Item 5.03

Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On August 10, 2016, the Board of Directors (the “Board”) of BankUnited, Inc. (the “Company”) approved, and adopted effective as of such date, an amendment to the Company’s Amended and Restated By-Laws (the “Amended and Restated By-Laws”) to provide for majority voting in uncontested director elections. The amendment changes the voting standard for uncontested director elections from a plurality voting standard to a majority voting standard. The new Section 10 to Article II provides that in order to be elected in an uncontested election, a director nominee must receive a majority of the votes cast with respect to that nominee’s election such that the number of shares voted “for” that nominee’s election exceeds 50% of the number of votes cast with respect to that director’s election. An incumbent director nominee who fails to receive less than a majority of the votes cast will be required to tender his or her resignation for the consideration of the Board. The Board’s Nominating and Corporate Governance Committee would then make a recommendation to the Board as to whether to accept or reject the resignation, or as to any other action to be taken. Upon such recommendation and any other factors it may deem appropriate and relevant, the Board will then make a determination regarding the director’s resignation within ninety days of the certification of the election results and publicly disclose its determination.

The Amended and Restated Bylaws retain the plurality voting standard in contested elections where the number of nominees exceeds the number of directors to be elected.

The foregoing description of the Amended and Restated By-Laws does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated By-Laws, which are attached to this Current Report on Form 8-K as Exhibit 3.1 and incorporated herein by reference.
