Notice to the Market

Banco Bradesco S.A. ("Bradesco" or "Company") hereby informs its shareholders, clients and the Market in general that it received, on last October 2, from B3 S.A. - Brasil, Bolsa, Balcão ("B3"), the Message 1750/2018-SAE/GAE 1, requesting clarification regarding the eventual withdrawal right of shareholders from the Company as a result of the acquisition of 65% of the shares issued by RCB Investimentos S.A. (RCB), disclosed by Bradesco on the Notice to the Market on the aforementioned date.

In response to the Message from B3, Bradesco clarifies that the operation through which it shall perform the aforementioned acquisition does not imply in the possibility of exercising the right of withdrawal by its shareholders, due to the fact that the purchase price to be paid is not classified in any of the conditions established in Article 256 of Law No. 6,404/76.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
