Item 1.01. Entry into a Material Definitive Agreement.

On September 8, 2004, we amended and restated our Credit Agreement with DaimlerChrysler Services North America LLC and Toyota Motor Credit Corporation. As amended, the Credit Agreement provides for up to \$600 million in revolving loans for working capital, acquisitions, capital expenditures, investments and for other general corporate purposes and an additional \$50 million of availability for letters of credit. The revolving loans mature on the termination date of the facility which is September 30, 2007. The revolving loans bear interest between LIBOR plus 2.60% and LIBOR plus 3.75%, based upon the amounts outstanding over a specified collateral-based borrowing amount.

The Credit Agreement is fully and unconditionally guaranteed on a joint and several basis by our domestic subsidiaries and contains a number of significant covenants that, among other things, restrict our ability to dispose of assets, incur additional indebtedness, repay other indebtedness, create liens on assets, make investments or acquisitions and engage in mergers or consolidations. We are also required to comply with specified tests and ratios defined in the Credit Agreement, including a current ratio, fixed charge coverage ratio, debt to equity ratio, debt to EBITDA ratios and a specified minimum stockholders equity. The Credit Agreement also contains typical events of default, including change of control, non-payment of obligations and cross-defaults to our other material indebtedness. Upon the occurrence of an event of default, we could be required to immediately repay the amounts outstanding under the Credit Agreement.

Pursuant to a Security Agreement between us, our domestic subsidiaries and the lenders under the Credit Agreement, substantially all of our domestic assets are subject to security interests granted to lenders under the Credit Agreement. A copy of the Credit Agreement and Security Agreement are attached hereto as Exhibits 10.1 and 10.2 and are incorporated herein by reference. We purchase motor vehicles from DaimlerChrysler Corporation and Toyota Motor Company, affiliates of the respective lenders under the Credit Agreement, for sale at certain of our dealerships.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure contained under Item 1.01 of this Form 8-K is incorporated under this item by reference.
