Mr. Campbell, 59, joined the Company in February 2006 as Vice President & General Manager North American Recycling. Between August 1999 and February 2006, Mr. Campbell was retired. From 1998 to 1999, Mr. Campbell served as Senior Vice President--North American Aftermarket at Tenneco. Mr. Campbell also previously served in several executive positions at Cooper Industries from 1988 to 1998, including President of Cooper Automotive. As a result of his promotion, Mr. Campbell's annual base compensation will be increased to \$300,000. Mr. Campbell's target level in the Company's short-term incentive plan will be increased to 50% of base salary and would increase to 100% of base salary for the current fiscal year if the Company meets its stretch budget under the EP Plan as previously disclosed in the Company's July 7, 2006 Report on Form 8-K. Mr. Campbell's participation in the Company's Long Term Incentive Plan will be increased to 125% of base salary, consistent with the level for the Company's other executive officers, and will be granted an additional performance unit award payable in cash, as well as additional stock options and restricted stock as of October 20, 2006 commensurate with the higher participation level. Mr. Campbell will receive a cost of living adjustment commensurate with his relocation to Bodingen, Germany. Mr. Campbell will also receive assistance from the Company for his relocation to Bodingen and upon his return to the United States, if Mr. Campbell is still employed with the Company at that time.
