Item 1.01 Entry into a Material Definitive Agreement.

On February 16, 2017, Pro-Dex, Inc. (the Company) entered into an At the Market Offering Agreement (the Agreement) with Ascendant Capital Markets, LLC. (the sales agent or Ascendant), pursuant to which the Company may sell and issue shares of its common stock having an aggregate offering price of up to \$20,000,000 (the Shares) from time to time through Ascendant, as the Company's sales agent (the ATM Offering). The Company has no obligation to sell any of the Shares, and may at any time suspend offers under the Agreement or terminate the Agreement.

Sales of the Shares, if any, under the Agreement may be made in transactions that are deemed to be at-the-market equity offerings as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made by means of ordinary brokers transactions, including on the NASDAQ Stock Market. Subject to the terms and conditions of the Agreement, the sales agent will use its reasonable efforts to sell the Shares from time to time based upon the Company's instructions (including any price, time or size limits or other parameters or conditions the Company may impose). The Company will pay the sales agent a commission of up to 3.0% of the gross sales price of any Shares sold under the Agreement. The Company has also provided the sales agent with customary indemnification rights and has agreed to reimburse the sales agent for certain specified expenses up to \$80,000.

The Shares will be offered and sold pursuant to the Company's shelf registration statement on Form S-3, as amended (File No. 333-215032) which was declared effective on February 8, 2017. On February 16, 2017, the Company filed a prospectus supplement with the Securities and Exchange Commission relating to the sale of up to \$4,000,000 Shares pursuant to the ATM Offering. Pursuant to General Instruction I.B.6 of Form S-3, the aggregate market value of securities (including Shares) that may be sold by or on behalf of the Company pursuant to General Instruction I.B.6. during a 12-month period may not exceed one-third of the aggregate market value of the Company's common stock held by non-affiliates of the Company.

Under the terms of the Agreement, the Company may also sell Shares to Ascendant as principal for its own account at a price agreed upon at the time of the sale, subject to the Company entering into a separate terms agreement with Ascendant for any such sale and the filing of a prospectus supplement with the terms thereof.

The description of the ATM Agreement does not purport to be complete and is qualified in its entirety by reference to the ATM Agreement, a copy of which is filed as Exhibit 1.1 to this Current Report on Form 8-K. The copy of the Agreement has been included to provide investors with information regarding its terms and is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Agreement were made only for purposes of the Agreement as of the specific dates therein, are solely for the benefit of

the parties to the Agreement, may be subject to limitations agreed upon by the contracting parties, including, among others, being qualified by disclosures made for the purposes of allocating contractual risk between the parties instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. Rather, investors and the public should look to the disclosures contained in the Company's reports under the Securities Exchange Act of 1934, as amended.

The legal opinion of Rutan & Tucker LLP relating to the shares of common stock being offered pursuant to the Agreement is filed as Exhibit 5.1 to this Current Report on Form 8-K.

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy the securities discussed herein, nor shall there be any offer, solicitation, or sale of the securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
