FUEL SUPPLY AGREEMENTS

As previously advised, the termination on 31 December 2003 of the Supply and Blue Pump Agreements which existed between Sasol and the other oil companies enabled a new dispensation for liquid fuels wholesaling and retailing.

On the wholesale front Sasol has reached agreement on arrangements for the supply of fuels to the other oil companies operating in South Africa, whilst on the retail front Sasol Oil's merger with Exel Petroleum and the opening of the first Sasol branded Retail Convenience Centres heralds Sasol's full entry into the retail market.
