Mid Penn Bancorp, Inc. (the "Registrant") filed its Form 10-K for the year ended December 31, 2018 ("Form 10-K") on March 18, 2019, but the final filing was not electronically processed and accepted until after the Commission's 17:30:00 deadline on March 18, 2019, and this delay could not have been eliminated by the Registrant without unreasonable effort or expense. Therefore, the effective date of the filing was March 19, 2019, warranting this Form 12b-25 filing. The Form 10-K included several additional disclosures for the year ended December 31, 2018 due to the two acquisitions by the Registrant during 2018, requiring additional procedures to be employed by both the Registrant and its independent registered public accounting firm to ensure the reasonableness and accuracy of the reports and disclosures. Such review procedures and a final draft of the Form 10-K, including all required management and independent audit reports and opinions, were not finalized until the afternoon of March 18, 2019, and though the Registrant was able to complete a test filing of the Form 10-K prior to the 17:30:00 filing deadline, the final filing of the Form 10-K was not accepted until 17:46:33, which is beyond the Commission's daily filing cutoff time.
