Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) Information regarding changes in roles and responsibilities of Eric Ford and Charles L. Meintjes is incorporated herein by reference from Item 5.02(c) below.

(c) On October 23, 2012, Peabody Energy Corporation ("Peabody") announced leadership changes within the business units to further strengthen Peabody's global operating platform. Peabody has named Eric Ford as Chairman of Peabody's Australia Business Unit, Charles L. Meintjes as President – Australia and Kemal Williamson as President – Americas. Mr. Ford currently serves as President – Australia and Mr. Meintjes currently serves as Acting President – Americas. All changes are effective November 15, 2012.

In his new role as Chairman of Peabody's Australia Business Unit, Mr. Ford will oversee strategic direction, operational and commercial strategy and performance, and external stakeholder interaction. Mr. Ford, age 58, joined Peabody in March 2007 as Executive Vice President and Chief Operating Officer, and served in that position until he was named President – Australia in March 2012. He has over 40 years of extensive international management, operating and engineering experience. Mr. Ford serves on the board of directors of Compass Minerals International, Inc.

In his new role as President – Australia, Mr. Meintjes will lead business unit teams that manage all aspects of the Australia operating platform with responsibility for health and safety, operations, sales and marketing, product delivery and support functions. Mr. Meintjes, age 49, has extensive operational, strategy, continuous improvement and information technology experience with mining companies on three continents. He joined Peabody in 2007, and most recently served as Acting President – Americas and Group Executive of Operations for the Midwest and Colorado. Other past positions with Peabody include Senior Vice President of Operations Improvement and Senior Vice President Engineering and Continuous Improvement.

In his new role as President – Americas, Mr. Williamson will lead business unit teams that manage all aspects of the Americas operating platform with responsibility for health and safety, operations, sales and marketing, product delivery and support functions. Mr. Williamson, age 53, brings more than 30 years experience in mining engineering and operations roles across North America and Australia. He joined Peabody in 2000, and most recently was Group Executive Operations for the Peabody Energy Australia operations. Other past positions with Peabody include Group Executive – Powder River Basin Operations, Group Executive – Midwest Operations, and Director – Land Management.

Peabody intends to enter into amended employment agreements with Messrs. Meintjes and Williamson on or about November 15, 2012, and will file an amendment to this Current Report on Form 8-K to provide a brief description of those agreements.
