**Item 8.01 Other Events.**

On October 22, 2015, the Board of Directors (the "Board") of Old National Bancorp (the "Company"), upon the recommendation of its Corporate Governance and Nominating Committee, approved modifications to the Company's stock ownership guidelines for its independent directors. These modifications were the result of a market analysis of other similar companies within the Company's Peer Group. The Company has determined that it is advisable for the non-employee members of the board to attain an investment position in Company stock of at least five times the annual cash retainer within five years of becoming a board member. The current annual cash retainer is \$35,000. The prior guideline required non-employee members to attain at least \$100,000 worth of Company stock within a reasonable time after becoming a board member. All of the Board's current independent directors, other than Ms. Kathy White, Ms. Becky Skillman and Mr. Derrick Stewart (all recently elected or appointed Board members) comply with the new guideline.
