust disclosure in the Company's annual proxy statement each year concerning the use of the Company's corporate aircraft. This information is essential to the making of the determination as to whether such aircraft has been used for non-business purposes and has bearing on whether the expenses associated with management's personal use of the corporate aircraft are underreported, since they do not include any fixed costs of the aircraft. Accordingly, Blackwells is asking shareholders to vote for the following resolution:

“RESOLVED, that stockholders of Supervalu Inc. (“Supervalu”) ask the Leadership Development and Compensation Committee of Supervalu’s board of directors (the “Committee”) to provide more robust disclosure concerning the use of Supervalu’s corporate aircraft on an annual ongoing basis in Supervalu’s proxy statement. Such disclosure (the “Disclosure”) should include information regarding each and every flight (the “Flights”) in which (i) a member of the Board was a passenger; (ii) a passenger was present who is not an employee or director of the Company; or (iii) a passenger was present who was not flying for Company business purposes. The Disclosure for the Flights shall include, with respect to each Flight, (a) the list of passengers, (b) the origin and destination of the Flight, (c) the date of the Flight, (d) the total cost of the Flight (including direct operating expenses as well as an allocated portion of fixed expenses related to the corporate aircraft) and (e) the range of prices for a fully refundable, business or first class plane ticket offered by commercial airlines for travel between the origin and destination on the same day of travel.”

Blackwells believes that the use of corporate aircraft by employees and members of the Board for personal travel is an expensive, unnecessary and excessive perquisite that is not fully captured by existing disclosures and, when used for business travel, is damaging to the Company’s culture.

Blackwells believes that some members of management regard travel by corporate aircraft to be luxurious or prestigious and, therefore, that decisions about aircraft are subject to conflicts of interest and not necessarily made on a purely economic basis. Accordingly, Blackwells believes that shareholders, in making voting decisions regarding Board membership and composition, should have greater visibility into the decisions made by executives and members of the Board regarding the use and expense associated with the corporate aircraft program.

WE URGE YOU TO VOTE “FOR” THIS PROPOSAL.

VOTING AND PROXY PROCEDURES

Only shareholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Shareholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares. Shareholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares after the Record Date. Based on publicly available information, Blackwells believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Common Stock.

Shares of Common Stock represented by properly executed GREEN proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of the Nominees, [_____] the ratification of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending February 23, 2019, [_____] on the say-on-pay proposal, and FOR the proposal calling for the Leadership Development and Compensation Committee to provide more robust disclosure concerning the use of the Company's corporate aircraft each year in the Company's annual proxy statement.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate nine (9) candidates for election at the Annual Meeting. This Proxy Statement is soliciting proxies to elect only our Nominees. Accordingly, the enclosed **GREEN** proxy card may only be voted for the Nominees and does not confer voting power with respect to the Company's nominees. Shareholders should refer to the Company's proxy statement for the names, backgrounds, qualifications and other information concerning the Company's nominees. In the event that some of the Nominees are elected, there can be no assurance that the Company nominee(s) who get the most votes and are elected to the Board will choose to serve on the Board with the Nominees who are elected.

While we currently intend to vote all of the Blackwells Group Shares in favor of the election of the Nominees, we reserve the right to vote some or all of the Blackwells Group Shares for some or all of the Company's director nominees, as we see fit, in order to achieve a Board composition that we believe is in the best interest of all shareholders. We would only intend to vote some or all of the Blackwells Group Shares for some or all of the Company's director nominees in the event it were to become apparent to us, based on the projected voting results at such time, that by voting the Blackwells Group Shares we could help elect the Company nominee(s) that we believe are the most qualified to serve as directors and thus help achieve a Board composition that we believe is in the best interest of all shareholders. Shareholders should understand, however, that all shares of Common Stock represented by the enclosed **GREEN** proxy card will be voted at the Annual Meeting as marked.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the Annual Meeting, the presence, in person or by proxy, of the holders of at least a majority of the outstanding shares of Common Stock as of the Record Date will be considered a quorum for the transaction of business.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by “broker non-votes” also are counted as present and entitled to vote for purposes of determining a quorum. However, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a “broker non-vote”). Under the applicable NYSE rules, your broker will only have discretionary authority to vote on the proposal to ratify the appointment of KPMG LLP as the independent registered public accounting firm for the fiscal year ending February 23, 2019.

If you are a shareholder of record, you must deliver your vote by mail, attend the Annual Meeting in person and vote, vote by Internet or vote by telephone in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. Brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting except the proposal to ratify the appointment of KPMG LLC as the independent registered public accounting firm of the Company. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will count for purposes of attaining a quorum, but will not be voted on the remaining proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors The Company has adopted a plurality vote standard for contested director elections. As a result of our nomination of the Nominees, the director election at the Annual Meeting will be contested, so the nine nominees for director receiving the highest vote totals will be elected as directors of the Company. With respect to the election of directors, only votes cast “FOR” a nominee will be counted. Proxy cards specifying that votes should be withheld with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees. Neither an abstention nor a broker non-vote will count as a vote cast “FOR” or “AGAINST” a director nominee. Therefore, abstentions and broker non-votes will have no direct effect on the outcome of the election of directors.

Ratification of the Selection of Accounting Firm According to the Company’s proxy statement, assuming that a quorum is present, the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the ratification of the appointment of KPMG LLP as the Company’s independent accounting firm for the fiscal year ending February 23, 2019. The Company has indicated that abstentions will have the same effect as a vote against this proposal, but broker non-votes will have no effect on the proposal.

Advisory Vote on Executive Compensation According to the Company’s proxy statement, although the vote is non-binding, assuming that a quorum is present, for the advisory vote on executive compensation, the proposal shall have been approved if the number of votes “FOR” exceeds the number of votes “AGAINST.” The Company has indicated that abstentions and broker non-votes will have no effect on the proposal.

Vote to Require More Robust Annual Disclosure on the use of the Corporate Aircraft According to the Bylaws, the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy

and entitled to vote at the Annual Meeting is required for approval. Therefore, abstentions will have the same effect as a vote against this proposal, and broker non-votes will have no effect on the proposal.

Under applicable Delaware law, none of the holders of Common Stock is entitled to appraisal rights in connection with any matter to be acted on at the Annual Meeting. If you sign and submit your **GREEN** proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with Blackwells' recommendations specified herein and in accordance with the discretion of the persons named on the **GREEN** proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCAION OF PROXIES

Shareholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although, attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Blackwells in care of Morrow Sodali at the address set forth on the back cover of this Proxy Statement or to the Corporate Secretary of the Company at Supervalu Inc., P.O. Box 990, Minneapolis, Minnesota 55440, or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Blackwells in care of Morrow Sodali at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the shares entitled to be voted at the Annual Meeting. Additionally, Morrow Sodali may use this information to contact shareholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GREEN PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by Blackwells. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.

Blackwells Capital has retained Morrow Sodali to solicit proxies in connection with the Annual Meeting. Morrow Sodali may solicit proxies from individuals, banks, brokers, custodians, nominees, other institutional holders and other fiduciaries and will employ approximately [____] people in its effort. Blackwells Capital has agreed to reimburse Morrow Sodali for its reasonable expenses and to pay it fees in connection with the proxy solicitation. Blackwells Capital has agreed to indemnify Morrow Sodali against certain liabilities arising out of or in connection with the engagement. It is currently expected that the fees payable to Morrow Sodali in connection with this proxy solicitation will not exceed \$[_____].

In addition to the costs related to the engagement of Morrow Sodali, costs related to this solicitation of proxies include expenditures for printing, postage, legal services and other related items.

The entire expense of soliciting proxies is being borne by Blackwells Capital. Costs of this solicitation of proxies are currently estimated to be approximately \$[_____] (including, but not limited to, fees for attorneys, solicitors and other advisors, and other costs incidental to the solicitation). Blackwells Capital estimates that through the date hereof its expenses in connection with this solicitation are approximately \$[_____]. To the extent legally permissible, if Blackwells Capital is successful in its proxy solicitation, Blackwells Capital intends to seek reimbursement from the Company for the expenses it incurs in connection with this solicitation. Blackwells Capital does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

ADDITIONAL PARTICIPANT INFORMATION

Blackwells Capital, Jason Aintabi and the Nominees are participants in this solicitation (each a “Participant” and collectively, the “Participants”).
