**NOTICE TO THE MARKET**

**Brasil Telecom Participações S.A. (BOVESPA: BRTP3/BRTP4; NYSE: BRP) and Brasil Telecom S.A. (BOVESPA: BRTO3/BRTO4; NYSE: BTM)** (jointly Brasil Telecom ), in compliance with Instruction 358 of the Securities and Exchange Commission of Brazil (CVM), hereby announce that at the full session held on December 10, 2008, the Brazilian antitrust authority *Conselho Administrativo de Defesa Econômica* ( CADE ), approved the Agreement for Maintenance of the Reversibility of Operation (*Acordo de Preservação de Reversibilidade da Operação* APRO ) relating to the acquisition of control of Brasil Telecom by Telemar.

According to the APRO entered into with CADE, Telemar Norte Leste S.A. and Brasil Telecom S.A. should submit for CADE's analysis the new authorizations obtained from the National Telecommunications Agency (*Agência Nacional de Telecomunicações* ANATEL ) to explore the frequency ranges associated with WiMax, 3G, and MMDS in any Region of General Concession Plan ( PGO ).

Telemar and Brasil Telecom also agreed to maintain the broadband internet access providers iG and Oi Internet as independent business units till the final decision on the operation is given.

APRO also establishes Telemar's commitment to maintain a free dial-up internet access provider in all the municipalities in which Oi Internet, iG or Ibest already provide this service free of charge.

APRO is valid as of now, with the agreement provisions that ensure the complete autonomy of the companies till ANATEL's prior authorization naturally remaining unchanged.

Brasília, December 12, 2008.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
