Item 8.01 Other Events

On November 29, 2006, the Company agreed to extend the warrant exercise period to January 15, 2007 (the "Extension Date") for its warrants issued on June 30, 2006 (the "Warrants") to certain institutional investors (the "Investors") holding \$2,620,000 in promissory notes that had been issued by the Company on August 29, 2003 (the "August Notes") and January 25, 2005 (the "January Notes") (together, the "Notes"). By a June 30, 2006 Warrant Purchase Agreement (the "Agreement") with the Investors, the Company issued the Warrants to the Investors to purchase an aggregate of 1,057,283 shares of the Company's common stock at \$2.54 per share for a period of three months in exchange for the suspension of the Company's obligation to make payments of principal during the original three month term of the Warrants and the waiver by the Investors of one-half of the pre-payment penalty on the Notes. In exchange for a prior extension of the term of the Warrants, the Investors agreed to extend the suspension of the Company's obligation to make payments of principal until the previous expiration date of November 30, 2006. By the November 29, 2006 agreement, the Extension Date was further extended to January 15, 2007. As a result, if the Warrants are not exercised or extended before January 15, 2007, the suspended principal payment will be paid at the time of the next scheduled principal payments, namely of January 24, 2007 for the January Notes and February 28, 2007 for the August Notes.

As provided in the Agreement, the Company has registered the offer and sale of the shares underlying the Warrants under the Securities Act of 1933, as amended. The exercise price of the Warrants can be paid only by an exchange of the outstanding principal, interest and pre-payment penalty on the Notes at the time of exercise. Except for the extension of the exercise period, the Warrants and the Agreement remain unchanged. The Agreement and Form of Warrant were filed as exhibits to the Company's report on Form 8-K dated June 30, 2006.
