**Item 8.01 Other Events.**

On December 10, 2009, we announced the pricing of a public offering of \$2 billion aggregate principal amount of our senior notes under our shelf registration statement. The public offering consists of \$850 million of 4.50 percent notes due January 2015, \$850 million of 6.00 percent notes due January 2020 and \$300 million of 7.375 percent notes due January 2040. We expect the offering to close on December 14, 2009, subject to standard closing conditions. We plan to use the net proceeds for general corporate purposes, including prepaying a portion of our bank term loan due in April 2011. We expect to record a pre-tax charge, not previously anticipated, of approximately \$30 million (approximately \$19 million after tax, or \$0.01 per share) in the fourth quarter associated with the prepayment.

A copy of the press release is filed with this report as Exhibit 99.1.

---
