Item 1.01. Entry into a Material Definitive Agreement

On December 11, 2014, Tableau Software, Inc. (the "Company") entered into the Fourth Amendment to Office Lease Agreement (the "Lease Amendment") with Fremont Lake Union Center LLC, a Delaware limited liability company (the "Landlord"). The Lease Amendment amends the original Office Lease dated February 19, 2009, as amended, for the Company's headquarters located at 837 North 34th Street, Seattle, Washington 98103 (the "Lakeview Building") and provides for the leasing of additional space in a building located at 701 North 34th Street, Seattle, Washington 98103 (the "Plaza Building") currently occupied under sub-lease agreements. In addition to the office premises the Company currently occupies, the Lease Amendment also provides for the lease of an additional approximate 38,000 rentable square feet as expansion space.

Pursuant to the Lease Amendment, the term of the Company's lease with respect to the existing premises, within the Lakeview Building, will be extended by nine years and two months. Beginning on July 1, 2015, rent will be paid on a monthly basis and will increase incrementally from \$155,193 per month to \$202,492 per month through August 31, 2024.

Prior to the execution of the Lease Amendment, the Company occupied approximately 12,000 rentable square feet in the Plaza Building. This space is subject to two separate sub-lease agreements which expire on January 31, 2016 and July 31, 2017, respectively. At the expiration of each sub-lease, the currently occupied space will become subject to the terms of the Lease Amendment. Rent for this space will be paid on a monthly basis and will increase incrementally from \$15,753 per month to \$45,688 per month through August 31, 2024.

Beginning on the expansion space commencement date, and continuing through August 31, 2024, rent for the expansion space will be paid on a monthly basis and will increase incrementally from \$108,805 per month to \$141,967 per month.
