TECOGEN INC.
PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

To be held on June 6, 2019

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING
WHY DID YOU FURNISH ME WITH THIS PROXY STATEMENT?

This Proxy Statement and accompanying Proxy Card are being furnished in connection with the solicitation of proxies by the Board of Directors of Tecogen Inc., a Delaware corporation (Tecogen or the Company), for the Annual Meeting of Stockholders, to be held on June 6, 2019 at 1:00 p.m., local time, and at any adjournments or postponements of the Annual Meeting. This Proxy Statement summarizes the information you need to make an informed vote on the proposals to be considered at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply access your proxy card and vote via the Internet, at www.proxyvote.com or by telephone at 1-800-690-6903.

WHY ARE YOU MAKING THESE MATERIALS AVAILABLE OVER THE INTERNET RATHER THAN MAILING THEM?

Under the "Notice and Access Rule" that the Securities and Exchange Commission, or the SEC, has adopted, we are furnishing proxy materials to our stockholders on the Internet rather than mailing printed copies of those materials to each stockholder. This will help us conserve natural resources and it will save postage, printing and processing costs. If you received the Notice of Internet Availability of Proxy Materials, or the Notice of Internet Availability, by mail, you will not receive a printed copy of our proxy materials unless you specifically request one. Instead, the Notice of Internet Availability will instruct you about how you may (1) access and review the Company's proxy materials on the Internet and (2) access your proxy card to vote on the Internet. We anticipate that we will mail the Notice of Internet Availability to our stockholders on or about April 25, 2019.

The Proxy Materials are available at <https://materials.proxyvote.com/87876P>. Enter the 12-digit control number located on the Notice of Internet Availability, proxy card or voter instruction form.

HOW CAN I HAVE PRINTED COPIES OF THE PROXY MATERIALS MAILED TO ME?

Instructions for requesting a paper copy of the proxy materials are set forth on the Notice of Internet Availability.

WHAT PROPOSALS WILL BE ADDRESSED AT THE ANNUAL MEETING?

The following proposals will be addressed at the Annual Meeting:

1. The election of seven directors to the Board of Directors of the Company each to hold office for one year or until their successors are duly elected and qualified, each as identified below;
2. The ratification of the appointment of Wolf & Company, P.C. as the Company's independent registered public accounting firm;
3. Advisory vote regarding approval of compensation of the Company's named executive officers;
4. Advisory vote regarding the frequency of stockholder advisory votes on the compensation of the Company's named executive officers; and
5. Any other business that may come before the Annual Meeting or any adjournment or postponement of the Annual Meeting so long as such business is properly brought.

WHO MAY VOTE ON THESE PROPOSALS?

Stockholders who owned shares of the Company's voting stock at the close of business on April 15, 2019, or the Record Date, are entitled to notice of and to vote at the Annual Meeting on all matters properly brought before the Annual Meeting.

On the Record Date, there were 24,839,656 shares of the Company's common stock, par value \$0.01 per share, or the Common Stock, issued and outstanding and entitled to vote. Our Common Stock will vote as a single class on all matters scheduled to be voted on at the Annual Meeting. There is no cumulative voting.

HOW MANY VOTES DO I HAVE?

Each share of Common Stock is entitled to one vote on each matter presented at the Annual Meeting.

WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A STOCKHOLDER OF RECORD AND AS A BENEFICIAL OWNER?

Stockholder of Record

If, on the Record Date, your shares were registered directly in your name with our transfer agent, VStock Transfer LLC, you are a “stockholder of record” who may vote at the Annual Meeting. As a stockholder of record you have the right to direct the voting of your shares via the Internet, telephone, to return a proxy card to us or to vote in person at the Annual Meeting. Whether or not you plan to attend the Annual Meeting, please vote via the Internet, telephone, or complete, sign, date, and return a proxy card to ensure that your vote is counted.

Beneficial Owner

If, on the Record Date, your shares were held in an account at a brokerage firm or at a bank or other nominee holder, you are considered the beneficial owner of shares held “in street name.” Your broker or nominee is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct your broker, bank, or nominee how to vote your shares by using any voting instruction card supplied by them or by following their instructions for voting by telephone, online, or in person. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from your brokerage firm, bank or other nominee holder. To obtain a valid proxy, you must make a special request of your brokerage firm, bank or other nominee holder.

HOW DOES THE BOARD RECOMMEND THAT I VOTE?

Our Board unanimously recommends that stockholders vote "FOR" all seven nominees for director, and "FOR" the ratification of the appointment of Wolf & Company, P.C. as our independent registered public accountants, "FOR" approval of the compensation of the Company's named executive officers disclosed in this Proxy Statement, and "THREE YEARS" in the vote regarding the frequency of non-binding stockholder advisory votes on the compensation of the Company's named executive officers.

WHAT IS THE QUORUM REQUIREMENT?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the issued and outstanding shares are represented by stockholders present at the Annual Meeting or represented by proxy. On the Record Date, there were 24,839,656 shares outstanding and entitled to vote at the meeting.

Thus, 12,419,829 shares must be represented by stockholders present at the meeting or by proxy to have a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. A broker non-vote occurs when a broker holding shares for a beneficial owner votes on one proposal but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner. If there is no quorum, the chairman of the meeting or a majority of the votes present at the meeting may adjourn the meeting to another date.

WHY WOULD THE ANNUAL MEETING BE ADJOURNED?

The Annual Meeting may be adjourned if a quorum is not present or to allow time for further solicitation of proxies in the event there are insufficient votes present in person or represented by proxy to approve the proposals. For purposes of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purpose of determining the existence of a quorum at the Annual Meeting.

HOW DO I VOTE BY PROXY?

If you hold shares directly as the stockholder of record, you may direct how your shares are voted without attending the Annual Meeting. Such stockholders may deliver their proxies either:

- (1) Electronically over the Internet at www.proxyvote.com;
- (2) By telephone at 1-800-690-6903; or
- (3) By completing and submitting a properly signed paper proxy card.

If you are a stockholder of record, returning the proxy card will not affect your right to attend the Annual Meeting and vote in person as described elsewhere herein. If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed.

If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors as follows:

1. FOR the election of each of our Board's nominees for director;
2. FOR the ratification of the appointment of Wolf & Company, P.C. as the Company's independent registered public accounting firm.
3. FOR the approval of the compensation of the Company's named executive officers.
4. THREE YEARS for the frequency of non-binding stockholder advisory votes on the compensation of the Company's named executive officers.

If any other matters are presented, your proxy will vote in accordance with his or her best judgment. At the time this Proxy Statement was finalized, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this Proxy Statement.

If you are a beneficial owner, you must vote your shares in the manner prescribed by your broker, bank or other nominee. You will receive a voting instruction card (not a proxy card) to use in directing the broker, bank, or other nominee how to vote your shares. You may also have the option to vote your shares via the Internet.

HOW DO I VOTE IN PERSON?

- 2 -

If you are a stockholder of record (i.e., you own the shares directly in your name) and plan to attend the Annual Meeting, you may attend and vote in person on June 6, 2019, or at a later date if the Annual Meeting is adjourned or postponed to a later date, as long as you present valid proof of identification at the Annual Meeting. We will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, in addition to identification, you must bring proof of beneficial ownership in order to attend the Annual Meeting, which generally can be obtained from the record holder. In that event, you must also obtain a proxy or a power of attorney executed by the broker, bank or other nominee that owns the shares of record for your benefit and authorizing you to vote the shares at the Annual Meeting.

MAY I CHANGE MY VOTE?

Stockholders of record may change their vote at any time before the proxy is exercised by sending a written notice of revocation or a later-dated proxy to our Secretary, which must be received prior to commencement of the Annual Meeting; by submitting a later-dated proxy via Internet or phone before 11:59 p.m. Eastern Daylight Time on June 5, 2019; or by voting in person at the Annual Meeting. Your attendance at the Annual Meeting in person will not cause your previously granted proxy to be revoked unless you file the proper documentation for it to be so revoked. If you hold your shares through a broker, bank or other nominee in "street name", you should contact such person prior to the time such voting instructions are exercised.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD OR VOTING INSTRUCTION CARD?

If you receive more than one proxy card or voting instruction card, it means that you have multiple accounts with brokers, banks or other nominees and/or our transfer agent. Please sign and deliver, or otherwise vote, each proxy card and voting instruction card that you receive. We recommend that you contact your nominee and/or our transfer agent, as appropriate, to consolidate as many accounts as possible under the same name and address. Our transfer agent is Vstock Transfer, LLC, 18 Lafayette Place, Woodmere, NY 11598; Telephone: 212-828-8436.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Directors. The election of directors shall be determined by a plurality of the votes cast by the stockholders. Therefore, a nominee who receives a plurality, (the nominee who receives a higher number of votes "for" his or her election than any other nominee for the same director's seat) will be elected.

Proposal 2: Ratification of independent registered public accounting firm. The approval of the ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of the holders of a majority in voting power of the votes cast by the holders of all of the shares of stock present or represented at the Annual Meeting entitled to vote on the matter.

Proposal 3: Advisory vote regarding named executive officer compensation included in this Proxy Statement. Approval of the compensation of the Company's named executive officers requires the affirmative vote of the holders of a majority in voting power of the votes cast by the holders of all of the shares of stock present or represented at the Annual Meeting and entitled to vote on the matter. The vote is advisory only and the Board of Directors will determine the compensation of the executive officers of the Company taking into account the results of the advisory vote regarding compensation of the Company's named executive officers.

Proposal 4: Advisory vote regarding the frequency of the advisory vote on approval of the compensation of Company's named executive officers. This vote requires the affirmative vote of the holders of a majority in voting power of the votes cast by the holders of all of the shares of stock present or represented at the Annual Meeting and entitled to vote on the matter. The vote is advisory only and the Board of Directors will take the results of these advisory votes into account in determining the frequency of advisory votes regarding the compensation of the Company's named executive officers.

HOW ARE VOTES COUNTED?

Proposal 1: You may either vote "FOR" or "WITHHOLD" authority to vote for each of the nominees for the Board of Directors. Shares present at the meeting or represented by proxy where the stockholder does not vote for a nominee or properly withholds authority to vote for such nominee and broker non-votes will not be counted "For" or "Against" such nominee's achievement of a plurality.

Proposal 2: You may vote "FOR," "AGAINST" or "ABSTAIN" on the ratification of Wolf & Company, P.C. If you abstain from voting on the proposal to ratify Wolf & Company, P.C., your vote will have no effect on the outcome of the vote on the proposal. Brokers, bankers and other nominees have discretionary voting power on this routine matter and, accordingly, broker non-votes will have no effect on the vote for this proposal.

Proposal 3: You may vote "FOR," "AGAINST" or "ABSTAIN" on the advisory vote regarding the compensation of the Company's named executive officers.

Proposal 4: You may vote "THREE YEARS," "TWO YEARS," "ONE YEAR," or "ABSTAIN" on the advisory vote regarding the frequency of stockholder advisory votes on the compensation of the Company's named executive officers.

ARE THERE ANY DISSENTERS' RIGHTS OF APPRAISAL?

- 3 -

Our Board is not proposing any action for which the laws of the State of Delaware, the Company's Certificate of Incorporation or the Company's by-laws provide a right of a stockholder to dissent and obtain appraisal of or payment for such stockholder's shares.

WHO BEARS THE COST OF SOLICITING PROXIES?

The Company will bear the cost of soliciting proxies in the accompanying form and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution.

WHERE ARE THE COMPANY'S PRINCIPAL EXECUTIVE OFFICES?

The Company's principal executive offices are located at 45 First Avenue, Waltham, Massachusetts, 02451, and the Company's telephone number is (781) 466-6400.

CORPORATE GOVERNANCE

The Board of Directors

The number of directors of the Company is established by the Board in accordance with the Company's By-laws. The directors are elected to serve for one year terms, with the term of directors expiring each year at the annual meeting of stockholders or until the election and qualification of a successor or such director's earlier death, resignation or removal.

The Company's Certificate of Incorporation and By-laws provide that the authorized number of directors may be established by resolution of the Board, and also provide that directors may be removed only for cause by the affirmative vote of the holders of at least two thirds of the votes that all stockholders would be entitled to cast in an annual election of directors, and that any vacancy on the Board, including a vacancy resulting from an increase in the number of Directors, may be filled only by vote of a majority of our directors then in office.

Members of the Board discussed various business matters informally on numerous occasions throughout the year. There were three formal board meetings during 2018. All current directors attended all Board meetings, except for Mr. Charlie Maxwell and Mr. Keith Davidson who missed one formal meeting, and Mr. Ahmed Ghoniem who missed two formal meetings. Independent directors endeavor to meet on a regular basis as often as necessary to fulfill their responsibilities, including at least twice annually in executive sessions without the presence of non-independent directors and management.

Board Leadership Structure and Role in Risk Oversight

The Company separates the roles of Chief Executive Officer and Chairperson in recognition of the differences between the two roles. Our Chief Executive Officer is responsible for setting the strategic direction for the Company and the overall leadership and performance of the Company. Our Chairperson provides guidance to the Chief Executive Officer, sets the agenda for Board meetings, presides over meetings of the full Board and leads all executive meetings of the independent directors. We are a small company with a small management team, and we feel the separation of these roles enhances high-level attention to our business. Our Board has no lead independent director. Our Board oversees our risk management processes directly and through its committees. Our management is responsible for risk management on a day-to-day basis. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and discusses policies with respect to risk assessment and risk management, including guidelines and policies to govern the process by which the Company's exposure to risk is handled. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Governance Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure, succession planning for our directors, and corporate governance.

Committees of the Board of Directors

Our Board directs the management of our business and affairs and conducts its business through meetings of the Board and the following standing committees: the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee.

Audit Committee. The Audit Committee is presently composed of three members of the Board: Mr. Charles T. Maxwell (Chairman), Ms. Angelina M. Galiteva and Ms. Deanna Petersen. The Audit Committee assists the Board in the oversight of the audit of the Company's financial statements and the quality and integrity of its accounting, auditing and financial reporting processes. The Audit Committee also has the responsibility of reviewing the qualifications, independence and performance of the Company's independent registered public accounting firm and is responsible for the appointment, retention, oversight and, where appropriate, termination of the independent registered public accounting firm. During fiscal year 2018, the Audit Committee held four meetings. The Board has determined that each of the members of the Audit Committee meets the criteria for independence under the applicable listing standards of NASDAQ, Section 10A-3 of the Exchange Act, and that Mr. Maxwell also qualifies as an "audit committee financial expert," as defined by the rules adopted by the SEC. The Board has adopted a written charter for the Audit Committee,

which is reviewed annually by the Audit Committee. The current Audit Committee Charter is available on the Company's web site, <http://investors.tecogen.com/audit-committee-charter>.

Compensation Committee. The Compensation Committee is presently composed of two members of the Board: Ms. Angelina M. Galiteva (Chairwoman) and Ms. Deanna Petersen. The principal functions of the Compensation Committee are reviewing with management cash and other compensation policies for employees, making recommendations to the Board regarding compensation matters and determining compensation for the Executive Officers. Our Chief Executive Officers have been instrumental in the design and recommendation to the Compensation Committee of compensation plans and awards for our directors and executive officers including our President and Chief Operating Officer and Chief Accounting Officer. All compensation

- 11 -

decisions for the Chief Executive Officers and all other executive officers are reviewed and approved by the Compensation Committee and can be subject to ratification by the Board of Directors. The Compensation Committee has the authority under its charter to engage the services of outside advisors, experts and others to assist the Compensation Committee. In 2018, no compensation consultant was engaged for employee or executive compensation. During fiscal year 2018, the Compensation Committee held no formal meetings. The Board has determined that each of the members of the Compensation Committee meets the criteria for independence under the applicable NASDAQ listing standards. The current Compensation Committee Charter is available on the Company's web site at <http://investors.tecogen.com/compensation-committee-charter>.

Nominating and Governance Committee. The Nominating and Governance Committee is presently composed of three members of the Board: Mr. Ahmed F. Ghoniem (Chairman), Mr. Charles T. Maxwell and Ms. Deanna Petersen, each of whom is an independent director as independence is defined by the NASDAQ rules and regulations. The Nominating and Governance Committee functions are to identify persons qualified to serve as members of the Board, to recommend to the Board of Directors persons to be nominated by the Board for election as directors at the annual meeting of stockholders and persons to be elected by the Board to fill any vacancies and recommend to the Board persons to be appointed to each of its committees. Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of our Board. However, minimum qualifications include high level leadership experience in business activities, breadth of knowledge about issues affecting the Company, experience on other boards of directors, preferably public company boards, and time available for meetings and consultation on Company matters. In addition, the Nominating and Governance Committee is responsible for developing and recommending to the Board a set of corporate governance guidelines applicable to the Company (as well as reviewing and reassessing the adequacy of such guidelines as it deems appropriate from time to time) and overseeing the annual self-evaluation of the Board. The committee held no formal meetings in 2018. The charter of the Nominating and Governance Committee is available on the Company's website at <http://investors.tecogen.com/nominating-and-governance-committee-charter>.

Nominations and Proposals of Stockholders

The Company's Nominating and Governance Committee identifies new director candidates through recommendations from members of the Committee, other Board members and executive officers of the Company and will consider candidates who are recommended by security holders, as described below. Although the Board does not have a formal diversity policy, the Committee and the Board will consider such factors as it deems appropriate to assist in developing a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors focus on skills, expertise or background and may include decision-making ability, judgment, personal integrity and reputation, experience with businesses and other organizations of comparable size, experience as an executive with a publicly traded company, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

A stockholder who, in accordance with Rule 14a-8, under the Securities Exchange Act of 1934, as amended, or the Exchange Act, wants to present a proposal for inclusion in the Company's 2019 Proxy Statement and proxy card relating to the 2019 Annual Meeting of Stockholders must submit the proposal by December 20, 2018. In order for the proposal to be included in the Proxy Statement, the stockholder submitting the proposal must meet certain eligibility standards and comply with certain regulations established by the SEC.

Stockholders who wish to present a business proposal or nominate persons for election as directors at the Company's 2020 Annual Meeting of Stockholders must provide a notice of the business proposal or nomination in accordance with Section 1.11 of our By-laws, in the case of business proposals, or Section 1.10 of our By-laws, in the case of director nominations. In order to be properly brought before the 2020 Annual Meeting of Stockholders, Sections 1.10 and 1.11 of our By-laws require that a notice of the business proposal the stockholder wishes to present (other than a matter brought pursuant to Rule 14a-8), or the person or persons the stockholder wishes to nominate as a director, must be received at our principal executive office not less than 90 days, and not more than 120 days, prior to the first anniversary of the Company's prior year's annual meeting. Therefore, any notice intended to be given by a stockholder

with respect to the Company's 2020 Annual Meeting of Stockholders pursuant to our By-laws must be received at our principal executive office no earlier than February 6, 2019 and no later than March 8, 2019. However, if the date of our 2019 Annual Meeting of Stockholders occurs more than 20 days before or 60 days after June 6, 2019, the anniversary of the 2018 Annual Meeting of Stockholders, a stockholder notice will be timely if it is received at our principal executive office by the later of (1) the 120th day prior to such annual meeting or (2) the close of business on the tenth day following the day on which public disclosure of the date of the meeting was made. To be in proper form, a stockholder's notice must include the specified information concerning the stockholder and the business proposal or nominee, as described in Sections 1.10 and 1.11 of our By-laws.

All proposals must be mailed to the Company's principal executive office, at the address stated herein, and should be directed to the attention of the Secretary of the Company.

- 12 -

The Nominating and Corporate Governance Committee will evaluate new director candidates in view of the criteria described above, as well as other factors the Committee deems to be relevant, through reviews of biographical and other information, input from others, including members of the Board and executive officers of the Company, and personal discussions with the candidate when warranted by the results of these other assessments. The Committee will evaluate any director candidates recommended by security holders under the same process. In determining whether to recommend to the Board the nomination of a director who is a member of the Board, the Committee will review the Board performance of such director and solicit feedback about the director from other Board members.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2018, none of our executive officers served as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any other entity that has one or more of its executive officers serving as a member of our Board or Compensation Committee. None of the current members of the Compensation Committee of our Board has ever been an employee of the Company.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

None of Tecogen's executive officers, other than Mr. John Hatsopoulos, has an employment contract or change-in-control arrangement, other than stock and option awards that contain certain change-in-control provisions such as accelerated vesting due to acquisition. In the event that an acquisition that is not a private transaction occurs while the optionee maintains a business relationship with the Company and the option has not fully vested, the option will become exercisable for 100% of the shares as to which it has not vested with such vesting to occur immediately prior to the closing of the acquisition.

The stock and option awards that would vest for each named executive officer if a change-in-control were to occur are disclosed under our Outstanding Equity Awards at Fiscal Year-End Table. Our stock and option awards contain certain change-in-control provisions. Descriptions of those provisions are set forth below:

Stock Awards: Change-in-Control Definition

For the purposes of our stock awards, change-in-control shall mean (a) the acquisition in a transaction or series of transactions by a person (such term to include anyone deemed a person under Section 13(d)(3) of the Exchange Act), other than the Company or any of its subsidiaries, or any employee benefit plan or related trust of the Company or any of its subsidiaries, of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 50% or more of the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors or (b) the sale or other disposition of all or substantially all of the assets of the Company in one transaction or series of related transactions.

Option Awards Change-in-Control Definition

For the purposes of our option awards, change-in-control shall mean merger (or reverse merger), consolidation, or other similar event or the sale or lease of all or substantially all of the Company's assets. Upon a change-in-control, while the optionee maintains a business relationship with the Company and the option has not fully vested, the option shall become exercisable for 100% of the then number of shares as to which it has not vested, such vesting to occur

immediately prior to the closing of the acquisition.

Advisory Agreement

On January 3, 2018 the Company entered into an Advisory Agreement with John N. Hatsopoulos, a member of the Board of Directors. The Advisory Agreement provides that Mr. Hatsopoulos will resign as a member of the Board of Directors at the Company's 2018 Annual Meeting of Stockholders or June 30, 2018, whichever comes first. Pursuant to the Advisory Agreement, Mr. Hatsopoulos will remain an advisor to the Company's Board of Directors and an employee of the Company in the Company's Investors Relations Department. He will be paid a salary of \$1.00 annually and receive the same benefits as other similarly situated employees as well as administrative support for the duration of the agreement. Mr. Hatsopoulos was not nominated for election as a director at the June 6, 2018 Annual Meeting of Stockholders. On February 1, 2019 Mr. Hatsopoulos was reappointed by the Company's Board of Directors to serve as a director of the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

Except as set forth below since the beginning of the last completed fiscal year we have not been a party to any transaction in which the amount involved exceeded or will exceed the lesser of \$120,000 or one percent of the average of our total assets as at the year-end for the last two completed fiscal years and in which any of our directors, executive officers or beneficial holders of more than 5% of our capital stock, or any immediate family member of, or person sharing the household with, any of these individuals, had or will have a direct or indirect material interest.

Director Loan

In connection with the ADGE Merger, the Company assumed a loan from John N. Hatsopoulos, the Company's former Co-Chief Executive Officer and a Company Director. The loan was in the amount of \$850,000, with interest at 6%, payable quarterly, and had a maturity date of May 25, 2018. The loan, together with interest thereon, was repaid in full on May 4, 2018.

Director Independence

The Company's common stock is listed on the NASDAQ stock exchange. The Board considers the status of its members pursuant to the independence requirements set forth in the applicable NASDAQ rules and applicable federal securities laws. Under these requirements, the Board undertakes a review at least annually of director independence. During this review, the Board considers transactions and relationships between each director or any member of his immediate family and the Company and its affiliates, if any. The purpose of this review is to determine whether any such relationship or transactions exist that are inconsistent with a determination that the director is independent. The following current directors, Ms. Galiteva, Dr. Ghoniem, Mr. Maxwell, Mr. Davidson, and Ms. Petersen are "independent" in each case as defined in the applicable NASDAQ rules. As of December 31, 2018, the members of the Compensation Committee, Audit Committee and Nominating and Governance Committee are also "independent" for purposes of Rule 10A-3 under the Exchange Act and NASDAQ listing requirements. The Board bases these determinations primarily on a review of the responses of the directors and executive officers to questions regarding employment and transaction history, affiliations and family and other relationships and on discussions with the directors.

In assessing the independence of Dr. Ahmed F. Ghoniem, the Board considered Dr. Ghoniem's position as a consultant for Ultra Emissions Technology Ltd., a joint venture that Company was part of ("Ultratek"). Pursuant to the Consulting Agreement dated December 8, 2015, as amended, between Dr. Ghoniem and the Company, Dr. Ghoniem was engaged to provide consulting services for Ultratek related to the development and manufacturing of automobile emissions control technology. As amended, the Consulting Agreement automatically renews for six month periods unless terminated according to its terms. It was agreed that aggregate fees of \$240,000 annually would be paid in monthly installments of \$20,000. Tecogen paid the monthly installments to Dr. Ghoniem, and then Tecogen was reimbursed from Ultratek. Dr. Ghoniem's Consulting Agreement terminated on October 28, 2017, when the Company and the Ultratek investors decided to dissolve Ultratek. The Board determined that, because Dr. Ghoniem did not work directly for the Company and the Company did not control Ultratek, his consulting relationship would not interfere with Dr. Ghoniem's independence.

In assessing the independence of Mr. Keith Davidson, the Board considered the position of Mr. Davidson's company, DE Solutions, Inc. ("DE Solutions"), as a consultant for Ultratek. Pursuant to the Consulting Agreement dated December 1, 2015, as amended, between DE Solutions and the Company, DE Solutions was engaged to provide

consulting services for Ultratek related to the development and policies of automobile emissions control technology. As amended the agreement provides for \$7,500 a month in exchange for services. The DE Solutions' Consulting Agreement was also terminated when Ultratek decided to dissolve on October 28, 2017. The Board determined that, because DE Solutions did not work directly for the Company and the Company did not control Ultratek, this consulting relationship would not interfere with Mr. Davidson's independence.

In assessing the independence of Mr. Davidson, the Board considered certain transactions involving Ilios, Inc., a Delaware corporation ("Ilios"). In 2009, the Company created Ilios to develop and distribute a line of high-efficiency heating products, starting with a water heater. Beginning on April 11, 2016 through its conclusion on May 12, 2016, the Company entered into numerous private placement share exchange agreements ("Share Exchange Agreements") with shareholders of Ilios ("Exchanging Shareholders"), including Mr. Davidson. Pursuant to the Share Exchange Agreements, the Exchanging Shareholders agreed to exchange every 7.86 of their restricted Ilios shares of common stock for one share of the Company's restricted common stock. In addition, the Company granted each Exchanging Shareholder registration rights with respect to the Company's common stock received in exchange for their Ilios shares. Pursuant to the Registration Rights Agreement, the Company filed a registration

- 19 -

statement covering the resale of the shares. Upon execution of the exchange agreements for 100% of the shares of Ilios, the Company no longer had a non-controlling interest in its subsidiary. The Board determined that, because Mr. Davidson only owned 10,000 shares of Ilios common stock, this immaterial investment would not interfere with Mr. Davidson's independence.

PROPOSALS RECOMMENDED FOR CONSIDERATION BY STOCKHOLDERS

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's By-laws provide that the number of directors shall be fixed from time to time by a vote of the majority of the Board of Directors. The Board of Directors currently consists of seven members as follows: Ms. Angelina M. Galiteva, Mr. John N. Hatsopoulos, Mr. Benjamin Locke, Mr. Charles T. Maxwell, Dr. Ahmed F. Ghoniem, Mr. Keith Davidson, and Ms. Deanna Petersen.

On January 3, 2018, Mr. Hatsopoulos entered into an Advisory Agreement with the Company pursuant to which he agreed to resign as a director effective June 30, 2018 or the 2018 Annual Meeting, whichever is sooner. The Board determined it would be in the best interest of the stockholders to nominate Mr. Benjamin Locke to replace Mr. Hatsopoulos due to Mr. Locke's expertise with the Company as Chief Executive Officer. Mr. Hatsopoulos was re-appointed to the Company's Board of Directors on February 1, 2019 in order to serve as Lead Director in connection with the identification and evaluation of financing alternatives for the Company.

On March 18, 2019, in addition to Ms. Angelina Galiteva, Mr. John Hatsopoulos, Mr. Benjamin Locke, Mr. Ahmed Ghoniem, and Ms. Deanna Petersen, the Board also nominated Mr. Earl Lewis and Ms. Laurence Elizabeth de Armada Garcia Roosevelt for election to the Board at the Annual Meeting of Stockholders on June 6, 2019 following indications from Mr. Charlie Maxwell and Mr. Keith Davidson that they did not intend to serve as directors of the Company following the 2019 Annual Meeting of Stockholders.

The Board has concluded that the nomination and election of Ms. Angelina M. Galiteva, Mr. John Hatsopoulos, Mr. Benjamin Locke, Mr. Ahmed F. Ghoniem, Ms. Deanna Petersen, Mr. Earl Lewis, and Ms. Laurence Elizabeth de Armada Garcia Roosevelt as members of the Board is in the best interests of the Company, and recommends stockholder approval of the election of each nominee to hold office for one year until the next annual meeting of stockholders or until their successors are duly elected and qualified. Biographical information concerning the nominees can be found under "Information About Directors and Executive Officers" above.

Each of the nominees has consented to being named in this Proxy Statement and to serve his or her respective term if elected. If a nominee should for any reason become unavailable for election, the Board may nominate a substitute nominee. If you have submitted a proxy and a substitute nominee is selected, proxies may be voted with discretionary authority by the persons appointed as proxies for any substitute nominee designated by the Board. Alternatively, if the Board does not select a substitute nominee, the proxy may vote only for the remaining nominees, leaving a vacancy on the Board that may be filled at a later date by the Board in accordance with the Bylaws of the Company. As of the date of this Proxy Statement, the Board is not aware that any nominee is unable or will decline to serve as a director.

The persons named in the proxy will vote FOR each such nominee, except where authority has been withheld as to the nominee.

Vote Required for Approval

The election of directors will be determined by a plurality of the votes cast by the stockholders.

The Board recommends a vote FOR each of the nominees for election to the Board of Directors of the Company.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF WOLF & COMPANY P.C.
AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2019

The Audit Committee has selected Wolf & Company, P.C., or “Wolf” to serve as the Company's independent registered public accounting firm in connection with the audit for the fiscal year ended December 31, 2019, and the review of the Company's financial statements for the quarters ended March 31, 2019, June 30, 2019, and September 30, 2019. Wolf has served as the Company's independent registered public accounting firm since September 15, 2014.

Although ratification is not required, the Board is submitting the selection of Wolf to its stockholders for ratification as a matter of good corporate practice. If the selection is not ratified by stockholders, the Audit Committee will consider the results in connection with its selection of auditors for the balance of 2019. Notwithstanding the ratification of the selection, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time if it determines that such a change would be in the Company's best interest and the best interests of its stockholders.

The Audit Committee, prior to engaging Wolf, considered the qualifications of that firm, its reputation for integrity, competence in the fields of accounting and auditing, and its independence.

The Company has been informed that neither Wolf nor any of its partners have any direct financial interest or any material indirect financial interest in the Company nor have any of them had any connection during the past three years with the Company in the capacity of promoter, underwriter, voting trustee, director, officer or employee. A representative of Wolf is expected to be present at the Annual Meeting, to make a statement if so desired, and to be available to respond to appropriate questions.

Vote Required for Approval

To be approved, the ratification of the appointment of Wolf requires the affirmative vote of the holders of a majority of the shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote thereon.

The Board recommends that stockholders vote FOR the ratification of the appointment of Wolf & Company P.C. as the Company's independent registered public accounting firm.

PROPOSAL 3

ADVISORY VOTE REGARDING APPROVAL OF THE
COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, and in view of the fact that the Company ceased to be an "Emerging Growth Company" as of December 31, 2018, the Company is required to submit to stockholders at least once every three years the opportunity to cast a non-binding stockholder advisory vote to approve the compensation of the Company named executive officers as disclosed in its Proxy Statement. Accordingly, the Company is hereby providing its stockholders the opportunity to cast a non-binding advisory vote "For" or "Against" the compensation paid to the Company's named executive officers in 2018 as disclosed and described in the "Compensation of Directors and Executive Officers" section of this Proxy Statement, including the compensation table and narrative disclosures that accompany the compensation tables. The Board will consider the results of the advisory vote in connection with the determination of the compensation of the Company's named executive officers.

This proposal 3 gives Company stockholders the opportunity to vote for or against the following resolution: RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed under the section entitled "Compensation of Directors and Executive Officers, " including the compensation tables and narrative discussion related thereto, is hereby approved.

Vote required for Approval

To be approved, the non-binding advisory vote on the compensation of the Company's named executive officers requires the affirmative vote of the holders of a majority of the shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote thereon.

The Board recommends that stockholders vote FOR the approval of the compensation of the Company's named executive officers.

PROPOSAL 4

NON-BINDING ADVISORY VOTE REGARDING FREQUENCY OF STOCKHOLDER VOTES
ON APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

In addition to the non-binding advisory vote to approve 2018 executive compensation as described in Proposal 3 above, SEC rules require that stockholders of the Company have an opportunity at least every six years to vote on the frequency of a non-binding advisory stockholder vote on executive compensation. Accordingly, the advisory vote on the frequency of stockholder votes regarding approval of the compensation of the Company's named executive officers is being submitted for a vote by stockholders of the Company. The Board will consider the results of the non-binding advisory vote in connection with the determination of the frequency of stockholder votes on approval of the compensation of the Company's named executive officers.

The Company's stockholders are being requested to indicate by their vote on this proposal whether the non-binding advisory stockholder vote on executive compensation should occur every year, every two years, or every three years.

Vote Required for Approval

To be approved, the non-binding advisory vote on the frequency of stockholder votes on the approval of the compensation of the Company's named executive officers requires the affirmative vote of the holders of a majority in voting power of the votes cast by the holders of all of the shares of stock present or represented at the Annual Meeting and entitled to vote on the matter. The results of the non-binding advisory vote regarding the frequency of stockholder votes on the approval of the compensation of the Company's named executive officers will be taken into account by the Board in determining the frequency of stockholder votes on approval of the compensation of the Company's named executive officers.

The Board recommends that stockholders select **THREE YEARS** as the frequency of stockholder votes on approval of the compensation of the Company's named executive officers.

ADDITIONAL INFORMATION

No Incorporation by Reference

In the Company's filings with the Securities and Exchange Commission, or SEC, information is sometimes "incorporated by reference." This means that we are referring you to information that has previously been filed with the SEC and the information should be considered as part of the filing. Based on SEC regulations, the "Audit Committee Report" and the "Compensation Committee Procedures," specifically are not incorporated by reference into any other filings by the Company with the SEC. In addition, this Proxy Statement includes website addresses. These website addresses are intended to provide inactive, textual references only. The information on these websites is not part of this Proxy Statement.

Stockholder Communication with the Board

A stockholder that desires to communicate directly with the Board or one or more of its members concerning the affairs of the Company shall direct the communication in writing to Tecogen Inc., attention Corporate Secretary, 45 First Avenue, Waltham, Massachusetts, 02451. If such communication is intended for some or all of the members of the Board, the mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication". The Corporate Secretary has been authorized to screen commercial solicitations and materials which pose security risks, are unrelated to the business or governance of the Company or are otherwise inappropriate. All such letters must identify the author as a stockholder and clearly state whether the intended recipients are all or individual members of the Board. The Corporate Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Householding of Proxy Statements

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy materials with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report or Notice of Internet Availability of proxy materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with account holders who are our stockholders may "household" our proxy materials. In that event, a single proxy statement and annual report will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker and the Company's Secretary in writing at 45 First Ave, Waltham, MA 02451 or by telephone at (781) 466-6400. The Company will promptly deliver, without charge, an additional copy of any such Proxy Statement and annual report upon request. Stockholders who currently receive multiple copies of the proxy materials at their address and would like to request householding of their communications should contact their broker.

Other Proposed Action

The Board does not intend to bring any other matters before the Annual Meeting, nor does the Board know of any matters which other persons intend to bring before the Annual Meeting. If, however, other matters not mentioned in this Proxy Statement properly come before the Annual Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with the recommendation of the Board.
