## **Announcement to the Market**

Banco Bradesco S.A., Banco Itaú Holding Financeira S.A. and Unibanco [ União de Bancos Brasileiros S.A. (Banks) inform the market, as Serasa S.A.'s (SERASA) shareholders, that due to the receipt of a proposal for the acquisition of a controlling interest in SERASA, they have decided to temporarily suspend the process pursuant to which SERASA would become a publicly traded company, which was initiated through the filing with the Brazilian Securities Commission (CVM) on March 5th, 2007, of a request that contemplated both the registration of SERASA as publicly traded company and the secondary public offering of common stocks.

The transaction price and all other conditions for the implementation of the transfer of the control of SERASA will depend on the outcome of Due Diligence, and on negotiations and execution of the relevant agreements, as well as authorization from competent authorities.

The Banks will inform the market, in due course, of any material information relating to the abovementioned transaction.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
