We have examined management's assertion, including the accompanying Management Statement Regarding Compliance with Certain Provisions of the Investment Company Act of 1940, that Daxor Corporation (the "Company") complied with the requirements of subsections (b) and (c) of Rule 17f-2 under the Investment Company Act of 1940 as of December 31, 2018. Management is responsible for the Company's compliance with the requirements of subsections (b) and (c) of Rule 17f-2 of the Act (the specified requirements). Our responsibility is to express an opinion on management's assertion about the Company's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the specified requirements is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about whether management's assertion is fairly stated in all material respects. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material misstatement of management's assertion, whether due to risk or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Included among our procedures were the following tests performed as of December 31, 2018, and with respect to agreement of security purchases and sales, for the period from September 1, 2018 (the date of our last examination, August 31, 2018) through December 31, 2018:

Confirmation of all securities held by institutions in book entry form with UBS Financial Services, Inc. and TD Ameritrade.

Reconciliation of all such securities to the books and records of the Company and the Custodians.

Agreement of 5 security sales for the period from September 1, 2018 through December 31, 2018 from the books and records of the Company to broker confirmations. No security purchases were noted during the period.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with specified requirements.
